Item 1.01 Entry into a Material Definitive Agreement.

On January 2, 2020, Berry Global Group, Inc. (“Berry”), via its wholly owned subsidiary, Berry Global, Inc. (“BGI”), issued €700,000,000 aggregate principal amount of BGI’s 1.00% First Priority Senior Secured Notes due 2025 (the “2025 Notes”) and €375,000,000 aggregate principal amount of BGI’s 1.50% First Priority Senior Secured Notes due 2027 (the “2027 Notes” and together with the 2025 Notes, the “Notes”) pursuant to an Indenture, dated as of January 2, 2020, among BGI, Berry and certain of Berry’s subsidiaries party thereto as guarantors, U.S. Bank, National Association as trustee and collateral agent, and Elavon Financial Services DAC, as paying agent, transfer agent and registrar (the “Indenture”).

The Notes are senior obligations of BGI and have the benefit of the first priority security interest in the collateral described below. The 2025 Notes bear interest at a rate of 1.00%, payable semiannually, in cash in arrears, on January 15 and July 15 of each year, commencing on July 15, 2020, to holders of record at the close of business on January 1 and July 1, as the case may be, immediately preceding the interest payment date. The 2025 Notes will mature on January 15, 2025. The 2027 Notes bear interest at a rate of 1.50%, payable semiannually, in cash in arrears, on January 15 and July 15 of each year, commencing on July 15, 2020, to holders of record at the close of business on January 1 and July 1, as the case may be, immediately preceding the interest payment date. The 2027 Notes will mature on January 15, 2027.

Prior to October 15, 2024, BGI may redeem the 2025 Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the 2025 Notes redeemed plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest, if any, to, but not including the applicable redemption date (subject to the right of the holders of record on the relevant record date to receive interest due on the relevant interest payment date). On or after October 15, 2024, BGI may redeem the 2025 Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the 2025 Notes redeemed plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Prior to October 15, 2026 BGI may redeem the 2027 Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the 2027 First Priority Notes redeemed plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of the holders of record on the relevant record date to receive interest due on the relevant interest payment date). On or after October 15, 2026, BGI may redeem the 2027 Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the 2027 Notes redeemed plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Any redemption or notice described above may, at BGI’s discretion, be subject to one or more conditions precedent.

The Notes are fully and unconditionally guaranteed, jointly and severally, on a first priority senior secured basis, by each of BGI’s existing and future direct or indirect subsidiaries that guarantees its senior secured credit facilities and its existing first and second priority senior secured notes, and by Berry on an unsecured basis. Under certain circumstances, subsidiaries may be released from these guarantees without the consent of the holders of the Notes.

The Notes and the guarantees thereof are unsubordinated obligations of BGI and the guarantors, are equal in right of payment to all of BGI’s and such guarantors’ existing and future unsubordinated indebtedness and structurally subordinated to all the liabilities of BGI’s subsidiaries that are not or do not become subsidiary guarantors, are secured by a second priority lien on accounts receivable, inventory and certain related assets that secure BGI’s revolving credit facility and a first priority security interest in substantially all of the other assets of BGI and the existing and future domestic subsidiary guarantors that guarantee its obligations under its senior secured credit facilities (subject to certain specified exceptions and permitted liens), are contractually senior to the existing second priority secured notes in respect of the right to receive proceeds of the collateral, are effectively senior to all of BGI’s and the subsidiary guarantor’s existing and future indebtedness that is not secured by a lien on the collateral to the extent of the value of the collateral securing the Notes, equal in right of BGI’s existing first priority notes, and are effectively junior to the obligations under BGI’s revolving credit facility to the extent of the value of the collateral that secures such facility on a senior basis.

Upon the occurrence of certain changes of control of BGI, each holder of Notes will have the right to require BGI to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

The Indenture contains a number of restrictive covenants, including those relating to the ability of BGI to:

- incur or guarantee additional indebtedness;
- pay dividends and make other restricted payments;
- create restrictions on the payment of dividends or other distributions to BGI from its restricted subsidiaries;
- create or incur certain liens;
- make certain investments;
- engage in transactions with affiliates;
- engage in sales of assets and subsidiary stock; and
- transfer all or substantially all of BGI's assets or enter into merger or consolidation transactions.

Certain covenants will cease to apply to the applicable Notes when such Notes have investment grade ratings from two or more of Moody's Investors Service, Inc., S&P Global Ratings, a division of S&P Global Inc., and Fitch Ratings, Inc. (collectively, the "Ratings Agencies"), provided that no event of default has occurred and is continuing. Additionally, the change of control repurchase requirement described above will be suspended with respect to the applicable Notes during all periods when such Notes have investment grade ratings from any two or more of the Ratings Agencies, provided that no default has occurred and is continuing.

Upon the occurrence of certain events of default specified in the Indenture, the principal of, premium, if any, and accrued but unpaid interest and any other monetary obligations on all the then outstanding applicable Notes may become due and payable immediately. The foregoing description of the Notes and the Indenture governing the Notes is qualified in its entirety by reference to the actual text of the Indenture governing the Notes (including the forms of Notes included therein), which is filed herewith as Exhibit 4.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation.

The information set forth under Item 1.01 above is incorporated by reference into this Item 2.03.

Item 8.01 Other Events.

On January 2, 2020, Berry, BGI and certain of its subsidiaries consummated a term loan refinancing of BGI's Term U Loans maturing in 2026, pursuant to an Incremental Assumption Agreement with Credit Suisse AG, Cayman Islands Branch, as Administrative Agent, and Goldman Sachs Bank USA as the Initial Term Y Lender with respect to the Term Y Loan to borrow incremental amounts of \$4,228,750,000 (the "Term Y Loan") under BGI's existing term loan credit agreement. The Term Y Loan bears interest at a rate of 2.00% per annum in the case of any Eurocurrency loan that is a Term Y Loan and 1.00% per annum for any ABR loan that is a Term Y Loan. The Term Y Loan matures on July 1, 2026, and is subject to customary amortization. If certain specified repricing events occur prior to July 2, 2020, BGI will pay a fee to the applicable lenders equal to 1.00% of the outstanding principal amount of the Term Y Loan subject to such repricing event. The terms of the Term Y Loan, other than interest rates and prepayment premiums, are substantially identical to those of BGI's existing term loans.

The proceeds of the Term Y Loan were used to refinance BGI's existing Term U Loans and, in combination with the proceeds from the issuance of the Notes, to prepay the entire outstanding amount of BGI's Term V Loan.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made after September 20, 2006 and during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date (each, for purposes of this definition, a “pro forma event”) shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations (including the Original Transactions), discontinued operations and operational changes (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, consolidation or operational change had occurred at the beginning of the applicable four-quarter period.

Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar’s request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or of any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

Prior to the due presentation for registration of transfer of any Security, the Issuer, the other Obligors, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, any other Obligor, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the New York UCC are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the New York UCC (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee or the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security (including without limitation, attorneys' fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar, the Transfer Agent and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent (other than the Issuer) and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture. The Issuer undertakes to promptly inform The International Stock Exchange Authority Limited (if and so long as the Securities are listed on the Official List of The International Stock Exchange and admitted for trading on the Official List of The International Stock Exchange and the rules of The International Stock Exchange Authority Limited so require) of any such cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the 2025 First Priority Notes or the 2027 First Priority Notes, the Issuer shall pay the defaulted interest then borne by such series of Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be sent to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. Common Code, ISINs, etc. The Issuer in issuing the Securities may use ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee and Agents, as applicable, shall use ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly advise the Trustee and all Agents in writing of any change in the ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 13.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers’ Certificate.

SECTION 2.15. Agents. The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instruction exclusively from, the Trustee. Prior to receiving such written notice from the Trustee, the Agents shall be the agents of the Issuer.

ARTICLE 3

REDEMPTION

SECTION 3.01. Redemption. The Securities may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of 2025 First Priority Notes set forth in Exhibit A-1 hereto and 2027 First Priority Notes and Exhibit A-2 hereto, in each case, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to, but not including, the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Securities at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the Security, it shall notify the Trustee (with a copy to the Paying Agent) in writing of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. Such notice may be conditional. The Issuer shall give notice to the Trustee (with a copy to the Paying Agent) provided for in this paragraph at least 30 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the Security, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officers' Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Securities are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not fewer than 15 days after the date of notice to the Trustee. Any such notice may be canceled at any time prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Securities to Be Redeemed. In the case of any partial redemption, selection of a series of Securities for redemption will be made by the Paying Agent or Registrar by lot in accordance with the depository's procedures; *provided* that no Securities of €100,000 or less shall be redeemed in part. The Paying Agent or Registrar shall make the selection from outstanding Securities of a series not previously called for redemption. The Paying Agent or Registrar may select for redemption portions of the principal of Securities that have denominations larger than €100,000. Securities and portions of them the Paying Agent or Registrar selects shall be in amounts of €100,000 or any integral multiple of €1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Issuer promptly of the Securities of a series or portions of Securities of such series to be redeemed.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Security, the Issuer shall mail or cause to be mailed by first-class mail or cause to be sent electronically a notice of redemption to each Holder whose Securities are to be redeemed.

Any such notice shall identify the Securities to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to, but not including, the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued interest;
- (v) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (vi) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the ISIN and/or “Common Code” number, if any, printed on the Securities being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the ISIN and/or “Common Code” number, if any, listed in such notice or printed on the Securities.

(b) At the Issuer’s request, the Paying Agent shall give the notice of redemption in the Issuer’s name and at the Issuer’s expense. In such event, the Issuer shall provide the Paying Agent with the information required by this Section at least 10 days (or such shorter period as shall be acceptable to the Paying Agent) prior to the date such notice is to be provided to Holders and such notice may not be canceled.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed or sent in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final sentence of paragraph 5 of the Securities. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, *plus* accrued interest, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. With respect to any Securities, prior to 10:00 a.m., London time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest (if any) on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuer shall execute and the authenticating agent shall authenticate for the Holder (at the Issuer’s expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

SECTION 3.09. Tax Redemption.

(a) After the Issue Date, the Issuer may redeem the Securities of a series in whole, but not in part, at any time upon giving not less than 30 days' prior notice to the holders of such series of Securities (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed for redemption (a "Tax Redemption Date") (subject to the rights of holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts (as defined below), if any, then due and that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Issuer determines in good faith that, as a result of:

(1) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction (as defined below); or

(2) any amendment to, or change in an official written application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice or revenue guidance) (each of the foregoing in clauses (1) and (2), a "Change in Tax Law"),

the Issuer is, or on the next interest payment date in respect of such series of Securities would be, required to pay Additional Amounts with respect to such series of Securities, and such obligation cannot be avoided by taking reasonable measures available to the Issuer (including, for the avoidance of doubt, the appointment of a new paying agent where this would be reasonable, but not including assignment of the obligation to make payment with respect to such series of Securities). Such Change in Tax Law must (i) not have been publicly announced before the Issue Date and (ii) become effective on or after the Issue Date (or if the applicable Relevant Tax Jurisdiction became a Relevant Tax Jurisdiction on a date after the Issue Date, such later date).

(b) Notice of redemption for taxation reasons will be published in accordance with the procedures described in Section 3.03 and Section 3.04. Notwithstanding the foregoing, no such notice of redemption will be given earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment of Additional Amounts. Prior to the publication or mailing of any notice of redemption of any series of Securities pursuant to the foregoing, the Issuer will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing qualified under the laws of the Relevant Tax Jurisdiction to the effect that the Issuer has been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders of such series of the Securities.

ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Securities. The Issuer shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 12:00 p.m. London time money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate borne by the 2025 First Priority Notes or the 2027 First Priority Notes, as applicable, to the extent lawful.

SECTION 4.02. Reports and Other Information.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC (and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after it files them with the SEC):

(i) within the time period specified in the SEC's rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(ii) within the time period specified in the SEC's rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(iii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC's rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and

(iv) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

provided, however, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to prospective purchasers of Securities, including by posting such reports on the primary website of the Issuer or its Subsidiaries in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

(b) In the event that:

(i) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis, and

(ii) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer,

such consolidated reporting at such parent entity's level in a manner consistent with that described in this Section 4.02 for the Issuer shall satisfy this Section 4.02.

(c) The Issuer shall make such information available to prospective investors upon request. In addition, the Issuer shall, for so long as any Securities remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the Holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

(a) So long as the Parent Guarantee is in effect, or (b) in the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Issuer may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Issuer by furnishing financial information relating to the Parent Guarantor, or to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to the Parent Guarantor, or to such direct or indirect parent, and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates with respect thereto).

SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) (i) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Issuer shall not permit any of its Restricted Subsidiaries (other than a Subsidiary Guarantor) to issue any shares of Preferred Stock; provided, however, that the Issuer and any Restricted Subsidiary that is a Subsidiary Guarantor or a Foreign Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The limitations set forth in Section 4.03(a) shall not apply to:

(i) (x) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under any Credit Agreements and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof) in the aggregate principal amount of \$9,000.0 million *plus* an aggregate additional principal amount outstanding at any one time that does not cause the Secured Indebtedness Leverage Ratio of the Issuer to exceed 4.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom) and (y) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under the Revolving Credit Agreement or any other Credit Agreement that is a revolving, working capital or liquidity facility in an aggregate amount not to exceed the greater of (A) \$1,250.0 million and (B) the Borrowing Base as of the date of such Incurrence;

(ii) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the Securities (not including any Additional Securities) and the Subsidiary Guarantees, as applicable;

(iii) Indebtedness existing on the Issue Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b));

(iv) Indebtedness (including Capitalized Lease Obligations) Incurred by the Issuer or any of its Restricted Subsidiaries, Disqualified Stock issued by the Issuer or any of its Restricted Subsidiaries and Preferred Stock issued by any Restricted Subsidiaries of the Issuer to finance (whether prior to or within 270 days after) the purchase, lease, construction or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets (but no other material assets));

(v) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

(vi) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, Incurred in connection with the Original Transactions or any other acquisition or disposition of any business, assets or a Subsidiary of the Issuer occurring after September 20, 2006 and before the Issue Date, and any other acquisition or disposition of any business, assets or a Subsidiary of the Issuer occurring on or after the Issue Date in accordance with the terms of this Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

(vii) Indebtedness of the Issuer to a Restricted Subsidiary; *provided* that any such Indebtedness owed to a Restricted Subsidiary that is not a Subsidiary Guarantor is subordinated in right of payment to the obligations of the Issuer under the Securities; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

(ix) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; *provided* that if a Subsidiary Guarantor incurs such Indebtedness to a Restricted Subsidiary that is not a Subsidiary Guarantor, such Indebtedness is subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(x) Hedging Obligations that are not incurred for speculative purposes and either: (1) for the purpose of fixing or hedging interest rate risk with respect to any Indebtedness that is permitted by the terms of this Indenture to be outstanding; (2) for the purpose of fixing or hedging currency exchange rate risk with respect to any currency exchanges; or (3) for the purpose of fixing or hedging commodity price risk (including resin price risk) with respect to any commodity purchases or sales;

(xi) obligations in respect of performance, bid, appeal and surety bonds and completion guarantees provided by the Issuer or any Restricted Subsidiary in the ordinary course of business;

(xii) Indebtedness or Disqualified Stock of the Issuer or any Restricted Subsidiary of the Issuer and Preferred Stock of any Restricted Subsidiary of the Issuer not otherwise permitted hereunder in an aggregate principal amount, which when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (xii), does not exceed the greater of \$425.0 million and 5.0% of Total Assets at the time of Incurrence (it being understood that any Indebtedness Incurred under this clause (xii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xii) but shall be deemed Incurred for purposes of Section 4.03(a) from and after the first date on which the Issuer, or the Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xii));

(xiii) any guarantee by the Issuer or a Subsidiary Guarantor of Indebtedness or other obligations of the Issuer or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness Incurred by the Issuer or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such Subsidiary Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantor's Subsidiary Guarantee with respect to the Securities substantially to the same extent as such Indebtedness is subordinated to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable;

(xiv) the Incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer which serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under Section 4.03(a) and clauses (i), (ii), (iii), (iv), (xiv), (xv), (xix) and (xx) of this Section 4.03(b) or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums and fees in connection therewith (subject to the following proviso, "*Refinancing Indebtedness*") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(1) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced;

(2) has a Stated Maturity which is not earlier than the earlier of (x) the Stated Maturity of the Indebtedness being refunded or refinanced or (y) 91 days following the maturity date of the Securities;

Such designation shall only be permitted if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

SECTION 4.05. Dividend and Other Payment Restrictions Affecting Subsidiaries. The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause (c) above on the property subject to such lease;

(11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; provided, however, that such restrictions apply only to such Receivables Subsidiary;

(12) other Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer (i) that is a Subsidiary Guarantor that is Incurred subsequent to the Issue Date pursuant to Section 4.03 or (ii) that is Incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to clause (iv), (xii) or (xx) of Section 4.03(b);

(13) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or

(14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Securities or any Subsidiary Guarantee) that are assumed by the transferee of any such assets,

(ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of 2.0% of Total Assets and \$175.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be deemed to be Cash Equivalents for the purposes of this Section 4.06(a).

(b) Within 365 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:

(i) to repay (A) Indebtedness constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) (*provided* that (x) to the extent that the terms of the First Priority Lien Obligations other than the Note Obligations require such First Priority Lien Obligations be repaid with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to repaying the Obligations under the Securities and (y) subject to the foregoing clause (x), if the Issuer or any Subsidiary Guarantor shall so reduce other First Priority Lien Obligations, the Issuer shall equally and ratably reduce Obligations under the Securities through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest, on the pro rata principal amount of Securities), or (B) Indebtedness of a Foreign Subsidiary or (C) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer,

(ii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case used or useful in a Similar Business, or

(iii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale.

In the case of Sections 4.06(b)(ii) and (iii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; provided that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment; *provided, further* that the Issuer or such Restricted Subsidiary may only enter into such a commitment under the foregoing provision one time with respect to each Asset Sale.

Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Securities, as described in clause (i) of this Section 4.06(b), shall be deemed to have been invested whether or not such offer is accepted) shall be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuer shall make an offer to all Holders (and, at the option of the Issuer, to holders of any other First Priority Lien Obligations) (an "Asset Sale Offer") to purchase the maximum principal amount of Securities (and First Priority Lien Obligations), that is at least €100,000 and an integral multiple of €1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Section 4.06. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds \$15.0 million by mailing the notice required pursuant to the terms of Section 4.06(f), with a copy to the Trustee. To the extent that the aggregate amount of Securities (and such First Priority Lien Obligations) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Securities (and such First Priority Lien Obligations) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Securities to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) Not later than the date upon which written notice of an Asset Sale Offer is delivered to the Trustee as provided above, the Issuer shall deliver to the Trustee an Officers' Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Proceeds from the Asset Sales pursuant to which such Asset Sale Offer is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). On such date, the Issuer shall also irrevocably deposit with the Trustee or with a paying agent (or, if the Issuer or a Wholly Owned Restricted Subsidiary is acting as the Paying Agent, segregate and hold in trust) an amount equal to the Excess Proceeds to be invested in Cash Equivalents, as directed in writing by the Issuer, and to be held for payment in accordance with the provisions of this Section 4.06. Upon the expiration of the period for which the Asset Sale Offer remains open (the "Offer Period"), the Issuer shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Issuer. The Trustee (or the Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the Excess Proceeds delivered by the Issuer to the Trustee are greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess to the Issuer immediately after the expiration of the Offer Period for application in accordance with Section 4.06.

(e) Holders electing to have a Security purchased shall be required to surrender the Securities with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date, a facsimile transmission or letter sent to the address indicated in Section 13.02 or specified in the notice described in Section 4.06(f) setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the end of the Offer Period more Securities (and such First Priority Lien Obligations) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Securities for purchase shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed, or if such Securities are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); provided that no Securities of €100,000 or less shall be purchased in part. Selection of such First Priority Lien Obligations shall be made pursuant to the terms of such First Priority Lien Obligations.

(f) Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the purchase date to each Holder at such Holder's registered address. If any Security is to be purchased in part only, any notice of purchase that relates to such Security shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07. Transactions with Affiliates.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and any merger of the Issuer and any direct parent of the Issuer; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) [reserved];

(iv) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;

(v) [reserved];

(vi) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(vii) payments or loans (or cancellation of loans) to employees or consultants which are approved by a majority of the Board of Directors of the Issuer in good faith;

(viii) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by senior management or the Board of Directors of the Issuer;

(ix) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of the Original Acquisition Documents, the Pliant Acquisition Documents or any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any transaction, agreement or arrangement described in the Offering Memorandum and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter or have entered into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (ix) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Holders in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(x) [reserved];

(xi) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;

(xii) any transaction effected as part of a Qualified Receivables Financing;

(xiii) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;

(xiv) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(xv) the entering into of any tax sharing agreement or arrangement and any payments permitted by Section 4.04(b)(xii);

(xvi) any contribution to the capital of the Issuer;

(xvii) transactions permitted by, and complying with, Section 5.01;

(xviii) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xix) pledges of Equity Interests of Unrestricted Subsidiaries;

(xx) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business; and

(xxi) intercompany transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture.

SECTION 4.08. Change of Control.

(a) Upon a Change of Control, each Holder of such series shall have the right to require the Issuer to repurchase all or any part of such Holder's Securities of such series at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in this Section 4.08; *provided, however*, that notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to purchase any Securities pursuant to this Section 4.08 in the event that it has exercised its right to redeem such Securities of such series in accordance with Article 3 of this Indenture. In the event that at the time of such Change of Control the terms of any Bank Indebtedness restrict or prohibit the repurchase of Securities of such series pursuant to this Section 4.08, then prior to the mailing or sending electronically of the notice to the Holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control, the Issuer shall (i) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of Securities of such series, offer to repay in full all Bank Indebtedness and repay all such Bank Indebtedness of each lender who has accepted such offer, or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the Securities of such series as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the Securities in accordance with Article 3 of this Indenture, the Issuer shall:

(i) mail or send electronically a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Issuer to repurchase such Holder's Securities of such series at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest to the date of repurchase (subject to the right of the Holders of record on a record date to receive interest on the relevant interest payment date);

(2) the circumstances and relevant facts and financial information regarding such Change of Control;

(3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent);

(4) the instructions determined by the Issuer, consistent with this Section 4.08, that a Holder must follow in order to have its Securities of such series purchased; and

(ii) cause a notice of the Change of Control Offer to be, if at the time of such notice the Securities are listed on The Official List International Stock Exchange and the rules of The International Stock Exchange Authority Limited so require, to the extent and in the manner permitted by the rules of The International Stock Exchange Authority Limited, posted on the official website of The International Stock Exchange.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 13.02 or set forth in the notice described in Section 4.08(b) setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Issuer under this Section shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price *plus* accrued and unpaid interest to the Holders entitled thereto.

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Notwithstanding the other provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.08 applicable to a Change of Control Offer made by the Issuer and purchases all Securities of such series validly tendered and not withdrawn under such Change of Control Offer.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities of such series validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities of such series that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of redemption.

(h) Securities repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Securities issued but not outstanding or will be retired and canceled at the option of the Issuer. Securities purchased by a third party pursuant to the preceding clause (f) or (g) will have the status of Securities issued and outstanding.

(i) At the time the Issuer delivers Securities to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(j) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(k) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on or about September 30, 2019, an Officers' Certificate (which Officers' Certificate shall be signed by two Officers of the Issuer, one of whom must be the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer) stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. The Issuer shall cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that:

- (i) guarantees any Indebtedness of the Issuer or any of its Restricted Subsidiaries, or
- (ii) incurs any Indebtedness or issues any shares of Disqualified Stock permitted to be Incurred or issued pursuant to clauses (i) or (xii) of Section 4.03(b) or not permitted to be Incurred by Section 4.03,

to execute and deliver to the Trustee (x) a supplemental indenture substantially in the form of Exhibit B pursuant to which such Subsidiary shall guarantee the Issuer's Obligations under the Securities and this Indenture and (y) joinders to the Security Documents and take all actions required thereunder to perfect the liens created thereunder, to grant to the Collateral Agent a perfected security interest in the Collateral of such Restricted Subsidiary.

SECTION 4.12. Liens.

The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien other than Permitted Liens on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness unless such Lien securing such Indebtedness of the Issuer or such Restricted Subsidiary is junior to the Liens securing the Note Obligations upon the assets or property constituting the collateral for such Indebtedness, on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement. In the case of any Permitted Lien that secures First Priority Lien Obligations, the Securities shall be equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Securities) the obligations so secured on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement; *provided* that the First Priority Lien Obligations that are Obligations in respect of a Revolving Credit Agreement may be secured on a senior basis with respect to any Revolving Facility Senior Collateral to Liens securing the Note Obligations with respect to such collateral, on terms no less favorable in any material respect to the Holders than the terms set forth in the Second Priority Intercreditor Agreement.

For purposes of determining compliance with this Section 4.12, in the event that a Lien meets the criteria of more than one of the categories of permitted Liens described in the definition of "Permitted Liens" or pursuant to Section 4.12(a), the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien in any manner that complies with this Section 4.12.

SECTION 4.13. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 13.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the corporate trust office of the Trustee or its Agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.14. Amendment of Security Documents. The Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the Holders in any material respect, except as contemplated by the Intercreditor Agreements or as permitted under Article 9.

SECTION 4.15. After-Acquired Property. Upon the acquisition by the Issuer or any Subsidiary Guarantor of any First Priority After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such First Priority After-Acquired Property and to have such First Priority After-Acquired Property (but subject to certain limitations, if applicable, including as described in the Security Documents) added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such First Priority After-Acquired Property to the same extent and with the same force and effect; provided, however, that if granting such first-priority security interest in such First Priority After-Acquired Property requires the consent of a third party, the Issuer shall use commercially reasonable efforts to obtain such consent with respect to the first -priority interest for the benefit of the Trustee on behalf of the Holders; provided further, however, that if such third party does not consent to the granting of such first -priority security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

SECTION 4.16. Termination and Suspension of Certain Covenants.

(a) If, on any date following the Issue Date, (i) such series of Securities have Investment Grade Ratings from two or more Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the ratings of such series of Securities, the Issuer and its Restricted Subsidiaries shall no longer be subject to Section 4.03 hereof, Section 4.04 hereof, Section 4.05 hereof, Section 4.06 hereof, Section 4.07 hereof, Section 4.11 hereof and clause (iv) of Section 5.01(a) hereof.

(b) During any period of time that (i) such series of Securities have Investment Grade Ratings from two or more Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the Issuer and its Restricted Subsidiaries will not be subject to Section 4.08 hereof (the “Suspended Covenant”).

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under this Indenture for any period of time as a result of Section 4.16(b), and on any subsequent date (the “Downgrade Reversion Date”) two or more of the Rating Agencies that provided an Investment Grade Rating withdraw their Investment Grade Rating or downgrade the rating assigned to such series of Securities below an Investment Grade Rating then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenant with respect to future events, until the occurrence, if any, of another Covenant Suspension Event.

(d) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under this Indenture for any period of time as a result of Section 4.16(b), and on any subsequent date (the “Change of Control Reversion Date”) the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and two or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to such series of Securities below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenant from such date with respect to future events, including, without limitation, a proposed transaction described in this clause (d), until the occurrence, if any, of another Covenant Suspension Event or the termination of such agreement or the withdrawal by such Rating Agency of such indication, whichever occurs earliest.

(e) The Issuer shall deliver written notice to the Trustee promptly upon the occurrence of any Downgrade Reversion Date or Change of Control Reversion Date.

SECTION 4.17. Payment of Additional Amounts on the Securities.

(a) All payments made by or on behalf of the Issuer, the Parent Guarantor or any Subsidiary Guarantor (including, in each case, any successor entity) (each, a “Payor”) in respect of any series of the Securities or with respect to any Guarantee thereof, as applicable, will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(1) any jurisdiction from or through which payment on any such series of Security or Guarantee thereof is made, or any political subdivision or governmental authority thereof or therein having the power to tax; or

(2) any other jurisdiction in which a Payor is organized, engaged in business for tax purposes, or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (each of clause (1) and (2), a “Relevant Taxing Jurisdiction”),

will at any time be required by law to be made from any payments made by or on behalf of the Payor or the paying agent with respect to any such series of Security or Guarantee thereof, including payments of principal, redemption price, interest or premium, if any, the Payor will pay (together with such payments) such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received in respect of such payments, after such withholding or deduction (including any such withholding or deduction from such Additional Amounts), will not be less than the amounts that would have been received in respect of such payments on any such series of Security or Guarantee thereof in the absence of such withholding or deduction; *provided, however*, that no such Additional Amounts will be payable for or on account of:

(3) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant holder or beneficial owner of such series of the Security (or between a fiduciary, settlor, beneficiary, member, partner, shareholder or other equity owner of, or possessor of power over the relevant holder or beneficial owner, if the relevant holder or beneficial owner is an estate, nominee, trust, partnership, limited liability company, corporation or other entity) and the Relevant Taxing Jurisdiction (including, without limitation, being resident for tax purposes, or being, having been or having been treated as a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such series of Security or the receipt of any payment or the exercise or enforcement of rights under such series of Security, this Indenture or a Guarantee of such series of Security;

(4) any Tax that is imposed or withheld by reason of the failure by the holder or the beneficial owner of any series of the Security to provide an applicable Internal Revenue Service Form W-8 (with any required attachments) or W-9 or to comply with a written request of the Payor addressed to the holder, after reasonable notice (at least 60 days before any such withholding or deduction would be made), to provide other certification, information, documents or other evidence concerning the nationality, residence or identity of the holder or such beneficial owner or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters that is required by a statute, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from all or part of such Tax but, only to the extent the holder or beneficial owner is legally entitled to provide such certification or documentation;

(5) any Taxes, to the extent that such Taxes were imposed as a result of the presentation of any series of the Security for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder;

(6) any Taxes that are payable otherwise than by deduction or withholding from a payment on or with respect to any series of the Securities or any Guarantee thereof;

(7) any estate, inheritance, gift, sales, excise, transfer, personal property, wealth or similar Taxes;

(8) any Taxes imposed in connection with a Security presented for payment by or on behalf of a holder or beneficial owner who would have been able to avoid such Tax by presenting the note to, or otherwise accepting payment from, another paying agent in a member state of the European Union;

(9) any Taxes imposed pursuant to Sections 1471 through 1474 of the Code (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or agreements thereunder, official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code (or any amended or successor version that is substantively comparable), or any law, legislation, rules or practices implementing an intergovernmental agreement relating thereto;

(10) any Taxes imposed as a result of the beneficial owner being or having been (i) a "10-percent shareholder" of the Issuer as defined in Section 871(h)(3) of the Code or any successor provision or (ii) a controlled foreign corporation that is related to the Issuer within the meaning of Section 864(d)(4) of the Code or any successor provision;

(11) any Taxes imposed as a result of the holder or beneficial owner being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in Section 881(c)(3)(A) of the Code or any successor provision;

(12) any Taxes imposed by reason of the holder's or beneficial owner's past or present status as a passive foreign investment company, a controlled foreign corporation, a foreign tax-exempt organization or a personal holding company with respect to the United States or as a corporation that accumulates earnings to avoid U.S. federal income tax; or

(13) any combination of the items (1) through (10) above.

(b) In addition, no Additional Amounts shall be paid with respect to a holder who is a fiduciary or a partnership or limited liability company (or other entity treated as a partnership or limited liability company in the Relevant Taxing Jurisdiction) or any person other than the beneficial owner of any series of the Security, to the extent that the beneficiary or settlor with respect to such fiduciary, the member of such partnership or limited liability company (or other entity treated as a partnership or limited liability company in the Relevant Taxing Jurisdiction) or the beneficial owner would not have been entitled to Additional Amounts had such beneficiary, settlor, member or beneficial owner held such series of Security directly.

(c) The applicable withholding agent will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the relevant taxing authority in the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies, or if, notwithstanding the Payor's reasonable efforts to obtain such tax receipts, such tax receipts are not available, other reasonable evidence of such payments as soon as reasonably practicable to the Trustee. Such copies or other evidence shall be made available to the holders upon reasonable request and will be made available at the offices of the paying agent.

(d) If any Payor is obligated to pay Additional Amounts under or with respect to any payment made on any series of Security or Guarantee of a Note, at least 30 days prior to the date of such payment, the Payor will deliver to the Trustee an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the Payor may deliver such Officer's Certificate as promptly as practicable after the date that is 30 days prior to the payment date). The Trustee shall be entitled to rely solely, without further inquiry, on such Officer's Certificate as conclusive proof that such payments are necessary.

(e) The Payor will pay and indemnify the holders and beneficial owners of any series of the Securities for any present or future stamp, transfer, issue, registration, court or documentary taxes, or any other excise, property or similar taxes or similar charges or levies (including any related interest or penalties with respect thereto) that arise in a Relevant Taxing Jurisdiction from the execution, delivery, enforcement or registration of, or receipt of payments with respect to, any such series of Security, any Guarantee of a Security of such series, this Indenture, or any other document or instrument in relation thereto (other than in each case, in connection with a transfer of the Securities of such series after this offering and limited, solely to the extent of such taxes or similar charges or levies that arise from the receipt of any payments of principal or interest on the Securities of such series, to any such taxes or similar charges or levies that are not excluded under clauses (1) through (3) and (5) through (10)).

(f) The foregoing obligations will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is organized, engaged in business for tax purposes or otherwise resident for tax purposes, or any jurisdiction from or through which any payment under, or with respect to the Securities or Guarantees thereof is made by or on behalf of such Payor, or any political subdivision or taxing authority or agency thereof or therein.

SECTION 4.18. Maintenance of Listing. The Issuer shall use its commercially reasonable efforts to, subject to notice of issuance, have the Securities be admitted to listing on the Official List of The International Stock Exchange as soon as reasonably practicable following the Issue Date and maintain such listing for so long as any of the Securities remain outstanding. In no event will this Section 4.18 require the Issuer to obtain the listing of the Securities on any exchange that requires financial reporting for any fiscal period in addition to the fiscal periods required by the SEC. The Trustee shall have no obligation to monitor whether listing has been obtained or to determine whether commercially reasonable efforts have been made.

SECTION 4.19. Mortgages. The Issuer and the Subsidiary Guarantors shall use commercially reasonable efforts to deliver to the Trustee and the Collateral Agent as promptly as reasonably practicable after the Issue Date, but in any event within 120 days of the Issue Date, (a)(i) counterparts of each Mortgage or an amendment to each existing Mortgage granted to the Collateral Agent (a "Mortgage Amendment"), as applicable, to be entered into with respect to each Real Property that also secures the other First Priority Lien Obligations, duly executed and delivered by the record owner of such Real Property sufficient to grant to the Collateral Agent, for its benefit and the benefit of the Trustee and the holders of the Securities a valid first priority mortgage lien on such Real Property and otherwise suitable for recording or filing which Mortgage or Mortgage Amendment, as applicable, may be in a form consistent with such mortgages securing the other First Priority Lien Obligations previously delivered and shall otherwise be in form and substance acceptable to the Collateral Agent and (ii) opinions and such other documents including, but not limited to, any consents, agreements and confirmations of third parties with respect to any such Mortgage or Mortgage Amendment, as applicable,, in each case consistent in form and substance with such documents as have been previously delivered in connection with the other First Priority Lien Obligations, and (b) title insurance policies or title insurance date-down endorsements, as applicable, in each case consistent in form and substance with such title insurance policies as have been previously delivered in connection with the other First Priority Lien Obligations, and paid for by the Company, issued by a nationally recognized title insurance company (which may be the same as the title insurance company or companies insuring the mortgages securing the other First Priority Lien Obligations) insuring the lien of each Mortgage or Mortgage Amendment, as applicable, as a valid first priority Lien on such Real Property to be entered into on or after the Issue Date as a valid Lien on the applicable property described therein, free of any other Liens, except for Permitted Liens, together with such customary endorsements, and with respect to any such property located in a state in which a zoning endorsement is not available, a zoning compliance letter from the applicable municipality in a form acceptable to the Collateral Agent.

SUCCESSOR COMPANY

SECTION 5.01. When Issuer May Merge or Transfer Assets.

(a) The Issuer shall not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, Delaware LLC Division, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the case where the surviving Person is not a corporation, a co-obligor of the Securities is a corporation;

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture, the Securities and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(A) the Successor Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(B) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations under this Indenture and the Securities; and

(vi) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) shall succeed to, and be substituted for, the Issuer under this Indenture, the Securities and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Securities and the Security Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This Article 5 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b) (which govern the release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor), no Subsidiary Guarantor shall, and the Issuer shall not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person including, in each case, pursuant to a Delaware LLC Division unless:

(i) either (A) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, Delaware LLC Division, or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "Successor Subsidiary Guarantor") and the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee and the Collateral Agent, or (B) such sale or disposition or consolidation, amalgamation, Delaware LLC Division, or merger is not in violation of Section 4.06; and

(ii) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a "Transfer") to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; provided that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date.

The Issuer shall publish a notice of any consolidation, merger or sale of assets described above in accordance with the provisions of Section 3.03 and, so long as the rules of The International Stock Exchange Authority Limited so require, notify such exchange of any such consolidation, merger or sale.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An “Event of Default” with respect to each series of Securities occurs if:

- (a) there is a default in any payment of interest on any such series of Security when the same becomes due and payable, and such default continues for a period of 30 days,
- (b) there is a default in the payment of principal or premium, if any, of any such series of Security when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,
- (c) the Issuer or any of its Restricted Subsidiaries fails to comply with its obligations under Section 5.01,
- (d) the Issuer or any of its Restricted Subsidiaries fails to comply with any of its agreements in the Securities or this Indenture (other than those referred to in clause (a), (b) or (c) above) and such failure continues for 60 days after the notice specified below with respect to such series,
- (e) the Issuer or any Significant Subsidiary fails to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent,
- (f) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case;
 - (ii) consents to the entry of an order for relief against it in an involuntary case;
 - (iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or
 - (iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,
- (g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;
 - (ii) appoints a Custodian of the Issuer or any Significant Subsidiary or for any substantial part of its property; or
 - (iii) orders the winding up or liquidation of the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days,

(h) the Issuer or any Significant Subsidiary fails to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof,

(i) any Subsidiary Guarantee of a Significant Subsidiary with respect to such series of Securities ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under this Indenture or any Subsidiary Guarantee with respect to such series of Securities and such Default continues for 10 days,

(j) unless all of the Collateral has been released from the First Priority Liens in accordance with the provisions of the Security Documents with respect to such series of Securities, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or

(k) the Issuer or any Subsidiary Guarantor fails to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the Holders of such series of Securities and would not materially affect the value of the Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (d) or (k) above shall not constitute an Event of Default until the Trustee notifies the Issuer or the Holders of at least 25% in principal amount of such series of the outstanding Securities notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (d) or (k) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Issuer shall deliver to the Trustee, within five (5) Business Days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or propose to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer) occurs with respect to such series of Securities and is continuing, the Trustee or the Holders of at least 25% in principal amount of such series of outstanding Securities of such series, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Securities of such series shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Securities of such series by notice to the Trustee may rescind any such acceleration and its consequences.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities of such series as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03. Other Remedies. If an Event of Default with respect to the Securities of such series occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities of such series, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Securities of such series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. Provided the Securities of such series are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the Securities of such series by written notice to the Trustee may waive an existing Default or Event of Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security of such series, (b) a Default arising from the failure to redeem or purchase any Security of such series when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. Subject to the terms of the Intercreditor Agreements, the Holders of a majority in principal amount of the Securities of such series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities of such series unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the outstanding Securities of such series make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(v) the Holders of a majority in principal amount of the outstanding Securities of such series do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing with respect to Securities of either series, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other Obligor on the Securities of such series for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in such Securities) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)), the Agents and the Holders of the Securities of a series then outstanding allowed in any judicial proceedings relative to the Issuer or any Obligors, its creditors or its property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders of each series in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and the Agents and, in the event that the Trustee or any Agent shall consent to the making of such payments directly to the Holders of such series, to pay to the Trustee and the Agents any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Agents, their respective agents and their respective counsel, and any other amounts due the Trustee and the Agents under Section 7.07.

SECTION 6.10. Priorities. Subject to the provisions of the Intercreditor Agreements and the Security Documents, if the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee, the Agents and the Collateral Agent for amounts due under Section 7.07;

SECOND: to the Holders for amounts due and unpaid on the Securities (of the applicable series, if only received in respect of one series) for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Issuer.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall send to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Issuer nor the Parent Guarantor nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer, the Parent Guarantor and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (i) the Trustee and each Agent undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and
- (ii) in the absence of bad faith on its part, the Trustee and the Agents may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee or such Agent and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee or such Agent shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
- (c) The Trustee or such Agent may not be relieved from liability for their own gross negligent action, their own gross negligent failure to act or their own willful misconduct, except that:
- (i) this paragraph does not limit the effect of paragraph (b) of this Section;
- (ii) the Trustee or such Agent shall not be liable for any error of judgment made in good faith by a Trust Officer (or a responsible officer of an Agent, as applicable) unless it is proved that the Trustee or such Agent was negligent in ascertaining the pertinent facts;
- (iii) the Trustee or such Agent shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee or any Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities of a series at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, including as Collateral Agent, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the outstanding Securities of a series as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Parent Guarantee, any Subsidiary Guarantee or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer, the Parent Guarantor, or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), (d), (e), (h), or (i) or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received written notice thereof in accordance with Section 13.02 hereof from the Issuer, the Parent Guarantor, any Subsidiary Guarantor or any Holder. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders and not in its individual capacity and all persons, including without limitation the Holders of Securities and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder of such series of Securities notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security of such series, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the affected series.

SECTION 7.06. Reports by Trustee to the Holders. As promptly as practicable after each June 30 beginning with the June 30 following the date of this Indenture, and in any event prior to August 30 in each year, the Trustee shall send to each Holder a brief report dated as of such June 30 that complies with Section 313(a) of the TIA if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the TIA.

A copy of each report at the time of its mailing to the Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as shall be agreed in writing between the Issuer, the Trustee and the Agents. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Agents upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's or Agents' agents, counsel, accountants and experts. The Issuer, the Parent Guarantor and each Subsidiary Guarantor, jointly and severally shall indemnify the Trustee and each Agent against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture, the Parent Guarantee or Subsidiary Guarantee against the Issuer, the Parent Guarantor or a Subsidiary Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuer, the Parent Guarantor, any Subsidiary Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer, the Parent Guarantor or any Subsidiary Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable shall pay the fees and expenses of such counsel; *provided, however*, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities pursuant to Article 8 hereof or otherwise.

The Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

SECTION 7.12. Agents.

- (a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.
- (b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of an Event of Default, the Trustee may, by notice in writing to the Company and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.
- (c) Moneys Held. The Agents hold all funds as banker subject to the terms of this Indenture and as a result, such money will not be held in accordance with the rules established by the UK Financial Conduct Authority in the UK Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.
- (d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will have been met upon delivery of the notice to Euroclear and/or Clearstream, as applicable.
- (e) Authorized Signatories. The Issuer shall provide the Agents with a certified list of authorized signatories within a reasonable time following a request for such list by an Agent.
- (f) Relationship with Third Parties. The Agents shall act solely as agents of the Issuer and shall have no fiduciary or other obligation towards, or have any relationship of agency or trust, for or with any person other than the Issuer, except as expressly stated elsewhere in this Indenture.
- (g) Instructions. In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuer or other party entitled to give the Agents instructions under this Indenture by written request promptly and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.12, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.
- (h) Mechanical Nature. The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents.
- (i) No Payment. No Agent shall be required to make any payment of the principal, premium or interest payable pursuant to this Indenture unless and until it has received the full amount to be paid in accordance with the terms of this Indenture. To the extent that an Agent has made such payment with the prior written consent of the Issuer and for which it did not receive the full amount, the Issuer will reimburse the Agent the full amount of any shortfall.
- (j) Resignation of Agents. Any Agent may resign, without liability for doing so, and be discharged from its duties under this Indenture at any time by giving thirty (30) days' prior written notice of such resignation to the Trustee and Issuer. The Trustee or Issuer may remove any Agent at any time by giving thirty (30) days' prior written notice to any Agent. Upon such notice, a successor Agent shall be appointed by the Issuer, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Issuer is unable to replace the resigning Agent within thirty (30) days after such notice, the Agent may, in its sole discretion, deliver any funds then held hereunder in its possession to the Trustee or may appoint a successor Agent, provided that such appoint shall be reasonably satisfactory to the Issuer and Trustee, or apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The costs and expenses (including its counsels' fees and expenses) properly incurred by the Agent in connection with such proceeding shall be paid by the Issuer. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery of any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Discharge of Liability on Securities; Defeasance. This Indenture shall be discharged with respect to any series and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of such series of Securities, as expressly provided for in this Indenture) as to all outstanding Securities of such series when:

(a) either (i) all the Securities of such series theretofore authenticated and delivered (other than Securities of such series pursuant to Section 2.08 which have been replaced or paid and Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Securities of such series (a) have become due and payable, (b) will become due and payable at their stated maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee cash in Euros, European Government Obligations or a combination thereof in an amount sufficient in the written opinion of a firm of independent public accountants delivered to the Trustee (which delivery shall only be required if European Government Obligations have been so deposited) to pay and discharge the entire Indebtedness on the Securities of such series not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on such series of Securities to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; provided that upon any redemption that requires the payment of the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(b) the Issuer, the Parent Guarantor and/or the Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under any series of Securities and this Indenture ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.11, 4.12 and 4.15 for the benefit of the Holders of such series of Securities and the operation of Section 5.01 and Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j) and 6.01(k) ("covenant defeasance option") for the benefit of the Holders of any series of the Securities. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under such series of Securities and this Indenture by exercising its legal defeasance option or its covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of the Securities and all obligations under the Security Documents shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option with respect to any series, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option with respect to such series, payment of the Securities of such series so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j), 6.01(k) or because of the failure of the Issuer to comply with Section 5.01(a)(iv).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until such series of Securities have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02. Conditions to Defeasance.

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option, in each case, with respect to any series of Securities only if:

(i) the Issuer irrevocably deposits in trust with the Trustee cash in Euros, European Government Obligations or a combination thereof in an amount sufficient or European Government Obligations, the principal of and the interest on which will be sufficient, or a combination thereof sufficient, to pay the principal of and premium (if any) and interest on such series of Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; *provided* that upon any redemption that requires the payment of the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited European Government Obligations *plus* any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all of such series of Securities to maturity or redemption, as the case may be; provided that upon any redemption that requires the payment of the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the 2025 First Priority Notes Applicable Premium or the 2027 First Priority Notes Applicable Premium, as applicable, calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(iii) 123 days pass after the deposit is made and during the 123-day period no Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred, provided that such Opinion of Counsel shall not be required by this clause (v) if all the Securities not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer;

(vi) such exercise does not impair the right of any Holder to receive payment of principal, premium, if any, and interest on such Holder's Securities on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities to be so defeased and discharged as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or European Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from European Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities so discharged or defeased.

SECTION 8.04. Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or European Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if European Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for European Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited European Government Obligations or the principal and interest received on such European Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or European Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or European Government Obligations in accordance with this Article 8; provided, however, that, if the Issuer has made any payment of principal of or interest on, any such Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or European Government Obligations held by the Trustee or any Paying Agent.

ARTICLE 9

AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, any Security Document or any Intercreditor Agreement with respect to each series of Securities without notice to or consent of any Holder of any series of Securities:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to provide for the assumption by a Successor Company of the obligations of the Issuer under this Indenture and the Securities;
- (iii) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee;
- (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code;
- (v) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities;
- (vi) to add additional assets as Collateral;
- (vii) to release Collateral from the Lien securing the Securities pursuant to the Security Documents when permitted or required by this Indenture, the Security Documents or any Intercreditor Agreement;
- (viii) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer;
- (ix) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or second priority secured obligations of the Issuer or any Subsidiary Guarantor (including, without limitation, any Other Second-Lien Obligations) so long as such other First Priority Lien Obligations and/or second priority secured obligations (including, without limitation, any Other Second-Lien Obligations) are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, this Indenture, the Second Priority Notes Indenture or the First Priority Dollar Notes Indenture;
- (x) to make any change that does not adversely affect the rights of any Holder;
- (xi) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities;
- (xii) to provide for the issuance of Additional Securities, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Original Securities, as a single issue of securities; or
- (xiii) to conform the text of this Indenture or the Securities to any provision of the "Description of First Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of First Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture or the Securities.

After an amendment under this Section 9.01 becomes effective, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities of any series, the Security Documents and the Intercreditor Agreements with respect to the Securities of such series with respect to such series with the written consent of the Holders of at least a majority in principal amount of the Securities of such series then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Securities of such series). However, without the consent of each Holder of a respective series of outstanding Security affected, an amendment may not:

- (i) reduce the amount of such series of Securities whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any such series of Security,
- (iii) reduce the principal of or change the Stated Maturity of any such series of Security,
- (iv) reduce the premium payable upon the redemption of any such series of Security or change the time at which any such series of Security may be redeemed in accordance with Article 3,
- (v) make any such series of Security payable in money other than that stated in such series of Security,
- (vi) expressly subordinate any such series of Securities or any Subsidiary Guarantee to any other Indebtedness of the Issuer or any Subsidiary Guarantor,
- (vii) impair the right of any Holder of such series to receive payment of principal of, premium, if any, and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities,
- (viii) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02,
- (ix) modify any Subsidiary Guarantee in any manner adverse to the Holders, or
- (x) make any change in the provisions in any Intercreditor Agreement or this Indenture dealing with the application of gross proceeds of Collateral that would adversely affect the Holders of such series of the Securities.

Subject to Section 11.04, without the consent of the Holders of at least two-thirds in aggregate principal amount of such series of Securities then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Security Documents with respect to such series of Securities.

It shall not be necessary for the consent of the Holders of any series under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuer shall promptly mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

The Issuer shall inform The International Stock Exchange Authority Limited of any material amendment to this Indenture or any supplement thereto. The Issuer will also publish a notice of any such material amendment in accordance with the provisions of this Indenture described in Section 13.02.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives written notice of revocation delivered in accordance with Section 13.02 before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security of a series, the Issuer may require the Holder of the Security of such series to deliver it to the Trustee (or to the Registrar). The Trustee may place (or cause the Registrar to place) an appropriate notation on the Security of such series regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security of such series shall issue and the Trustee shall authenticate a new Security of such series that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security of such series shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Subsidiary Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 9.08. Additional Voting Terms; Calculation of Principal Amount. Except as otherwise set forth herein, all Securities of a series issued under this Indenture shall vote and consent separately on all matters as to which any of such Securities may vote. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

RANKING OF NOTE LIENS

SECTION 10.01. Relative Rights. The Intercreditor Agreements shall define the relative rights, as lienholders, of holders of Note Obligations and Other Second-Lien Obligations on the one hand and holders of First Priority Lien Obligations on the other hand. Nothing in this Indenture or the Intercreditor Agreements will:

- (a) impair, as between the Issuer and Holders of each series of Securities, the obligation of the Issuer, which is absolute and unconditional, to pay principal of, premium and interest on such series of Securities in accordance with their terms or to perform any other obligation of the Issuer or any other Obligor under this Indenture, the Securities, the Parent Guarantee, the Subsidiary Guarantees and the Security Documents;
- (b) restrict the right of any Holder to sue for payments that are then due and owing, in a manner not inconsistent with the provisions of the Intercreditor Agreements;
- (c) prevent the Trustee, the Collateral Agent or any Holder from exercising against the Issuer or any other Obligor any of its other available remedies upon a Default or Event of Default (other than its rights as a secured party, which are subject to the Intercreditor Agreements); or
- (d) restrict the right of the Trustee, the Collateral Agent or any Holder:

 - (ii) to make, support or oppose any request for an order for dismissal, abstention or conversion in any insolvency or liquidation proceeding;
 - (iii) to make, support or oppose, in any insolvency or liquidation proceeding, any request for an order extending or terminating any period during which the debtor (or any other Person) has the exclusive right to propose a plan of reorganization or other dispositive restructuring or liquidation plan therein;
 - (iv) to seek the creation of, or appointment to, any official committee representing creditors (or certain of the creditors) in any insolvency or liquidation proceedings and, if appointed, to serve and act as a member of such committee without being in any respect restricted or bound by, or liable for, any of the obligations under this Article 10;
 - (v) to seek or object to the appointment of any professional person to serve in any capacity in any insolvency or liquidation proceeding or to support or object to any request for compensation made by any professional person or others therein;
 - (vi) to make, support or oppose any request for order appointing a trustee or examiner in any insolvency or liquidation proceedings; or

(vii) otherwise to make, support or oppose any request for relief in any insolvency or liquidation proceeding that it is permitted by law to make, support or oppose if it were a holder of unsecured claims; or

(viii) as to any matter relating to any plan of reorganization or other restructuring or liquidation plan or as to any matter relating to the administration of the estate or the disposition of the case or proceeding (in each case except as set forth in the Intercreditor Agreements).

SECTION 11.02. Collateral Agent.

(a) The Collateral Agent is authorized and empowered to appoint one or more co-Collateral Agents as it deems necessary or appropriate.

(c) Subject to the Security Documents and the Intercreditor Agreements, the Collateral Agent will be subject to such directions as may be given it by the Trustee from time to time (as required or permitted by this Indenture). - (i) foreclose upon or otherwise enforce any or all of the First Priority Liens;
- (ii) enforce any of the terms of the Security Documents to which the Collateral Agent or Trustee is a party; or
- (iii) collect and receive payment of any and all Note Obligations.

Subject to the Intercreditor Agreements, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the First Priority Liens or the Security Documents to which the Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents to which the Collateral Agent or Trustee is a party or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders of Securities of such series in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of Holders, the Trustee or the Collateral Agent.

SECTION 11.04. Release of Liens.

(a) Subject to subsections (b) and (c) of this Section 11.04, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements or as provided hereby. Upon the request of the Issuer pursuant to an Officers' Certificate and Opinion of Counsel certifying that all conditions precedent hereunder have been met, the Issuer and the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Securities, and the Collateral Agent and the Trustee (if the Trustee is not then the Collateral Agent) shall release the same from such Liens at the Issuer's sole cost and expense, under any one or more of the following circumstances:

- (1) to enable the Issuer or any Subsidiary Guarantor to consummate the disposition of such property or assets to the extent not prohibited under Section 4.06;
- (2) in the case of a Subsidiary Guarantor that is released from its Subsidiary Guarantee with respect to the Securities, the release of the property and assets of such Subsidiary Guarantor;

- (4) to the extent required by the terms of any Intercreditor Agreement;

Upon the receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel, as described above, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreements.

(b) Except as otherwise provided in the Intercreditor Agreements, no Collateral may be released from the Lien and security interest created by the Security Documents unless the Officers' Certificate required by this Section 11.04 has been delivered to the Collateral Agent and the Trustee not less than five days prior to the date of such release.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in the Intercreditor Agreements.

SECTION 11.05. [Reserved].

SECTION 11.06. [Reserved].

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08. Release Upon Termination of the Issuer's Obligations. In the event (i) that the Issuer delivers to the Trustee, in form and substance acceptable to it, an Officers' Certificate and Opinion of Counsel certifying that all the obligations under this Indenture, the Securities and the Security Documents have been satisfied and discharged by the payment in full of the Issuer's obligations under the Securities, this Indenture and the Security Documents, and all such obligations have been so satisfied, or (ii) a discharge, legal defeasance or covenant defeasance of this Indenture occurs under Article 8, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral, and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall, at the expense of the Issuer, do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

SECTION 11.09. Designations. Except as provided in the next sentence, for purposes of the provisions hereof and the Intercreditor Agreements requiring the Issuer to designate Indebtedness for the purposes of the terms First Priority Lien Obligations and Other Second-Lien Obligations, or any other such designations hereunder or under the Intercreditor Agreements, any such designation shall be sufficient if the relevant designation provides in writing that such First Priority Lien Obligations or Other Second-Lien Obligations are permitted under this Indenture and is signed on behalf of the Issuer by an Officer and delivered to the Trustee, the Collateral Agent and the First Lien Agent. For all purposes hereof and the Intercreditor Agreements, the Issuer hereby designates the Obligations pursuant to the Credit Agreements as in effect on the Issue Date as First Priority Lien Obligations and designates the Note Obligations as First Priority Lien Obligations (as defined in each Existing Second Priority Notes Indenture).

SECTION 11.10. Taking and Destruction. Upon any Taking or Destruction of any Collateral, all Net Insurance Proceeds received by the Issuer or any Restricted Subsidiary shall be deemed Net Proceeds and shall be applied in accordance with Section 4.06.

ARTICLE 12

SUBSIDIARY GUARANTEES

SECTION 12.01. Subsidiary Guarantees.

(a) Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on a senior basis and on a first priority senior secured basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee and the Collateral Agent and their successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee and the Collateral Agent) and the Securities, whether for payment of principal of, premium, if any, or interest on the Securities and all other monetary obligations of the Issuer under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (the foregoing obligations set forth in clauses (i) through (ii) being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 12 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Subsidiary Guarantor, except as provided in Section 12.02(b).

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(e) The Subsidiary Guarantee of each Subsidiary Guarantor is, to the extent and in the manner set forth in Article 12, equal in right of payment to all existing and future Pari Passu Indebtedness and senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and is made subject to such provisions of this Indenture.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(g) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(i) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 12.01.

(j) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 12.01.

(k) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 12.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee as to any Subsidiary Guarantor shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be released from all obligations under this Article 12 upon:

(i) the sale, disposition or other transfer (including through merger or consolidation) of all the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary) of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with this Indenture,

(ii) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under Section 4.04 and the definition of "Unrestricted Subsidiary,"

(iii) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Securities pursuant to Section 4.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Securities, and

(iv) with respect to each applicable series of Securities, the Issuer's exercise of its defeasance option with respect to such series of Securities under Article 8, or if the Issuer's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

In the case of clause (b)(i) above, such Subsidiary Guarantor shall be released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer.

A Subsidiary Guarantee also shall be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing First Priority Lien Obligations, subject to, in each case, the application of the proceeds of such foreclosure in the manner set forth in the Security Documents or the Intercreditor Agreements or if such Subsidiary is released from its guarantees of, and all pledges and security interests granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer which results in the obligation to guarantee the Securities.

SECTION 12.03. Successors and Assigns. This Article 12 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Collateral Agent, the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee, the Collateral Agent or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

SECTION 12.05. Modification. No modification, amendment or waiver of any provision of this Article 12, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.06. Execution of Supplemental Indenture for Future Subsidiary Guarantors. Each Subsidiary and other Person which is required to become a Subsidiary Guarantor pursuant to Section 4.11 or the first sentence of Section 12.01 shall promptly execute and deliver to the Trustee a supplemental indenture, substantially in the form of Exhibit B pursuant to which such Subsidiary or other Person shall become a Subsidiary Guarantor under this Article 12 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Subsidiary Guarantee of such Subsidiary Guarantor is a valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and/or to such other matters as the Trustee may reasonably request.

SECTION 12.07. Non-Impairment. The failure to endorse a Subsidiary Guarantee on any Security shall not affect or impair the validity thereof.

The Holders may communicate in accordance with the procedures set forth in Section 312(b) of the TIA (whether or not this Indenture is qualified under the TIA) with other Holders with respect to their rights under this Indenture or the Securities.

SECTION 13.04. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer to the Trustee to take or refrain from taking any action under this Indenture, the Issuer shall furnish to the Trustee at the request of the Trustee:

- (a) an Officers' Certificate in form reasonably satisfactory to the Trustee stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and
- (b) an Opinion of Counsel in form reasonably satisfactory to the Trustee stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

SECTION 13.05. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture (other than pursuant to Section 4.09) shall include:

- (a) a statement that the individual making such certificate or opinion has read such covenant or condition;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (c) a statement that, in the opinion of such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (d) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with; provided, however, that with respect to matters of fact an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.

SECTION 13.06. When Securities Disregarded. In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer, the Parent Guarantor, any Subsidiary Guarantor or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, the Parent Guarantor or any Subsidiary Guarantor shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Subject to the foregoing, only Securities outstanding at the time shall be considered in any such determination.

SECTION 13.07. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or a meeting of the Holders. The Registrar and a Paying Agent may make reasonable rules for their functions.

SECTION 13.08. Legal Holidays. If a payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such payment date if it were a Business Day for the intervening period. If a regular record date is not a Business Day, the record date shall not be affected.

SECTION 13.09. GOVERNING LAW; WAIVER OF JURY TRIAL. THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. EACH OF THE ISSUER, THE PARENT GUARANTOR, THE SUBSIDIARY GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 13.10. No Recourse Against Others. No director, officer, employee, manager, incorporator or holder of any Equity Interests in the Issuer or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Issuer under the Securities or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 13.13. Table of Contents; Headings. The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.14. Indenture Controls. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of this Indenture, such provision of this Indenture shall control.

SECTION 13.15. Severability. In case any provision in this Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

SECTION 13.16. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.17. U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee.

SECTION 13.18. Judgment Currency. Any payment on account of an amount that is payable in Euros (the “Required Currency”), which is made to or for the account of any holder of the Securities or the Trustee in lawful currency of any other jurisdiction (the “Judgment Currency”), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or a Subsidiary Guarantor, shall constitute a discharge of the Issuer or the Subsidiary Guarantor’s obligation under this Indenture and the Securities or Guarantee, as the case may be, only to the extent of the amount of the Required Currency with such Holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of the exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such Holder or the Trustee, as the case may be, the Issuer shall indemnify and hold harmless the Holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Securities, shall give rise to a separate and independence cause of action, shall apply irrespective of any indulgence granted by any Holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

ARTICLE 14

PARENT GUARANTEE

SECTION 14.01. Parent Guarantee.

(a) The Parent Guarantor will hereby irrevocably and unconditionally guarantee on a senior basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee, the Collateral Agent and their successors and assigns the Guaranteed Obligations. The Parent Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Parent Guarantor, and that no extension or renewal of any Guaranteed Obligation shall release the obligations of the Parent Guarantor hereunder. The obligations of the Parent Guarantor hereunder shall be joint and several with the Subsidiary Guarantees of the Subsidiary Guarantors. The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of the Parent Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; or (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations. The Parent Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among itself and the Subsidiary Guarantors, such that the Parent Guarantor’s obligations would be less than the full amount claimed. The Parent Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer’s or the Parent Guarantor’s obligations hereunder prior to any amounts being claimed from or paid by the Parent Guarantor hereunder. The Parent Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against the Parent Guarantor. The Parent Guarantor further agrees that its Parent Guarantee constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(b) The Parent Guarantee of the Parent Guarantor is, to the extent and in the manner set forth herein, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness and is made subject to such provisions of this Indenture.

(c) Except as expressly set forth in Section 8.01(b) of this Indenture, the obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

(d) The Parent Guarantor agrees that its Parent Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. The Parent Guarantor further agrees that its Parent Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(e) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(f) The Parent Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. The Parent Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Parent Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Section 14.01.

(g) The Parent Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 14.01.

(h) Upon request of the Trustee, the Parent Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Section 14.01.

(i) For the avoidance of doubt, the Parent Guarantor will not be subject to any of the restrictive covenants contained in this Indenture or any of the other obligations or agreements of a Subsidiary Guarantor hereunder.

SECTION 14.02. Successors and Assigns. This Article 14 shall be binding upon the Parent Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Article 14 and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 14.03. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Indenture shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders in this Indenture expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 14 at law, in equity, by statute or otherwise.

SECTION 14.04. Modification. No modification, amendment or waiver of any provision of this Article 14, nor the consent to any departure by the Parent Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Parent Guarantor in any case shall entitle the Parent Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 14.05. Non-Impairment. The failure to endorse the Parent Guarantee provided for herein on any Security shall not affect or impair the validity thereof.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

2.1 Form and Dating; Global Securities.

(a) The Original Securities issued on the date hereof will be (i) offered and sold by the Issuer pursuant to the Purchase Agreement and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. (b) Global Securities. (i) Rule 144A Securities initially shall be represented by one or more Securities in definitive, fully registered, global form without interest coupons (collectively, the “Rule 144A Global Securities”) and Regulation S Securities initially shall be represented by one or more Securities in fully registered, global form without interest coupons (collectively, the “Regulation S Temporary Global Security” and, together with the Regulation S Permanent Global Security (defined below), the “Regulation S Global Securities”), which shall, in each case, be registered in the name of USB Nominees (UK) Limited, as the nominee of the Common Depositary (“USB Nominees”), for the accounts of designated agents holding on behalf of Euroclear Bank SA/NV, as operator of the Euroclear system, or any successor thereof (“Euroclear”) or Clearstream Banking, S.A., or any successor thereof (“Clearstream”).

The Restricted Period shall be terminated upon the receipt by the Trustee of: (1) copies of certificates from Euroclear and Clearstream certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Security (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Security bearing a Restricted Securities Legend, all as contemplated by this Appendix A); and (2) an Officers’ Certificate from the Issuer.

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Security shall be exchanged for beneficial interests in a permanent Global Security (the “Regulation S Permanent Global Security”) pursuant to the applicable procedures of Euroclear and Clearstream. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by Euroclear and Clearstream, or impair, as between Euroclear and Clearstream and its respective Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(iv) Any Transfer Restricted Security delivered in exchange for an interest in a Global Security pursuant to Section 2.2 shall, except as otherwise provided in Section 2.2, bear the Restricted Securities Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in such Regulation S Global Security may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

The transfer and exchange of beneficial interests in the Global Securities shall be effected through Euroclear and Clearstream, in accordance with the provisions of this Indenture and the applicable rules and procedures of Euroclear and Clearstream. Beneficial interests in Restricted Global Securities shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Securities shall be transferred or exchanged only for beneficial interests in Global Securities. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Transfer Restricted Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security in accordance with the transfer restrictions set forth in the Restricted Securities Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Security may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). A beneficial interest in an Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. If money sufficient to pay the redemption price of and accrued and unpaid interest on all 2025 First Priority Notes (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such 2025 First Priority Notes (or such portions thereof) called for redemption.

8. Tax Redemption.

(a) After the Issue Date, the Company may redeem the 2025 First Priority Notes in whole, but not in part, at any time upon giving not less than 30 days' prior notice to the Holders of 2025 First Priority Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed for redemption (a "Tax Redemption Date") (subject to the rights of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts (as defined below), if any, then due and that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Company determines in good faith that, as a result of:

- (1) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction; or
- (2) any amendment to, or change in an official written application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice or revenue guidance) (each of the foregoing in clauses (1) and (2), a "Change in Tax Law"),

the Company is, or on the next interest payment date in respect of 2025 First Priority Notes would be, required to pay Additional Amounts with respect to such 2025 First Priority Notes, and such obligation cannot be avoided by taking reasonable measures available to the Company (including, for the avoidance of doubt, the appointment of a new paying agent where this would be reasonable, but not including assignment of the obligation to make payment with respect to such 2025 First Priority Notes). Such Change in Tax Law must (i) not have been publicly announced before the Issue Date and (ii) become effective on or after the Issue Date (or if the applicable Relevant Tax Jurisdiction became a Relevant Tax Jurisdiction on a date after the Issue Date, such later date).

(b) Notice of redemption for taxation reasons will be published in accordance with the procedures described in Section 3.03 and Section 3.04 of the Indenture. Notwithstanding the foregoing, no such notice of redemption will be given earlier than 60 days prior to the earliest date on which the Company would be obligated to make such payment of Additional Amounts. Prior to the publication or mailing of any notice of redemption of any 2025 First Priority Notes pursuant to the foregoing, the Issuer will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing qualified under the laws of the Relevant Tax Jurisdiction to the effect that the Company has been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the Holders of such 2025 First Priority Notes.

9. Repurchase of 2025 First Priority Notes at the Option of the Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder's 2025 First Priority Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Company will be required to offer to purchase 2025 First Priority Notes upon the occurrence of certain events.

10. Ranking and Collateral

The 2025 First Priority Notes and the Subsidiary Guarantees will be secured by a first-priority security interest in the Collateral pursuant to certain Security Documents. The First Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreements, of equal in ranking to all present and future first priority Liens and will be of senior ranking with all present and future Liens securing second priority lien obligations (including, without limitation, any Other Second-Lien Obligations) as set forth in the Intercreditor Agreements. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

11. Denominations; Transfer; Exchange

The 2025 First Priority Notes are in registered form, without coupons, in denominations of €100,000 and any integral multiple of €1,000. A Holder shall register the transfer of or exchange of 2025 First Priority Notes in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any 2025 First Priority Notes selected for redemption (except, in the case of a 2025 First Priority Note to be redeemed in part, the portion of the 2025 First Priority Note not to be redeemed) or to transfer or exchange any 2025 First Priority Notes for a period of 15 days prior to the mailing of a notice of redemption of 2025 First Priority Notes to be redeemed.

12. Persons Deemed Owners

The registered Holder of this 2025 First Priority Note shall be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the 2025 First Priority Notes and the Indenture if the Company deposits with the Trustee money or European Government Obligations deemed sufficient in the opinion of a national recognized firm of public accountants for the payment of principal and interest on the 2025 First Priority Notes to redemption or maturity, as the case may be.

15. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreements or the 2025 First Priority Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding 2025 First Priority Notes (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding 2025 First Priority Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreements or the 2025 First Priority Notes (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the 2025 First Priority Notes; (iii) to provide for uncertificated 2025 First Priority Notes in addition to or in place of certificated 2025 First Priority Notes (*provided* that the uncertificated 2025 First Priority Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated 2025 First Priority Notes are described in Section 163(f)(2)(B) of the Code); (iv) to add a Subsidiary Guarantee with respect to the 2025 First Priority Notes or to secure the 2025 First Priority Notes; (v) to add additional assets as Collateral; (vi) to release Collateral from the Lien or subordinate such Lien (or conform the subordination of such Lien) pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreements, (vii) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (viii) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or Other Second-Lien Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, the Indenture, the Second Priority Notes Indenture or the First Priority Dollar Notes Indenture, (ix) to make any change that does not adversely affect the rights of any Holder; (x) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional 2025 First Priority Notes; (xi) to provide for the issuance of Additional 2025 First Priority Notes, which shall have terms substantially identical in all material respects to the Original 2025 First Priority Notes, and which shall be treated, together with any outstanding Original 2025 First Priority Notes, as a single issue of securities; or (xii) to conform the text of the Indenture or the 2025 First Priority Notes to any provision of the "Description of First Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of First Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the 2025 First Priority Notes.

16. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding 2025 First Priority Notes by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the 2025 First Priority Notes to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the 2025 First Priority Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding 2025 First Priority Notes may rescind any such acceleration with respect to the 2025 First Priority Notes and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the 2025 First Priority Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding 2025 First Priority Notes have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding 2025 First Priority Notes have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding 2025 First Priority Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

17. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2025 First Priority Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the 2025 First Priority Notes, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2025 First Priority Notes by accepting a 2025 First Priority Note waives and releases all such liability.

19. Authentication

This 2025 First Priority Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this 2025 First Priority Note.

20. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THIS 2025 FIRST PRIORITY NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. Common Codes; ISINs

The Company has caused Common Code numbers and ISINs to be printed on the 2025 First Priority Notes and has directed the Trustee to use Common Code numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the 2025 First Priority Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder of 2025 First Priority Notes upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this 2025 First Priority Note.

1. Interest

(a) BERRY GLOBAL, INC., a Delaware corporation (the “Company”) promises to pay interest on the principal amount of this 2027 First Priority Note at the rate per annum shown above. The Company shall pay interest semiannually on January 15 and July 15 of each year, commencing July 15, 2020.⁵ Interest on the 2027 First Priority Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from January 2, 2020⁶ until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the 2027 First Priority Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Company shall pay interest on the 2027 First Priority Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the January 1 or July 1 next preceding the interest payment date even if 2027 First Priority Notes are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender 2027 First Priority Notes to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in Euros. Payments in respect of the 2027 First Priority Notes represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Common Depositary or any successor depositary. The Company shall make all payments in respect of a certificated 2027 First Priority Note (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the 2027 First Priority Notes may also be made, in the case of a Holder of at least €1,000,000 aggregate principal amount of 2027 First Priority Notes, by wire transfer to a Euro account maintained by the payee with a bank in Europe if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent, Transfer Agent and Registrar

Initially, Elavon Financial Services DAC, will act as paying agent (the “Paying Agent”), transfer agent (the “Transfer Agent”) and registrar (the “Registrar”). The Company may appoint and change any Paying Agent, Transfer Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent, Transfer Agent or Registrar.

4. Indenture

The Company issued the 2027 First Priority Notes under an Indenture dated as of January 2, 2020 (the “Indenture”), among the Company, the guarantors party thereto, U.S. Bank National Association, a national banking association (the “Trustee”), U.S. Bank National Association, as collateral agent (in such capacity, the “Collateral Agent”) and Elavon Financial Services DAC, as paying agent (in such capacity, the “Paying Agent”), transfer agent (in such capacity, the “Transfer Agent”) and registrar (in such capacity, the “Registrar”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The 2027 First Priority Notes are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions.

⁵ Note: With respect to the Original 2027 First Priority Notes.

⁶ Note: With respect to the Original 2027 First Priority Notes.

The 2027 First Priority Notes are senior obligations of the Company. This 2027 First Priority Note is one of the Original 2027 First Priority Notes referred to in the Indenture. The 2027 First Priority Notes include the Original 2027 First Priority Notes and any Additional 2027 First Priority Notes pursuant to the Indenture. The Original 2027 First Priority Notes and any Additional 2027 First Priority Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the 2027 First Priority Notes and all other amounts payable by the Company under the Indenture and the 2027 First Priority Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the 2027 First Priority Notes and the Indenture, the Subsidiary Guarantors and the Parent Guarantor will jointly and severally, unconditionally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Optional Redemption

Prior to October 15, 2026 the Company may redeem the 2027 First Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the 2027 First Priority Notes redeemed *plus* the 2027 First Priority Notes Applicable Premium as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date). On or after October 15, 2026, the Company may redeem the 2027 First Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the 2027 First Priority Notes redeemed plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Any redemption or notice described above may, at the Company's discretion, be subject to one or more conditions precedent.

6. Sinking Fund

The 2027 First Priority Notes are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least 30 days but not more than 60 days before the redemption date to each Holder of 2027 First Priority Notes to be redeemed at his, her or its registered address. 2027 First Priority Notes in denominations larger than €100,000 may be redeemed in part but only in whole multiples of €1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all 2027 First Priority Notes (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such 2027 First Priority Notes (or such portions thereof) called for redemption.

8. Tax Redemption.

(a) After the Issue Date, the Company may redeem the 2027 First Priority Notes in whole, but not in part, at any time upon giving not less than 30 days' prior notice to the Holders of 2027 First Priority Notes (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed for redemption (a "Tax Redemption Date") (subject to the rights of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts (as defined below), if any, then due and that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Company determines in good faith that, as a result of:

- (1) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction; or
- (2) any amendment to, or change in an official written application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice or revenue guidance) (each of the foregoing in clauses (1) and (2), a "Change in Tax Law"),

the Company is, or on the next interest payment date in respect of 2027 First Priority Notes would be, required to pay Additional Amounts with respect to such 2027 First Priority Notes, and such obligation cannot be avoided by taking reasonable measures available to the Company (including, for the avoidance of doubt, the appointment of a new paying agent where this would be reasonable, but not including assignment of the obligation to make payment with respect to such 2027 First Priority Notes). Such Change in Tax Law must (i) not have been publicly announced before the Issue Date and (ii) become effective on or after the Issue Date (or if the applicable Relevant Tax Jurisdiction became a Relevant Tax Jurisdiction on a date after the Issue Date, such later date).

(b) Notice of redemption for taxation reasons will be published in accordance with the procedures described in Section 3.03 and Section 3.04 of the Indenture. Notwithstanding the foregoing, no such notice of redemption will be given earlier than 60 days prior to the earliest date on which the Company would be obligated to make such payment of Additional Amounts. Prior to the publication or mailing of any notice of redemption of any 2027 First Priority Notes pursuant to the foregoing, the Issuer will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing qualified under the laws of the Relevant Tax Jurisdiction to the effect that the Company has been or will become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the Holders of such 2027 First Priority Notes.

9. Repurchase of 2027 First Priority Notes at the Option of the Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder's 2027 First Priority Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Company will be required to offer to purchase 2027 First Priority Notes upon the occurrence of certain events.

10. Ranking and Collateral

The 2027 First Priority Notes and the Subsidiary Guarantees will be secured by a first-priority security interest in the Collateral pursuant to certain Security Documents. The First Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreements, of equal in ranking to all present and future first priority Liens and will be of senior ranking with all present and future Liens securing second priority lien obligations (including, without limitation, any Other Second-Lien Obligations) as set forth in the Intercreditor Agreements. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

11. Denominations; Transfer; Exchange

The 2027 First Priority Notes are in registered form, without coupons, in denominations of €100,000 and any integral multiple of €1,000. A Holder shall register the transfer of or exchange of 2027 First Priority Notes in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any 2027 First Priority Notes selected for redemption (except, in the case of a 2027 First Priority Note to be redeemed in part, the portion of the 2027 First Priority Note not to be redeemed) or to transfer or exchange any 2027 First Priority Notes for a period of 15 days prior to the mailing of a notice of redemption of 2027 First Priority Notes to be redeemed.

12. Persons Deemed Owners

The registered Holder of this 2027 First Priority Note shall be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the 2027 First Priority Notes and the Indenture if the Company deposits with the Trustee money or European Government Obligations deemed sufficient in the opinion of a national recognized firm of public accountants for the payment of principal and interest on the 2027 First Priority Notes to redemption or maturity, as the case may be.

15. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreements or the 2027 First Priority Notes may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding 2027 First Priority Notes (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding 2027 First Priority Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreements or the 2027 First Priority Notes (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the 2027 First Priority Notes; (iii) to provide for uncertificated 2027 First Priority Notes in addition to or in place of certificated 2027 First Priority Notes (*provided* that the uncertificated 2027 First Priority Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated 2027 First Priority Notes are described in Section 163(f)(2)(B) of the Code); (iv) to add a Subsidiary Guarantee with respect to the 2027 First Priority Notes or to secure the 2027 First Priority Notes; (v) to add additional assets as Collateral; (vi) to release Collateral from the Lien or subordinate such Lien (or conform the subordination of such Lien) pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreements, (vii) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (viii) to modify the Security Documents and/or any Intercreditor Agreements, to secure other First Priority Lien Obligations and/or Other Second-Lien Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, the Indenture, the Second Priority Notes Indenture or the First Priority Dollar Notes Indenture, (ix) to make any change that does not adversely affect the rights of any Holder; (x) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional 2027 First Priority Notes; (xi) to provide for the issuance of Additional 2027 First Priority Notes, which shall have terms substantially identical in all material respects to the Original 2027 First Priority Notes, and which shall be treated, together with any outstanding Original 2027 First Priority Notes, as a single issue of securities; or (xii) to conform the text of the Indenture or the 2027 First Priority Notes to any provision of the "Description of First Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of First Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the 2027 First Priority Notes.

16. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding 2027 First Priority Notes by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the 2027 First Priority Notes to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the 2027 First Priority Notes shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding 2027 First Priority Notes may rescind any such acceleration with respect to the 2027 First Priority Notes and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the 2027 First Priority Notes unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding 2027 First Priority Notes have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding 2027 First Priority Notes have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding 2027 First Priority Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

17. Trustee Dealings with the Company.

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of 2027 First Priority Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the 2027 First Priority Notes, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of 2027 First Priority Notes by accepting a 2027 First Priority Note waives and releases all such liability.

19. Authentication

This 2027 First Priority Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this 2027 First Priority Note.

20. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law

THIS 2027 FIRST PRIORITY NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

22. Common Codes; ISINs

The Company has caused Common Code numbers and ISINs to be printed on the 2027 First Priority Notes and has directed the Trustee to use Common Code numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the 2027 First Priority Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder of 2027 First Priority Notes upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this 2027 First Priority Note.
