**Item 1.01 Entry into a Material Agreement**

***Indenture and 6.00% Second Priority Senior Secured Notes due 2022***

On October 1, 2015 (the “Issue Date”), Berry Plastics Escrow Corporation (the “Escrow Issuer”) issued \$400 million aggregate principal amount of 6.00% second priority senior secured notes due 2022 (the “New Notes”) pursuant to an indenture, dated as of October 1, 2015, between the Escrow Issuer and U.S. Bank, National Association as trustee (the “Indenture”). Also on the Issue Date, Berry Plastics Corporation (“BPC”) assumed the obligations of the Escrow Issuer under the Indenture and the New Notes, and the Escrow Issuer was released. BPC is a wholly owned direct subsidiary of Berry Plastics Group, Inc. (“Berry Group”), and the Escrow Issuer is a wholly owned subsidiary of BPC. On the Issue Date, Berry Group, BPC and certain of its subsidiaries (the “Subsidiary Guarantors”, and together with Berry Group, the “Guarantors”), which include certain of the entities acquired as a result of the transaction (the “Avintiv Transaction”) described in Item 2.01 of this Current Report on Form 8-K (the “Avintiv Guarantors”), became parties to the Indenture. In addition, in accordance with the terms of certain of BPC’s other outstanding indebtedness, the Avintiv Guarantors became guarantors of such indebtedness, and certain of their assets became subject to security interests in favor of the lenders of such indebtedness.

The New Notes are senior obligations of BPC, have the benefit of the second priority security interest in the Second Priority Collateral described below and will mature on October 15, 2022. The New Notes bear interest at a rate of 6.00% per annum, payable semiannually, in cash in arrears, on April 15 and October 15 of each year, commencing on April 15, 2016, to holders of record at the close of business on April 1 or October 1, as the case may be, immediately preceding the interest payment date.

On or after October 15, 2018, BPC may redeem the New Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing on October 15 of the years set forth below:

<u>Period</u>	<u>Redemption Price</u>
2018	103.000%
2019	101.500%
2020 and thereafter	100.000%

In addition, prior to October 15, 2018, BPC may redeem the New Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each holder’s registered address, at a redemption price equal to 100% of the principal amount of the New Notes redeemed plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest and additional interest, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to October 15, 2018, BPC may redeem in the aggregate up to 40% of the original aggregate principal amount of the New Notes (calculated after giving effect to any issuance of additional New Notes) with the net cash proceeds of one or more equity offerings by BPC or by any direct or indirect parent of BPC, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of BPC or used to purchase capital stock of BPC from it, at a redemption price (expressed as a percentage of principal amount thereof) of 106.000%, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the New Notes (calculated after giving effect to any issuance of additional New Notes) remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such equity offering is consummated upon not less than 30 nor more than 60 days' notice mailed to each holder of New Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at BPC's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related equity offering.

The New Notes are fully and unconditionally guaranteed, jointly and severally, on a second priority senior secured basis, by the Subsidiary Guarantors. In addition, the New Notes are fully and unconditionally guaranteed on a senior unsecured basis by Berry Group. Under certain circumstances, subsidiaries may be released from these guarantees without the consent of the holders of the New Notes.

The New Notes and the subsidiary guarantees thereof are unsubordinated obligations of BPC and the Subsidiary Guarantors, are secured by a second priority security interest in substantially all of the assets of BPC and its existing and future guarantor subsidiaries that secure its obligations under its senior secured credit facilities, subject to certain specified exceptions, and rank equally in right of payment to all existing and future unsubordinated indebtedness of BPC and each of the Subsidiary Guarantors that are subsidiaries of BPC. The right of holders of the New Notes to receive proceeds of the collateral is contractually junior to the rights of holders of BPC's obligations under its senior secured credit facilities, and is contractually equal to the rights of holders of BPC's existing second priority senior secured notes.

Upon the occurrence of certain changes of control of BPC, each holder of New Notes will have the right to require BPC to repurchase all or any part of such holder's New Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date). Within 30 days following any qualifying change of control event, except to the extent that BPC has previously elected to redeem the New Notes as described above, BPC shall mail or send electronically a notice to each holder with a copy to the trustee.

The Indenture contains a number of restrictive covenants, including those relating to the following:

- (1) Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock;

- (2) Limitation on Restricted Payments;
- (3) Dividend and Other Payment Restrictions Affecting Subsidiaries;
- (4) Asset Sales;
- (5) Transactions with Affiliates;
- (6) Liens;
- (7) Reports and Other Information;
- (8) Future Subsidiary Guarantors;
- (9) Amendment of Security Documents; and
- (10) After-Acquired Property.

The Indenture provides that BPC may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not BPC is the surviving person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any person unless certain conditions are met.

Upon the occurrence of certain events of default specified in the Indenture, the principal of, premium, if any, interest and any other monetary obligations on all the then outstanding New Notes may become due and payable immediately.

The foregoing description of the New Notes and the Indenture governing the New Notes is qualified in its entirety by reference to the actual text of the Indenture governing the New Notes (including the forms of New Notes included therein), which is filed herewith as Exhibit 4.1 and is incorporated herein by reference.

#### ***Registration Rights Agreement***

On October 1, 2015, BPC, the Guarantors and the initial purchasers of the New Notes entered into a registration rights agreement (the "Registration Rights Agreement") with respect to the New Notes. The following is a brief description of the terms of the Registration Rights Agreement and is qualified by reference to the terms of the Registration Rights Agreement filed as Exhibit 4.3 to this Current Report on Form 8-K and incorporated herein by reference. Capitalized terms not defined in this section shall have the meanings specified in the Registration Rights Agreement.

Pursuant to the Registration Rights Agreement, BPC, and the Guarantors will agree to use their commercially reasonable efforts to (x) within 220 days of October 1, 2015, file with the Commission and (y) within 270 days of October 1, 2015, cause to become effective a registration statement, on the appropriate form under the Securities Act, relating to an offer to exchange the New Notes for registered notes with terms identical to the New Notes (except that the New Notes will not be subject to restrictions on transfer or to any increase in

interest rate as described below) (the “Exchange Notes”). Following the effectiveness of the exchange offer registration statement, BPC, and the Guarantors will offer to the holders who are able to make certain representations the opportunity to exchange their New Notes for Exchange Notes.

If, with respect to the New Notes:

- (1) BPC, Berry Group and the Subsidiary Guarantors are not permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or SEC policy; or
- (2) any holder notifies us prior to the 20th day following consummation of the exchange offer that:
  - (a) it is prohibited by law or SEC policy from participating in the exchange offer;
  - (b) it may not resell the Exchange Notes acquired by it in the exchange offer to the public without delivering a prospectus (other than by reason of such holder’s status as our affiliate) and the prospectus contained in the exchange offer registration statement is not appropriate or available for such resales;
  - (c) it is a broker-dealer and owns New Notes acquired directly from us or our affiliate,

BPC and the Guarantors will be obligated, with respect to the New Notes, to file with the SEC a shelf registration statement (the “Shelf Registration”) to cover resales of the New Notes, by the holders thereof who satisfy certain conditions relating to the provision of information in connection with the Shelf Registration.

BPC and the Guarantors will use their commercially reasonable efforts to cause the applicable registration statement to be declared effective as promptly as possible by the SEC.

The Registration Rights Agreement provides that:

- (1) unless the exchange offer would not be permitted by applicable law or SEC policy, BPC and the Guarantors will use their commercially reasonable efforts to have the exchange offer registration statement declared effective by the SEC on or prior to 270 days after October 1, 2015;
- (2) unless the exchange offer would not be permitted by applicable law or SEC policy, BPC and the Guarantors will commence the exchange offer; and
- (3) if obligated to file the shelf registration statement, BPC and the Guarantors will file the Shelf Registration with the SEC on or prior to 220 days after such filing obligation arises and will use their commercially reasonable efforts to cause the Shelf Registration to be declared effective by the SEC on or prior to 270 days after such obligation arises.

Additionally, the Registration Rights Agreement provides that, if:

- (1) any of such registration statements is not declared effective by the SEC on or prior to the date specified for such effectiveness (the “Effectiveness Target Date”);

- (2) BPC and the Guarantors fail to consummate the exchange offer within 30 business days of the Effectiveness Target Date with respect to the exchange offer registration statement; or
- (3) the Shelf Registration or the exchange offer registration statement is declared effective but thereafter ceases to be effective or usable, subject to certain exceptions, in connection with resales or exchanges of the New Notes, respectively, during the periods specified in the Registration Rights Agreement (each such event referred to in clauses (1) through (3) above, a “Registration Default”),

then BPC and the Guarantors will pay additional interest to each holder, with respect to the first 90-day period immediately following the occurrence of the first Registration Default, in an amount equal to 0.25% per annum of the principal amount of the New Notes held by such holder, as applicable. The amount of the additional interest will increase by an additional 0.25% per annum of the principal amount of such New Notes, with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of additional interest for all Registration Defaults of 1.0% per annum of the principal amount of such New Notes.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the actual text of the Registration Rights Agreement, which is filed herewith as Exhibit 4.3 and is incorporated herein by reference.

#### ***Incremental Term Loans***

On October 1, 2015, Berry Group, BPC and certain of its subsidiaries entered into an Incremental Assumption Agreement and Amendment with Credit Suisse AG, Cayman Islands Branch, as the Incremental Term Lender and as the Administrative Agent to borrow an incremental amount of \$2,100,000,000 under Berry’s existing term loan credit agreement. The loans borrowed on such date (the “Term F Loans”) bear interest at the option of BPC at LIBOR plus 3.00% per annum with a LIBOR floor of 1.00% per annum or the Alternate Base Rate plus 2.00% per annum. The Term F Loans mature on October 1, 2022 and are subject to customary amortization. If certain specified repricing events occur prior to April 1, 2016, BPC will pay a fee to the applicable lenders equal to 1.00% of the outstanding principal amount of the Term F Loans subject to such repricing event.

The proceeds of the Term F Loans were used to fund a portion of the cash consideration due in respect of the Avintiv Transaction, to pay off or otherwise satisfy certain outstanding Avintiv indebtedness, and to pay costs and expenses of the Avintiv Transaction.

The Incremental Assumption Agreement and Amendment amended BPC’s existing Term Credit Agreement to, among other things, include limited condition acquisition provisions for future acquisitions; increase the total net first lien net leverage ratio applicable to the incurrence of certain secured indebtedness and related liens from 3.75 to 1.0, to 4.0 to 1.0; increase the threshold at which real property mortgages must be granted, from \$5 million to \$10 million; and permit the release of existing mortgages on real property with a value below \$10 million.

BPC’s existing revolving credit agreement, which already included the latter two provisions, was also amended to incorporate the limited condition acquisition and total net first lien net leverage ratio modifications described above.

**Item 2.01 Material Acquisitions or Dispositions**

(“Avintiv”), for a purchase price of approximately \$2.45 billion in cash on a debt-free, cash-free basis (the “Merger”). The Merger was funded with the proceeds from the New Notes and the Term F Loans described in Item 1.01 of this Current Report on Form 8-K.

## ARTICLE 2

### THE SECURITIES

SECTION 2.01. Amount of Securities. The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture on the Issue Date is \$400,000,000 in initial aggregate principal amount of Securities.

The Issuer may from time to time after the Issue Date issue Additional Securities under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Securities is at such time permitted by Section 4.03 and (ii) such Additional Securities are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Securities issued after the Issue Date (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities pursuant to Section 2.07, 2.08, 2.09, 2.10, 3.06, 3.08, 4.08(c) or the Appendix), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officers' Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Securities:

- (1) the aggregate principal amount of such Additional Securities which may be authenticated and delivered under this Indenture,
- (2) the issue price and issuance date of such Additional Securities, including the date from which interest on such Additional Securities shall accrue;
- (3) if applicable, that such Additional Securities shall be issuable in whole or in part in the form of one or more Global Securities and, in such case, the respective depositaries for such Global Securities, the form of any legend or legends which shall be borne by such Global Securities in addition to or in lieu of those set forth in Exhibit A hereto and any circumstances in addition to or in lieu of those set forth in Section 2.2 of the Appendix in which any such Global Security may be exchanged in whole or in part for Additional Securities registered, or any transfer of such Global Security in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Security or a nominee thereof; and
- (4) if applicable, that such Additional Securities that are not Transfer Restricted Securities shall not be issued in the form of Initial Securities as set forth in Exhibit A, but shall be issued in the form of Exchange Securities as set forth in Exhibit B.

If any of the terms of any Additional Securities are established by action taken pursuant to a resolution of the Board of Directors of the Issuer, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate or the indenture supplemental hereto setting forth the terms of the Additional Securities.

The Securities, including any Additional Securities, shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase.

SECTION 2.02. Form and Dating. Provisions relating to the Initial Securities, Additional Securities and the Exchange Securities are set forth in the Appendix, which is hereby incorporated into and expressly made a part of this Indenture. The (i) Initial Securities and the Trustee's certificate of authentication and (ii) any Additional Securities (if issued as Transfer Restricted Securities) and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The (i) Exchange Securities and the Trustee's certificate of authentication and (ii) any Additional Securities issued other than as Transfer Restricted Securities and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit B hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which any Obligor is subject, if any, or usage (provided that any such notation, legend or endorsement

is in a form acceptable to the Issuer). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form without interest coupons and in denominations of \$2,000 and any integral multiples of \$1,000.

SECTION 2.03. Execution and Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer (a) Original Securities for original issue on the date hereof in an aggregate principal amount of \$400,000,000 in initial aggregate principal amount of Securities (b) subject to the terms of this Indenture, Additional Securities in an aggregate principal amount to be determined at the time of issuance and specified therein and (c) the Exchange Securities for issue in a Registered Exchange Offer pursuant to the Registration Rights Agreement for a like principal amount of Initial Securities exchanged pursuant thereto or otherwise pursuant to an effective registration statement under the Securities Act. Such order shall specify the amount of the Securities to be authenticated, the date on which the original issue of Securities is to be authenticated and whether the Securities are to be Initial Securities or Exchange Securities. Notwithstanding anything to the contrary in this Indenture or the Appendix, any issuance of Additional Securities after the Issue Date shall be in a principal amount of at least \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

One Officer shall sign the Securities for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

#### SECTION 2.04. Registrar and Paying Agent.

(a) The Issuer shall maintain (i) an office or agency where Securities may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Securities may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee as Registrar, Paying Agent and the Securities Custodian with respect to the Global Securities.

(b) The Issuer may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; *provided, however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

**SECTION 2.05. Paying Agent to Hold Money in Trust.** Prior to or on each due date of the principal of and interest on any Security, the Issuer shall deposit with each Paying Agent (or if the Issuer or a Wholly Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Wholly Owned Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section, a Paying Agent shall have no further liability for the money delivered to the Trustee.

**SECTION 2.06. Holder Lists.** The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

**SECTION 2.07. Transfer and Exchange.** The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or of any Securities for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed.

Prior to the due presentation for registration of transfer of any Security, the Issuer, the other Obligors, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, any other Obligor, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

**SECTION 2.08. Replacement Securities.** If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the New York UCC are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to

receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the New York UCC (a “protected purchaser”) and (c) satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee or the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security (including without limitation, attorneys’ fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 13.06, a Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest then borne by the Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be sent to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Securities may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly advise the Trustee in writing of any change in the CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 13.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers’ Certificate.

### ARTICLE 3

#### REDEMPTION

SECTION 3.01. Redemption. The Securities may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Securities set forth in Exhibit A and Exhibit B hereto, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Securities at the election of the Company or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the Security, it shall notify the Trustee in writing of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. Such notice may be conditional. The Issuer shall give notice to the Trustee provided for in this paragraph at least 30 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the Security, unless a shorter period is acceptable to the Trustee. Such notice shall be accompanied by an Officers’ Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Securities are to be redeemed, the record date relating to such redemption shall be selected by the Company and given to the Trustee, which record date shall be not fewer than 15 days after the date of notice to the Trustee. Any such notice may be canceled at any time prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Securities to Be Redeemed. In the case of any partial redemption, selection of Securities for redemption will be made by the Trustee on a pro rata basis to the extent practicable in accordance with the depository’s procedures; *provided* that no Securities of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in amounts of \$2,000 or any integral multiple of \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Security, the Issuer shall mail or cause to be mailed by first-class mail or cause to be sent electronically a notice of redemption to each Holder whose Securities are to be redeemed.

Any such notice shall identify the Securities to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued interest;
- (v) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;
- (vi) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Securities being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Securities.

(b) At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the information required by this Section at least 10 days (or such shorter period as shall be acceptable to the Trustee) prior to the date such notice is to be provided to Holders and such notice may not be canceled.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is mailed or sent in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final sentence of paragraph 5 of the Securities. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest, to, but not including, the redemption date; *provided, however*, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. With respect to any Securities, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.08. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

SECTION 3.09. Special Mandatory Redemption. If the Escrow Release Date has not occurred upon the earlier of (x) the date on which the Company determines in its sole discretion that any of the Escrow Conditions cannot be satisfied and (y) the End Date (as defined below) (the earlier of such dates, the "Conditions Precedent Date"), the Escrow Issuer will redeem the Securities on the Escrow Redemption Date at the Escrow Redemption Price. In accordance with the provisions of the Escrow Agreement, funds will be released from the Collateral Account to make the redemption and any funds in excess of the Escrow Redemption Price will be released to the Company. In accordance with the provisions of the Escrow Agreement, if at any time the Collateral Account contains cash or Cash Equivalents having an aggregate value in excess of the Escrow Redemption Price, such excess cash or Cash Equivalents may be released to the Escrow Issuer.

The "End Date" means February 1, 2016; provided, however, that the End Date may be extended to a date specified by the Escrow Issuer that is no later than April 4, 2016, so long as at least one Business Day prior to February 1, 2016, the Escrow Issuer shall have deposited (or cause to be deposited) to the Collateral Account an additional amount of cash and/or Cash Equivalents sufficient, together with the other amounts of cash and/or Cash Equivalents then held in the Collateral Account, to yield the aggregate Escrow Redemption Price for all of the Second Priority Notes on the date that is ten Business Days after the End Date so specified by the Escrow Issuer.

If the Escrow Issuer intends to extend the End Date, as provided immediately above, it will provide the Escrow Agent and the Trustee prior notice of the End Date as so extended.

Notwithstanding anything herein to the contrary, this section shall not be operative if the Avintiv Acquisition is consummated concurrently with the Issue Date.

## ARTICLE 4

### COVENANTS

SECTION 4.01. Payment of Securities. The Issuer shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 12:00 p.m. New York City time money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate borne by the Securities to the extent lawful.

#### SECTION 4.02. Reports and Other Information.

(a) From and after the Escrow Release Date, notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer shall file with the SEC (and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after it files them with the SEC),

(i) within the time period specified in the SEC's rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(ii) within the time period specified in the SEC's rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(iii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC's rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and

(iv) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

*provided, however*, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer shall make available such information to prospective purchasers of Securities, including by posting such reports on the primary website of the Issuer or its Subsidiaries in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

(b) In the event that:

(i) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis and

(ii) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer,

such consolidated reporting at such parent entity's level in a manner consistent with that described in this Section 4.02 for the Issuer shall satisfy this Section 4.02.

(c) The Issuer shall make such information available to prospective investors upon request. In addition, the Issuer shall, for so long as any Securities remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the Holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

(i) So long as the Parent Guarantee is in effect or (ii) in the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Issuer may satisfy its obligations under this Section 4.02 with respect to financial information relating to the Issuer by furnishing financial information relating to the Parent Guarantor or to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to the Parent Guarantor or to such direct or indirect parent and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates with respect thereto).

SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) From and after the Escrow Release Date:

(i) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Issuer shall not permit any of its Restricted Subsidiaries (other than a Subsidiary Guarantor) to issue any shares of Preferred Stock; *provided, however*, that the Issuer and any Restricted Subsidiary that is a Subsidiary Guarantor or a Foreign Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(vii) Indebtedness of the Issuer to a Restricted Subsidiary; *provided* that any such Indebtedness owed to a Restricted Subsidiary that is not a Subsidiary Guarantor is subordinated in right of payment to the obligations of the Issuer under the Securities; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(viii) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

(ix) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; *provided* that if a Subsidiary Guarantor incurs such Indebtedness to a Restricted Subsidiary that is not a Subsidiary Guarantor, such Indebtedness is subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(xii) Indebtedness or Disqualified Stock of the Issuer or any Restricted Subsidiary of the Issuer and Preferred Stock of any Restricted Subsidiary of the Issuer not otherwise permitted hereunder in an aggregate principal amount, which when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (xii), does not exceed the greater of \$250.0 million and 5.0% of Total Assets at the time of Incurrence (it being understood that any Indebtedness Incurred under this clause (xii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xii) but shall be deemed Incurred for purposes of Section 4.03(a) from and after the first date on which the Issuer, or the Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xii));

(xiii) any guarantee by the Issuer or a Subsidiary Guarantor of Indebtedness or other obligations of the Issuer or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness Incurred by the Issuer or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such Subsidiary

Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantor's Subsidiary Guarantee with respect to the Securities substantially to the same extent as such Indebtedness is subordinated to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable;

(xiv) the Incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer which serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under Section 4.03(a) and clauses (i), (ii), (iii), (iv), (xv), (xix) and (xx) of this Section 4.03(b) or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(2) has a Stated Maturity which is not earlier than the earlier of (x) the Stated Maturity of the Indebtedness being refunded or refinanced or (y) 91 days following the maturity date of the Securities;

(3) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, such Refinancing Indebtedness is junior to the Securities or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock;

(4) is Incurred in an aggregate amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the aggregate amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium, fees and expenses Incurred in connection with such refinancing;

(xv) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or any of its Restricted Subsidiaries incurred to finance an acquisition or (y) Persons that are acquired by the Issuer or any of its Restricted Subsidiaries or merged with or into the Issuer or any of its Restricted Subsidiaries in accordance with the terms of this Indenture; *provided, however*, that after giving effect to such acquisition or merger either:

(1) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Issuer would be greater than immediately prior to such acquisition or merger;

(xvi) Indebtedness Incurred by a Receivables Subsidiary in a Qualified Receivables Financing that is not recourse to the Issuer or any Restricted Subsidiary other than a Receivables Subsidiary (except for Standard Securitization Undertakings);

(xvii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence;

(xviii) Indebtedness of the Issuer or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to any Credit Agreement, in a principal amount not in excess of the stated amount of such letter of credit;

(xix) Contribution Indebtedness;

(xx) Indebtedness of Foreign Subsidiaries; *provided, however*, that the aggregate principal amount of Indebtedness Incurred under this clause (xx), when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (xx), does not exceed at any one time outstanding the greater of \$100.0 million and 10.0% of the Total Assets held on the balance sheet of all Foreign Subsidiaries of the Issuer, taken together, at the time of Incurrence;

(xxi) Indebtedness of the Issuer or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business; and

For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (i) through (xxii) above or is entitled to be Incurred pursuant to Section 4.03(a), the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness in any manner that complies with this Section 4.03. Accrual of interest, the accretion of accreted value, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion or amortization of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.03. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated

restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

SECTION 4.04. Limitation on Restricted Payments.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Issuer (other than (A) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Restricted Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness of the Issuer or any of its Restricted Subsidiaries (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (vii) and (ix) of Section 4.03(b)); or

(iv) make any Restricted Investment.

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a pro forma basis, the Issuer could Incur \$1.00 of additional Indebtedness under Section 4.03(a); and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Issue Date (including Restricted Payments permitted by clauses (i), (iv) (only to the extent of one-half of the amounts paid pursuant to such clause), (vi) and (viii) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the Cumulative Credit.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Indenture;

(ii) (A) the repurchase, retirement or other acquisition of any Equity Interests ("Retired Capital Stock") of the Issuer or any direct or indirect parent of the Issuer or Subordinated Indebtedness

of the Issuer, any direct or indirect parent of the Issuer or any Subsidiary Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale of, Equity Interests of the Issuer or any direct or indirect parent of the Issuer or contributions to the equity capital of the Issuer (other than any Disqualified Stock or any Equity Interests sold to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) (collectively, including any such contributions, "Refunding Capital Stock"); and

(B) the declaration and payment of accrued dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Refunding Capital Stock;

(iii) the redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Issuer or a Subsidiary Guarantor which is Incurred in accordance with Section 4.03 so long as:

(A) the principal amount of such new Indebtedness does not exceed the principal amount of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired plus any fees incurred in connection therewith),

(B) such Indebtedness is subordinated to the Securities or the related Subsidiary Guarantee, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, acquired or retired for value,

(C) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired or (y) 91 days following the maturity date of the Securities, and

(D) such Indebtedness has a Weighted Average Life to Maturity at the time Incurred which is not less than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired;

(iv) the repurchase, retirement or other acquisition (or dividends to any direct or indirect parent of the Issuer to finance any such repurchase, retirement or other acquisition) for value of Equity Interests of the Issuer or any direct or indirect parent of the Issuer held by any future, present or former employee, director or consultant of the Issuer or any direct or indirect parent of the Issuer or any Subsidiary of the Issuer pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided, however*, that the aggregate amounts paid under this clause (iv) do not exceed \$25.0 million in any calendar year (with unused amounts in any calendar year (including calendar years occurring from and after the calendar year during which January 1, 2013 occurred) being permitted to be carried over for the two succeeding calendar years); *provided, further, however*, that such amount in any calendar year may be increased by an amount not to exceed:

(xiii) the payment of dividends, other distributions or other amounts or the making of loans or advances by the Issuer, if applicable:

(A) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Issuer, if applicable, and general corporate overhead expenses of any direct or indirect parent of the Issuer, if applicable, in each case to the extent such fees and expenses are attributable to the ownership or operation of the Issuer, if applicable, and its Subsidiaries;

(xix) any payments made, including any such payments made to any direct or indirect parent of the Issuer to enable it to make payments, in connection with the consummation of the Transactions (other than payments to any Permitted Holder or any Affiliate thereof);

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (vi), (vii), (x) and (xi) of this Section 4.04(b), no Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) As of the Escrow Release Date, all of the Issuer's Subsidiaries (other than BP Parallel LLC, the Escrow Issuer and Berry Plastics Escrow LLC) shall be Restricted Subsidiaries. The Issuer shall not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation shall only be permitted if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

SECTION 4.05. Dividend and Other Payment Restrictions Affecting Subsidiaries. From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) (i) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock; or (2) with respect to any other interest or participation in, or measured by, its profits; or (ii) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or
- (c) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries;

except in each case for such encumbrances or restrictions existing under or by reason of:

- (1) contractual encumbrances or restrictions in effect on the Escrow Release Date, including pursuant to the Credit Agreements, the other Credit Agreement Documents and the Existing Second Priority Notes Indentures;
- (2) this Indenture, the Securities (and any Exchange Securities and guarantees thereof), the Security Documents and the Intercreditor Agreement;
- (3) applicable law or any applicable rule, regulation or order;
- (4) any agreement or other instrument relating to Indebtedness of a Person acquired by the Issuer or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;
- (5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;
- (6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 4.03 and 4.12 that limit the right of the debtor to dispose of the assets securing such Indebtedness;
- (7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

- (8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;
- (9) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in Section 4.05(c) above on the property so acquired;
- (10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause (c) above on the property subject to such lease;
- (11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided, however*, that such restrictions apply only to such Receivables Subsidiary;
- (12) other Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer (i) that is a Subsidiary Guarantor that is Incurred subsequent to the Escrow Release Date pursuant to Section 4.03 or (ii) that is Incurred by a Foreign Subsidiary of the Issuer subsequent to the Escrow Release Date pursuant to clause (iv), (xii) or (xx) of Section 4.03(b);
- (13) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or
- (14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

#### SECTION 4.06. Asset Sales.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Securities or any Subsidiary Guarantee) that are assumed by the transferee of any such assets,

(ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of 2.0% of Total Assets and \$100.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be deemed to be Cash Equivalents for the purposes of this Section 4.06(a).

(b) Within 365 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:

(i) to repay Indebtedness constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), Indebtedness of a Foreign Subsidiary or Pari Passu Indebtedness (*provided* that if the Issuer or any Subsidiary Guarantor shall so reduce Obligations under Pari Passu Indebtedness (other than any First Priority Lien Obligations), the Issuer shall equally and ratably reduce Obligations under the Securities through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, on the pro rata principal amount of Securities) or Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer,

(ii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case used or useful in a Similar Business, or

(iii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale.

In the case of Sections 4.06(b)(ii) and (iii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment; *provided, further* that the Issuer or such Restricted Subsidiary may only enter into such a second commitment under the foregoing provision one time with respect to each Asset Sale.

Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Securities, as described in clause (i) of this Section 4.06(b), shall be deemed to have been invested whether or not such offer is accepted) shall be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuer shall make an offer to all Holders (and, at the option of the Issuer, to holders of any Pari Passu Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Securities (and such Pari Passu Indebtedness), that is at least \$2,000 and an integral multiple of \$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness

was issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest and Additional Interest, if any (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Section 4.06. The Issuer shall commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds \$15.0 million by mailing the notice required pursuant to the terms of Section 4.06(f), with a copy to the Trustee. To the extent that the aggregate amount of Securities (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Securities (and such Pari Passu Indebtedness) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Securities to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) Not later than the date upon which written notice of an Asset Sale Offer is delivered to the Trustee as provided above, the Issuer shall deliver to the Trustee an Officers' Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Proceeds from the Asset Sales pursuant to which such Asset Sale Offer is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). On such date, the Issuer shall also irrevocably deposit with the Trustee or with a paying agent (or, if the Issuer or a Wholly Owned Restricted Subsidiary is acting as the Paying Agent, segregate and hold in trust) an amount equal to the Excess Proceeds to be invested in Cash Equivalents, as directed in writing by the Issuer, and to be held for payment in accordance with the provisions of this Section 4.06. Upon the expiration of the period for which the Asset Sale Offer remains open (the "Offer Period"), the Issuer shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Issuer. The Trustee (or the Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the Excess Proceeds delivered by the Issuer to the Trustee are greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess to the Issuer immediately after the expiration of the Offer Period for application in accordance with Section 4.06.

(e) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date, a facsimile transmission or letter sent to the address indicated in Section 13.02 or specified in the notice described in Section 4.06(f) setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the end of the Offer Period more Securities (and such Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Securities for purchase shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Securities are listed, or if such Securities are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided* that no Securities of \$2,000 or less shall be purchased in part. Selection of such Pari Passu Indebtedness shall be made pursuant to the terms of such Pari Passu Indebtedness.

(f) Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid at least 30 but not more than 60 days before the purchase date to each Holder at such Holder's registered address. If any Security is to be purchased in part only, any notice of purchase that relates to such Security shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07. Transactions with Affiliates.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and any merger of the Issuer and any direct parent of the Issuer; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) (x) the entering into of any agreement (and any amendment or modification of any such agreement) to pay, and the payment of, annual management, consulting, monitoring and advisory fees to the Sponsors in an aggregate amount in any fiscal year not to exceed the greater of (A) \$3.0 million and (B) 1.25% of EBITDA of the Issuer and its Restricted Subsidiaries for the immediately preceding fiscal year, and out-of-pocket expense reimbursement; *provided, however*, that any payment not made in any fiscal year (including fiscal years from and after the fiscal year in which January 1, 2012 occurred) may be carried forward and paid in the following two fiscal years and (y) the payment of the present value of all amounts payable pursuant to any agreement described in clause (iii)(x) of this Section 4.07(b) in connection with the termination of such agreement;

(iv) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;

(v) payments by the Issuer or any of its Restricted Subsidiaries to the Sponsors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are (x) made pursuant to the agreements with the Sponsors described in the Offering Memorandum or (y) approved by a majority of the Board of Directors of the Issuer in good faith;

(vi) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(vii) payments or loans (or cancellation of loans) to employees or consultants which are approved by a majority of the Board of Directors of the Issuer in good faith;

(viii) any agreement as in effect as of the Escrow Release Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders in any material respect than the original agreement as in effect on the Escrow Release Date) or any transaction contemplated thereby as determined in good faith by senior management or the Board of Directors of the Issuer;

(ix) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of the Original Acquisition Documents, the Pliant Acquisition Documents or any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Escrow Release Date and any transaction, agreement or arrangement described in the Offering Memorandum and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter or have entered into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Escrow Release Date shall only be permitted by this clause (ix) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Holders in any material respect than the original transaction, agreement or arrangement as in effect on the Escrow Release Date;

(x) [Intentionally omitted];

(xi) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;

(xii) any transaction effected as part of a Qualified Receivables Financing;

(xiii) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;

(xiv) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(xv) the entering into of any tax sharing agreement or arrangement and any payments permitted by Section 4.04(b)(xii);

(xvi) any contribution to the capital of the Issuer;

(xvii) transactions permitted by, and complying with, Section 5.01;

(xviii) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xix) pledges of Equity Interests of Unrestricted Subsidiaries;

(xx) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business; and

(xxi) intercompany transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture.

#### SECTION 4.08. Change of Control.

(a) From and after the Escrow Release Date, upon a Change of Control, each Holder shall have the right to require the Issuer to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in this Section 4.08; *provided, however*, that notwithstanding the occurrence of a Change of Control, the Issuer shall not be obligated to purchase any Securities pursuant to this Section 4.08 in the event that it has exercised its right to redeem such Securities in accordance with Article 3 of this Indenture. In the event that at the time of such Change of Control the terms of any Bank Indebtedness restrict or prohibit the repurchase of Securities pursuant to this Section 4.08, then prior to the mailing or sending electronically of the notice to the Holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control, the Issuer shall (i) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of Securities, offer to repay in full all such Bank Indebtedness and repay all such Bank Indebtedness of each lender who has accepted such offer, or (ii) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the Securities as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control occurring from and after the Escrow Release Date, except to the extent that the Issuer has exercised its right to redeem the Securities in accordance with Article 3 of this Indenture, the Issuer shall mail or send electronically a notice (a "Change of Control Offer") to each Holder with a copy to the Trustee stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Issuer to repurchase such Holder's Securities at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest, if any, to the date of repurchase (subject to the right of the Holders of record on a record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(iv) the instructions determined by the Issuer, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 13.02 or set forth in the notice described in Section 4.08(b) setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Issuer under this Section shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Notwithstanding the other provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.08 applicable to a Change of Control Offer made by the Issuer and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Securities validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

(h) Securities repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Securities issued but not outstanding or will be retired and canceled at the option of the Issuer. Securities purchased by a third party pursuant to the preceding clause (f) or (g) will have the status of Securities issued and outstanding.

(i) At the time the Issuer delivers Securities to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(j) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(k) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on or about September 30, 2015, an Officers' Certificate (which Officers' Certificate shall be signed by two Officers of the Issuer, one of whom must be the principal executive officer, the principal financial officer or the principal accounting officer of the Issuer) stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. The Issuer also shall comply with Section 314(a)(4) of the TIA.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. From and after the Escrow Release Date, the Issuer shall cause (a) each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that:

(i) guarantees any Indebtedness of the Issuer or any of its Restricted Subsidiaries; or

(ii) incurs any Indebtedness or issues any shares of Disqualified Stock permitted to be Incurred or issued pursuant to clauses (i) or (xii) of Section 4.03(b) or not permitted to be Incurred by Section 4.03; and

(b) each other Restricted Subsidiary (other than a Receivables Subsidiary and other than a Subsidiary not organized or existing under the laws of the United States of America or any state or territory thereof or the District of Columbia) that incurs or guarantees any First Priority Lien Obligations (x) to execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D pursuant to which such Subsidiary shall guarantee the Issuer's Obligations under the Securities and this Indenture and (y) to become a party to the Security Agreement and to execute and file all documents and instruments necessary to grant to the Collateral Agent a perfected security interest in the Collateral of such Restricted Subsidiary.

SECTION 4.12. Liens.

(a) From and after the Escrow Release Date, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist (i) any Lien on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness unless the Securities are equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Securities) the obligations so secured until such time as such obligations are no longer secured by a Lien or (ii) any Lien securing any First Priority Lien Obligation of the Issuer or any Subsidiary Guarantor without effectively providing that the Securities or the applicable Subsidiary Guarantee, as the case may be, shall be granted a second priority security interest (subject to Permitted Liens) upon the assets or property constituting the collateral for such First Priority Lien Obligations, except as set forth in the Security Documents; *provided, however*, that if granting such second priority security interest requires the consent of a third party, the Issuer will use commercially reasonable efforts to obtain such consent with respect to the second priority security interest for the benefit of the Trustee on behalf of the Holders; *provided, further, however*, that if such third party does not consent to the granting of such second priority security interest after the use of commercially reasonable efforts, the Issuer will not be required to provide such security interest.

(b) Clause (i) of Section 4.12(a) shall not require the Issuer or any Restricted Subsidiary of the Issuer to secure the Securities if the Lien consists of a Permitted Lien. Any Lien which is granted to secure the Securities or such Subsidiary Guarantee under clause (i) of Section 4.12(a) (unless also granted pursuant to clause (ii) of Section 4.12(a)) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Securities or such Subsidiary Guarantee under clause (i) of Section 4.12(a).

SECTION 4.13. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the corporate trust office of the Trustee as set forth in Section 13.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the corporate trust office of the Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.14. Amendment of Security Documents. From and after the Escrow Release Date, the Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the Holders in any material respect, except as contemplated by the Intercreditor Agreement or as permitted under Article 9.

SECTION 4.15. After-Acquired Property. From and after the Escrow Release Date, upon the acquisition by the Issuer or any Subsidiary Guarantor of any First-Priority After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Trustee a perfected security interest, subject only to Permitted Liens, in such First-Priority After-Acquired Property and to have such First-Priority After-Acquired Property (but subject to certain limitations, if applicable, as described in the Security Documents) added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such First-Priority After-Acquired Property to the same extent and with the same force and effect; *provided, however*, that if granting such second-priority security interest in such First-Priority After-Acquired Property requires the consent of a third party, the Issuer shall use commercially reasonable efforts to obtain such consent with respect to the second-priority interest for the benefit of the Trustee on behalf of the Holders; *provided further, however*, that if such third party does not consent to the granting of such second-priority security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

SECTION 4.16. Termination and Suspension of Certain Covenants.

(a) If, on any date following the Escrow Release Date, (i) the Securities have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the ratings of the Securities, the Issuer and its Restricted Subsidiaries shall no longer be subject to Section 4.03 hereof, Section 4.04 hereof, Section 4.05 hereof, Section 4.06 hereof, Section 4.07 hereof, Section 4.11 hereof and clause (iv) of Section 5.01(a) hereof.

(b) During any period of time that (i) the Securities have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Issuer and its Restricted Subsidiaries will not be subject to Section 4.08 hereof (the "Suspended Covenant").

(c) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under this Indenture for any period of time as a result of Section 4.16(b), and on any subsequent date (the "Downgrade Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Securities below an Investment Grade Rating then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenant with respect to future events, until the occurrence, if any, of another Covenant Suspension Event.

(d) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under this Indenture for any period of time as a result of Section 4.16(b), and on any subsequent date (the "Change of Control Reversion Date") the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated,

such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Securities below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenant from such date with respect to future events, including, without limitation, a proposed transaction described in this clause (d), until the occurrence, if any, of the termination of such agreement or the withdrawal by such Rating Agency of such indication, whichever occurs earliest.

(e) The Issuer shall deliver written notice to the Trustee promptly upon the occurrence of any Downgrade Reversion Date or Change of Control Reversion Date.

SECTION 4.17. Activities of Escrow Issuer Prior to the Berry Assumption. Prior to the Escrow Release Date, the Issuer shall be a corporation whose primary activities are restricted to issuing the Securities, issuing capital stock to, and receiving capital contributions from, the Company, performing its obligations in respect of the Securities under this Indenture and the Escrow Agreement and consummating the Berry Assumption or redeeming the Securities on the Escrow Redemption Date, as applicable, and conducting such other activities as are necessary or appropriate to carry out the activities described in this sentence. Prior to the Escrow Release Date, the Escrow Issuer shall not issue any debt other than the Securities, or own, hold or otherwise have any interest in any material assets other than the Collateral Account and cash or Cash Equivalents.

Notwithstanding anything herein to the contrary, this section shall not be operative if the Avintiv Acquisition is consummated concurrently with the Issue Date.

SECTION 4.18. Escrow of Gross Proceeds.

(a) Concurrently with the closing of the offering of the Original Securities, the Escrow Issuer shall enter into the Escrow Agreement, pursuant to which the Escrow Issuer will deposit, or will cause to be deposited, the gross proceeds of the offering of the Securities into the Collateral Account, together with sufficient cash and/or Cash Equivalents to yield the aggregate Escrow Redemption Price on the date that is ten Business Days after the End Date for all of the Securities. The Escrow Issuer shall grant the Trustee, for the benefit of the Holders, a first priority security interest in the Escrow Collateral.

(b) The funds held in the Collateral Account will be released to the Company or such other Person as the Company directs, and the Escrow Issuer will be released from the Note Obligations, upon delivery by the Company to the Escrow Agent and the Trustee of (x) an Officers' Certificate certifying that, prior to or concurrently with the release of funds from the Collateral Account (clauses (i) through (vi) below, collectively, the "Escrow Conditions"):

(i) the Avintiv Acquisition will be consummated in accordance with the Avintiv Acquisition Documents and the net proceeds from this offering will be applied, to the extent necessary, to consummate the Avintiv Acquisition, repay debt of Avintiv Target and its subsidiaries and pay related fees and expenses and any remaining net proceeds will be retained by the Company for general corporate purposes;

(ii) the joinders to the Intercreditor Agreement and the Security Documents required to create the Liens in the Collateral to secure the Note Obligations will each be executed and delivered on the terms described in the Offering Memorandum;

(iii) the Berry Assumption will be consummated, the Company will deliver to the Trustee such opinions of counsel and certificates as are required to be delivered pursuant to the terms of this Indenture in connection with the supplemental indenture relating to the Berry Assumption, and the initial purchasers will receive such opinions of counsel as are required to be delivered to them in connection with the Berry Assumption pursuant to the Purchase Agreement;

(iv) the Parent Guarantor, the Company and each Subsidiary of the Company required to provide a Subsidiary Guarantee under Article 12 will execute the Registration Rights Agreement and a joinder to the Purchase Agreement, in each case substantially in the forms attached to the Purchase Agreement; and

(v) there is no Default under this Indenture;

and (y) an Opinion of Counsel that the release of the funds in the Collateral Account to the Company or such other Person as the Company directs and the release of the Escrow Issuer from the Note Obligations is permitted or authorized under the terms of this Indenture.

(c) Notwithstanding anything herein to the contrary, this section shall not be operative if the Avintiv Acquisition is consummated concurrently with the Issue Date.

SECTION 4.19. Mortgages. The Issuer and the Subsidiary Guarantors shall use commercially reasonable efforts to deliver to the Trustee and the Collateral Agent as promptly as reasonably practicable after the Escrow Release Date, but in any event within 120 days of the Escrow Release Date (subject to extension in the sole discretion of the Trustee), (a)(i) an amendment to each existing Mortgage (a "Mortgage Amendment") on such Real Property currently subject to a Mortgage granted to the Collateral Agent and that also secures the First Priority Lien Obligations (other than any Mortgage securing the First Priority Lien Obligations that is released prior to the end of such 120 day period (as may be extended), duly executed and delivered by the record owner of such Real Property and the Collateral Agent sufficient to grant to the Collateral Agent for its benefit and the benefit of the Trustee and the holders of the Securities a valid second priority mortgage lien on such Real Property and otherwise suitable for recording or filing which Mortgage Amendment may be in a form consistent with such Mortgage amendments previously delivered shall be in form and substance acceptable to the Collateral Agent and (ii) opinions and such other documents including, but not limited to, any consents, agreements and confirmations of third parties with respect to any such Mortgage Amendment, in each case to the extent and consistent in form and substance with such documents as have been previously delivered to the Collateral Agent; and (b) date-down endorsements to the title insurance policies previously delivered to the Collateral Agent (or in case of any Real Property located in Texas that is subject to a Mortgage Amendment, a title search together with a T-38 endorsement, or to the extent not available, a new title insurance policy), in each case, consistent in form and substance with such documents as have been previously delivered to the Collateral Agent and/or the title insurance company (specifically excluding any new or updated survey), and paid for by the Company, issued by a nationally recognized title insurance company (which may be the same as the title insurance company or companies insuring the Mortgages in favor of the Collateral Agent) insuring the lien of each amended Mortgage, as a valid Lien on such Real Property free of any other Liens, except for Permitted Liens.

#### SECTION 5.01. When Issuer May Merge or Transfer Assets.

(a) From and after the Escrow Release Date, the Issuer shall not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the case where the surviving Person is not a corporation, a co-obligor of the Securities is a corporation;

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture, the Securities and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(A) the Successor Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(B) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(v) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations under this Indenture and the Securities; and

(vi) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) shall succeed to, and be substituted for, the Issuer under this Indenture, the Securities and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Securities and the Security Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This Article 5 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b) (which govern the release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor), no Subsidiary Guarantor shall, and the Issuer shall not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (other than any such sale, assignment, transfer, lease, conveyance or disposition in connection with the Transactions) unless:

(ii) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture, such Subsidiary Guarantor's Subsidiary Guarantee and the Security Documents. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a "Transfer") to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; *provided* that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date (excluding Transfers in connection with the Transactions).

## ARTICLE 6

### DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An "Event of Default" with respect to the Securities occurs if:

(a) there is a default in any payment of interest (including any Additional Interest) on any Security when the same becomes due and payable, and such default continues for a period of 30 days,

(b) there is a default in the payment of principal or premium, if any, of any Security when due at its Stated Maturity, upon optional redemption, upon required redemption in accordance with Section 3.09 and the Escrow Agreement (if any), upon required repurchase, upon declaration or otherwise,

(c) the Issuer or any of its Restricted Subsidiaries fails to comply with its obligations under Section 5.01,

(d) the Issuer or any of its Restricted Subsidiaries fails to comply with any of its agreements in the Securities or this Indenture (other than those referred to in clause (a), (b) or (c) above) and such failure continues for 60 days after the notice specified below,

(e) the Issuer or any Significant Subsidiary fails to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent,

(f) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Issuer or any Significant Subsidiary in an involuntary case;

(ii) appoints a Custodian of the Issuer or any Significant Subsidiary or for any substantial part of its property; or

(iii) orders the winding up or liquidation of the Issuer or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days,

(h) the Issuer or any Significant Subsidiary fails to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof,

(i) any Subsidiary Guarantee of a Significant Subsidiary with respect to the Securities ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under this Indenture or any Subsidiary Guarantee with respect to the Securities and such Default continues for 10 days,

(j) unless all of the Collateral has been released from the Second Priority Liens in accordance with the provisions of the Security Documents with respect to the Securities, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or

(k) the Issuer or any Subsidiary Guarantor fails to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the Holders of the Securities and would not materially affect the value of the Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (d) or (k) above shall not constitute an Event of Default until the Trustee notifies the Issuer or the Holders of at least 25% in principal amount of the outstanding Securities notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (d) or (k) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Issuer shall deliver to the Trustee, within five (5) Business Days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or propose to take with respect thereto.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer) occurs with respect to the Securities and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities, by notice to the Issuer, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs, the principal of, premium, if any, and interest on all the Securities shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Securities by notice to the Trustee may rescind any such acceleration and its consequences.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03. Other Remedies. If an Event of Default with respect to the Securities occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the Securities by written notice to the Trustee may waive an existing Default or Event of Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. Subject to the terms of the Intercreditor Agreement, the Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (i) the Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the outstanding Securities make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Securities do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing with respect to Securities, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other Obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in such Securities) and the amounts provided for in Section 7.07.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders of Securities then outstanding allowed in any judicial proceedings relative to the Issuer or any Obligors, its creditors or its property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities. Subject to the provisions of the Intercreditor Agreement and the Security Documents, if the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to the Holders for amounts due and unpaid on the Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Issuer.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall send to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Issuer nor the Parent Guarantor nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer, the Parent Guarantor and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

### TRUSTEE

#### SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own gross negligent action, its own gross negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA.

#### SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the outstanding Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(n) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

**SECTION 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

**SECTION 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Parent Guarantee, any Subsidiary Guarantee or the Securities, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer, the Parent Guarantor or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), (d), (e), (h), or (i) or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received written notice thereof in accordance with Section 13.02 hereof from the Issuer, the Parent Guarantor, any Subsidiary Guarantor or any Holder. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders and not in its individual capacity and all persons, including without limitation the Holders of Securities and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Reports by Trustee to the Holders. As promptly as practicable after each June 30 beginning with the June 30 following the date of this Indenture, and in any event prior to August 30 in each year, the Trustee shall send to each Holder a brief report dated as of such June 30 that complies with Section 313(a) of the TIA if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the TIA.

A copy of each report at the time of its mailing to the Holders shall be filed with the SEC and each stock exchange (if any) on which the Securities are listed. The Issuer agrees to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its services as shall be agreed in writing between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer, the Parent Guarantor and each Subsidiary Guarantor, jointly and severally, shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture, the Parent Guarantee or Subsidiary Guarantee against the Issuer, the Parent Guarantor or a Subsidiary Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuer, the Parent Guarantor, any Subsidiary Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Issuer shall not relieve the Issuer, the Parent Guarantor or any Subsidiary Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable, shall pay the fees and expenses of such counsel; *provided, however*, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer, the Parent Guarantor and the Subsidiary Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities pursuant to Article 8 hereof or otherwise.

The Issuer's, the Parent Guarantor's and the Subsidiary Guarantors' payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100

million as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided, however*, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

## ARTICLE 8

### DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Discharge of Liability on Securities; Defeasance. This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Securities, as expressly provided for in this Indenture) as to all outstanding Securities when:

(a) either (i) all the Securities theretofore authenticated and delivered (other than Securities pursuant to Section 2.08 which have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Securities (a) have become due and payable, (b) will become due and payable at their stated maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient in the written opinion of a firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited) to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Securities to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(b) the Issuer and/or the Parent Guarantor or Subsidiary Guarantors have paid all other sums payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Securities and this Indenture ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.11, 4.12 and 4.15 for the benefit of the Securities and the operation of Section 5.01 and Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Issuer only), 6.01(g) (with respect to Significant Subsidiaries of the Issuer only), 6.01(h), 6.01(i), 6.01(j) and 6.01(k) ("covenant defeasance option") for the benefit of the Securities. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Securities and this Indenture by exercising its legal defeasance option or its covenant defeasance option, the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee of the Securities and all obligations under the Security Documents shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries of the Company only), 6.01(g) (with respect to Significant Subsidiaries of the Company only), 6.01(h), 6.01(i), 6.01(j), 6.01(k) or because of the failure of the Issuer to comply with Section 5.01.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02. Conditions to Defeasance.

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option, in each case, with respect to the Securities only if:

(i) the Issuer irrevocably deposits in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient or U.S. Government Obligations, the principal of and the interest on which will be sufficient, or a combination thereof sufficient, to pay the principal of and premium (if any) and interest on the Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(ii) the Issuer delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Securities to maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(iii) 123 days pass after the deposit is made and during the 123-day period no Default specified in Section 6.01(f) or (g) with respect to the Issuer occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; *provided* that such Opinion of Counsel shall not be required by this clause (v) if all the Securities not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer;

(vi) such exercise does not impair the right of any Holder to receive payment of principal, premium, if any, and interest on such Holder's Securities on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities to be so defeased and discharged as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities so discharged or defeased.

SECTION 8.04. Repayment to Company. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; *provided, however*, that, if the Issuer has made any payment of principal of or interest on, any such Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

## ARTICLE 9

### AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities, any Security Document or the Intercreditor Agreement with respect to the Securities without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to provide for assumption by the Company of the Note Obligations of the Escrow Issuer and the simultaneous release of the Note Obligations of the Escrow Issuer;
- (iii) to provide for the assumption by a Successor Company of the obligations of the Issuer under this Indenture and the Securities;
- (iv) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under this Indenture and its Subsidiary Guarantee;
- (v) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code;
- (vi) to add additional Guarantees with respect to the Securities or to secure the Securities;

- (viii) to release Collateral from the Lien pursuant to this Indenture, the Security Documents and the Intercreditor Agreement when permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement;
- (ix) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer;
- (x) to modify the Security Documents and/or the Intercreditor Agreement to secure First Priority Lien Obligations and Other Second-Lien Obligations so long as such First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures or this Indenture;
- (xi) to comply with any requirement of the SEC in connection with qualifying or maintaining the qualification of, this Indenture under the TIA;
- (xii) to make any change that does not adversely affect the rights of any Holder;
- (xiii) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Additional Securities;
- (xiv) to provide for the issuance of the Exchange Securities or Additional Securities, which shall have terms substantially identical in all material respects to the Initial Securities, and which shall be treated, together with any outstanding Initial Securities, as a single issue of securities; or
- (xv) to conform the text of this Indenture or the Securities to any provision of the "Description of Second Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of Second Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture or the Securities.

After an amendment under this Section 9.01 becomes effective, the Issuer shall mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders. The Issuer and the Trustee may amend this Indenture, the Securities and the Security Documents with respect to the Securities with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Securities). However, without the consent of each Holder of an outstanding Security affected, an amendment may not:

- (i) reduce the amount of Securities whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any Security,
- (iii) reduce the principal of or change the Stated Maturity of any Security,
- (iv) (a) reduce the premium payable upon the redemption of any Security or change the time at which any Security may be redeemed in accordance with Article 3 or (b) reduce the price payable upon redemption of any Security or change the time at which any Security may be redeemed under Section 3.09 or Section 4.18,
- (v) make any Security payable in money other than that stated in such Security,
- (vi) expressly subordinate the Securities or any Subsidiary Guarantee to any other Indebtedness of the Issuer or any Subsidiary Guarantor,
- (vii) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities,
- (viii) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02,
- (ix) modify any Subsidiary Guarantee in any manner adverse to the Holders, or
- (x) make any change in the provisions in the Escrow Agreement (if any), the Intercreditor Agreement or this Indenture dealing with the application of gross proceeds of Collateral or Escrow Collateral (if any) that would adversely affect the Holders.

Subject to Section 11.04, without the consent of the Holders of at least two-thirds in aggregate principal amount of the Securities then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Security Documents with respect to the Securities.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuer shall promptly mail to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Compliance with Trust Indenture Act. From the date on which this Indenture is qualified under the TIA, every amendment, waiver or supplement to this Indenture or the Securities shall comply with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives written notice of revocation delivered in accordance with Section 13.02 before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in conclusively relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Subsidiary Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 9.08. Additional Voting Terms; Calculation of Principal Amount. Except as otherwise set forth herein, all Securities issued under this Indenture shall vote and consent separately on all matters as to which any of such Securities may vote. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

From and after the Escrow Release Date, the Intercreditor Agreement shall define the relative rights, as lienholders, of holders of Note Obligations and Other Second-Lien Obligations on the one hand and holders of First Priority Lien Obligations on the other hand. From and after the Escrow Release Date, nothing in this Indenture or the Intercreditor Agreement will:

(a) impair, as between the Issuer and Holders, the obligation of the Issuer, which is absolute and unconditional, to pay principal of, premium and interest on the Securities in accordance with their terms or to perform any other obligation of the Issuer or any other Obligor under this Indenture, the Securities, the Parent Guarantee, the Subsidiary Guarantees and the Security Documents;

(b) restrict the right of any Holder to sue for payments that are then due and owing, in a manner not inconsistent with the provisions of the Intercreditor Agreement;

(c) prevent the Trustee, the Collateral Agent or any Holder from exercising against the Issuer or any other Obligor any of its other available remedies upon a Default or Event of Default (other than its rights as a secured party, which are subject to the Intercreditor Agreement); or

(i) to file and prosecute a petition seeking an order for relief in an involuntary Bankruptcy Case as to any Obligor or otherwise to commence, or seek relief commencing, any insolvency or liquidation proceeding involuntarily against any Obligor;

(ii) to make, support or oppose any request for an order for dismissal, abstention or conversion in any insolvency or liquidation proceeding;

(iii) to make, support or oppose, in any insolvency or liquidation proceeding, any request for an order extending or terminating any period during which the debtor (or any other Person) has the exclusive right to propose a plan of reorganization or other dispositive restructuring or liquidation plan therein;

(iv) to seek the creation of, or appointment to, any official committee representing creditors (or certain of the creditors) in any insolvency or liquidation proceedings and, if appointed, to serve and act as a member of such committee without being in any respect restricted or bound by, or liable for, any of the obligations under this Article 10;

(v) to seek or object to the appointment of any professional person to serve in any capacity in any insolvency or liquidation proceeding or to support or object to any request for compensation made by any professional person or others therein;

(vi) to make, support or oppose any request for order appointing a trustee or examiner in any insolvency or liquidation proceedings; or

(vii) otherwise to make, support or oppose any request for relief in any insolvency or liquidation proceeding that it is permitted by law to make, support or oppose if it were a holder of unsecured claims; or

(viii) as to any matter relating to any plan of reorganization or other restructuring or liquidation plan or as to any matter relating to the administration of the estate or the disposition of the case or proceeding (in each case except as set forth in the Intercreditor Agreement).

The Issuer shall, and shall cause each Restricted Subsidiary to, and each Restricted Subsidiary shall, do all filings (including filings of continuation statements and amendments to UCC financing statements that may be necessary to continue the effectiveness of such UCC financing statements) and all other actions as are necessary or required by the Security Documents to maintain (at the sole cost and expense of the Issuer and its Restricted Subsidiaries) the security interest created by the Security Documents in the Collateral (other than with respect to any Collateral the security interest in which is not required to be perfected under the Security Documents) as a perfected second priority security interest subject only to Permitted Liens.

SECTION 11.02. Collateral Agent.

(a) The Collateral Agent is authorized and empowered to appoint one or more co-Collateral Agents as it deems necessary or appropriate.

(b) Subject to Section 7.01, neither the Trustee nor the Collateral Agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Second Priority Lien, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Second Priority Liens or Security Documents or any delay in doing so.

(c) Subject to the Security Documents and the Intercreditor Agreement, the Collateral Agent will be subject to such directions as may be given it by the Trustee from time to time (as required or permitted by this Indenture). Subject to the Security Documents and the Intercreditor Agreement, except as directed by the Trustee as required or permitted by this Indenture and any other representatives, the Collateral Agent will not be obligated:

- (i) to act upon directions purported to be delivered to it by any other Person;
- (ii) to foreclose upon or otherwise enforce any Second Priority Lien; or
- (iii) to take any other action whatsoever with regard to any or all of the Second Priority Liens, Security Documents or Collateral.

(d) The Collateral Agent will be accountable only for amounts that it actually receives as a result of the enforcement of the Second Priority Liens or Security Documents.

(e) In acting as Collateral Agent or co-Collateral Agent, the Collateral Agent and each co-Collateral Agent may conclusively rely upon and enforce each and all of the rights, powers, immunities, indemnities and benefits of the Trustee under Article 7 hereof.

(f) [Intentionally omitted].

(g) If the Issuer (i) Incurs First Priority Lien Obligations at any time when no intercreditor agreement is in effect or at any time when Indebtedness constituting First Priority Lien Obligations entitled to the

benefit of an existing Intercreditor Agreement is concurrently retired, and (ii) delivers to the Collateral Agent an Officers' Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as the Intercreditor Agreement in effect on the Issue Date) in favor of a designated agent or representative for the holders of the First Priority Lien Obligations so Incurred, the Trustee and the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement, bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

SECTION 11.03. Authorization of Actions to Be Taken.

(a) Each Holder of Securities, by its acceptance thereof, consents and agrees to the terms of each Security Document and the Intercreditor Agreement, as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee and the Collateral Agent to enter into the Security Documents to which it is a party, authorizes and empowers the Trustee to direct the Collateral Agent to enter into, and the Collateral Agent to execute and deliver, the Intercreditor Agreement, and authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Securities and other holders of Obligations as set forth in the Security Documents to which it is a party and the Intercreditor Agreement and to perform its obligations and exercise its rights and powers thereunder.

(b) The Collateral Agent and the Trustee are authorized and empowered to receive for the benefit of the Holders of Securities any funds collected or distributed under the Security Documents to which the Collateral Agent or Trustee is a party and to make further distributions of such funds to the Holders of Securities according to the provisions of this Indenture.

(c) Subject to the provisions of Section 7.01, Section 7.02, and the Intercreditor Agreement, the Trustee may, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Collateral Agent to take all actions it deems necessary or appropriate in order to:

- (i) foreclose upon or otherwise enforce any or all of the Second Priority Liens;
- (ii) enforce any of the terms of the Security Documents to which the Collateral Agent or Trustee is a party; or
- (iii) collect and receive payment of any and all Obligations.

Subject to the Intercreditor Agreement, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the Second Priority Liens or the Security Documents to which the Collateral Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents to which the Collateral Agent or Trustee is a party or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interests and the interests of the Holders of Securities in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of Holders, the Trustee or the Collateral Agent.

SECTION 11.04. Release of Liens.

(a) If the Escrow Agreement shall have been entered into on or prior to the Issue Date, on the Escrow Release Date, the Escrow Issuer shall be released from all of its Note Obligations and the liens on the Collateral Account and the Escrow Collateral shall be released. From and after the Escrow Release Date, subject to subsections (b) and (c) of this Section 11.04, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreement or as provided hereby. Upon the request of the Issuer pursuant to an Officers' Certificate and Opinion of Counsel certifying that all conditions precedent hereunder have been met, the Issuer and

the Subsidiary Guarantors will be entitled to the release of assets included in the Collateral from the Liens securing the Securities, and the Collateral Agent and the Trustee (if the Trustee is not then the Collateral Agent) shall release the same from such Liens at the Issuer's sole cost and expense, under any one or more of the following circumstances:

(1) subject to the following paragraph, upon the Discharge of Senior Lender Claims and concurrent release of all other Liens on such property or assets securing First Priority Lien Obligations (including all commitments and letters of credit thereunder);

*provided, however*, that if the Issuer or any Subsidiary Guarantor subsequently incurs First Priority Lien Obligations that are secured by Liens on property or assets of the Issuer or any Subsidiary Guarantor of the type constituting the Collateral and the related Liens are incurred in reliance on clause (6)(B) of the definition of "Permitted Liens", then the Issuer and its Restricted Subsidiaries will be required to reinstitute the security arrangements with respect to the Collateral in favor of the Securities, which, in the case of any such subsequent First Priority Lien Obligations, will be Second Priority Liens on the Collateral securing such First Priority Lien Obligations to the same extent provided by the Security Documents and on the terms and conditions of the security documents relating to such First Priority Lien Obligations, with the Second Priority Lien held either by the administrative agent, collateral agent or other representative for such First Priority Lien Obligations or by a collateral agent or other representative designated by the Issuer to hold the Second Priority Liens for the benefit of the Holders and subject to an intercreditor agreement that provides the administrative agent or collateral agent substantially the same rights and powers as afforded under the Intercreditor Agreement;

(2) to enable the Issuer or any Subsidiary Guarantor to consummate the disposition of such property or assets to the extent not prohibited under Section 4.06;

(3) in the case of a Subsidiary Guarantor that is released from its Subsidiary Guarantee with respect to the Securities, the release of the property and assets of such Subsidiary Guarantor;

(4) as described under Article 9; or

(5) as provided in the Intercreditor Agreement.

If an Event of Default under this Indenture exists on the date of Discharge of Senior Lender Claims, the Second Priority Liens on the Collateral securing the Securities will not be released, except to the extent the Collateral or any portion thereof was disposed of in order to repay the First Priority Lien Obligations secured by the Collateral, and thereafter the Trustee (or another designated representative acting at the direction of the holders of a majority of outstanding principal amount of the Securities and Other Second-Lien Obligations) will have the right to direct the First Lien Agent or Collateral Agent to foreclose upon the Collateral (but in such event, the Liens on the Collateral securing the Securities will be released when such Event of Default and all other Events of Default under this Indenture cease to exist).

Upon the receipt of an Officers' Certificate from the Issuer and an Opinion of Counsel, as described above, and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement.

(b) Except as otherwise provided in the Intercreditor Agreement, no Collateral may be released from the Lien and security interest created by the Security Documents unless the Officers' Certificate required by this Section 11.04 has been delivered to the Collateral Agent and the Trustee not less than five days prior to the date of such release.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Securities has been accelerated (whether by declaration or otherwise) and the Trustee has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in the Intercreditor Agreement.

SECTION 11.05. Filing, Recording and Opinions.

(a) The Issuer will comply with the provisions of TIA §§ 314(b) and 314(d), in each case following qualification of this Indenture pursuant to the TIA and except to the extent not required as set forth in any SEC regulation or interpretation (including any no-action letter issued by the Staff of the SEC, whether issued to the Issuer or any other Person). Following such qualification, to the extent the Issuer is required to furnish to the Trustee an Opinion of Counsel pursuant to TIA §§ 314(b)(2), the Issuer will furnish such opinion not more than 60 but not less than 30 days prior to each September 30.

Any release of Collateral permitted by Section 11.04 hereof will be deemed not to impair the Liens under this Indenture and the Security Documents in contravention thereof and any person that is required to deliver an Officers' Certificate or Opinion of Counsel pursuant to Section 314(d) of the TIA, shall be entitled to rely upon the foregoing as a basis for delivery of such certificate or opinion. The Trustee may, to the extent permitted by Sections 7.01 and 7.02 hereof, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and Opinion of Counsel.

(b) If any Collateral is released in accordance with this Indenture or any Security Document and if the Issuer has delivered the certificates and documents required by the Security Documents and Section 11.04, the Trustee will determine whether it has received all documentation required by TIA § 314(d) in connection with such release and, based on such determination and the Opinion of Counsel delivered pursuant to Section 11.04, will, upon request, deliver a certificate to the Collateral Agent setting forth such determination.

SECTION 11.06. [Intentionally omitted].

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Subsidiary Guarantor or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08. Release Upon Termination of the Issuer's Obligations. In the event (i) that the Issuer delivers to the Trustee, in form and substance acceptable to it, an Officers' Certificate and Opinion of Counsel certifying that all the obligations under this Indenture, the Securities and the Security Documents have been satisfied and discharged by the payment in full of the Issuer's obligations under the Securities, this Indenture and the Security Documents, and all such obligations have been so satisfied, or (ii) a discharge, legal defeasance or covenant defeasance of this Indenture occurs under Article 8, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral, and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall, at the expense of the Issuer, do or cause to be done all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

SECTION 11.09. Designations. Except as provided in the next sentence, for purposes of the provisions hereof and the Intercreditor Agreement requiring the Issuer to designate Indebtedness for the purposes of the terms First Priority Lien Obligations and Other Second-Lien Obligations, or any other such designations hereunder or under the Intercreditor Agreement, any such designation shall be sufficient if the relevant designation provides in writing that such First Priority Lien Obligations or Other Second-Lien Obligations are permitted under this Indenture and is signed on behalf of the Issuer by an Officer and delivered to the Trustee, the Collateral Agent and the First Lien Agent. For all purposes hereof and the Intercreditor Agreement, the Issuer hereby designates the Obligations pursuant to the Credit Agreements as in effect on the Issue Date as First Priority Lien Obligations and designates the Obligations pursuant to the Existing Second Priority Notes Indentures as Other Second-Lien Obligations.

SECTION 11.10. Taking and Destruction. Upon any Taking or Destruction of any Collateral, all Net Insurance Proceeds received by the Issuer or any Restricted Subsidiary shall be deemed Net Proceeds and shall be applied in accordance with Section 4.06.

## ARTICLE 12

### SUBSIDIARY GUARANTEES

#### SECTION 12.01. Subsidiary Guarantees.

(a) On the Escrow Release Date, each of (i) the Parent Guarantor and (ii) the Issuer's direct and indirect Restricted Subsidiaries that are Domestic Subsidiaries on the Escrow Release Date that guarantees Indebtedness under the Credit Agreements shall, by execution of a supplemental indenture on the Escrow Release Date, become a Guarantor. Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on a second priority senior secured basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee and the Collateral Agent and their successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee and the Collateral Agent) and the Securities, whether for payment of principal of, premium, if any, or interest on the Securities and all other monetary obligations of the Issuer under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (the foregoing obligations set forth in clauses (i) through (ii) being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 12 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Subsidiary Guarantor, except as provided in Section 12.02(b).

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(e) The Subsidiary Guarantee of each Subsidiary Guarantor is, to the extent and in the manner set forth in Article 12, equal in right of payment to all existing and future Pari Passu Indebtedness and senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and is made subject to such provisions of this Indenture.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(g) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(i) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 12.01.

(j) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 12.01.

(k) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 12.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Subsidiary Guarantee as to any Subsidiary Guarantor shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be released from all obligations under this Article 12 upon:

(i) the sale, disposition or other transfer (including through merger or consolidation) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary) of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with this Indenture,

(ii) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under Section 4.04 and the definition of "Unrestricted Subsidiary,"

(iii) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Securities pursuant to Section 4.11, the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Securities, and

(iv) the Issuer's exercise of its defeasance option under Article 8, or if the Issuer's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

In the case of clause (b)(i) above, such Subsidiary Guarantor shall be released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer.

A Subsidiary Guarantee also shall be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing First Priority Lien Obligations, subject to, in each case, the application of the proceeds of such foreclosure in the manner set forth in the Security Documents or the Intercreditor Agreement or if such Subsidiary is released from its guarantees of, and all pledges and security interests granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer which results in the obligation to guarantee the Securities.

SECTION 12.03. Successors and Assigns. This Article 12 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Collateral Agent, the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee, the Collateral Agent or the Holders in exercising any right, power or privilege under this Article 12 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 12 at law, in equity, by statute or otherwise.

SECTION 12.05. Modification. No modification, amendment or waiver of any provision of this Article 12, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.06. Execution of Supplemental Indenture for Future Subsidiary Guarantors. Each Subsidiary and other Person which is required to become a Subsidiary Guarantor pursuant to Section 4.11 or the first sentence of Section 12.01 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit D pursuant to which such Subsidiary or other Person shall become a Subsidiary Guarantor under this Article 12 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary or other Person and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Subsidiary Guarantee of such Subsidiary Guarantor is a valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and/or to such other matters as the Trustee may reasonably request.

### PARENT GUARANTEE

#### SECTION 14.01. Parent Guarantee

(a) The Parent Guarantor hereby irrevocably and unconditionally guarantees on a senior basis, as a primary obligor and not merely as a surety, to each Holder, the Trustee, the Collateral Agent and their successors and assigns the Guaranteed Obligations. The Parent Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Parent Guarantor, and that no extension or renewal of any Guaranteed Obligation shall release the obligations of the Parent Guarantor hereunder. The obligations of the Parent Guarantor hereunder shall be joint and several with the Subsidiary Guarantees of the Subsidiary Guarantors. The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of the Parent Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement; (iv) the release of any security held by the Collateral Agent on behalf of each Holder and the Trustee for the Guaranteed Obligations or any Subsidiary Guarantor; or (v) the failure of any Holder, the Trustee or the Collateral Agent to exercise any right or remedy against any other guarantor of the Guaranteed Obligations. The Parent Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among itself and the Subsidiary Guarantors, such that the Parent Guarantor's obligations would be less than the full amount claimed. The Parent Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or the Parent Guarantor's obligations hereunder prior to any amounts being claimed from or paid by the Parent Guarantor hereunder. The Parent Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against the Parent Guarantor. The Parent Guarantor further agrees that its Parent Guarantee constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(b) The Parent Guarantee of the Parent Guarantor is, to the extent and in the manner set forth herein, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness and is made subject to such provisions of this Indenture.

(c) Except as expressly set forth in Section 8.01(b) of this Indenture, the obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason,

including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

(d) The Parent Guarantor agrees that its Parent Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. The Parent Guarantor further agrees that its Parent Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of the Issuer or otherwise.

(e) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Trustee.

(f) The Parent Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. The Parent Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Parent Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Section 14.01.

(g) The Parent Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent, the Trustee or any Holder in enforcing any rights under this Section 14.01.

(h) Upon request of the Trustee, the Parent Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Section 14.01.

(i) For the avoidance of doubt, the Parent Guarantor will not be subject to any of the restrictive covenants contained in this Indenture or any of the other obligations or agreements of a Subsidiary Guarantor hereunder.

SECTION 14.02. Successors and Assigns. This Article 14 shall be binding upon the Parent Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Collateral Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Collateral Agent, the rights and privileges conferred upon that party in this Article 14 and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 14.03. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Indenture shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders in this Indenture expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 14 at law, in equity, by statute or otherwise.

SECTION 14.04. Modification. No modification, amendment or waiver of any provision of this Article 14, nor the consent to any departure by the Parent Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Parent Guarantor in any case shall entitle the Parent Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 14.05. Non-Impairment. The failure to endorse the Parent Guarantee provided for herein on any Security shall not affect or impair the validity thereof.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

Such Initial Securities may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and, except as set forth below, IAIs in accordance with Rule 501. Additional Securities offered after the date hereof may be offered and sold by the Issuer from time to time pursuant to one or more purchase agreements in accordance with applicable law.

(b) Global Securities. (i) Rule 144A Securities initially shall be represented by one or more Securities in definitive, fully registered, global form without interest coupons (collectively, the “Rule 144A Global Securities”).

Regulation S Securities initially shall be represented by one or more Securities in fully registered, global form without interest coupons (collectively, the “Regulation S Temporary Global Security” and, together

with the Regulation S Permanent Global Security (defined below), the “Regulation S Global Securities”), which shall be registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear system (“Euroclear”) or Clearstream Banking, Société Anonyme (“Clearstream”).

The Restricted Period shall be terminated upon the receipt by the Trustee of: (1) a written certificate from the Depository, together with copies of certificates from Euroclear and Clearstream certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Security (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Security bearing a Private Placement Legend, all as contemplated by this Appendix A); and (2) an Officers’ Certificate from the Company.

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Security shall be exchanged for beneficial interests in a permanent Global Security (the “Regulation S Permanent Global Security”) pursuant to the applicable procedures of the Depository. Simultaneously with the authentication of the Regulation S Permanent Global Security, the Trustee shall cancel the Regulation S Temporary Global Security. The aggregate principal amount of the Regulation S Temporary Global Security and the Regulation S Permanent Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Security and the Regulation S Permanent Global Security that are held by Participants through Euroclear or Clearstream.

The term “Global Securities” means the Rule 144A Global Securities and the Regulation S Global Securities. The Global Securities shall bear the Global Security Legend. The Global Securities initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear the Restricted Securities Legend.

Members of, or direct or indirect participants in, the Depository shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Securities. The Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Securities for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(ii) Transfers of Global Securities shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Securities may be transferred or exchanged for Definitive Securities only in accordance with the applicable rules and procedures of the Depository and the provisions of Section 2.2. In addition, a Global Security shall be exchangeable for Definitive Securities if (x) the Depository (1) notifies the Company that it is unwilling or unable to continue as depository for such Global Security and the Company thereupon fails to appoint a successor depository within 90 days or (2) has ceased to be a clearing agency registered under the Exchange Act or (y) there shall have occurred and be continuing an Event of Default with respect to such Global Security; *provided* that in no event shall the Regulation S Temporary Global Security be exchanged by the Issuer for Definitive Securities prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. In all cases, Definitive Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures.

(iii) In connection with the transfer of a Global Security as an entirety to beneficial owners pursuant to subsection (i) of this Section 2.1(b), such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations.

(iv) Any Transfer Restricted Security delivered in exchange for an interest in a Global Security pursuant to Section 2.2 shall, except as otherwise provided in Section 2.2, bear the Restricted Securities Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in such Regulation S Global Security may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

(vi) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

## 2.2 Transfer and Exchange.

(a) Transfer and Exchange of Global Securities. A Global Security may not be transferred as a whole except as set forth in Section 2.1(b). Global Securities will not be exchanged by the Issuer for Definitive Securities except under the circumstances described in Section 2.1(b)(ii). Global Securities also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.10 of this Indenture. Beneficial interests in a Global Security may be transferred and exchanged as provided in Section 2.2(b) or 2.2(c).

(b) Transfer and Exchange of Beneficial Interests in Global Securities. The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Restricted Global Securities shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Securities shall be transferred or exchanged only for beneficial interests in Global Securities. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Restricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security in accordance with the transfer restrictions set forth in the Restricted Securities Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Security may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). A beneficial interest in an Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. In connection with all transfers and exchanges of beneficial interests in any Global Security that is not subject to Section 2.2(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Securities contained in this Indenture and the Securities or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Security. A beneficial interest in a Transfer Restricted Global Security may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Security if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Security for Beneficial Interests in an Unrestricted Global Security. A beneficial interest in a Transfer Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security,

and, in each such case, if the Company or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of an written order of the Company in the form of an Officers' Certificate in accordance with Section 2.01, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Security for Beneficial Interests in a Restricted Global Security. Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(c) Transfer and Exchange of Beneficial Interests in Global Securities for Definitive Securities. A beneficial interest in a Global Security may not be exchanged for a Definitive Security except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Security may not be transferred to a Person who takes delivery thereof in the form of a Definitive Security except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Securities shall be transferred or exchanged only for Definitive Securities.

(d) Transfer and Exchange of Definitive Securities for Beneficial Interests in Global Securities. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i), (ii) or (ii) below, as applicable:

(i) Transfer Restricted Securities to Beneficial Interests in Restricted Global Securities. If any Holder of a Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in a Restricted Global Security or to transfer such Transfer Restricted Security to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Security, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in a Restricted Global Security, a certificate from such Holder in the form attached to the applicable Security;

(B) if such Transfer Restricted Security is being transferred to a Qualified Institutional Buyer in accordance with Rule 144A under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(C) if such Transfer Restricted Security is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(D) if such Transfer Restricted Security is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(F) if such Transfer Restricted Security is being transferred to the Company or a Subsidiary thereof, a certificate from such Holder in the form attached to the applicable Security;

the Trustee shall cancel the Transfer Restricted Security, and increase or cause to be increased the aggregate principal amount of the appropriate Restricted Global Security.

(ii) Transfer Restricted Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of a Transfer Restricted Security may exchange such Transfer Restricted Definitive Security for a beneficial interest in an Unrestricted Global Security or transfer such Transfer Restricted Security to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security only if the Registrar receives the following:

(A) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security; or

(B) if the Holder of such Transfer Restricted Securities proposes to transfer such Transfer Restricted Security to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security,

and, in each such case, if the Company or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the conditions of this subparagraph (ii), the Trustee shall cancel the Transfer Restricted Securities and increase or cause to be increased the aggregate principal

amount of the Unrestricted Global Security. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Security has not yet been issued, the Company shall issue and, upon receipt of a written order of the Company in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Securities transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Definitive Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of an Unrestricted Definitive Security may exchange such Unrestricted Definitive Security for a beneficial interest in an Unrestricted Global Security or transfer such Unrestricted Definitive Security to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Security and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Securities. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Company in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Definitive Securities transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Definitive Securities to Beneficial Interests in Restricted Global Securities. An Unrestricted Definitive Security cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(e) Transfer and Exchange of Definitive Securities for Definitive Securities. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Securities duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.2(e).

(i) Transfer Restricted Securities to Transfer Restricted Securities. A Transfer Restricted Security may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Transfer Restricted Security if the Registrar receives the following:

(ii) Transfer Restricted Securities to Unrestricted Definitive Securities. Any Transfer Restricted Security may be exchanged by the Holder thereof for an Unrestricted Definitive Security or transferred to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security if the Registrar receives the following:

(1) if the Holder of such Transfer Restricted Security proposes to exchange such Transfer Restricted Security for an Unrestricted Definitive Security, a certificate from such Holder in the form attached to the applicable Security; or

(2) if the Holder of such Transfer Restricted Security proposes to transfer such Securities to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Security, a certificate from such Holder in the form attached to the applicable Security,

and, in each such case, if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Definitive Securities to Unrestricted Definitive Securities. A Holder of an Unrestricted Definitive Security may transfer such Unrestricted Definitive Securities to a Person who takes delivery thereof in the form of an Unrestricted Definitive Security at any time. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Securities pursuant to the instructions from the Holder thereof.

(iv) Unrestricted Definitive Securities to Transfer Restricted Securities. An Unrestricted Definitive Security cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a Transfer Restricted Security.

The Company shall pay interest semiannually on April 15 and October 15 of each year, commencing April 15, 2016.<sup>2</sup> Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from October 1, 2015<sup>3</sup> until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

(b) Registration Rights Agreement. From and after the Escrow Release Date, the Holder of this Security shall be entitled to the benefits of a Registration Rights Agreement, dated as of the Escrow Release Date, among Berry Plastics Corporation, the Guarantors and the Initial Purchasers.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

<sup>2</sup> Note: With respect to the Original Securities

<sup>3</sup> Note: With respect to the Original Securities

#### 4. Indenture

The Company issued the Securities under an Indenture dated as of October 1, 2015 (the “Indenture”), between the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “TIA”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the TIA for a statement of such terms and provisions

The Securities are second priority senior secured obligations of the Company. This Security is one of the Initial Securities referred to in the Indenture. The Securities include the Original Securities, any Additional Securities and any Exchange Securities issued in exchange for the Original Securities or any Additional Securities pursuant to the Indenture. The Original Securities, any Additional Securities and any Exchange Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors and the Parent Guarantor, from and after the Escrow Release Date, will, jointly and severally, unconditionally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

#### 5. Optional Redemption

Except as set forth in the following paragraph, the Securities shall not be redeemable at the option of the Company prior to October 15, 2018. On October 15, 2018 or thereafter, the Securities shall be redeemable at the option of the Company, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and Additional Interest, if any, to, but not including, the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on October 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2018	103.000%
2019	101.500%
2020 and thereafter	100.000%

In addition, prior to October 15, 2018, the Company may redeem the Securities at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail or sent electronically to each Holder’s registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to October 15, 2018, the Company may redeem in the aggregate up to 40% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) with the net cash proceeds of one or more Equity Offerings (1) by the Company or (2) by any direct or indirect parent of the Company, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company from it, at a redemption price (expressed as a percentage of principal amount thereof) of 106.000%, *plus* accrued and unpaid interest to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 30 nor more than 60 days' notice mailed to each holder of Securities being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Repurchase of Securities at the Option of the Holders upon Change of Control and Asset Sales

From and after the Escrow Release Date, upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Company will be required to offer to purchase Securities upon the occurrence of certain events.

9. Ranking and Collateral

From and after the Escrow Release Date, the Securities and the Subsidiary Guarantees will be secured by a second-priority security interest in the Collateral pursuant to certain Security Documents. The Second Priority Liens upon any and all Collateral will be, to the extent and in the manner provided in the Intercreditor Agreement, subordinate in ranking to all present and future first priority Liens and will be of equal ranking with all present and future Liens securing Other Second-Lien Obligations as set forth in the Intercreditor Agreement. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

If the Escrow Agreement shall have been entered into, then prior to the Escrow Release Date, the Securities and the Guarantees shall have been secured by a first priority security interest in the Escrow Collateral.

10. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to the mailing of a notice of redemption of Securities to be redeemed.

11. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

13. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

14. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreement or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreement or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for assumption by Berry Plastics Corporation of the Note Obligations of the Escrow Issuer and the simultaneous release of the Note Obligations of the Escrow Issuer; (iii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the Securities; (iv) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee; (v) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code); (vi) to add additional guarantees with respect to the Securities; (vii) to secure the Securities; (viii) to add additional assets as Collateral; (ix) to release Collateral from the Lien pursuant to the Indenture, the Security Documents and the Intercreditor Agreement when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreement; (x) to modify the Security Documents and/or the Intercreditor Agreement to secure First Priority Lien Obligations and Other Second-Lien Obligations so long as such First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures or the Indenture;

(xi) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (xii) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; (xiii) to make any change that does not adversely affect the rights of any Holder; (xiv) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Exchange Securities or Additional Securities; (xv) to provide for the issuance of Exchange Securities or Additional Securities, which shall have terms substantially identical in all material respects to the Securities, and which shall be treated, together with any outstanding Securities, as a single issue of securities; or (xvi) to conform the text of the Indenture or the Securities to any provision of the "Description of Second Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of Second Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the Securities.

#### 15. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Securities have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

#### 16. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

17. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the Securities, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

18. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

19. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

20. Governing Law

**THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.**

21. CUSIP Numbers; ISINs

The Company has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

22. Special Redemption

If the Escrow Release Date has not occurred upon the earlier of (x) the date on which Berry Plastics Corporation determines in its sole discretion that any of the Escrow Conditions cannot be satisfied and (y) the End Date (as defined below), the Escrow Issuer will redeem the Securities on the Escrow Redemption Date at the Escrow Redemption Price. In accordance with the provisions of the Escrow Agreement, funds will be released from the Collateral Account to make the redemption and any funds in excess of the Escrow Redemption Price will be released to the Company. In accordance with the provisions of the Escrow Agreement, if at any time the Collateral Account contains cash or Cash Equivalents having an aggregate value in excess of the Escrow Redemption Price, such excess cash or Cash Equivalents may be released to the Escrow Issuer.

The "End Date" means February 1, 2016; provided, however, that the End Date may be extended to a date specified by the Escrow Issuer that is no later than April 4, 2016, so long as at least one Business Day prior to February 1, 2016, the Escrow Issuer shall have deposited (or cause to be deposited) to the Collateral Account an additional amount of cash and/or Cash Equivalents sufficient, together with the other amounts of cash and/or Cash Equivalents then held in the Collateral Account, to yield the aggregate Escrow Redemption Price for all of the Second Priority Notes on the date that is ten Business Days after the End Date so specified by the Escrow Issuer.

If the Escrow Issuer intends to extend the End Date, as provided immediately above, it will provide the Escrow Agent and the Trustee prior notice of the End Date as so extended.

Notwithstanding anything herein or in the Indenture to the contrary, this section shall not be operative if the Avintiv Acquisition is consummated concurrently with the Issue Date.

The Company will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

BERRY PLASTICS CORPORATION, a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest semiannually on April 15 and October 15 of each year, commencing April 15, 2016<sup>2</sup>. Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from October 1, 2015<sup>3</sup> until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “Trustee”), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Escrow Issuer issued the Securities under an Indenture dated as of October 1, 2015 (the “Indenture”), between the Escrow Issuer and the Trustee. The Company assumed the Note Obligations, and the Escrow Issuer was released from the Note Obligations, pursuant to the execution of a supplemental indenture, dated as of the Escrow Release Date, among the Company, the Guarantors and the Trustee. The terms of the Securities include

<sup>2</sup> Note: With respect to the Original Securities

<sup>3</sup> Note: With respect to the Original Securities

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the "TIA"). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the TIA for a statement of such terms and provisions.

The Securities are second priority senior secured obligations of the Company. This Security is one of the Exchange Securities referred to in the Indenture. The Securities include the Original Securities, any Additional Securities and any Exchange Securities issued in exchange for the Original Securities or any Additional Securities pursuant to the Indenture. The Original Securities, any Additional Securities and any Exchange Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Company and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors and the Parent Guarantor have, jointly and severally, unconditionally guaranteed the Guaranteed Obligations pursuant to the terms of the Indenture.

## 5. Optional Redemption

Except as set forth in the following paragraph, the Securities shall not be redeemable at the option of the Company prior to October 15, 2018. On October 15, 2018 or thereafter, the Securities shall be redeemable at the option of the Company, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and Additional Interest, if any, to the redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on October 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2018	103.000%
2019	101.500%
2020 and thereafter	100.000%

In addition, prior to October 15, 2018, the Company may redeem the Securities at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each Holder's registered address, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to, the applicable redemption date (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to October 15, 2018, the Company may redeem in the aggregate up to 40% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) with the net cash proceeds of one or more Equity Offerings (1) by the Company or (2) by any direct or indirect parent of the Company, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company from it, at a redemption price (expressed as a percentage of principal amount thereof) of 106.000%, plus accrued and unpaid interest to the redemption date (subject to

the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the Securities (calculated after giving effect to any issuance of Additional Securities) remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 30 nor more than 60 days' notice mailed to each holder of Securities being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to paragraph 5 above will be mailed by first-class mail or sent electronically at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address. Securities in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Repurchase of Securities at the Option of the Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Company will be required to offer to purchase Securities upon the occurrence of certain events.

9. Ranking and Collateral

The Securities and the Subsidiary Guarantees are secured by a second-priority security interest in the Collateral pursuant to certain Security Documents. The Second Priority Liens upon any and all Collateral are, to the extent and in the manner provided in the Intercreditor Agreement, subordinate in ranking to all present and future first priority Liens and will be of equal ranking with all present and future Liens securing Other Second-Lien Obligations as set forth in the Intercreditor Agreement. The Parent Guarantee will be, to the extent and in the manner set forth in the Indenture, equal in right of payment to all existing and future Parent Pari Passu Indebtedness and senior in right of payment to all existing and future Parent Subordinated Indebtedness.

10. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of \$2,000 and any integral multiple of \$1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed.

11. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Company at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

13. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Security Documents, the Intercreditor Agreement or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company and the Trustee may amend the Indenture, Security Documents, the Intercreditor Agreement or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for assumption by the Company of the Note Obligations of the Escrow Issuer and the simultaneous release of the Note Obligations of the Escrow Issuer; (iii) to provide for the assumption by a Successor Company of the obligations of the Company under the Indenture and the Securities; (iv) to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee; (v) to provide for uncertificated Securities in addition to or in place of certificated Securities (*provided* that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code); (vi) to add additional guarantees with respect to the Securities; (vii) to secure the Securities; (viii) to add additional assets as Collateral; (ix) to release Collateral from the Lien pursuant to the Indenture, the Security Documents and the Intercreditor Agreement when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreement; (x) to modify the Security Documents and/or the Intercreditor Agreement to secure First Priority Lien Obligations and Other Second-Lien Obligations so long as such First Priority Lien Obligations and Other Second-Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indenture or the Indenture; (xi) to add additional covenants of the Company for the benefit of the Holders or to surrender rights and powers conferred on the Company; (xii) to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; (xiii) to make any change that does not adversely affect the rights of any Holder; (xiv) to effect any provision of this Indenture or to make certain changes to this Indenture to provide for the issuance of Exchange Securities or Additional Securities; (xv) to provide for the issuance of Exchange Securities or Additional Securities, which shall have terms substantially identical in all material respects to the Securities, and which shall be treated, together with any outstanding Securities, as a single issue of securities; or (xvi) to conform the text of the Indenture or the Securities to any provision of the "Description of Second Priority Notes" section of the Offering Memorandum to the extent that such a provision in the "Description of Second Priority Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Indenture or the Securities.

14. Defaults and Remedies

If an Event of Default occurs (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) and is continuing, the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities by notice to the Company, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Securities to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (i) five (5) Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (ii) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or

reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense and certain other conditions are complied with. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the outstanding Securities have requested the Trustee to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

15. Trustee Dealings with the Company

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No director, officer, employee, incorporator or holder of any equity interests in the Company or any direct or indirect parent corporation, as such, shall have any liability for any obligations of the Company under the Securities, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

17. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. Abbreviations

19. Governing Law

**THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.**

20. CUSIP Numbers; ISINs

The Company has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

21. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Company at any time may terminate some of or all of its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

**The Company will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.**

## REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (this "Agreement") is made and entered into as of October 1, 2015, by and among Berry Plastics Corporation, a Delaware corporation (the "Company"), certain subsidiaries of the Company listed on Annex A of the Purchase Agreement (the "Subsidiary Guarantors"), Avintiv Inc. and certain subsidiaries of Avintiv Inc. listed on Annex C of the Purchase Agreement (collectively, the "Avintiv Guarantors") Berry Plastics Group, Inc. ("Parent" and, together with the Avintiv Guarantors and the Subsidiary Guarantors, the "Guarantors"), Goldman, Sachs & Co. and Credit Suisse Securities (USA) LLC as representatives of the Initial Purchasers (collectively, the "Representatives"), each of whom has agreed to purchase, pursuant to the Purchase Agreement (as defined below), the 6.00% Second Priority Senior Secured Notes due 2022 (the "Initial Notes") issued by the Escrow Issuer (as defined herein), which obligations are assumed by the Company on the date hereof. ## SECTION 3. *Registered Exchange Offer.*

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy, each of the Company and the Guarantors shall (i) use its commercially reasonable efforts to cause to be filed with the Commission the Exchange Offer Registration Statement within 220 days after the Release Date (as defined in the Purchase Agreement) (or if such 220th day is not a Business Day, the next succeeding Business Day), (ii) use its commercially reasonable efforts to cause such Registration Statement to become effective as promptly as possible (unless it becomes effective automatically upon filing), but in no event later than 270 days after the Release Date (or if such 270th day is not a Business Day, the next succeeding Business Day), (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, and (iv) upon the effectiveness of such Registration Statement, commence the Exchange Offer. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) The Company and the Guarantors shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to Consummate the Exchange Offer; *provided, however,* that in no event shall such period be less

than 30 days after the date notice of the Exchange Offer is mailed to the Holders. The Company shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement. The Company shall use its commercially reasonable efforts to cause the Exchange Offer to be Consummated on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but in no event later than 30 days after the date notice of the Exchange Offer is required to be mailed to the Holders (or if such 30th day is not a Business Day, the next succeeding Business Day).

(c) The Company shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Company) may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 180 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Company shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such 180-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales.

#### SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* If with respect to the Initial Notes: (i) the Company and the Guarantors are not permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), (ii) for any reason the Exchange Offer is not Consummated

within 30 days after the date notice of the Exchange Offer is required to be mailed to the Holders (or if such 30th day is not a Business Day, the next succeeding Business Day), or (iii) with respect to any Holder of Transfer Restricted Securities (A) such Holder is prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (B) such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus (other than by reason of such Holder's status as an affiliate of the Company) and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (C) such Holder is a Broker-Dealer and holds Initial Securities acquired directly from the Company or one of its affiliates, then, upon such Holder's request prior to the 20th day following consummation of the Exchange Offer, the Company and the Guarantors shall, with respect to the Initial Notes:

(x) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the "Shelf Registration Statement") within 220 days after such filing obligation arises (or if such 220th day is not a Business Day, the next succeeding Business Day) (such date being the "Shelf Filing Deadline"), which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission as promptly as possible (unless it becomes effective automatically upon filing), and in any event on or before the 270th day after the obligation to file such Shelf Registration Statement arises (or if such 270th day is not a Business Day, the next succeeding Business Day).

Each of the Company and the Guarantors shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years following the effective date of such Shelf Registration Statement (or shorter period that will terminate when all the Initial Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement). During the period during which the Company is required to maintain an effective Shelf Registration Statement pursuant to this Agreement, the Company will, prior to the expiration of that Shelf Registration Statement, file, and use its commercially reasonable efforts to cause to be declared effective (unless it becomes effective automatically upon filing) within a period that avoids any interruption in the ability of Holders of Securities covered by the expiring Shelf Registration Statement to make registered dispositions, a new registration statement relating to the Securities, which shall be deemed the "Shelf Registration Statement" for purposes of this Agreement.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and

until such Holder furnishes to the Company in writing, within 20 Business Days after receipt of a request therefor, such information as the Company may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein or amendment or supplement thereto or Free Writing Prospectus. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. *Additional Interest.* If (i) unless the Exchange Offer shall not be permissible under applicable law or Commission policy, the Exchange Offer Registration Statement has not been declared effective by the Commission (or become automatically effective) on or prior to 270 days after the Release Date (the “Exchange Offer Effectiveness Target Date”), (ii) in the event the Company and the Guarantors are required to file a Shelf Registration Statement pursuant to Section 4(a) hereof, the Shelf Registration Statement has not been declared effective by the Commission (or become automatically effective) on or prior to 270 days after the obligation to file a Shelf Registration Statement arises (the “Shelf Registration Effectiveness Target Date” and, together with the Exchange Offer Effectiveness Date, the “Effectiveness Target Date”), (iii) the Exchange Offer has not been Consummated within 30 Business Days after the Exchange Offer Effectiveness Target Date with respect to the Exchange Offer Registration Statement, or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared or automatically effective (except in the case of a Registration Statement that ceases to be effective or usable as specifically permitted by the last paragraph of Section 6 hereof) (each such event referred to in clauses (i) through (iv), a “Registration Default”), the Company and the Guarantors hereby agree that the interest rate borne by the affected series of Transfer Restricted Securities shall be increased by 0.25% per annum during the 90-day period immediately following the occurrence of any Registration Default and shall increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.00% per annum. Following the earliest of (x) the cure of all Registration Defaults relating to any particular Transfer Restricted Securities, (y) the date on which such Transfer Restricted Security ceases to be a Transfer Restricted Security or otherwise becomes freely transferable by Holders other than affiliates of the Company without further registration under the Securities Act and (z) the date that is two years after the Release Date, the interest rate borne by the relevant Transfer Restricted Securities will be reduced to the original interest rate borne by such Transfer Restricted Securities; *provided, however,* that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Securities shall again be increased pursuant to the foregoing provisions.

Notwithstanding the foregoing, (i) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is pending and (ii) a Holder of Transfer Restricted Securities that is not entitled to the benefits of the Shelf Registration Statement (because, e.g., such Holder has not elected to include information or has not timely delivered such information to the Company pursuant to Section 4(b) hereof) shall not be entitled to Additional Interest with respect to a Registration Default that pertains to the Shelf Registration Statement.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

#### SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, the Company and the Guarantors shall comply with all of the provisions of Section 6(c) hereof, shall use their commercially reasonable efforts to effect such exchange to permit the sale of Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If in the reasonable opinion of counsel to the Company there is a question as to whether the Exchange Offer is permitted by applicable law, each of the Company and the Guarantors hereby agrees to seek a favorable decision from the Commission allowing the Company and the Guarantors to consummate an Exchange Offer for such Initial Securities. Each of the Company and the Guarantors hereby agrees to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. Each of the Company and the Guarantors hereby agrees, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Company, prior to the consummation thereof, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer and (C) it is acquiring the Exchange Securities in its ordinary course of business. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Company's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) cannot under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507

or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Company.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, each of the Company and the Guarantors shall comply with all the provisions of Section 6(c) hereof and shall use its commercially reasonable efforts to effect such registration (unless automatically declared effective) to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto each of the Company and the Guarantors will as expeditiously as is commercially reasonable prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities and any Free Writing Prospectus (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers and any Free Writing Prospectus related thereto), each of the Company and the Guarantors shall:

(i) use its commercially reasonable efforts to keep such Registration Statement continuously effective during the period required by this Agreement and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the Guarantors for the period specified in Section 3 or 4 hereof, as applicable); upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use its commercially reasonable efforts to cause such amendment to be declared effective (unless automatically declared effective) and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and selling Holders promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus, any Prospectus supplement, any post-effective amendment or any Free Writing Prospectus has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act, of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, or of the happening of any event that causes the Company to become an "ineligible issuer," as defined in Commission Rule 405, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement or a notification of objection to the use of the form on which the Registration Statement has been filed or if any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, each of the Company and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest practicable time;

(iv) (A) (1) furnish without charge to each of the Initial Purchasers, each selling Holder named in any Registration Statement that has requested such copies, if any, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the review and comment of such requesting Holders and underwriter(s) in connection with such sale, if any, for a period of at least five Business Days, and (2) not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which an Initial Purchaser of Transfer Restricted Securities covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within five Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period). The objection of an Initial Purchaser, or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(B) (1) furnish without charge to each of the Initial Purchasers before filing with the Commission, a copy of any Free Writing Prospectus, which will be subject to the consent of the Initial Purchasers, and (2) not file any such Free Writing Prospectus to which the Initial Purchasers of Transfer Restricted Securities covered by such Registration Statement have not consented (such consent not to be unreasonably withheld, conditioned or delayed);

(v) promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus, provide copies of such document to the Initial Purchasers, each selling Holder named in any Registration Statement that has requested such documents, if any, and to the underwriter(s), if any, make the Company's and the Guarantors' representatives available for discussion of such document and other customary due diligence matters, subject to customary confidentiality agreements, and include such information in such document prior to the filing thereof as such selling Holders or underwriter(s), if any, reasonably may request;

(vi) make available, subject to customary confidentiality agreements, at reasonable times for inspection by the Initial Purchasers, the managing underwriter(s), if any, participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by such Initial Purchasers or any of the underwriter(s), all financial and other records, pertinent corporate documents and properties of each of the Company and the Guarantors, and cause the Company's and the Guarantors' officers, directors and employees to supply all information, in each case as shall be reasonably necessary to enable any such Holder, underwriter, attorney or accountant to exercise any applicable responsibilities in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent reasonably requested by the managing underwriter(s), if any;

(vii) if requested by any selling Holders or the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) cause the Transfer Restricted Securities covered by the Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Securities covered thereby or the underwriter(s), if any;

(ix) furnish to each Initial Purchaser each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(x) deliver to each selling Holder and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; each of the Company and the Guarantors hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other commercially reasonable actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be reasonably requested by any Initial Purchaser or by any Holder of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement; and whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, each of the Company and the Guarantors shall:

(A) furnish to each Initial Purchaser, each selling Holder and each underwriter, if any, in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed by (y) the President or any Vice President and (z) a principal financial or accounting officer of each of the Company and the Guarantors, confirming, as of the date thereof, the matters set forth in Section 6(c) of the Purchase Agreement and such other matters as such parties may reasonably request;

(2) if requested by a majority of selling Holders, an opinion, dated the date of Consummation of the Exchange Offer or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for the Company and the Guarantors, covering the matters set forth in the opinion delivered pursuant to Section 6(a)(i) of the Purchase Agreement and such other matter as such parties may reasonably request, and in any event including a statement to the effect that such counsel has participated in conferences with officers and other representatives of the Company and the Guarantors, representatives of the independent public

accountants for the Company and the Guarantors, representatives of the underwriter(s), if any, and counsel to the underwriter(s), if any, in connection with the preparation of such Registration Statement and the related Prospectus and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing, no facts came to such counsel's attention that caused such counsel to believe that the applicable Registration Statement, (A) at the date of the opinion and at the time such Registration Statement or any post-effective amendment thereto became effective, (B) at the applicable time identified by such Holders or managing underwriters, and (C) in the case of the Exchange Offer Registration Statement, as of the date of Consummation, in the case of (A), (B) and (C) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that the Prospectus contained in such Registration Statement as of its date and, in the case of the opinion dated the date of Consummation of the Exchange Offer, as of the date of Consummation, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Company's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings, and covering or affirming the matters set forth in the comfort letters delivered pursuant to Section 6(d) of the Purchase Agreement, without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(xi)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company or any of the Guarantors pursuant to this Section 6(c)(xi), if any.

If at any time the representations and warranties of the Company and the Guarantors contemplated in Section 6(c)(xi)(A)(1) hereof cease to be true and correct, the Company

or the Guarantors shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that none of the Company or the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xiii) issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Company for cancellation;

(xiv) subject to the terms of the Indenture, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any sale of Transfer Restricted Securities made by such Holders or underwriter(s);

(xv) use its commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xii) hereof;

(xvi) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading;

(xvii) provide a CUSIP number for all Securities not later than the effective date of the Registration Statement covering such Securities and provide the Trustee under the applicable Indenture with printed certificates for such Securities which are in a form eligible for deposit with the Depository Trust Company and take all other action necessary to ensure that all such Securities are eligible for deposit with the Depository Trust Company;

(xviii) cooperate and assist in any filings required to be made with the FINRA and in the performance of any due diligence investigation by any underwriter (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of the FINRA;

(xix) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earning statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm commitment or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Company’s first fiscal quarter commencing after the effective date of the Registration Statement;

(xx) cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute, and to use its commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner;

(xxi) cause all Securities covered by the Registration Statement to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed if requested by the Holders of a majority in aggregate principal amount of Initial Securities or the managing underwriter(s), if any; and

(xxii) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the “Advice”) by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated

by reference in the Prospectus. If so directed by the Company, each Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days (a "Delay Period") during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice; *provided* that there shall not be more than 75 days of Delay Periods during any 12-month period; *provided further, however*, that (except as provided in Section 5(iv) hereof) no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Company's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

#### SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Company's and the Guarantor's performance of or compliance with this Agreement will be borne by the Company and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by any Initial Purchaser or Holder with the FINRA (and, if applicable, the fees and expenses of any "qualified independent underwriter", and one counsel to such person, that may be required by the rules and regulations of the FINRA)); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws (including the reasonable fees and disbursements of one counsel to the Holder of Transfer Restricted Securities); (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company and the Guarantors and, subject to Section 7(b) hereof, one counsel to the Holders of Transfer Restricted Securities; (v) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Company and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

Each of the Company and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Company and the Guarantors, jointly and severally, will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the "Plan of Distribution" contained in the Exchange Offer Registration

Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, who shall be Cahill Gordon & Reindel LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared.

#### SECTION 8. *Indemnification.*

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a "controlling person") and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an "**Indemnified Holder**"), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable fees and expenses of counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus (or any amendment or supplement thereto) or Free Writing Prospectus, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Company by any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability that the Company or any of the Guarantors may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Company or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Company and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Company or the Guarantors of its obligations pursuant to this Agreement. Such Indemnified Holder shall have the right to employ its own counsel in any such action and the fees and expenses of such counsel shall be paid, as incurred, by the Company and the Guarantors (regardless of whether it is ultimately determined that an Indemnified Holder is not entitled to indemnification hereunder). The Company and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Company and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Company's and the Guarantors' prior

written consent, which consent shall not be withheld unreasonably, and each of the Company and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Company and the Guarantors. The Company and the Guarantors shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors and their respective directors, officers of the Company and the Guarantors who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company or any of the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Company and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Company, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Company and the Guarantors, and the Company, the Guarantors, their respective directors and officers and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Holders, on the other hand, from the Initial Placement (which in the case of the Company and the Guarantors shall be deemed to be equal to the total gross proceeds to the Company and the Guarantors from the Initial Placement), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Company and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Company and the Guarantors, on the one hand, and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any of the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties'

relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Each of the Company and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided, however,* that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Company.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* Each of the Company and the Guarantors hereby agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Each of the Company and the Guarantors will not on or after the date of this Agreement enter into any agreement with respect to its securities that conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of the Company's or any of the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Securities.* The Company will not effect any change, or permit any change to occur, in each case, with respect to the terms of the Securities that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Company has (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Company or their Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided, however,* that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company shall obtain the written consent of each such Initial Purchaser with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:

(f) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including, without limitation, and without the need for an express assignment, subsequent Holders of Transfer Restricted Securities; *provided, however*, that this Agreement shall not inure to the benefit of or be binding upon a successor or assign of a Holder unless and to the extent such successor or assign acquired Transfer Restricted Securities from such Holder.

(g) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(i) *Governing Law.* THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW RULES THEREOF.

This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Very truly yours,
