Indenture and Senior Secured Notes due 2031

On October 25, 2024, Treasure Escrow Corporation (the “Escrow Issuer”), a wholly owned indirect subsidiary of Berry Global Group, Inc. (“Berry”), issued \$800,000,000 aggregate principal amount of 7.250% senior secured notes due 2031 (the “Notes”) pursuant to an indenture, dated as of October 25, 2024, between the Escrow Issuer and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and collateral agent (the “Indenture”). Prior to, substantially concurrently with, or immediately after the completion of the previously announced combination of Berry’s Health, Hygiene and Specialties Global Nonwovens and Films business (the “HHNF Business”) with Glatfelter Corporation, a Pennsylvania corporation (“Glatfelter”), in a Reverse Morris Trust transaction (the “Transaction”), Glatfelter, which will be renamed Magnera Corporation (“Magnera”) in connection with the Transaction, ultimately will assume all obligations under the Notes and the Indenture (the “Magnera Assumption”), and the Escrow Issuer will be released from its obligations under the Notes and the Indenture. Prior to the Magnera Assumption, references to the “Issuer” in this description refer only to the Escrow Issuer. After the Magnera Assumption, references to the “Issuer” in this description refer only to Glatfelter (to be renamed Magnera) and not to Berry or any of its subsidiaries. The Escrow Issuer is a wholly owned direct subsidiary of Treasure Holdco, Inc., a Delaware corporation (“Spinco”), which is a wholly owned direct subsidiary of Berry Global, Inc., a Delaware corporation (“BGI”), and BGI is a wholly owned direct subsidiary of Berry.

The Notes are senior obligations of the Issuer and from and after the Escrow Release Date (as defined in the Indenture) will have the benefit of the first priority or second priority, as applicable, security interest in the collateral described below and will mature on November 15, 2031. The Notes bear interest at a rate of 7.250% per annum, payable semiannually, in cash in arrears, on April 15 and October 15 of each year, commencing on April 15, 2025, to holders of record at the close of business on April 1 or October 1, as the case may be, immediately preceding the interest payment date.

On or after November 15, 2027, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing on November 15 of the years set forth below:

Period	Redemption Price
2027	103.625%
2028	101.813%
2029 and thereafter	100.000%

On or after the Escrow Release Date but prior to November 15, 2027, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest and additional interest, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

In addition, on or after the Escrow Release Date but prior to November 15, 2027, the Issuer may redeem up to 10% of the aggregate principal amount of the Notes issued under the Indenture during any twelve-month period (but not more than three times), upon not less than 10 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 103% of the principal amount of the Notes redeemed plus accrued and unpaid interest, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or after the Escrow Release Date but on or prior to November 15, 2027, the Issuer may redeem in the aggregate up to 40% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of additional Notes) with the net cash proceeds of one or more equity offerings by the Issuer or by any direct or indirect parent of the Issuer, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase capital stock (other than Disqualified Stock (as defined in the Indenture)) of the Issuer from it, at a redemption price (expressed as a percentage of principal amount thereof) of 107.250%, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of additional Notes) remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such equity offering is consummated upon not less than 10 nor more than 60 days' notice sent electronically or mailed to each holder of Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related equity offering.

From and after the Escrow Release Date, the Notes will be fully and unconditionally guaranteed, jointly and severally, on a senior secured basis, by each of Magnera's existing and future direct or indirect subsidiaries that guarantees its term loan credit facility. Under certain circumstances, subsidiaries may be released from these guarantees without the consent of the holders of the Notes.

From and after the Escrow Release Date, the Notes and the guarantees thereof will be unsubordinated obligations of Magnera and the guarantors and will be (i) equal in right of payment to all of Magnera's and such guarantors' existing and future unsubordinated indebtedness and structurally subordinated to all the liabilities of Magnera's subsidiaries that are not or do not become subsidiary guarantors, and (ii) secured by (x) a second priority lien on the assets of the Issuer and the guarantors that secure Magnera's revolving credit facility on a first priority basis and Magnera's term loan credit facility on a second priority basis, in each case, subject to certain specified exceptions and permitted liens and (y) a first priority lien on the other assets that secure Magnera's term loan credit facility on a first priority basis and Magnera's revolving credit facility on a second priority basis. The Notes will rank *pari passu* in right of payment to Magnera's term loan credit facility and its existing 4.750% senior notes due 2029, and will be effectively senior to all of Magnera's and the subsidiary guarantors' existing and future indebtedness that is not secured by a lien on the collateral to the extent of the value of the assets securing the Notes. The Notes will be structurally subordinated to any existing or future indebtedness and other liabilities of any subsidiaries of Magnera that is not a guarantor of the Notes.

Escrow Arrangement

Pursuant to the Indenture, the Issuer deposited into an escrow account with U.S. Bank National Association (the "Escrow Agent") the gross proceeds of the Notes together with an additional amount which with such gross proceeds would be sufficient to pay the Escrow Redemption Price (as defined below) of the Notes in the event of a mandatory redemption as described below. The escrow account and the amount held therein will be pledged for the benefit of the holders of the Notes. The funds held in the escrow account will be released to the Issuer or such other person as the Issuer directs, upon delivery by the Issuer to the Escrow Agent and the Trustee of an officer's certificate stating that prior to or substantially concurrently with the Escrow Release Date the Escrow Conditions (as defined in the Indenture), including the Magnera Assumption, have been satisfied.

If the Escrow Conditions are not satisfied on or prior to five business days after March 3, 2025, or such earlier date as BGI determines in its sole discretion that any of the Escrow Conditions, including the Magnera Assumption, cannot be satisfied, the Escrow Issuer will be required to redeem the Notes no later than five business days thereafter at a price equal to 100% of the issue price of the Notes, together with accrued and unpaid interest and accreted discount, if any, on the aggregate principal amount of the Notes from October 25, 2024 to, but not including, the date of redemption (collectively, the "Escrow Redemption Price"). Funds held in the escrow account would be released and applied to pay for any such redemption. Prior to the Magnera Assumption, the Notes will be solely the obligations of the Escrow Issuer and not of Berry, BGI or any of their respective subsidiaries other than the Escrow Issuer.

General

From and after the Escrow Release Date, under certain circumstances, the Issuer and the subsidiary guarantors are entitled to the release of property and other assets included in the collateral from the liens securing the Notes.

From and after the Escrow Release Date, upon the occurrence of certain changes of control of the Issuer, each holder of the Notes will have the right to require the Issuer to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

The Indenture contains a number of restrictive covenants, including those relating to the ability of the Issuer to:

- incur or guarantee additional indebtedness;
- pay dividends and make other restricted payments (including prepayments of subordinated debt);
- create restrictions on the payment of dividends or other distributions to Magnera from its restricted subsidiaries;
- create or incur certain liens;
- make certain investments;
- engage in transactions with affiliates;
- engage in sales of assets and subsidiary stock;
- transfer all or substantially all of Magnera's assets or enter into merger or consolidation transactions; and
- designate subsidiaries as unrestricted subsidiaries.

Certain covenants and the change of control repurchase requirement described above will be suspended with respect to the Notes during all periods when the Notes have investment grade ratings from any two or more of Moody's Investors Service, Inc., S&P Global Ratings, a division of S&P Global Inc. and Fitch Ratings Inc., provided that no event of default has occurred and is continuing.

Upon the occurrence of certain events of default specified in the Indenture, the principal of, premium, if any, interest and any other monetary obligations on all the then outstanding Notes may become due and payable immediately.

The foregoing description of the Notes and the Indenture governing the Notes is qualified in its entirety by reference to the actual text of the Indenture governing the Notes (including the forms of Notes included therein), which is filed herewith as Exhibit 4.1 and are incorporated herein by reference.

- (II) neither the Subsidiary to be so designated nor any of its Subsidiaries holds any Material Intellectual Property.

The Board of Directors of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided, however, that immediately after giving effect to such designation:

- (x) (1) the Issuer could Incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a) or (2) the Fixed Charge Coverage Ratio for the Issuer and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such designation, in each case on a pro forma basis taking into account such designation, and
- (y) no Event of Default shall have occurred and be continuing.

Any such designation by the Board of Directors of the Issuer shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of the Issuer giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the foregoing provisions.

“U.S. Government Obligations” means securities that are:

- (1) direct obligations of the United States of America for the timely payment of which its full faith and credit is pledged, or
- (2) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America, the timely payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America,

which, in each case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligations or a specific payment of principal of or interest on any such U.S. Government Obligations held by such custodian for the account of the holder of such depository receipt; *provided* that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligations or the specific payment of principal of or interest on the U.S. Government Obligations evidenced by such depository receipt.

“Voting Stock” of any Person as of any date means the Capital Stock of such Person that is at the time entitled to vote in the election of the Board of Directors of such Person.

“Weighted Average Life to Maturity” means, when applied to any Indebtedness or Disqualified Stock, as the case may be, at any date, the quotient obtained by dividing (1) the sum of the products of the number of years from the date of determination to the date of each successive scheduled principal payment of such Indebtedness or redemption or similar payment with respect to such Disqualified Stock multiplied by the amount of such payment, by (2) the sum of all such payments.

“Wholly Owned Restricted Subsidiary” means any Wholly Owned Subsidiary that is a Restricted Subsidiary.

“Wholly Owned Subsidiary” of any Person means a Subsidiary of such Person 100% of the outstanding Capital Stock or other ownership interests of which (other than directors’ qualifying shares or shares required to be held by Foreign Subsidiaries) shall at the time be owned by such Person or by one or more Wholly Owned Subsidiaries of such Person.

SECTION 1.03. Intentionally Omitted.

SECTION 1.04. Rules of Construction. Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
- (c) “or” is not exclusive;
- (d) “including” means including without limitation;
- (e) words in the singular include the plural and words in the plural include the singular;
- (f) unsecured Indebtedness shall not be deemed to be subordinate or junior to Secured Indebtedness merely by virtue of its nature as unsecured Indebtedness;

(g) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the issuer dated such date prepared in accordance with GAAP;

(h) the principal amount of any Preferred Stock shall be (i) the maximum liquidation value of such Preferred Stock or (ii) the maximum mandatory redemption or mandatory repurchase price with respect to such Preferred Stock, whichever is greater;

(i) unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made, and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP; and

(j) "\$" and "U.S. Dollars" each refer to United States dollars, or such other money of the United States of America that at the time of payment is legal tender for payment of public and private debts.

SECTION 1.05. Certain Calculations. Notwithstanding anything to the contrary, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Total Secured Net Leverage Ratio or Total Net Leverage Ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than a ratio basket based on the Fixed Charge Coverage Ratio, Total Secured Net Leverage Ratio or Total Net Leverage Ratio) on the same date (whether such baskets are utilized in a single transaction, a series of related transactions or otherwise). Each item of Indebtedness, Disqualified Stock or Preferred Stock that is incurred or issued, each Lien incurred and each other transaction undertaken shall be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Total Secured Net Leverage Ratio or Total Net Leverage Ratio test.

SECTION 1.06. Limited Condition Transactions. Solely for purposes of determining (a) compliance on a pro forma basis with any provision of this Indenture that requires the calculation of the Total Net Leverage Ratio, Total Secured Net Leverage Ratio, Total Assets or EBITDA or (b) whether a Default or an Event of Default has occurred and is continuing, in each case in connection with any determination as to whether a Limited Condition Transaction is permitted to be consummated, the date of determination of whether such Limited Condition Transaction is permitted hereunder shall, at the option of the Issuer, be the date on which the definitive agreements for such Limited Condition Transaction are entered into or the date such irrevocable notice or offer for such Limited Condition Transaction is delivered, as applicable (the "LCT Test Date") (provided that the Issuer exercises such option by delivering to the Trustee a certificate of an Officer of the Issuer prior to the LCT Test Date), with such determination to give pro forma effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date. For the avoidance of doubt, (x) if the Issuer has exercised such option and any of the tests, ratios, baskets or amounts for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such test, ratio, basket or amount, including due to fluctuations in Total Assets or EBITDA of the Issuer or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the Limited Condition Transaction, such test, ratios, baskets and amounts will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted to be consummated and (y) if any Default or Event of Default occurs following the date the definitive agreements for the applicable Limited Condition Transaction were entered into or the date such irrevocable notice or offer for such Limited Condition Transaction is delivered and prior to such Limited Condition Transaction, any such Default or Event of Default shall be deemed not to have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted. If the Issuer has exercised such option for any Limited Condition Transaction, then, in connection with any subsequent calculation of such test, ratios, baskets or amounts on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated and (ii) the date that the definitive agreements for such Limited Condition Transaction are terminated or expire without consummation of such Limited Condition Transaction, any such test, ratio basket or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and the other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated; provided that if the Issuer elects to have such determinations occur at the time of entry into such definitive agreement or the date such irrevocable notice or offer for such Limited Condition Transaction is delivered, as applicable, any indebtedness to be incurred (and any associated lien) shall be deemed incurred at the time of such election (until such time as the indebtedness is actually incurred or the applicable acquisition agreement is terminated without actually consummating the applicable acquisition) and outstanding thereafter for purposes of pro forma compliance with any applicable financial test.

ARTICLE 2

THE SECURITIES

SECTION 2.01. Amount of Securities. The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture on the Issue Date is \$800,000,000 in initial aggregate principal amount of Securities.

The Issuer may from time to time after the Issue Date issue Additional Securities under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Securities is at such time permitted by Section 4.03 and Section 4.12 and (ii) such Additional Securities are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Securities issued after the Issue Date (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities pursuant to Section 2.07, 2.08, 2.09, 2.10, 3.06, 3.08 or 4.08(c) or the Appendix), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officers' Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Securities:

- (1) the aggregate principal amount of such Additional Securities which may be authenticated and delivered under this Indenture,
- (2) the issue price and issuance date of such Additional Securities, including the date from which interest on such Additional Securities shall accrue;
- (3) if applicable, that such Additional Securities shall be issuable in whole or in part in the form of one or more Global Securities and, in such case, the respective depositaries for such Global Securities, the form of any legend or legends which shall be borne by such Global Securities in addition to or in lieu of those set forth in Exhibit A hereto and any circumstances in addition to or in lieu of those set forth in Section 2.2 of the Appendix in which any such Global Security may be exchanged in whole or in part for Additional Securities registered, or any transfer of such Global Security in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Security or a nominee thereof;

If any of the terms of any Additional Securities are established by action taken pursuant to a resolution of the Board of Directors of the Issuer, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Officers' Certificate or the indenture supplemental hereto setting forth the terms of the Additional Securities.

The Securities, including any Additional Securities, shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase.

SECTION 2.02. Form and Dating. Provisions relating to the Original Securities and the Additional Securities are set forth in the Appendix, which is hereby incorporated into and expressly made a part of this Indenture. The (i) Original Securities and the Trustee's certificate of authentication and (ii) any Additional Securities (if issued as Transfer Restricted Securities) and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which any Obligor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form without interest coupons and in denominations of \$2,000 and any integral multiples of \$1,000.

SECTION 2.03. Execution and Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer (a) Original Securities for original issue on the date hereof in an aggregate principal amount of \$800,000,000 in initial aggregate principal amount of Securities and (b) subject to the terms of this Indenture, Additional Securities in an aggregate principal amount to be determined at the time of issuance and specified therein. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated. Notwithstanding anything to the contrary in this Indenture or the Appendix, any issuance of Additional Securities after the Issue Date shall be in a principal amount of at least \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

One Officer shall sign the Securities for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04. Registrar and Paying Agent.

(a) The Issuer shall maintain (i) an office or agency where Securities may be presented for registration of transfer or for exchange (the “Registrar”) and (ii) an office or agency where Securities may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrars. The term “Paying Agent” includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee as Registrar, Paying Agent and the Securities Custodian with respect to the Global Securities.

(b) The Issuer may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; *provided, however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05. Paying Agent to Hold Money in Trust. Prior to or on each due date of the principal of and interest on any Security, the Issuer shall deposit with each Paying Agent (or if the Issuer or a Wholly Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly Owned Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or of any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

Prior to the due presentation for registration of transfer of any Security, the Issuer, the other Obligor, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, any other Obligor, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the New York UCC are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the New York UCC (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee or the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security (including without limitation, attorneys' fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest then borne by the Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be sent to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid. The Issuer will provide written notice ("Defaulted Interest Notice") to the Trustee of its obligation to pay Defaulted Interest no later than fifteen days prior to the proposed payment date for the Defaulted Interest, and the Defaulted Interest Notice shall set forth the amount of Defaulted Interest to be paid by the Issuer on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Defaulted Interest, or with respect to the nature, extent, or calculation of the amount of Defaulted Interest owed, or with respect to the method employed in such calculation of the Defaulted Interest.

SECTION 2.13. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Securities may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly advise the Trustee in writing of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 13.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers’ Certificate.

ARTICLE 3

REDEMPTION

SECTION 3.01. Redemption. The Securities may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Securities set forth in Exhibit A hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to, but not including, the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Securities at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the Security, it shall notify the Trustee in writing of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. Such notice may be conditional. The Issuer shall give notice to the Trustee provided for in this paragraph at least 10 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the Security, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officers’ Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Securities are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and given to the Trustee, which record date shall be not fewer than 10 days after the date of notice to the Trustee. Any such notice may be canceled at any time prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Securities to Be Redeemed. In the case of any partial redemption, selection of Securities for redemption will be made by the Trustee by lot in accordance with the depository’s procedures; provided that no Securities of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in amounts of \$2,000 or any integral multiple of \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Issuer promptly of the Securities or portions of Securities to be redeemed. For so long as the Securities are held by the Depository (or another depository), the redemption of the Securities shall be done in accordance with the policies and procedures of such depository.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 10 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Security, the Issuer shall mail or cause to be mailed by first-class mail or cause to be sent electronically a notice of redemption to each Holder whose Securities are to be redeemed.

Any such notice shall identify the Securities to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to, but not including, the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued interest;
- (v) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (vi) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the conditions precedent to such redemption, if any;
- (viii) the CUSIP number, ISIN and/or “Common Code” number, if any, printed on the Securities being redeemed; and
- (ix) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or “Common Code” number, if any, listed in such notice or printed on the Securities.

(b) At the Issuer’s request, the Trustee shall give the notice of redemption in the Issuer’s name and at the Issuer’s expense. In such event, the Issuer shall provide the Trustee with the information required by this Section at least 10 days (or such shorter period as shall be acceptable to the Trustee) prior to the date such notice is to be provided to Holders and such notice may not be canceled.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed or sent in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final sentence of paragraph 5 of the Securities. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, *plus* accrued interest, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. With respect to any Securities, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest (if any) on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

SECTION 3.09. Special Mandatory Redemption. In the event that (a) the Escrow Conditions do not occur on or prior to the Outside Date, (b) at any time prior to the Outside Date, the Escrow Conditions are deemed, in the good faith judgment of the Escrow Issuer or any direct or indirect parent of the Escrow Issuer, to be incapable of being satisfied on or prior to the Outside Date or (c) at any time prior to the Outside Date, the RMT Transaction Agreement is terminated in accordance with its terms without the closing of the Transactions (any such event being an "Escrow Redemption Event"), the Escrow Issuer will redeem the Securities (the "Escrow Redemption") no later than five Business Days following the Escrow Redemption Event (or otherwise in accordance with the applicable procedures of the Depository) (the "Escrow Redemption Date") at the Escrow Redemption Price. If the Escrow Release Date has not occurred and in accordance with the Escrow Agreement, funds will be released from the Collateral Account to make the redemption and any funds in excess of the Escrow Redemption Price will be released to the Company. In accordance with the provisions of the Escrow Agreement, if at any time the Collateral Account contains cash or Cash Equivalents having an aggregate value in excess of the Escrow Redemption Price, such excess cash or Cash Equivalents may be released to the Escrow Issuer.

ARTICLE 4

COVENANTS

SECTION 4.01. Payment of Securities. The Issuer shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 12:00 p.m. New York City time money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate borne by the Securities to the extent lawful.

SECTION 4.02. Reports and Other Information.

(a) From and after the Escrow Release Date, notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC (and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after it files them with the SEC):

- (i) within the time period specified in the SEC's rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),
- (ii) within the time period specified in the SEC's rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(iii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC's rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and

(iv) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

provided, however, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to prospective purchasers of Securities, including by posting such reports on the primary website of the Issuer or its Subsidiaries in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

(b) In the event that:

(i) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis, and

(ii) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer,

such consolidated reporting at such parent entity's level in a manner consistent with that described in this Section 4.02 for the Issuer shall satisfy this Section 4.02.

(c) The Issuer shall make such information available to prospective investors upon request. In addition, the Issuer shall, for so long as any Securities remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the Holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

(a) In the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Issuer may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Issuer by furnishing financial information relating to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such direct or indirect parent, and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates with respect thereto).

SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

From and after the Escrow Release Date:

(a) (i) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Issuer shall not permit any of its Restricted Subsidiaries (other than a Subsidiary Guarantor) to issue any shares of Preferred Stock; provided, however, that the Issuer and any Restricted Subsidiary that is a Subsidiary Guarantor or a Foreign Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if (x) the Fixed Charge Coverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 or (y) the Total Net Leverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been less than or equal to 5.00 to 1.00, in either case, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(v) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

Accrual of interest, the accretion of accreted value, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion or amortization of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.03. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

SECTION 4.04. Limitation on Restricted Payments.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (iv) make any Restricted Investment.

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

- (2) immediately after giving effect to such transaction on a pro forma basis, the Issuer could Incur \$1.00 of additional Indebtedness under Section 4.03(a); and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Escrow Release Date (including Restricted Payments permitted by clauses (i), (vi) and (viii) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the Cumulative Credit.

(b) The provisions of Section 4.04(a) shall not prohibit:

(A) the principal amount of such new Indebtedness does not exceed the principal amount of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired *plus* any fees incurred in connection therewith),

(B) such Indebtedness is subordinated to the Securities or the related Subsidiary Guarantee, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, acquired or retired for value,

(C) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired or (y) 91 days following the maturity date of the Securities, and

(iv) the repurchase, retirement or other acquisition (or dividends to any direct or indirect parent of the Issuer to finance any such repurchase, retirement or other acquisition) for value of Equity Interests of the Issuer or any direct or indirect parent of the Issuer held by any future, present or former employee, director or consultant of the Issuer or any direct or indirect parent of the Issuer or any Subsidiary of the Issuer pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided, however*, that the aggregate amounts paid under this clause (iv) do not exceed the greater of \$46.0 million and 10.0% of EBITDA as of the end of the most recently completed Test Period in any calendar year (with unused amounts in any calendar year being permitted to be carried over for the two succeeding calendar years); *provided, further, however*, that such amount in any calendar year may be increased by an amount not to exceed:

(v) the declaration and payment of dividends or distributions to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries issued or incurred in accordance with Section 4.03;

(vi) the declaration and payment of dividends or distributions (a) to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date, and (b) to any direct or indirect parent of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of any direct or indirect parent of the Issuer issued after the Issue Date; *provided, however*, that, (A) for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a pro forma basis, the Issuer would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00 and (B) the aggregate amount of dividends declared and paid pursuant to this clause (vi) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(vii) dividends on the Escrow Release Date in connection with the Transactions and the Financing Transactions;

(viii) the payment of dividends on the Issuer's common stock (or the payment of dividends to any direct or indirect parent of the Issuer to fund the payment by such direct or indirect parent of the Issuer of dividends on such entity's common stock) of up to 6% per annum of the net proceeds received by the Issuer after the Escrow Release Date from any public offering after the Escrow Release Date of common stock of the Issuer or any direct or indirect parent of the Issuer;

(xii) the payment of dividends or other distributions to any direct or indirect parent of the Issuer in amounts required for such parent to pay federal, state or local income taxes (as the case may be) imposed directly on such parent to the extent such income taxes are attributable to the income of the Issuer and its Restricted Subsidiaries (including, without limitation, by virtue of such parent being the common parent of a consolidated or combined tax group of which the Issuer and/or its Restricted Subsidiaries are members);

(xiii) the payment of dividends, other distributions or other amounts or the making of loans or advances by the Issuer, if applicable:

(A) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Issuer, if applicable, and general corporate overhead expenses of any direct or indirect parent of the Issuer, if applicable, in each case to the extent such fees and expenses are attributable to the ownership or operation of the Issuer, if applicable, and its Subsidiaries;

(B) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay interest and/or principal on Indebtedness the proceeds of which have been contributed to the Issuer or any of its Restricted Subsidiaries and that has been guaranteed by, or is otherwise considered Indebtedness of, the Issuer Incurred in accordance with Section 4.03;

(C) in amounts required for any direct or indirect parent of the Issuer to pay fees and expenses, other than to Affiliates of the Issuer, related to any unsuccessful equity or debt offering of such parent;

(D) in amounts permitted under Section 4.07; and

(E) amount required to any direct or indirect parent of the Issuer to finance any Permitted Investment; provided, that (A) such distribution shall be made substantially concurrently with the closing of such Investment and (B) such parent shall, immediately following the closing thereof, cause (1) all property acquired (whether assets or Equity Interests) to be contributed to the Issuer or a Restricted Subsidiary or (2) the merger of the Person formed or acquired into the Issuer or a Restricted Subsidiary in order to consummate such Permitted Investment;

(xiv) [reserved];

(xv) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(xvi) purchases of receivables pursuant to a Receivables Repurchase Obligation in connection with a Qualified Receivables Financing and the payment or distribution of Receivables Fees;

(xvii) payments of cash, or dividends, distributions or advances by the Issuer or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(xviii) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness pursuant to the provisions similar to those described under Sections 4.06 and 4.08; provided that all Securities tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(xix) any payments made, including any such payments made to any direct or indirect parent of the Issuer to enable it to make payments, in connection with the consummation of the Transactions and the Financing Transactions (other than payments to any Permitted Holder or any Affiliate thereof);

(xx) Restricted Payments of the type described in clause (3) of the definition thereof in an aggregate amount not to exceed the greater of \$68.0 million and 15.0% of EBITDA as of the end of the most recently completed Test Period; and

(xxi) in addition to the foregoing Restricted Payments, the Issuer may make additional Restricted Payments so long as immediately after giving pro forma effect thereto and the application of the net proceeds therefrom, (x) no Event of Default exists or would result therefrom and (y) the Total Net Leverage Ratio would be no greater than 3.25 to 1.00 as of the day of the most recently ended Test Period;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (vi) and (xx) of this Section 4.04(b), no Default shall have occurred and be continuing or would occur as a consequence thereof.

As of the Escrow Release Date, all of the Subsidiaries (other than the Escrow Issuer) shall be Restricted Subsidiaries. The Issuer shall not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation shall only be permitted if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Notwithstanding anything to the contrary contained in this Indenture, (x) the Issuer shall not be permitted to designate any Restricted Subsidiary that holds Material Intellectual Property as an Unrestricted Subsidiary and (y) neither the Issuer nor any Restricted Subsidiary shall be permitted to contribute, sell, transfer or otherwise dispose of any Material Intellectual Property to an Unrestricted Subsidiary.

SECTION 4.05. Dividend and Other Payment Restrictions Affecting Subsidiaries. From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(a) (i) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock; or (2) with respect to any other interest or participation in, or measured by, its profits; or (ii) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(c) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries;

except in each case for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect on the Escrow Release Date, including pursuant to the Credit Agreements, the other Credit Agreement Documents and the Existing Notes Indenture;

(2) this Indenture, the Securities, the Security Documents and the Intercreditor Agreements;

(3) applicable law or any applicable rule, regulation or order;

- (4) any agreement or other instrument relating to Indebtedness of a Person acquired by the Issuer or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;
- (5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;
- (6) Indebtedness otherwise permitted to be Incurred pursuant to Sections 4.03 and 4.12 that limit the right of the debtor to dispose of the assets securing such Indebtedness or that are not materially more restrictive than those in place on the Escrow Release Date;
- (7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business and in any agreements or instruments applicable to Foreign Subsidiaries;
- (9) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in Section 4.05(c) above on the property so acquired;
- (10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause (c) above on the property subject to such lease;
- (11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; provided, however, that such restrictions apply only to such Receivables Subsidiary;
- (12) other Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer (i) that is a Subsidiary Guarantor that is Incurred subsequent to the Issue Date pursuant to Section 4.03 or (ii) that is Incurred by a Foreign Subsidiary of the Issuer subsequent to the Escrow Release Date pursuant to clause (iv), (xii) or (xx) of Section 4.03(b);
- (13) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or
- (14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06. Asset Sales.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) in the case of any Asset Sale with consideration in excess of \$25 million, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Securities or any Subsidiary Guarantee) that are assumed by the transferee of any such assets,

(ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of 10.0% of EBITDA as of the end of the most recently completed Test Period and \$46.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be deemed to be Cash Equivalents for the purposes of this Section 4.06(a).

(b) Within 365 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:

(i) to repay (A) Indebtedness constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) (*provided* that (x) to the extent that the terms of the First Priority Lien Obligations other than the Note Obligations require such First Priority Lien Obligations be repaid with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to repaying the Obligations under the Securities and (y) subject to the foregoing clause (x), if the Issuer or any Subsidiary Guarantor shall so reduce other First Priority Lien Obligations, the Issuer shall equally and ratably reduce Obligations under the Securities through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest, on the pro rata principal amount of Securities), (B) Indebtedness of a Foreign Subsidiary or (C) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer,

(ii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case used or useful in a Similar Business, or

(iii) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale.

In the case of Sections 4.06(b)(ii) and (iii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; provided that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment; *provided, further* that the Issuer or such Restricted Subsidiary may only enter into such a commitment under the foregoing provision one time with respect to each Asset Sale.

Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Securities, as described in clause (i) of this Section 4.06(b), shall be deemed to have been invested whether or not such offer is accepted) shall be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds the greater of \$25.0 million and 5.5% of EBITDA as of the end of the most recently completed Test Period (the "Asset Sale Threshold Amount"), the Issuer shall make an offer to all Holders (and, at the option of the Issuer, to holders of any other First Priority Lien Obligations) (an "Asset Sale Offer") to purchase the maximum principal amount of Securities (and First Priority Lien Obligations), that is at least \$2,000 and an integral multiple of \$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Section 4.06. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds \$15.0 million by mailing the notice required pursuant to the terms of Section 4.06(f), with a copy to the Trustee. To the extent that the aggregate amount of Securities (and such First Priority Lien Obligations) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Securities (and such First Priority Lien Obligations) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Securities to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) Not later than the date upon which written notice of an Asset Sale Offer is delivered to the Trustee as provided above, the Issuer shall deliver to the Trustee an Officers' Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Proceeds from the Asset Sales pursuant to which such Asset Sale Offer is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). On such date, the Issuer shall also irrevocably deposit with the Trustee or with a paying agent (or, if the Issuer or a Wholly Owned Restricted Subsidiary is acting as the Paying Agent, segregate and hold in trust) an amount equal to the Excess Proceeds to be invested in Cash Equivalents, as directed in writing by the Issuer, and to be held for payment in accordance with the provisions of this Section 4.06. Upon the expiration of the period for which the Asset Sale Offer remains open (the "Offer Period"), the Issuer shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Issuer. The Trustee (or the Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the Excess Proceeds delivered by the Issuer to the Trustee are greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess to the Issuer immediately after the expiration of the Offer Period for application in accordance with Section 4.06.

(e) Holders electing to have a Security purchased shall be required to surrender the Securities with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date, a facsimile transmission or letter sent to the address indicated in Section 13.02 or specified in the notice described in Section 4.06(f) setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the end of the Offer Period more Securities (and such First Priority Lien Obligations) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Securities for purchase shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed, or if such Securities are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); provided that no Securities of \$2,000 or less shall be purchased in part. Selection of such First Priority Lien Obligations shall be made pursuant to the terms of such First Priority Lien Obligations.

(f) Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 10 but not more than 60 days before the purchase date to each Holder at such Holder's registered address. If any Security is to be purchased in part only, any notice of purchase that relates to such Security shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07. Transactions with Affiliates.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and any merger of the Issuer and any direct parent of the Issuer; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) the Transactions and the Financing Transactions;

- (iv) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;
- (v) [reserved];
- (vi) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);
- (vii) payments or loans (or cancellation of loans) to employees or consultants which are approved by a majority of the Board of Directors of the Issuer in good faith;
- (viii) any agreement as in effect as of the Escrow Release Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Escrow Release Date) or any transaction contemplated thereby as determined in good faith by senior management or the Board of Directors of the Issuer;
- (ix) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Escrow Release Date and any transaction, agreement or arrangement described in the Offering Memorandum and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter or have entered into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Escrow Release Date shall only be permitted by this clause (ix) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Holders in any material respect than the original transaction, agreement or arrangement as in effect on the Escrow Release Date;
- (x) [reserved];
- (xi) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;
- (xii) any transaction effected as part of a Qualified Receivables Financing;
- (xiii) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;
- (xiv) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(xv) the entering into of any tax sharing agreement or arrangement and any payments permitted by Section 4.04(b)(xii);

(xvi) any contribution to the capital of the Issuer;

(xvii) transactions permitted by, and complying with, Section 5.01;

(xviii) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xix) pledges of Equity Interests of Unrestricted Subsidiaries;

(xx) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business; and

(xxi) intercompany transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture.

SECTION 4.08. Change of Control.

(a) From and after the Escrow Release Date, upon a Change of Control, each Holder shall have the right to require the Issuer to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in this Section 4.08; *provided, however*, that notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to purchase any Securities pursuant to this Section 4.08 in the event that it has exercised its right to redeem such Securities in accordance with Article 3 of this Indenture. Notwithstanding the foregoing, in no case shall the Transactions or any of the Financing Transactions constitute a Change of Control. In the event that at the time of such Change of Control the terms of any Bank Indebtedness restrict or prohibit the repurchase of Securities pursuant to this Section 4.08, then prior to the mailing or sending electronically of the notice to the Holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control, the Issuer shall (i) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of Securities, offer to repay in full all Bank Indebtedness and repay all such Bank Indebtedness of each lender who has accepted such offer, or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the Securities as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the Securities in accordance with Article 3 of this Indenture, the Issuer shall mail or send electronically a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Issuer to repurchase such Holder's Securities at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest to the date of repurchase (subject to the right of the Holders of record on a record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(iv) the instructions determined by the Issuer, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 13.02 or set forth in the notice described in Section 4.08(b) setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Issuer under this Section shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price *plus* accrued and unpaid interest to the Holders entitled thereto.

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Notwithstanding the other provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.08 applicable to a Change of Control Offer made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of redemption.

(h) Securities repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Securities issued but not outstanding or will be retired and canceled at the option of the Issuer. Securities purchased by a third party pursuant to the preceding clause (f) or (g) will have the status of Securities issued and outstanding.

(i) At the time the Issuer delivers Securities to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(j) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(k) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on or about September 30, 2025, an Officers' Certificate (which Officers' Certificate shall be signed by two Officers of the Issuer, one of whom must be the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer) stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. From and after the Escrow Release Date, the Issuer shall cause each Wholly-Owned Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that:

- (i) guarantees any Indebtedness of the Issuer or any of the Subsidiary Guarantors, or
- (ii) incurs any Indebtedness or issues any shares of Disqualified Stock permitted to be Incurred or issued pursuant to clauses (i) or (xii) of Section 4.03(b) or not permitted to be Incurred by Section 4.03; and

to execute and deliver to the Trustee (x) a supplemental indenture substantially in the form of Exhibit C pursuant to which such Subsidiary shall guarantee the Issuer's Obligations under the Securities and this Indenture and (y) joinders to the Security Documents and take all actions required thereunder to perfect the liens created thereunder, to grant to the Collateral Agent a perfected security interest in the Collateral of such Restricted Subsidiary. Each Subsidiary Guarantee shall be released in accordance with Article 12. The foregoing shall not apply until after the Magnera Assumption so long as the transactions set forth in Section 4.18(c) of this Indenture occur.

SECTION 4.12. Liens.

From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien other than Permitted Liens on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness. In the case of any Permitted Lien that secures Fixed Obligations Senior Collateral, the Securities shall be equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Securities) the obligations so secured on terms no less favorable in any material respect to the Holders than the terms set forth in the Intercreditor Agreements; *provided* that the First Priority Lien Obligations that are Obligations in respect of a Revolving Credit Agreement may be secured on a senior basis with respect to any Revolving Facility Senior Collateral to Liens securing the Note Obligations with respect to such collateral, on terms no less favorable in any material respect to the Holders than the terms set forth in the ABL Intercreditor Agreement. Notwithstanding the foregoing, this Indenture provides that First Priority Lien Obligations that are Obligations in respect of a Revolving Credit Agreement may also be secured by certain collateral that does not secure other First Priority Lien Obligations, including the Securities.

For purposes of determining compliance with this Section 4.12, in the event that a Lien meets the criteria of more than one of the categories of permitted Liens described in the definition of "Permitted Liens", the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien in any manner that complies with this Section 4.12.

SECTION 4.13. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 13.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the corporate trust office of the Trustee or its Agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.14. Amendment of Security Documents. From and after the Escrow Release Date, the Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the Holders in any material respect, except as contemplated by the Intercreditor Agreements or as permitted under Article 9.

SECTION 4.15. After-Acquired Property. From and after the Escrow Release Date, upon the acquisition by the Issuer or any Subsidiary Guarantor of any After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements, title insurance policies and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such After-Acquired Property and to have such After-Acquired Property (but subject to certain limitations, if applicable, including as described in the Security Documents) added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect; provided, however, that if granting such security interest in such After-Acquired Property requires the consent of a third party, the Issuer shall use commercially reasonable efforts to obtain such consent with respect to the interest for the benefit of the Trustee on behalf of the Holders; provided further, however, that if such third party does not consent to the granting of such security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

SECTION 4.16. Termination and Suspension of Certain Covenants.

(a) If, on any date following the Escrow Release Date, during any period of time that (i) the Securities have Investment Grade Ratings from two or more Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Issuer and its Restricted Subsidiaries will not be subject to Section 4.03 hereof, Section 4.04 hereof, Section 4.05 hereof, Section 4.06 hereof, Section 4.07 hereof, Section 4.08 hereof, Section 4.11 hereof and clause (iv) of Section 5.01(a) hereof, (the "Suspended Covenants").

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of Section 4.16(a), and on any subsequent date (the "Reversion Date"), two or more of the Rating Agencies that provided an Investment Grade Rating (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Securities below an Investment Grade Rating or (b) the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and two or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Securities below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants from such date with respect to future events, including, without limitation, a proposed transaction described in clause (b) above, until the occurrence, if any, of another Covenant Suspension Event, or the termination of such agreement or the withdrawal by such Rating Agency of such indication, whichever occurs earliest. The Issuer shall deliver written notice to the Trustee promptly upon the occurrence of any Reversion Date.

SECTION 4.17. Activities of Escrow Issuer Prior to the Magnera Assumption. Prior to the Escrow Release Date, the Issuer shall be a corporation, whose primary activities are restricted to issuing the Securities and the Securities, issuing capital stock to, and receiving capital contributions from, the Company, performing its obligations in respect of the Securities under this indenture and the Escrow Agreement and consummating the Magnera Assumption or redeeming the Securities on the Escrow Redemption Date, as applicable, and conducting such other activities as are necessary or appropriate to carry out the activities described in this sentence. Prior to the Escrow Release Date, the Escrow Issuer shall not issue any debt other than the Securities, or own, hold or otherwise have any interest in any material assets other than the Collateral Account, the collateral account in respect of the Securities and cash or Cash Equivalents.

SECTION 4.18. Escrow of Gross Proceeds.

(a) Concurrently with the closing of the offering of the Original Securities, the Escrow Issuer shall enter into the Escrow Agreement with the Trustee and the Escrow Agent, pursuant to which the Escrow Issuer will deposit, or will cause to be deposited, the gross proceeds of the offering of the Securities into the Collateral Account, together with sufficient cash and/or Cash Equivalents to yield the aggregate Escrow Redemption Price on the date that is five Business Days after March 3, 2025 for all of the Securities (the “Outside Date”). The Escrow Issuer shall grant the Trustee, for the benefit of the Holders, a first priority security interest in the Escrow Collateral.

(b) The funds held in the Collateral Account will be released to Treasure or such other Person as the Company directs, upon delivery by Treasure to the Escrow Agent and the Trustee of an Officers’ Certificate certifying that, (A) prior to or substantially concurrently with the release of funds from the Collateral Account the Transactions have been or will be promptly consummated, (B) the Magnera Assumption will be promptly consummated and (C) the Term Loan Credit Agreement and the Revolving Credit Agreement will be entered into prior to or substantially concurrently with the release of funds from the Collateral Account and the other Financing Transactions will be consummated concurrently therewith (collectively, the “Escrow Conditions”).

(c) Substantially concurrently with the Escrow Release Date, the following shall have occurred:

(i) in connection with the Financing Transactions and the Magnera Assumption, the Company will deliver to the Trustee such opinions of counsel and certificates as are required to be delivered pursuant to the terms of this Indenture in connection with the supplemental indentures substantially in the form of Exhibit B relating to the Merger and the Magnera Assumption, and the initial purchasers will receive such opinions of counsel as are required to be delivered to them in connection with the Merger and the Magnera Assumption pursuant to the Purchase Agreement; and

(ii) the Intercreditor Agreements and the Security Documents required to create the Liens in the Collateral to secure the Note Obligations will each be executed and delivered substantially on the terms described in the “Description of Notes” section in the Offering Memorandum.

SECTION 4.19. Mortgages. The Issuer and the Subsidiary Guarantors shall use commercially reasonable efforts to deliver to the Trustee and the Collateral Agent as promptly as reasonably practicable after the Escrow Release Date, but in any event within 120 days of the Escrow Release Date, (a)(i) counterparts of each Mortgage to be entered into with respect to each Real Property that also secures the other First Priority Lien Obligations, duly executed and delivered by the record owner of such Real Property sufficient to grant to the Collateral Agent, for its benefit and the benefit of the Trustee and the holders of the Securities a valid first priority mortgage lien on such Real Property and otherwise suitable for recording or filing which Mortgage may be in a form consistent with such mortgages securing the other First Priority Lien Obligations previously delivered and shall otherwise be in form and substance acceptable to the Collateral Agent and (ii) opinions and such other documents including, but not limited to, any consents, agreements and confirmations of third parties with respect to any such Mortgage, in each case consistent in form and substance with such documents as have been previously delivered in connection with the other First Priority Lien Obligations, and (b) title insurance policies, in each case consistent in form and substance with such title insurance policies as have been previously delivered in connection with the other First Priority Lien Obligations, and paid for by the Company, issued by a nationally recognized title insurance company (which may be the same as the title insurance company or companies insuring the mortgages securing the other First Priority Lien Obligations) insuring the lien of each Mortgage, as a valid first priority Lien on such Real Property to be entered into on or after the Escrow Release Date as a valid Lien on the applicable property described therein, free of any other Liens, except for Permitted Liens, together with such customary endorsements, and with respect to any such property located in a state in which a zoning endorsement is not available, a zoning compliance letter from the applicable municipality in a form acceptable to the Collateral Agent.

ARTICLE 5

SUCCESSOR COMPANY

SECTION 5.01. When Issuer May Merge or Transfer Assets.

(a) From and after the Escrow Release Date, the Issuer shall not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, Delaware LLC Division, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the case where the surviving Person is not a corporation, a co-obligor of the Securities is a corporation;

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture, the Securities and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(A) the Successor Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(B) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be no worse than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations under this Indenture and the Securities; and

(vi) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) shall succeed to, and be substituted for, the Issuer under this Indenture, the Securities and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Securities and the Security Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This Article 5 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

(b) From and after the Escrow Release Date and the Magnera Assumption, subject to the provisions of Section 12.02(b) (which govern the release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor), no Subsidiary Guarantor shall, and the Issuer shall not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person including, in each case, pursuant to a Delaware LLC Division (other than any such sale, assignment, transfer, lease, conveyance or disposition in connection with the Transactions and the Financing Transactions described in the Offering Memorandum) unless:

(i) either (A) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, Delaware LLC Division, or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "Successor Subsidiary Guarantor") and the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee and the Collateral Agent, or (B) such sale or disposition or consolidation, amalgamation, Delaware LLC Division, or merger is not in violation of Section 4.06; and

(ii) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a "Transfer") to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; provided that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date (excluding Transfers in connection with the Transactions and the Financing Transactions).

The foregoing provisions will not apply to the Transactions or the Financing Transactions, including the Merger or the Magnera Assumption.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An "Event of Default" with respect to the Securities occurs if:

- (a) there is a default in any payment of interest on any Security when the same becomes due and payable, and such default continues for a period of 30 days,
- (b) there is a default in the payment of principal or premium, if any, of any Security when due at its Stated Maturity, upon optional redemption, upon required redemption in accordance with Section 3.09 and the Escrow Agreement, upon required repurchase, upon declaration or otherwise,
- (c) the Issuer or any of its Restricted Subsidiaries fails to comply with its obligations under Section 5.01,
- (d) the Issuer or any of its Restricted Subsidiaries fails to comply with any of its agreements in the Securities or this Indenture (other than those referred to in clause (a), (b) or (c) above) and such failure continues for 60 days after the notice specified below,
- (e) the Issuer or any Significant Subsidiary fails to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds the greater of \$91.0 million and 20.0% of EBITDA as of the end of the most recently completed Test Period or its foreign currency equivalent,
- (f) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case;
 - (ii) consents to the entry of an order for relief against it in an involuntary case;
 - (iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (i) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;
- (ii) appoints a Custodian of the Issuer or any Significant Subsidiary or for any substantial part of its property; or
- (iii) orders the winding up or liquidation of the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days,

(h) the Issuer or any Significant Subsidiary fails to pay final judgments aggregating in excess of the greater of \$91.0 million and 20.0% of EBITDA as of the end of the most recently completed Test Period or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof,

(i) any Subsidiary Guarantee of a Significant Subsidiary with respect to the Securities ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under this Indenture or any Subsidiary Guarantee with respect to the Securities and such Default continues for 10 days,

(j) unless all of the Collateral has been released from the first priority or second priority, as applicable, Liens in accordance with the provisions of the Security Documents with respect to the Securities, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or

(k) the Issuer or any Subsidiary Guarantor fails to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the Holders of the Securities and would not materially affect the value of the Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (d) or (k) above shall not constitute an Event of Default until the Trustee notifies the Issuer or the Holders of at least 25% in principal amount of the outstanding Securities notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (d) or (k) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Issuer shall deliver to the Trustee, within thirty (30) days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or propose to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer) occurs with respect to the Securities and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Securities shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Securities by notice to the Trustee may rescind any such acceleration and its consequences.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03. Other Remedies. If an Event of Default with respect to the Securities occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the Securities by written notice to the Trustee may waive an existing Default or Event of Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. Subject to the terms of the Intercreditor Agreements, the Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;

- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing with respect to Securities, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other Obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in such Securities) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders of Securities then outstanding allowed in any judicial proceedings relative to the Issuer or any Obligors, its creditors or its property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. Subject to the provisions of the Intercreditor Agreements and the Security Documents, if the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee and the Collateral Agent for amounts due under this Indenture;

SECOND: to the Holders for amounts due and unpaid on the Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall send to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own gross negligent action, its own gross negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.
- (e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.
- (f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 7.02. Rights of Trustee.

- (a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.
- (c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.
- (e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.
- (g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.
- (h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, including as Collateral Agent, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the outstanding Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Subsidiary Guarantee or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), (d), (e), (h), or (i) or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received written notice thereof in accordance with Section 13.02 hereof from the Issuer, any Subsidiary Guarantor or any Holder. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders and not in its individual capacity and all persons, including without limitation the Holders of Securities and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Reports by Trustee to the Holders. As promptly as practicable after each June 30 beginning with the June 30 following the date of this Indenture, and in any event prior to August 30 in each year, the Trustee shall send to each Holder a brief report dated as of such June 30 that complies with Section 313(a) of the TIA if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the TIA.

A copy of each report at the time of its mailing to the Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as shall be agreed in writing between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Subsidiary Guarantor, jointly and severally shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or Subsidiary Guarantee against the Issuer or a Subsidiary Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuer, any Subsidiary Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer or any Subsidiary Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and the Subsidiary Guarantors, as applicable shall pay the fees and expenses of such counsel; provided, however, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer and the Subsidiary Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuer's and the Subsidiary Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities pursuant to Article 8 hereof or otherwise.

The Issuer's and the Subsidiary Guarantors' payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or other applicable Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;

- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Discharge of Liability on Securities; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Securities, as expressly provided for in this Indenture) as to all outstanding Securities when:

(a) either (i) all the Securities theretofore authenticated and delivered (other than Securities pursuant to Section 2.08 which have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Securities (a) have become due and payable, (b) will become due and payable at their stated maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient in the written opinion of a firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited) to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Securities to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(b) the Issuer and/or the Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Securities and this Indenture ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.11, 4.12 and 4.15 for the benefit of the Securities and the operation of Section 5.01 and Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j) and 6.01(k) ("covenant defeasance option") for the benefit of the Securities. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Securities and this Indenture by exercising its legal defeasance option or its covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of the Securities and all obligations under the Security Documents shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j), 6.01(k) or because of the failure of the Issuer to comply with Section 5.01(a)(iv).

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02. Conditions to Defeasance.

- (a) The Issuer may exercise its legal defeasance option or its covenant defeasance option, in each case, with respect to the Securities only if:
- (i) the Issuer irrevocably deposits in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay the principal of and the interest on which will be sufficient, or a combination thereof sufficient, to pay the principal of and premium (if any) and interest on the Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;
 - (ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations *plus* any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Securities to maturity or redemption, as the case may be; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;
 - (iii) 123 days pass after the deposit is made and during the 123-day period no Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs which is continuing at the end of the period;
 - (iv) the deposit does not constitute a default under any other agreement binding on the Issuer;
 - (v) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred, provided that such Opinion of Counsel shall not be required by this clause (v) if all the Securities not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer;
 - (vi) such exercise does not impair the right of any Holder to receive payment of principal, premium, if any, and interest on such Holder's Securities on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities to be so defeased and discharged as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities so discharged or defeased.

SECTION 8.04. Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Issuer has made any payment of principal or interest on, any such Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

ARTICLE 9

AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, any Security Document or any Intercreditor Agreement with respect to the Securities without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to provide for the assumption by a Successor Company of the obligations of the Issuer under this Indenture and the Securities;

(iii) to provide for the assumption by the Company of the Note Obligations of the Escrow Issuer and the simultaneous release of the Note Obligations of the Escrow Issuer and supplemental indentures entered into in connection with the Magnera Assumption and the Transactions substantially in the form of Exhibits B and C hereto;

(iv) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee;

(vi) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities;

(vii) to add additional assets as Collateral, add other credit support for the Securities or provide for additional rights to the Trustee or the Collateral Agent;

(ix) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer;

(x) to modify the Security Documents and/or the Intercreditor Agreements, to secure additional extensions of credit and add additional secured creditors holding other First Priority Lien Obligations and/or second priority secured obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and/or second priority secured obligations are not prohibited by the provisions of the Credit Agreements, the Existing Notes Indenture or this Indenture;

(xi) to make any change that does not adversely affect the rights of any Holder;

(xii) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities;

(xiv) to give effect to the Transactions and the Financing Transactions, including the Magnera Assumption;

(xv) to conform the text of this Indenture or the Securities to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture or the Securities; or

(xvi) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA.

After an amendment under this Section 9.01 becomes effective, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, the Security Documents and the Intercreditor Agreements with respect to the Securities with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Securities). However, without the consent of each Holder of an outstanding Security affected, an amendment may not:

- (i) reduce the amount of Securities whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any Security,
- (iii) reduce the principal of or change the Stated Maturity of any Security,
- (iv) (a) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed in accordance with Article 3, or (b) reduce the price payable upon redemption of any Security or change the time at which any Security may be redeemed under Section 3.09 or in Section 4.18,
- (v) make any Security payable in money other than that stated in such Security,
- (vi) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities,
- (vii) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02,
- (viii) modify any Subsidiary Guarantee in any manner adverse to the Holders, or
- (ix) make any change in the provisions in the Escrow Agreement, any Intercreditor Agreement or this Indenture dealing with the application of gross proceeds of Collateral (other than with respect to the Escrow Agreement and except as set forth in the next succeeding paragraph) that would adversely affect the Holders.
- (x) (A) subordinate, or have the effect of subordination in right of payment, the Note Obligations to any other Indebtedness or other obligation or (B) subordinate, or have the effect of subordinating, the Liens securing the Note Obligations to Liens securing any other Indebtedness or other obligation.

Subject to Section 11.04, without the consent of the Holders of at least two-thirds in aggregate principal amount of the Securities then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Security Documents with respect to the Securities.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuer shall promptly mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. [Reserved].

SECTION 9.04. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives written notice of revocation delivered in accordance with Section 13.02 before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Subsidiary Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 9.08. Additional Voting Terms; Calculation of Principal Amount. Except as otherwise set forth herein, all Securities issued under this Indenture shall vote and consent separately on all matters as to which any of such Securities may vote. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

SECTION 11.02. Collateral Agent.

(a) The Collateral Agent is authorized and empowered to appoint one or more co-Collateral Agents as it deems necessary or appropriate.

(b) Subject to Section 7.01, neither the Trustee nor the Collateral Agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any First Priority Lien, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the First Priority Liens or Security Documents or any delay in doing so. The Trustee and the Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee or Collateral Agent in good faith.

(c) Subject to the Security Documents and the Intercreditor Agreements, the Collateral Agent will be subject to such directions as may be given it by the Trustee from time to time (as required or permitted by this Indenture). Subject to the Security Documents and the Intercreditor Agreements, except as directed by the Trustee as required or permitted by this Indenture and any other representatives, the Collateral Agent will not be obligated:

- (i) to act upon directions purported to be delivered to it by any other Person;
- (ii) to foreclose upon or otherwise enforce any First Priority Lien; or
- (iii) to take any other action whatsoever with regard to any or all of the First Priority Liens, Security Documents or Collateral.

(d) The Collateral Agent will be accountable only for amounts that it actually receives as a result of the enforcement of the First Priority Liens or Security Documents.

(e) In acting as Collateral Agent or co-Collateral Agent, the Collateral Agent and each co-Collateral Agent may conclusively rely upon and enforce each and all of the rights, powers, immunities, indemnities and benefits of the Trustee under Article 7 hereof.

(f) [Reserved].

(g) If the Issuer (i) Incurs additional First Priority Lien Obligations permitted to be so Incurred and secured pursuant to the terms of this Indenture at any time when no applicable intercreditor agreement is in effect or at any time when Indebtedness constituting First Priority Lien Obligations subject to an existing Intercreditor Agreement is concurrently retired, and (ii) delivers to the Collateral Agent an Officers' Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as an Intercreditor Agreement in effect on the Issue Date) with a designated agent or representative for the holders of the First Priority Lien Obligations so Incurred, the Trustee and the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement, bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

SECTION 11.03. Authorization of Actions to Be Taken.

(a) Each Holder of Securities, by its acceptance thereof, consents and agrees to the terms of each Security Document and the Intercreditor Agreements, as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee and the Collateral Agent to enter into the Security Documents to which it is a party, authorizes and empowers the Trustee to direct the Collateral Agent to enter into, and the Collateral Agent to execute and deliver, the Intercreditor Agreements or joinders thereto, and authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Securities as set forth in the Security Documents to which it is a party and the Intercreditor Agreements and to perform its obligations and exercise its rights and powers thereunder.

(b) The Collateral Agent and the Trustee are authorized and empowered to receive for the benefit of the Holders of Securities any funds collected or distributed under the Security Documents to which the Collateral Agent or Trustee is a party and to make further distributions of such funds to the Holders of Securities according to the provisions of this Indenture.

(c) Subject to the provisions of Section 7.01, Section 7.02, the Security Documents, and the Intercreditor Agreements, the Trustee may, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Collateral Agent to take all actions it deems necessary or appropriate in order to:

- (i) foreclose upon or otherwise enforce any or all of the First Priority Liens;
- (ii) enforce any of the terms of the Security Documents to which the Collateral Agent or Trustee is a party; or
- (iii) collect and receive payment of any and all Note Obligations.

Subject to the Intercreditor Agreements, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the First Priority Liens or the Security Documents to which the Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents to which the Collateral Agent or Trustee is a party or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders of Securities in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of Holders, the Trustee or the Collateral Agent.

SECTION 11.04. Release of Liens.

(a) On the Escrow Release Date, the Escrow Issuer shall be released from all of its Note Obligations and the liens on the Collateral Account and the Escrow Collateral shall be released. From and after the Escrow Release Date and subject to subsections (b) and (c) of this Section 11.04, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreements or as provided hereby. Upon the request of the Issuer pursuant to an Officers' Certificate and Opinion of Counsel certifying that all conditions precedent hereunder have been met, the Issuer and the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Securities, and the Collateral Agent and the Trustee (if the Trustee is not then the Collateral Agent) shall release the same from such Liens at the Issuer's sole cost and expense, under any one or more of the following circumstances:

- (1) to enable the Issuer or any Subsidiary Guarantor to consummate the disposition of such property or assets (other than to the Issuer or another Subsidiary Guarantor) to the extent not prohibited under Section 4.06;

- (2) in the case of a Subsidiary Guarantor that is released from its Subsidiary Guarantee with respect to the Securities, the release of the property and assets of such Subsidiary Guarantor;
- (3) as described under Article 8 or Article 9; or
- (4) to the extent permitted or required by the terms of any Intercreditor Agreement;

Upon the receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel, as described above, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreements; provided that a Subsidiary Guarantor shall not be released solely as a result of such Subsidiary Guarantor ceasing to be a Wholly Owned Subsidiary, unless pursuant to a transaction with a Person that is not an Affiliate of the Issuer for a bona fide business purpose (other than the purpose of releasing such Subsidiary Guarantor from its obligations under this Indenture).

(b) Except as otherwise provided in the Intercreditor Agreements, following the Magnera Assumption, no Collateral may be released from the Lien and security interest created by the Security Documents unless the Officers' Certificate required by this Section 11.04 has been delivered to the Collateral Agent and the Trustee not less than three days prior to the date of such release.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in the Intercreditor Agreements.

SECTION 11.05. [Reserved].

SECTION 11.06. [Reserved].

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08. Release Upon Termination of the Issuer's Obligations. In the event (i) that the Issuer delivers to the Trustee, in form and substance acceptable to it, an Officers' Certificate and Opinion of Counsel certifying that all the obligations under this Indenture, the Securities and the Security Documents have been satisfied and discharged by the payment in full of the Issuer's obligations under the Securities, this Indenture and the Security Documents, and all such obligations have been so satisfied, or (ii) a discharge, legal defeasance or covenant defeasance of this Indenture occurs under Article 8, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral, and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall, at the expense of the Issuer, do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

SECTION 11.09. [Reserved].

SECTION 11.10. Taking and Destruction. Upon any Taking or Destruction of any Collateral, all Net Insurance Proceeds received by the Issuer or any Restricted Subsidiary shall be deemed Net Proceeds and shall be applied in accordance with Section 4.06.

SECTION 11.11. Reliance by Trustee. Whenever reference is made in this Indenture to any action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Trustee or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Trustee, it is understood that in all cases the Trustee shall be acting, giving, withholding, suffering, omitting, taking or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) as directed by the Holders. This provision is intended solely for the benefit of the Trustee and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

ARTICLE 12

SUBSIDIARY GUARANTEES

SECTION 12.01. Subsidiary Guarantees.

(a) On the Escrow Release Date, upon the assumption by the Company of the Obligations for the Notes, each of the Company's direct and indirect Wholly Owned Restricted Subsidiaries that are Domestic Subsidiaries on the Escrow Release Date that guarantees Indebtedness under the Credit Agreements shall, by execution of a supplemental indenture substantially in the form of Exhibit B on the Escrow Release Date, become a Guarantor. Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on a senior basis and on a first priority or second priority, as applicable, senior secured basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee and the Collateral Agent and their successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee and the Collateral Agent) and the Securities, whether for payment of principal of, premium, if any, or interest on the Securities and all other monetary obligations of the Issuer under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (the foregoing obligations set forth in clauses (i) through (ii) being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 12 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Subsidiary Guarantor, except as provided in Section 12.02(b).

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(e) The Subsidiary Guarantee of each Subsidiary Guarantor is, to the extent and in the manner set forth in Article 12, equal in right of payment to all existing and future Pari Passu Indebtedness and senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and is made subject to such provisions of this Indenture.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(g) Except as otherwise set forth herein, each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded, avoided or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon or in connection with the bankruptcy or reorganization of the Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(i) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 12.01.

(j) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 12.01.

(k) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 12.02. Limitation on Liability; Release of Subsidiary Guarantees.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee as to any Subsidiary Guarantor shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be released from all obligations under this Article 12 upon:

(i) the sale, disposition or other transfer (including through merger or consolidation) of all the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary), of the applicable Subsidiary Guarantor (other than to the Issuer or another Subsidiary Guarantor) if such sale, disposition or other transfer is made in compliance with this Indenture,

In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer or any Subsidiary Guarantor or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer or any Subsidiary Guarantor shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Subject to the foregoing, only Securities outstanding at the time shall be considered in any such determination.

SECTION 13.07. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or a meeting of the Holders. The Registrar and a Paying Agent may make reasonable rules for their functions.

The Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Securities for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

In addition, a Global Security shall be exchangeable for Definitive Securities if (x) the Depository (1) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Security and the Issuer thereupon fails to appoint a successor depository within 90 days or (2) has ceased to be a clearing agency registered under the Exchange Act or (y) there shall have occurred and be continuing an Event of Default with respect to such Global Security; *provided* that in no event shall the Regulation S Temporary Global Security be exchanged by the Issuer for Definitive Securities prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. In all cases, Definitive Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures.

Beneficial interests in Restricted Global Securities shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Securities shall be transferred or exchanged only for beneficial interests in Global Securities. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Transfer Restricted Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security in accordance with the transfer restrictions set forth in the Restricted Securities Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Security may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). A beneficial interest in an Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. In connection with all transfers and exchanges of beneficial interests in any Global Security that is not subject to Section 2.2(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Securities contained in this Indenture and the Securities or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Security. A beneficial interest in a Transfer Restricted Security may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Security if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Security for Beneficial Interests in an Unrestricted Global Security. A beneficial interest in a Transfer Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security,

and, in each such case, if the Issuer or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Issuer in the form of an Officers' Certificate in accordance with Section 2.01, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Security for Beneficial Interests in a Restricted Global Security. Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(c) Transfer and Exchange of Beneficial Interests in Global Securities for Definitive Securities. A beneficial interest in a Global Security may not be exchanged for a Definitive Security except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Security may not be transferred to a Person who takes delivery thereof in the form of a Definitive Security except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Securities shall be transferred or exchanged only for Definitive Securities.

(d) Transfer and Exchange of Definitive Securities for Beneficial Interests in Global Securities. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Transfer Restricted Securities to Beneficial Interests in Restricted Global Securities. If any Holder of a Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in a Restricted Global Security or to transfer such Transfer Restricted Security to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Security, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in a Restricted Global Security, a certificate from such Holder in the form attached to the applicable Security;

(B) if such Transfer Restricted Security is being transferred to a Qualified Institutional Buyer in accordance with Rule 144A under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(C) if such Transfer Restricted Security is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(D) if such Transfer Restricted Security is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(E) if such Transfer Restricted Security is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate from such Holder in the form attached to the applicable Security, including the certifications, certificates and Opinion of Counsel, if applicable; or

the Trustee shall cancel the Transfer Restricted Security, and increase or cause to be increased the aggregate principal amount of the appropriate Restricted Global Security.

(ii) Transfer Restricted Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of a Transfer Restricted Security may exchange such Transfer Restricted Security for a beneficial interest in an Unrestricted Global Security or transfer such Transfer Restricted Security to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security only if the Registrar receives the following:

(A) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security; or

(B) if the Holder of such Transfer Restricted Securities proposes to transfer such Transfer Restricted Security to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security,

and, in each such case, if the Issuer or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the conditions of this subparagraph (ii), the Trustee shall cancel the Transfer Restricted Securities and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Security. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Issuer in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Securities transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Definitive Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of an Unrestricted Definitive Security may exchange such Unrestricted Definitive Security for a beneficial interest in an Unrestricted Global Security or transfer such Unrestricted Definitive Security to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Security and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Securities. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of an written order of the Issuer in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Definitive Securities transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Definitive Securities to Beneficial Interests in Restricted Global Securities. An Unrestricted Definitive Security cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(e) Transfer and Exchange of Definitive Securities for Definitive Securities. Upon request by a Holder of Definitive Securities and such Holder's compliance with the provisions of this Section 2.2(e), the Registrar shall register the transfer or exchange of Definitive Securities. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Securities duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.2(e).

(i) Transfer Restricted Securities to Transfer Restricted Securities. A Transfer Restricted Security may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Transfer Restricted Security if the Registrar receives the following:

- (A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Security;
- (B) if the transfer will be made pursuant to Rule 903 or Rule 904 under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Security;
- (C) if the transfer will be made pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate in the form attached to the applicable Security;
- (D) if the transfer will be made to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (A) through (D) above, a certificate in the form attached to the applicable Security; and
- (E) if such transfer will be made to the Issuer or a Subsidiary thereof, a certificate in the form attached to the applicable Security.

(ii) Transfer Restricted Securities to Unrestricted Definitive Securities. Any Transfer Restricted Security may be exchanged by the Holder thereof for an Unrestricted Definitive Security or transferred to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security if the Registrar receives the following:

- (1) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for an Unrestricted Definitive Security, a certificate from such Holder in the form attached to the applicable Security; or
- (2) if the Holder of such Transfer Restricted Security proposes to transfer such Securities to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Security, a certificate from such Holder in the form attached to the applicable Security, and, in each such case, if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Definitive Securities to Unrestricted Definitive Securities. A Holder of an Unrestricted Definitive Security may transfer such Unrestricted Definitive Securities to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security at any time. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Securities pursuant to the instructions from the Holder thereof.

(iv) Unrestricted Definitive Securities to Transfer Restricted Securities. An Unrestricted Definitive Security cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a Transfer Restricted Security.

At such time as all beneficial interests in a particular Global Security have been exchanged for Definitive Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Definitive Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(f) Legend.

(i) Except as permitted by the following paragraph (ii), (iii) or (iv), each Security certificate evidencing the Global Securities and the Definitive Securities (and all Securities issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”) AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A)(1) TO A PERSON WHO THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATIONS UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF AVAILABLE), (4) TO AN INSTITUTIONAL INVESTOR THAT IS AN ACCREDITED INVESTOR WITHIN THE MEANING OF RULE 501 OF REGULATION D UNDER THE SECURITIES ACT IN A TRANSACTION EXEMPT FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND (B) IN ACCORDANCE WITH THE APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND OTHER JURISDICTIONS.”

Each Definitive Security shall bear the following additional legends:

TERMS USED ABOVE HAVE THE MEANINGS GIVEN TO THEM IN REGULATIONS UNDER THE SECURITIES ACT.”

(ii) Upon any sale or transfer of a Transfer Restricted Security that is a Definitive Security, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Security for a Definitive Security that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Security if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Initial Security).

(iii) After a transfer of any Original Securities during the period of the effectiveness of a shelf registration statement under the Securities Act with respect to such Original Securities, all requirements pertaining to the Restricted Securities Legend on such Original Securities shall cease to apply and the requirements that any such Original Securities be issued in global form shall continue to apply.

(iv) [Reserved].

(v) Upon a sale or transfer after the expiration of the Restricted Period of any Initial Security acquired pursuant to Regulation S, all requirements that such Initial Security bear the Restricted Securities Legend shall cease to apply and the requirements requiring any such Initial Security be issued in global form shall continue to apply.

(g) Cancellation or Adjustment of Global Security. At such time as all beneficial interests in a particular Global Security have been exchanged for Definitive Securities or a particular Global Security has been redeemed, repurchased or canceled in whole and not in part, each such Global Security shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 of this Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Definitive Securities, the principal amount of Securities represented by such Global Security shall be reduced accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security shall be increased accordingly and an endorsement shall be made on such Global Security by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(h) Obligations with Respect to Transfers and Exchanges of Securities.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate, Definitive Securities and Global Securities at the Registrar’s request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Sections 3.06, 4.06, 4.08 and 9.05 of this Indenture).

(iii) Prior to the due presentation for registration of transfer of any Security, the Issuer, the Trustee, a Paying Agent or the Registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

(i) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depository or any other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to the Holders under the Securities shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depository participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

(a) Prior to the Magnera Assumption (as defined in the Purchase Agreement), the references in this Security to the “Company” refer only to Treasure Escrow Corporation, a Delaware corporation. After the Magnera Assumption, the references in this Security to the “Company” refer only to Glatfelter Corporation, a Pennsylvania corporation, which will be renamed Magnera Corporation, and not to any of its Subsidiaries.

THE COMPANY promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest semiannually on April 15 and October 15 of each year, commencing April 15, 2025.² Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from October 25, 2024³ until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, U.S. Bank Trust Company, National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

² Note: With respect to the Original Securities.

³ Note: With respect to the Original Securities.

4. Indenture

The Escrow Issuer issued the Securities under an Indenture dated as of October 25, 2024 (the “Indenture”), among the Escrow Issuer, the Trustee and U.S. Bank Trust Company, National Association, as collateral agent (in such capacity, the “Collateral Agent”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture for a statement of such terms and provisions.

The Securities are senior obligations of the Escrow Issuer and from and of the Escrow Release Date will have the benefit of the first priority or second priority, as applicable, security interest in the Collateral described in the Note Documents. This Security is one of the Original Securities referred to in the Indenture. The Securities include the Original Securities and any Additional Securities pursuant to the Indenture. The Original Securities and any Additional Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors will jointly and severally, unconditionally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Optional Redemption

Except as set forth in the following paragraphs, the Securities shall not be redeemable at the option of the Company prior to November 15, 2027. On or after November 15, 2027, the Securities shall be redeemable at the option of the Company, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days’ prior notice, at the following redemption prices (expressed as a percentage of principal amount), *plus* accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on November 15th of the years set forth below:

Year	Redemption Price
2027	103.625%
2028	101.813%
2029 and thereafter	100.000%

On or after the Escrow Release Date but prior to November 15, 2027, the Company may redeem the Securities at its option, in whole at any time or in part from time to time, upon not less than 10 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each Holder’s registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

In addition, on or after the Escrow Release Date but prior to November 15, 2027, the Company may redeem up to 10% of the aggregate principal amount of the Securities issued under the Indenture during any twelve-month period (but not more than three times), upon not less than 10 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each Holder’s registered address, at a redemption price equal to 103% of the principal amount of the Securities redeemed plus accrued and unpaid interest, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or after the Escrow Release Date but on or prior to November 15, 2027, the Company may redeem in the aggregate up to 40% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities), with the net cash proceeds of one or more Equity Offerings (1) by the Company or (2) by any direct or indirect parent of the Company, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company from it, at a redemption price (expressed as a percentage of the principal amount thereof) of 107.250%, plus accrued and unpaid interest to, if any, but not including, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) must remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 10 nor more than 60 days' notice sent electronically or mailed to each Holder of Securities being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least 10 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole integral multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Repurchase of Securities at the Option of the Holders upon Change of Control and Asset Sales

From and after the Escrow Release Date, upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but not including, the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Company will be required to offer to purchase Securities upon the occurrence of certain events.

9. Ranking and Collateral

From and after the Escrow Release Date, the Securities and the Subsidiary Guarantees will be secured by a first-priority or second-priority, as applicable, security interest in the Collateral pursuant to certain Security Documents. The First Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreements, of equal in ranking to all present and future first priority Liens and will be of senior ranking with all present and future Liens securing second priority lien obligations as set forth in the Intercreditor Agreements.

If the Escrow Agreement shall have been entered into, then prior to the Escrow Release Date, the Securities shall be secured solely by a first priority security interest in the Escrow Collateral.

10. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to the mailing of a notice of redemption of Securities to be redeemed.

11. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

13. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations deemed sufficient in the opinion of a national recognized firm of public accountants for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

14. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreements or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreements or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by the Company of the Note Obligations of the Escrow Issuer and the simultaneous release of the Note Obligations of the Escrow Issuer and supplemental indentures entered into in connection with the Magnera Assumption and the Transactions substantially in the form of Exhibits B and C to the Indenture; (iii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the Securities; (iv) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee; (v) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code); (vi) to add a Subsidiary Guarantee with respect to the Securities or to secure the Securities; (vii) to add additional assets as Collateral, add other credit support for the Securities or provide for additional rights to the Trustee or the Collateral Agent; (viii) to release Collateral from the Lien or subordinate such Lien (or conform the subordination of such Lien) pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreements, (ix) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (x) to modify the Security Documents and/or any Intercreditor Agreement, to secure other First Priority Lien Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Notes Indenture or the Indenture, (xi) to make any change that does not adversely affect the rights of any Holder; (xii) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities; (xiii) to provide for the issuance of Additional Securities, which shall have terms substantially identical in all material respects to the Original Securities, and which shall be treated, together with any outstanding Original Securities, as a single series of securities; (xiv) to give effect to the Transactions and the Financing Transactions, including the Magnera Assumption, (xv) to conform the text of the Indenture or the Securities to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the Securities or (xvi) to comply with any requirement of the SEC in connection with the qualification of the Indenture under the TIA.

15. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Securities have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

16. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

17. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the Securities, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

18. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

19. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

20. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

21. CUSIP Numbers; ISINs

The Company has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

22. Special Mandatory Redemption

In the event that (a) the Escrow Conditions do not occur on or prior to the Outside Date, (b) at any time prior to the Outside Date, the Escrow Conditions are deemed, in the good faith judgment of the Escrow Issuer or any direct or indirect parent of the Escrow Issuer, to be incapable of being satisfied on or prior to the Outside Date or (c) at any time prior to the Outside Date, the RMT Transaction Agreement is terminated in accordance with its terms without the closing of the Transactions (any such event being an "Escrow Redemption Event"), the Escrow Issuer will redeem the Securities (the "Escrow Redemption") no later than five Business Days following the Escrow Redemption Event (or otherwise in accordance with the applicable procedures of DTC) (the "Escrow Redemption Date") at the Escrow Redemption Price. If the Escrow Release Date has not occurred and in accordance with the Escrow Agreement, funds will be released from the Collateral Account to make the redemption and any funds in excess of the Escrow Redemption Price will be released to the Company. In accordance with the provisions of the Escrow Agreement, if at any time the Collateral Account contains cash or Cash Equivalents having an aggregate value in excess of the Escrow Redemption Price, such excess cash or Cash Equivalents may be released to the Escrow Issuer.
