(f) (i) Furnish to the Collateral Agent prompt written notice of any change (A) in any Loan Party’s corporate or organization name, (B) in any Loan Party’s identity or organizational structure or (C) in any Loan Party’s jurisdiction of organization; provided, that the Borrower shall not effect or permit any such change unless all filings have been made, or will have been made within any statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral for the benefit of the Secured Parties and (ii) promptly notify the Collateral Agent if any material portion of the Collateral is damaged or destroyed.

(g) The Collateral and Guarantee Requirement and the other provisions of this Section 5.10 need not be satisfied with respect to (i) any Real Property held by the Borrower or any of its Subsidiaries as a lessee under a lease, (ii) any vehicle, (iii) cash, deposit accounts and securities accounts, (iv) any Equity Interests acquired after the Effective Date (other than Equity Interests in the Borrower or, in the case of any person which is a Subsidiary, Equity Interests in such person issued or acquired after such person became a Subsidiary) in accordance with this Agreement if, and to the extent that, and for so long as (A) such Equity Interests constitute less than 100% of all applicable Equity Interests of such person and the person holding the remainder of such Equity Interests are not Affiliates, (B) doing so would violate applicable law or a contractual obligation binding on such Equity Interests and (C) with respect to such contractual obligations, such obligation existed at the time of the acquisition thereof and was not created or made binding on such Equity Interests in contemplation of or in connection with the acquisition of such Subsidiary, (v) any assets acquired after the Effective Date, to the extent that, and for so long as, taking such actions would violate an enforceable contractual obligation binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets (except in the case of assets acquired with Indebtedness permitted pursuant to Section 6.01(i) that is secured by a Permitted Lien) or (vi) those assets as to which the Collateral Agent shall reasonably determine that the costs of obtaining or perfecting such a security interest are excessive in relation to the value of the security to be afforded thereby; provided, that, upon the reasonable request of the Collateral Agent, the Borrower shall, and shall cause any applicable Subsidiary to, use commercially reasonable efforts to have waived or eliminated any contractual obligation of the types described in clauses (iv) and (v) above.

SECTION 5.11. Certain Funds Covenants.

(a) Holdings shall comply in all material respects with applicable laws and regulations relevant to the Scheme or the Offer, as applicable, including the Takeover Code and the Companies Act of 2006 (subject to any applicable waivers or dispensations granted by the Takeover Panel).

(b) Unless the Takeover Panel agrees otherwise, if Acquisition SPV proceeds with the Acquisition the Borrower shall dispatch (or cause the dispatch of) the Offering Circular or Scheme Circular, as applicable, within 28 days of the date of issue of the Rule 2.7 Announcement (or on such later date as the Takeover Panel may permit).

(c) Holdings shall ensure that the published version of the Rule 2.7 Announcement is consistent in all material respects with the copy delivered to the Administrative Agent pursuant to Section 4.01(x). Holdings shall ensure that the terms of the Scheme Circular or as the case may be the Offering Circular are not inconsistent with, or contrary to, the terms of the Rule 2.7 Announcement in any respect materially adverse to the interests of the Lenders, unless the Joint Lead Arrangers have consented to the applicable change (such consent not to be unreasonably withheld, delayed or conditioned) or unless the applicable change is required by any applicable Law (including, without limitation, the Companies Act of 2006 or the Takeover Code), the Takeover Panel, any applicable stock exchange, any applicable government or other regulatory authority, or a court of competent jurisdiction (including, without limitation, the Court). Holdings will not amend or waive any material term of any Offer Document or, as the case may be, Scheme Document in a manner or to an extent that would be materially prejudicial to the interests of the Lenders under the Loan Documents, other than any amendment or waiver (i) made with the consent of Administrative Agent; (ii) required by the Takeover Panel, the Court, the Takeover Code or any other applicable law, regulation court or regulatory body or (iii) where such waiver does not relate to a condition which the Acquisition SPV reasonably considers that it would be entitled, in accordance with Rule 13.5(a) of the Code, to invoke so as to cause the Acquisition not to proceed, to lapse or to be withdrawn.

(d) Other than as required by the Takeover Panel, the Takeover Code, the London Stock Exchange, Financial Conduct Authority or any other applicable law, regulation, court or regulatory body and to the extent practicable, Holdings and its subsidiaries shall not make any press release or other public statement in respect of the Acquisition (other than in the Rule 2.7 Announcement, the Scheme Circular or any Offer Document), without first obtaining the prior approval of Administrative Agent (such approval not to be unreasonably withheld or delayed).

(e) Holdings, upon the reasonable request of the Joint Lead Arrangers, deliver to the Administrative Agent (for further delivery to the Lenders) and the Joint Lead Arrangers updates as to the status and progress in respect of the Acquisition, including, if applicable details of the level of acceptances of the Offer, and will notify the Joint Lead Arrangers promptly following any Responsible Officer of the Borrower becoming aware of any reasonably likely failure to fully satisfy any condition of the Scheme or the Offer, as applicable, that would allow Acquisition SPV to not proceed with the Scheme or the Offer or the Scheme, as applicable, in each case, to the extent it is able to do so in compliance with applicable law (including, without limitation, the Companies Act of 2006 or the Takeover Code). Holdings and its subsidiaries shall, to the extent that they are able to do so in compliance with applicable law and confidentiality or other obligations to which they are subject, promptly supply to Administrative Agent (i) copies of all documents, certificates, notices or announcements received or issued by Holdings or any of its subsidiaries (or on their behalf) in relation to a Scheme or an Offer (as the case may be) to the extent material to the interests of the Lenders and (ii) any other information regarding the progress of an Offer or a Scheme (as the case may be), in each case as Administrative Agent may reasonably request.

(f) Holdings shall pay (or cause payment of) all amounts payable under the Acquisition Documents as and when they become due (except to the extent that any such amounts are being contested in good faith by Holdings or any of its subsidiaries and where adequate reserves are set aside for any such payment) with the time periods required by applicable law.

(g) Holdings shall not and shall procure that none of its subsidiaries, without the prior written consent of the Administrative Agent, finance the purchase of any Target Shares (whether pursuant to the Offer, or the Scheme, or otherwise) with any amounts other than (i) the proceeds of the Bridge Euro Term Loans (or any New First Lien Notes issued in lieu thereof), the Bridge Sterling Term Loans (or any New First Lien Notes issued in lieu thereof), the Initial Euro Term Loans, the Initial Sterling Term Loans, and the Second Lien Bridge Facility (or any New Second Lien Notes issued in lieu thereof) in each case in accordance with Section 5.08 of this Agreement and (ii) cash on balance sheet (for the avoidance of doubt, not generated from any debt financing or any issuance of equity, other than common equity with no debt-like features). Holdings and its subsidiaries shall not acquire any Target Shares in the market (outside of the Offer or Scheme) at a price higher than the price per Target Share paid or to be paid pursuant to the Offer or Scheme (as applicable).

(h) Where the Acquisition is to be undertaken by way of a Scheme but then changes to an Offer (or vice versa), Holdings shall promptly notify the Administrative Agent of such change. Following any change in the way in which the Acquisition is to be undertaken, as notified by Holdings under this clause (h), each reference to "Acquisition Documents" in this Agreement shall be construed accordingly.

(i) Where the Acquisition is to be undertaken by way of an Offer, Holdings shall not declare the Offer unconditional as to acceptances until the Minimum Acceptance Condition has been achieved.

(j) Holdings and its subsidiaries shall not take any action which would require Holdings or any of its Subsidiaries to make a mandatory offer for the Target Shares in accordance with Rule 9 of the Takeover Code.

The provisions of this Section 5.11 are for the benefit of the Lenders only and, notwithstanding anything herein to the contrary, the Required Lenders under the Term Facility may amend, waive or otherwise modify this Section 5.11 or the defined terms used solely for purposes of this Section 5.11 or waive any Default resulting from a breach of this Section 5.11 without the consent of any Lenders other than such Required Lenders.

SECTION 5.12. Conditions Subsequent. Holdings undertakes that:

(a) if the Squeeze-Out Date occurs, it shall promptly commence the Squeeze-Out in respect of those Target Shares that have not been assented to the Offer and shall ensure that within four weeks thereafter notices in the prescribed form are given to the holders of such Target Shares that Holdings desires to acquire such Target Shares in accordance with the Squeeze-Out;

(b) it shall procure as soon as possible, and in any event within three (3) months of the Closing Date where the Acquisition proceeds by means of a Scheme or within four (4) months of the Closing Date where the Acquisition proceeds by means of an Offer, that the Target shall be re-registered as a private company pursuant to Section 97 of the Companies Act of 2006; and

(c) shall use its best efforts to procure that, by no later than the expiry of the Certain Funds Period, the Memorandum and Articles of Association of the Target shall be amended so that Holdings shall have the right to acquire any Target Shares which are required to be issued by the Target pursuant to any rights of any person under any option scheme and evidence shall be provided to the Administrative Agent of such amendment.

SECTION 5.13. Collateral and Guarantee Requirement. The Borrower shall satisfy the elements of the Collateral and Guarantee Requirement required to be satisfied on the Effective Date (other than in the case of any security interest in the intended Collateral or any deliverable related to the perfection of security interests in the intended Collateral (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of stock certificates and the security agreement giving rise to the security interest therein) that is not provided on the Effective Date after the Borrower's use of commercially reasonable efforts to do so, which such security interest or deliverable shall be delivered within the time periods specified with respect thereto in Schedule 5.13, and the Administrative Agent shall have received a completed Perfection Certificate, dated the Effective Date and signed by a Responsible Officer of the Borrower, together with all attachments contemplated thereby.

SECTION 5.14. Cooperation. Borrower agrees to engage (on the Effective Date) investment banks reasonably satisfactory to the Initial Lenders (“Investment Banks”) as lead managers in connection with a private placement or registered offering of the Permanent Securities and to use commercially reasonable efforts to achieve a private placement of Permanent Securities that is reasonably satisfactory to both the Investment Banks and the Borrower; provided, that, with respect to any assistance required by or deliveries with respect to the Target, such assistance shall be limited to the Borrower’s obligation to use all reasonable endeavors to cause the Target to provide such assistance or such deliveries. Such assistance shall include: (i) the preparation of, as soon as reasonably practicable: (a) a customary offering circular, prospectus, bank book or private placement memorandum with respect to the Permanent Securities, or (b) at the Borrower’s options, (x) a registration statement under the Securities Act with respect to any portion of the Securities to be publicly offered (the “Registration Statement”), and if such Registration Statement is filed, you will cause such Registration Statement to comply as to form in all material respects with applicable rules and regulations and contain all legally required disclosures, and to become effective as soon as practicable thereafter or (y) a prospectus supplement to the Borrower’s existing registration statement (in either case, such documents referenced in (a) or (b) above, the “Offering Document”); (ii) the execution of an underwriting, placement agency, purchase or other applicable type of agreement which agreement shall be consistent with and substantially similar to, in the case of a debt offering, the Purchase Agreement dated as of January 19, 2018 among the Borrower, Credit Suisse Securities (USA) LLC, as representative of the several initial purchasers and the guarantors party thereto (the “Purchase Agreement”); (iii) the delivery to the Investment Banks concurrently with, or as part of, the Offering Document, (a) audited consolidated financial statements of each of the Borrower and the Target as of and for the three most recently completed fiscal years ending at least 90 days before the Closing Date, unaudited consolidated financial statements of each of the Borrower and the Target as of and for each subsequent fiscal quarter ended at least 45 days before the Closing Date (other than any fiscal fourth quarter) after the most recent fiscal period for which audited consolidated financial statements have been provided (it being understood that prior to the Closing Date with respect to the Target such fiscal quarterly financials shall instead mean interim financial statements for the six-month period ended subsequent to the most recent fiscal year end and ended at least 45 days before the Closing Date) and pro forma financial statements of the Borrower as of and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least 45 days before the Closing Date (or, if the most recently completed fiscal period is the end of the fiscal year, ended at least 90 days before the Closing Date, prepared after giving effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such other statement of income), which reflects adjustments customary for Rule 144A transactions and such other financial information relating to the Borrower and the Target or other proposed or recently completed acquisitions, if any, as may be reasonably requested by the Investment Banks and (b) customary “comfort” (including “negative assurance” comfort) from your independent accountants and independent accountants for the Target (such information described in items (i) through (iii), “Cooperation Information”); (iv) your using commercially reasonable efforts to obtain public ratings for any Permanent Securities that are debt securities from Moody’s and S&P; (v) cooperating with our due diligence investigation of each of the Borrower and its subsidiaries and the Target and its subsidiaries, including, without limitation, by supplying due diligence materials and information with respect to the general affairs, management, prospects, financial position, stockholders’ equity or results of operations of the Borrower and its subsidiaries, and using commercially reasonable efforts to supply such materials and information with respect to the Target and its subsidiaries and the tax, accounting, legal, regulatory and other issues relevant to each of the Borrower and its subsidiaries and the Target and its subsidiaries and (vi) making available the Borrower’s officers and advisors and using commercially reasonable efforts to cause the Target and their subsidiaries to make their officers and advisors available upon reasonable notice to attend and make presentations regarding the business of the Borrower, the Target and its subsidiaries, during no more than three customary “road shows” related to the Take-out Financing. The Borrower further agrees to notify the Investment Banks promptly of all developments materially affecting it, the Target or a Take-out Financing or the accuracy of the Cooperation Information, including, without limitation, the occurrence of any event or any other change known that would result in the Offering Document or Cooperation Information containing an untrue statement of a material fact or omitting to state any material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading and the Borrower will promptly update the Offering Document in order to ensure that it does not contain such untrue statement or omission. The Borrower acknowledges that the Investment Banks may rely, without independent verification, upon the accuracy and completeness of the Cooperation Information and the Offering Document and that the Investment Banks do not assume responsibility therefor, except such information provided by the Investment Banks in writing for inclusion therein as expressly provided in the Purchase Agreement.

Notwithstanding anything in this provision to the contrary, all agreements with respect to the Borrower's efforts to use reasonable endeavors to cause the Target to assist with syndication as set forth herein (i) shall not commence until the earlier of the Offer Effective Date and the Scheme Effective Date and (ii) and subject at all time to the requirements of the UK Takeover Rules.

SECTION 5.15. Securities Demand.

(a) Upon written notice (such notice, a "Securities Demand") by either of the Joint Bookrunners and/or Investment Banks who are affiliated with Initial Lenders holding any outstanding Commitments as of the date hereof (such Person, the "Controlling Person") at any time and from time to time (but on no more than three occasions) (it being understood and agreed that any Securities Demand that results in a Demand Failure shall not be included in such limitation), beginning upon the earlier of (i) five Business Days prior to the Closing Date and (ii) five Business Days prior to the six (6) month anniversary of the date hereof and prior to the first anniversary of the Closing Date (which notice may be provided on such date) so long as any Commitments are outstanding or any Loans are outstanding, you will cause the Borrower to issue and sell, to the Investment Banks or the Initial Lenders or their respective affiliates, the New First Lien Notes or Permanent Securities which may be Dollar denominated ("Dollar Permanent Securities"), Euro denominated ("Euro Permanent Securities") or Sterling denominated ("Sterling Permanent Securities") in such amount as is necessary to repay the outstanding Loans under this Agreement in full or replace this Agreement in full (each, a "Take-out Financing"); provided that in case of any Securities Demand for Take-out Financing to be issued prior to the Closing Date, such Securities Demand shall also be subject to terms of clause (g) below.

(b) The Take-out Financing shall have such form, term, yield, guarantees, covenants, call protection, default provisions and other terms as are customary for securities of the type issued and may be issued in one or more tranches, and in the form of notes as determined by the Controlling Person in its reasonable judgment after giving due regard to the Applicable Bond Standard; provided that (i) the interest rate for any Take-out Financing shall be reasonably determined by the Investment Bank in light of then-prevailing market conditions for comparable high yield debt securities in consultation with you, provided further that (x) (1) the weighted average total per annum yield payable by Borrower and/or issuer applicable to the Loans and/or Commitments denominated in Euro and any Take-out Financing denominated in Euro issued to replace or refinance all or a portion of the Loans or Commitments at any time shall not exceed the First Lien Bridge Euro Total Cap, (2) the weighted average total per annum yield payable by Borrower and/or issuer applicable to the Loans and/or Commitments denominated in Sterling and any Take-out Financing denominated in Sterling issued to replace or refinance all or a portion of the Loans or Commitments at any time shall not exceed the First Lien Bridge Sterling Total Cap and (3) the weighted average total per annum yield payable by Borrower and/or issuer applicable to the Loans and/or Commitments denominated in Dollars and any Take-out Financing denominated in Dollars issued to replace or refinance all or a portion of the Loans or Commitments at any time shall not exceed the First Lien Bridge Dollar Total Cap and (y) (1) the total effective yield payable by the Borrower and/or issuer (including any original issue discount, but excluding any underwriting or initial purchase discounts or fees) applicable to any individual tranche of Take-out Financing denominated in Euros at any time shall not exceed a rate per annum equal to the First Lien Bridge Euro Total Cap plus 150 basis points, (2) the total effective yield payable by the Borrower and/or issuer (including any original issue discount, but excluding any underwriting or initial purchase discounts or fees) applicable to any individual tranche of Take-out Financing denominated in Sterling at any time shall not exceed a rate per annum equal to the First Lien Bridge Sterling Total Cap plus 150 basis points and (3) the total effective yield payable by the Borrower and/or issuer (including any original issue discount, but excluding any underwriting or initial purchase discounts or fees) applicable to any individual tranche of Take-out Financing denominated in Dollars at any time shall not exceed a rate per annum equal to the First Lien Bridge Dollar Total Cap plus 150 basis points (it being understood, in each case, that any floating interest rates and/or yields and/or original issue discount included in any of the foregoing calculations shall be determined using a methodology reasonably satisfactory to the Investment Bank), (ii) the final scheduled maturity of any Take-out Financing shall not be earlier than the seventh anniversary of the Closing Date, (iii) the make-whole period will be three years from the issue date and the call premium at the end of the make-whole period shall not be greater than 75% of the coupon during the fourth year after the issue date of the Take-out Financing and shall decline to 50% of the coupon during the fifth year after the issue date of the Take-out Financing, 25% of the coupon during the sixth year after the issue date of the Take-out Financing and then to zero thereafter; (iv) the issue price to the issuer (before giving effect to the underwriting or initial purchasers discounts or fees payable to the Investment Bank) of any Take-out Financing shall not be less than 97% of principal amount; (v) an equity claw provision consistent with the Applicable Bond Standard and (vi) the guarantee and any collateral structure shall be consistent with the Applicable Bond Standard. For the avoidance of doubt, the Investment Banks may reoffer the Take-out Financing to investors at any price below or above the proceeds to the Borrower and/or issuer. It is agreed that the yield payable by the Borrower on any Take-out Financing shall not include (x) any original issue discount arising from below par resales by the Joint Bookrunners or (y) the tax impact of any "cancellation of indebtedness."

(c) The Borrower will use commercially reasonable best efforts to, within 5 Business Days of receipt of written notice of a Securities Demand (if after the Closing Date, 10 Business Days), do the following:

(i) provide as many copies as reasonably requested to the Investment Banks of an Offering Document for the offer and sale of the Permanent Securities pursuant to Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for offerings of securities pursuant to Rule 144A, including the Cooperation Information;

(ii) the Borrower shall assist in the preparation of, rating agency presentations and “road show” materials consistent with the information contained in the Offering Document which the Joint Bookrunners may reasonably request in connection with the Take-out Financing; and

(iii) make the senior management and advisors of the Borrower (and the Target, if applicable) and certain of the Investors’ investment professionals available for due diligence, rating agency presentations and a “road show” meetings with potential investors for the New First Lien Notes or Permanent Securities on no more than three occasions as reasonably requested by the Investment Banks in their judgment to market the New First Lien Notes or Permanent Securities.

(d) The Investment Banks may at any time upon reasonable advance notice to the Borrower require the Borrower (or, if reasonably so specified by the Investment Banks, an affiliate of the Borrower) to execute the Purchase Agreement.

(e) Without limiting the generality of the foregoing, the Joint Bookrunners and/or Investment Banks may make such a Securities Demand for the issuance of Permanent Securities to the Lenders to replace any Commitments or refinance this Facility on the Closing Date and to be resold by them at any time thereafter in accordance with the provisions of this Section 5.15; provided that any such Securities Demand contemplating the resale of Permanent Securities shall include such customary information regarding the selling Lenders as may be required to be included in the Offering Document or a supplement thereto.

(f) Notwithstanding anything to the contrary contained herein, in the event of your failure to comply with the terms this Section (a “Demand Failure”), (w) the interest rate with respect to the Loans shall increase to the applicable First Lien Bridge Total Cap immediately and automatically, (x) the Loan shall be immediately and automatically subject to the call protection in the Applicable Bond Standard (other than with respect to any prepayment of Loans held by the Initial Lenders, their Affiliates but excluding Loans held by bona fide asset management affiliates of the foregoing), (y) the Rollover Fee, if not previously paid, shall become immediately due and payable (and no future fee credit shall be available), calculated based on the principal amount of the Loans outstanding on the date of such Demand Failure or the principal amount of Commitments outstanding on the date of such Demand Failure (which, if such date is the Closing Date, will be the principal amount of Loans funded on the Closing Date) and (z) any restrictions on transfer of the Loans or Exchange Notes shall be deemed waived. For the avoidance of doubt, a Demand Failure shall not, in and of itself, constitute a Default hereunder.

(g) It is agreed that, if the Closing Date has not occurred before September 15, 2019 (the “Escrow Right Date”) and Commitments hereunder remain outstanding, on or after the Escrow Right Trigger Date, the Joint Bookrunners and/or Investment Banks may issue a Securities Demand (which may be issued five Business Days in advance of such date) and require that the Permanent Securities be issued on the Escrow Right Trigger Date or on another date thereafter prior to the closing of the Acquisition, with the gross proceeds of such Permanent Securities to be placed in a customary escrow account, the proceeds of which will be pledged solely to the holders of such Permanent Securities, in each case on customary terms and conditions for an escrow financing (an “Escrow Securities Demand”); provided that the conditions to release such proceeds shall be the satisfaction of the conditions to borrowing in Section 4.02 herein. Any such escrow arrangements will provide that the aggregate principal amount of such Permanent Securities will be redeemed at the original price at which such Permanent Securities were issued in the event that the conditions to the release of proceeds of such Permanent Securities from escrow are not satisfied prior to the Closing Date. Such escrow arrangement may include the use of an Unrestricted Subsidiary and will be structured in such a manner as to comply with the Existing ABL Agreement, the Existing Credit Agreement, the Existing Second Lien Note Documents, the Term Loan Credit Agreement and the Second Lien Bridge Credit Agreement.

(h) The Borrower will not be required to comply with the terms of this Section if the Borrower has determined in its reasonable discretion that such issue, sale or borrowing may result in materially adverse tax consequences to the Borrower; provided that it is understood and agreed that the failure to comply with the terms of this Section pursuant to this clause (vi) will constitute a Demand Failure.

The Agents

SECTION 8.01. Appointment.

(a) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the (A) Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as a Collateral Agent for such Lender and the other Secured Parties (including the Revolving Facility Secured Parties) under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (B) the Revolving Facility Collateral Agent as collateral agent for such lender for purposes of the Security Documents. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and take such action on its behalf under the provisions of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement, together with such other powers as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) irrevocably authorizes each of the Administrative Agent and the Collateral Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved, authorized or ratified in writing in accordance with Section 9.08 hereof, (ii) to release any Subsidiary Loan Party from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i) and (j). Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, examiner, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 8.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 8.02 in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION 8.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower or a Lender. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan hereunder, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), in the amount of its *pro rata* share (based on its outstanding Loans), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor agent which shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION 8.10. Agents and Arrangers. None of the Joint Lead Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

SECTION 8.11. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto). To the extent the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing is not reimbursed and indemnified by the Borrower, the Lenders severally agree to reimburse and indemnify the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, in proportion to their respective “pro rata shares” (determined as set forth below) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or such sub-agent) or such Related Party in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or such Related Party’s, as applicable, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). For purposes of this paragraph, a Lender’s “pro rata share” shall be determined based upon its share of the sum of, without duplication, outstanding Loans, in each case, at the time (or most recently outstanding and in effect).

ARTICLE IX

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party or to the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrower shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, and the termination of the Commitments or this Agreement.

SECTION 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent shall have been notified by each Lender (or otherwise received evidence satisfactory to the Administrative Agent) that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than, with respect to the Bridge Euro Term Loans, €1.0 million and, with respect to the Bridge Sterling Term Loans, £1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms; and

(D) the Assignee shall not be the Borrower or any of the Borrower's Affiliates or Subsidiaries.

Notwithstanding anything herein (including in clause (A) above) or in any other Loan Document to the contrary, no Lender shall affect any assignment with respect to the Bridge Term Facilities during the Certain Funds Period (other than an assignment to Goldman Sachs International Bank, Goldman Sachs Lending Partners, Wells Fargo Securities International Limited, Wells Fargo Securities, LLC or to those banks, financial institutions or other institutional lenders that have been agreed by the Borrower and the Joint Lead Arrangers prior to the Effective Date) without the Borrower's prior written consent in the Borrower's sole discretion.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to an Ineligible Institution without the prior written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b) (v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any other amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing, no assignment may be made to an Ineligible Institution without the prior written consent of the Borrower.

SECTION 9.05. Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent and the Joint Lead Arrangers and Allen & Overy LLP, special U.K. counsel for the Administrative Agent and the Joint Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the fees, charges and disbursements of counsel for the Administrative Agent (including any special and local counsel).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans, or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, the Joint Lead Arrangers or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Funds, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, subject to Section 4.03, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 9.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders, and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent (or, in the case of any Security Documents, the Collateral Agent if so provided therein) and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly affected thereby,

(ii) increase or extend the Commitment of any Lender or decrease any fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),

(iii) [reserved],

(iv) amend the provisions of Section 5.02 of the Collateral Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,

(v) amend or modify the provisions of this Section 9.08 or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral or release any of Holdings, the Borrower or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the majority-in-interest of the Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

(c) Without the consent of any Joint Lead Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) with written consent of the Administrative Agent and the Borrower in order to make modification contemplated by the terms of the Fee Letters.

SECTION 9.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

SECTION 9.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

SECTION 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, “New York Courts”), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was available to such Lender or such Agent from a third party having, to such person’s knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledge under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty’s professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16).

The Borrower, in respect of the Agents and the Lenders, and the Agents and the Lenders, in respect of the Borrower, the Target and their respective Subsidiaries and other Affiliates, may not issue any press release or make any public announcement which references the other relevant party in the context of the Acquisition except with the applicable party’s prior written consent, such consent not to be unreasonably withheld or delayed and not to be required in the case of references required by the Takeover Rules or applicable laws or regulations in relation to the Acquisition or the rules of any securities exchange or regulatory authority (but the parties shall use all reasonable endeavors to consult with each other prior to making any such press release or public announcement).

SECTION 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Joint Lead Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

SECTION 9.18. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower's expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, terminate such Subsidiary Loan Party's obligations under its Guarantee. In addition, the Collateral Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower's expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification Obligations) are paid in full and all Commitments are terminated. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of Holdings shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

SECTION 9.19. PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act.

SECTION 9.20. Intercreditor Agreements and Collateral Agreement. Each Lender hereunder (a) consents to the priority and/or subordination of Liens provided for in the Second Priority Intercreditor Agreement, (b) consents to the priority and/or subordination of Liens provided for in the Senior Lender Intercreditor Agreement, (c) consents to the priority and/or subordination of Liens provided for in the Senior Fixed Collateral Intercreditor Agreement, (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement or the Senior Fixed Collateral Intercreditor Agreement, (e) authorizes and instructs the Collateral Agent to enter into the First Lien Bridge Joinder to Second Priority Intercreditor Agreement on behalf of itself and such Lender, (f) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien Bridge Joinder to Senior Lender Intercreditor Agreement on behalf of itself and such Lender, (g) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien Bridge Joinder to Senior Fixed Collateral Intercreditor Agreement and (h) consents to entering into the First Lien Guarantee and Collateral Agreement in the form of Exhibit E herein. The foregoing provisions are intended as an inducement to the Lenders to extend credit and such Lenders are intended third party beneficiaries of such provisions and the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement.

SECTION 9.21. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

GUARANTEE

Section 2.01. Guarantee. Each Guarantor unconditionally guarantees, jointly with the other Guarantors and severally, to the Administrative Agent for the ratable benefit of the Secured Parties, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations now or hereafter owing to such Secured Parties. Each Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Borrowers or any other Loan Party of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

Section 2.02. Guarantee of Payment. Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether at the stated maturity, by acceleration or otherwise) and not of collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Obligations or to any balance of any deposit account or credit on the books of the Collateral Agent or any other Secured Party in favor of a Borrower or any other person.

Section 2.03. No Limitations, Etc.

(a) Except for termination of a Guarantor's obligations hereunder as expressly provided for in Section 7.15, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise (other than defense of payment or performance). Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder, to the fullest extent permitted by applicable law, shall not be discharged or impaired or otherwise affected by, and each Guarantor hereby waives any defense to the enforcement hereof by reason of:

- (i) the failure of the Administrative Agent or Collateral Agent or any other Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or otherwise;
- (ii) any rescission, waiver, amendment or modification of, increase in the Obligations with respect to, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement;
- (iii) the failure to perfect any security interest in, or the exchange, substitution, release or any impairment of, any security held by the Collateral Agent or any other Secured Party for the Obligations;
- (iv) any default, failure or delay, willful or otherwise, in the performance of the Obligations;
- (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash or immediately available funds of all the Obligations),
- (vi) any illegality, lack of validity or enforceability of any Obligation,
- (vii) any change in the corporate existence, structure or ownership of any Loan Party, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Loan Party or its assets or any resulting release or discharge of any Obligation,
- (viii) the existence of any claim, set-off or other rights that the Guarantor may have at any time against any Borrower, the Collateral Agent, the Administrative Agent, any Secured Party, or any other corporation or person, whether in connection herewith or any unrelated transactions, provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim,

(ix) any action permitted or authorized hereunder, or

(x) any other circumstance (including without limitation, any statute of limitations) or any existence of or reliance on any representation by the Collateral Agent, the Administrative Agent or any other Secured Party that might otherwise constitute a defense to, or a legal or equitable discharge of, any Borrower or any Guarantor or any other guarantor or surety.

Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Obligations, all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash or immediately available funds of all the Obligations (other than contingent or unliquidated obligations or liabilities). Subject to the terms of the Senior Lender Intercreditor Agreement, the Collateral Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Obligations (other than contingent or unliquidated obligations or liabilities) have been paid in full in cash or immediately available funds. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any other Loan Party, as the case may be, or any security.

Section 2.04. Reinstatement. Each Guarantor agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of any Borrower or any other Loan Party or otherwise.

Section 2.05. Agreement To Pay; Contribution; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Borrower to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the Secured Parties as provided in the Senior Lender Intercreditor Agreement, in cash the amount of such unpaid Obligation. Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this guarantee, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Loan Documents. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against any Borrower, or other Loan Party or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the financial condition and assets of the Borrowers and each other Loan Party, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that neither the Collateral Agent, the Administrative Agent nor the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 2.07. Maximum Liability. Each Guarantor, and by its acceptance of this guarantee, the Collateral Agent and each Secured Party hereby confirms that it is the intention of all such Persons that this guarantee and the Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this guarantee and the Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Collateral Agent and the Secured Parties hereby irrevocably agree that the Obligations of each Subsidiary Party under this guarantee at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor under this guarantee not constituting a fraudulent transfer or conveyance.

Section 2.08. Payment Free and Clear of Taxes. Any and all payments by or on account of any obligation of any Guarantor hereunder or under any other Loan Document shall be made free and clear of, and without deduction for, any Indemnified Taxes or Other Taxes on the same terms and to the same extent that payments by any Loan Party are required to be made pursuant to the terms of Section 2.17 of the Credit Agreement. The provisions of Section 2.17 of the applicable Credit Agreement shall apply to each Guarantor *mutatis mutandis*.

Section 2.09. No Foreign Guarantee of U.S. Obligations. Notwithstanding anything to the contrary contained herein, no Foreign Subsidiary shall, or shall be deemed to, provide a guarantee of any Obligations of any Borrower or any Domestic Subsidiary pursuant to the terms hereof.

ARTICLE III

PLEDGE OF SECURITIES

Section 3.01. Pledge. As security for the payment or performance, as the case may be, in full of its Obligations, each Pledgor hereby assigns and pledges to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, and hereby grants to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, a security interest in all of such Pledgor's right, title and interest in, to and under (a) the Equity Interests directly owned by it (including those listed on Schedule II) and any other Equity Interests obtained in the future by such Pledgor and any certificates representing all such Equity Interests (the "Pledged Stock"); *provided* that the Pledged Stock shall not include (i) (A) more than 65% of the issued and outstanding voting Equity Interests of any "first tier" Foreign Subsidiary directly owned by such Pledgor, (B) more than 65% of the issued and outstanding voting Equity Interests of any "first tier" Qualified CFC Holding Company directly owned by such Pledgor, (C) any issued and outstanding Equity Interest of any Foreign Subsidiary that is not a "first tier" Foreign Subsidiary, (D) any issued and outstanding Equity Interests of any Qualified CFC Holdings Company that is not a "first tier" Qualified CFC Holding Company or (E) any Equity Interests in [NIM Holdings Limited, Berry Plastics Acquisition Corporation II, Berry Plastics Acquisition Corporation XIV, LLC, Berry Plastics Asia Pte. Ltd., or Ociesse s.r.l.]² (ii) to the extent applicable law requires that a Subsidiary of such Pledgor issue directors' qualifying shares, such shares or nominee or other similar shares, (iii) any Equity Interests with respect to which the Collateral and Guarantee Requirement or the other paragraphs of the respective Sections 5.10 of the Credit Agreement need not be satisfied by reason of Section 5.10(g) of the Credit Agreement, (iv) any Equity Interests of a Subsidiary to the extent that, as of the Effective Date (as defined in the Credit Agreement), and for so long as, such a pledge of such Equity Interests would violate a contractual obligation binding on or relating to such Equity Interests, or (v) any Equity Interests of a person that is not directly or indirectly a Subsidiary; (b)(i) the debt obligations listed opposite the name of such Pledgor on Schedule II, (ii) any debt obligations in the future issued to such Pledgor having, in the case of each instance of debt securities, an aggregate principal amount in excess of \$5.0 million (which pledge, in the case of any intercompany note evidencing debt owed by a Foreign Subsidiary to a Loan Party, shall be limited to 65% of the amount outstanding thereunder), and (iii) the certificates, promissory notes and any other instruments, if any, evidencing such debt obligations (the "Pledged Debt Securities"); (c) subject to Section 3.05 hereof, all payments of principal or interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, and all other proceeds received in respect of, the securities referred to in clauses (a) and (b) above; (d) subject to Section 3.05 hereof, all rights and privileges of such Pledgor with respect to the securities and other property referred to in clauses (a), (b) and (c) above; and (e) all proceeds of any of the foregoing (the items referred to in clauses (a) through (e) above being collectively referred to as the "Pledged Collateral").

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

² BC to confirm.

Section 3.02. Section 3.02. Delivery of the Pledged Collateral.

(a) Subject to the provisions of the Intercreditor Agreements, each Pledgor agrees promptly to deliver or cause to be delivered to the Collateral Agent, as agent for the Secured Parties, any and all Pledged Securities to the extent such Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 3.02. If any Pledged Stock that is uncertificated on the date hereof shall hereafter become certificated, the applicable Pledgor shall promptly cause the certificate or certificates representing Pledged Stock to be delivered to the Collateral Agent, as agent for the Secured Parties, together with the accompanying stock powers or other documentation required by Section 3.02(c). None of the Pledgors shall permit any other party to “control” (for purposes of Section 8-106 of the New York UCC (or any analogous provision of the Uniform Commercial Code in effect in the jurisdiction whose law applies)) any uncertificated securities that constitute Pledged Collateral other than the Collateral Agent, as agent for the Secured Parties or any other agent pursuant to the applicable Intercreditor Agreement.

(b) To the extent any Indebtedness for borrowed money constitutes Pledged Collateral (other than (i) intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of Holdings, the Company and its Subsidiaries or (ii) to the extent that a pledge of such promissory note or instrument would violate applicable law) the Pledgor holding such Indebtedness for borrowed money shall cause such Indebtedness to be evidenced by a duly executed promissory note, such Pledgor shall cause such promissory note to be pledged and, subject to the provisions of the Intercreditor Agreements, delivered to the Collateral Agent, as agent for the Secured Parties, pursuant to the terms hereof; *provided* that, such pledge in the case of any intercompany note evidencing debt owed by a Foreign Subsidiary to a Loan Party, shall be limited to 65% of the amount outstanding thereunder. To the extent any such promissory note is a demand note, each Pledgor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default specified under Section 7.01(b), (c), (f), (h) or (i) of the Credit Agreement unless such demand would not be commercially reasonable or would otherwise expose Pledgor to liability to the maker.

(c) Upon delivery to the Collateral Agent, (i) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (a) and (b) of this Section 3.02 shall be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (ii) all other property composing part of the Pledged Collateral delivered pursuant to the terms of this Agreement shall be accompanied to the extent necessary to perfect the security interest in or allow realization on the Pledged Collateral by proper instruments of assignment duly executed by the applicable Pledgor and such other instruments or documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule II (or a supplement to Schedule II, as applicable) and made a part hereof; *provided* that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

Section 3.03. Representations, Warranties and Covenants. The Pledgors, jointly and severally, represent, warrant and covenant to and with the Collateral Agent for the benefit of the Secured Parties:

(a) Schedule II correctly sets forth the percentage of the issued and outstanding shares of each class of the Equity Interests of the issuer thereof represented by the Pledged Stock and includes all Equity Interests, debt securities and promissory notes or instruments evidencing Indebtedness required to be (i) pledged in order to satisfy the Collateral and Guarantee Requirement, or (ii) delivered pursuant to Section 3.02(b);

(b) the Pledged Stock and Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a person that is not a Subsidiary of Holdings or an Affiliate of any such subsidiary, to the best of each Pledgor's knowledge) have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Stock, are fully paid and nonassessable and (ii) in the case of Pledged Debt Securities (solely with respect to Pledged Debt Securities issued by a person that is not a Subsidiary of Holdings or an Affiliate of any such subsidiary, to the best of each Pledgor's knowledge) are legal, valid and binding obligations of the issuers thereof, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding at law or in equity) and an implied covenant of good faith and fair dealing;

(c) except for the security interests granted hereunder, each Pledgor (i) is and, subject to any transfers made in compliance with the Credit Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule II as owned by such Pledgor, (ii) holds the same free and clear of all Liens, other than Permitted Liens, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction permitted by the Credit Agreement and other than Permitted Liens and (iv) subject to the rights of such Pledgor under the Loan Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest hereto or therein against any and all Liens (other than Permitted Liens), however arising, of all persons;

(d) other than as set forth in the Credit Agreement or the schedules thereto, and except for restrictions and limitations imposed by the Loan Documents or securities laws generally or otherwise permitted to exist pursuant to the terms of the Credit Agreement, the Pledged Stock (other than partnership interests) is and will continue to be freely transferable and assignable, and none of the Pledged Stock is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Stock hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(e) each Pledgor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) other than as set forth in the Credit Agreement or the respective schedules thereto, no consent or approval of any Governmental Authority, any securities exchange or any other person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Pledgors of this Agreement and the Foreign Pledge Agreements, when any Pledged Securities (including Pledged Stock of any Domestic Subsidiary or any Qualified CFC Holding Company and any foreign stock covered by a Foreign Pledge Agreement) are delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in accordance with this Agreement and a financing statement covering such Pledge Securities is filed in the appropriate filing office, the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties will obtain a legal, valid and perfected lien upon and security interest in such Pledged Securities under the New York UCC, subject only to Liens permitted under the Credit Agreement or arising by operation of law, as security for the payment and performance of the Obligations;

(h) each Pledgor that is an issuer of the Pledged Collateral confirms that it has received notice of the security interest granted hereunder and consents to such security interest and agrees to transfer record ownership of the securities issued by it in connection with any request by the Administrative Agent;

Section 3.04. Registration in Nominee Name; Denominations. The Collateral Agent, as agent for the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Pledgor, endorsed or assigned in blank or in favor of the Collateral Agent or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Each Pledgor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Pledgor. If an Event of Default shall have occurred and be continuing, the Collateral Agent, as agent for the Secured Parties, shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Pledgor shall use its commercially reasonable efforts to cause any Loan Party that is not a party to this Agreement to comply with a request by the Collateral Agent, pursuant to this Section 3.04, to exchange certificates representing Pledged Securities of such Loan Party for certificates of smaller or larger denominations.

Section 3.05. Section 3.05. Voting Rights; Dividends and Interest, Etc.

(a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given notice to the relevant Pledgors of the Collateral Agent's intention to exercise its rights hereunder:

(i) Each Pledgor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided*, that, except as permitted under the Credit Agreement, such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Collateral, the rights and remedies of the Administrative Agent, the Collateral Agent, or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall promptly execute and deliver to each Pledgor, or cause to be executed and delivered to such Pledgor, all such proxies, powers of attorney and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Pledgor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable laws; *provided*, that (A) any noncash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise or (B) any non-cash dividends and other distributions paid or payable in respect of any Pledged Securities that would constitute Pledged Securities, in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, shall be and become part of the Pledged Collateral, and, if received by any Pledgor, shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent, for the ratable benefit of the Secured Parties, and shall be forthwith delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Administrative Agent).

(b) Upon the occurrence and during the continuance of an Event of Default and after notice by the Collateral Agent to the Company of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to receive dividends, interest, principal or other distributions that such Pledgor is authorized to receive pursuant to paragraph (a)(iii) of this Section 3.05 shall cease, and all such rights shall thereupon become vested, for the ratable benefit of the Secured Parties, in the Collateral Agent which, subject to the terms of the Senior Lender Intercreditor Agreement, shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Pledgor contrary to the provisions of this Section 3.05 shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent, for the ratable benefit of the Secured Parties, and shall be forthwith delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02 hereof. After all Events of Default have been cured or waived and the Company has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall promptly repay to each Pledgor (without interest) all dividends, interest, principal or other distributions that such Pledgor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 3.05 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and after notice by the Collateral Agent to the Company of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.05, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 3.05, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, for the ratable benefit of the Secured Parties, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers, subject to the terms of the Senior Lender Intercreditor Agreement; *provided* that, unless otherwise directed by the Required Lenders under the Credit Agreement, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived and the Company has delivered to the Collateral Agent a certificate to that effect, each Pledgor shall have the right to exercise the voting and/or consensual rights and powers that such Pledgor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above.

ARTICLE IV

SECURITY INTERESTS IN OTHER PERSONAL PROPERTY

(a) As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of its Obligations, each Pledgor other than Holdings (all references to a Pledgor or to the Pledgors in this Article IV shall be deemed to be a reference to each Pledgor other than Holdings) hereby assigns and pledges to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, and hereby grants to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, a security interest (the "Security Interest") in all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Article 9 Collateral"):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all cash and Deposit Accounts;
- (iv) all Documents;
- (v) all Equipment;
- (vi) all General Intangibles;
- (vii) all Instruments;

- (xiii) all books and records pertaining to the Article 9 Collateral; and
- (xiv) to the extent not otherwise included, all proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any person with respect to any of the foregoing.

Notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in (a) any vehicle covered by a certificate of title or ownership, whether now owned or hereafter acquired, (b) any assets (including Equity Interests), whether now owned or hereafter acquired, with respect to which the Collateral and Guarantee Requirement or the other paragraphs of Section 5.10 of the Credit Agreement would not be required to be satisfied by reason of Section 5.10(g) of the Credit Agreement if hereafter acquired, (c) any property excluded from the definition of Pledged Collateral pursuant to Section 3.01 hereof, (d) any Letter of Credit Rights to the extent any Pledgor is required by applicable law to apply the proceeds of a drawing of such Letter of Credit for a specified purpose, (e) any Pledgor's right, title or interest in any license, contract or agreement to which such Pledgor is a party or any of its right, title or interest thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement, result in a breach of the terms of, or constitute a default under, or result in the abandonment, invalidation or unenforceability of, any license, contract or agreement to which such Pledgor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-406, 9407, 9-408 or 9-409 of the New York UCC or any other applicable law (including, without limitation, Title 11 of the United States Code) or principles of equity); *provided*, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Collateral shall include, and such Pledgor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect, or (f) any Equipment owned by any Pledgor that is subject to a purchase money lien or a Capital Lease Obligation if the contract or other agreement in which such Lien is granted (or the documentation providing for such Capital Lease Obligation) prohibits or requires the consent of any person other than the Pledgors as a condition to the creation of any other security interest on such Equipment.

(b) Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates and (iii) a description of collateral that describes such property in any other manner as the Collateral Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as "all assets" or "all property." Each Pledgor agrees to provide such information to the Collateral Agent promptly upon request.

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) such documents as may be reasonably necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Pledgor, without the signature of such Pledgor, and naming such Pledgor or the Pledgors as debtors and the Collateral Agent as secured party.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Pledgor with respect to or arising out of the Article 9 Collateral.

Section 4.02. Representations and Warranties. The Pledgors jointly and severally represent and warrant to the Collateral Agent and the Secured Parties that:

(a) Each Pledgor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Credit Agreement.

(b) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein, including the exact legal name of each Pledgor, is correct and complete, in all material respects, as of the Effective Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations containing a description of the Article 9 Collateral that have been prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 7 to the Perfection Certificate (or specified by notice from the Company to the Collateral Agent after the Effective Date in the case of filings, recordings or registrations required by Section 5.10 of each Credit Agreement) constitute all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral including all material United States Patents, United States registered Trademarks and United States registered Copyrights) that are necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties in respect of all Article 9 Collateral (other than Commercial Tort Claims) in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments. Each Pledgor represents and warrants that a fully executed Intellectual Property Security Agreement containing a description of all Article 9 Collateral consisting of Intellectual Property with respect to United States Patents (and Patents for which United States registration applications are pending), United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights (and Copyrights for which United States registration applications are pending) has been delivered to the Collateral Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, and reasonably requested by the Collateral Agent, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such material Intellectual Property in which a security interest may be perfected by recording with the United States Patent and Trademark Office and the United States Copyright Office, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date hereof).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral (other than Article 9 Collateral described in Section 3.01(a)(xii)) securing the payment and performance of the Obligations, (ii) subject to the filings described in Section 4.02(b), a perfected security interest in all Article 9 Collateral (other than Commercial Tort Claims) in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the Intellectual Property Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office upon the making of such filings with such office, in each case, as applicable, with respect to material Intellectual Property Collateral. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral other than Permitted Liens.

(d) The Article 9 Collateral is owned by the Pledgors free and clear of any Lien, other than Permitted Liens. None of the Pledgors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e) None of the Pledgors holds any Commercial Tort Claim individually in excess of \$5.0 million as of the Effective Date except as indicated on the Perfection Certificate.

(f) Except as set forth in the Perfection Certificate, as of the Effective Date, all Accounts have been originated by the Pledgors and all Inventory has been produced or acquired by the Pledgors in the ordinary course of business.

(g) As to itself and its Article 9 Collateral consisting of Intellectual Property (the “Intellectual Property Collateral”), to the best of each Pledgor's knowledge:

(i) The Intellectual Property Collateral set forth on Schedule III includes all of the material Patents, domain names, Trademarks, Copyrights and IP Agreements owned by such Pledgor as of the date hereof.

(ii) The Intellectual Property Collateral is subsisting and has not been adjudged invalid or unenforceable in whole or part, and to the best of such Pledgor's knowledge, is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Pledgor is not aware of any uses of any item of Intellectual Property Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect.

(iii) Such Pledgor has made or performed all commercially reasonable acts, including without limitation filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Intellectual Property Collateral in full force and effect in the United States and such Pledgor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright in the Intellectual Property Collateral, in each case, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(iv) With respect to each IP Agreement, the absence, termination or violation of which would reasonably be expected to have a Material Adverse Effect: (A) such Pledgor has not received any notice of termination or cancellation under such IP Agreement; (B) such Pledgor has not received any notice of a breach or default under such IP Agreement, which breach or default has not been cured or waived; and (C) neither such Pledgor nor any other party to such IP Agreement is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such IP Agreement.

(v) Except as would not reasonably be expected to have a Material Adverse Effect, no Pledgor or Intellectual Property Collateral is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Intellectual Property Collateral or that would impair the validity or enforceability of such Intellectual Property Collateral.

Section 4.03. Covenants.

(a) Each Pledgor agrees promptly to notify the Collateral Agent in writing of any change (i) in its corporate or organization name, (ii) in its identity or type of organization or corporate structure, (iii) in its Federal Taxpayer Identification Number or organizational identification number or (iv) in its jurisdiction of organization. Each Pledgor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the immediately preceding sentence. Each Pledgor agrees not to effect or permit any change referred to in the first sentence of this paragraph (a) unless all filings have been made, or will have been made within any applicable statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest in all the Article 9 Collateral, for the ratable benefit of the Secured Parties. Each Pledgor agrees promptly to notify the Collateral Agent if any material portion of the Article 9 Collateral owned or held by such Pledgor is damaged or destroyed.

(b) Subject to the rights of such Pledgor under the Loan Documents to dispose of Collateral, each Pledgor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all persons and to defend the Security Interest of the Collateral Agent, for the ratable benefit of the Secured Parties, in the Article 9 Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) Each Pledgor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including, without limitation, the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith, all in accordance with the terms hereof and of Section 5.10 of the Credit Agreement. If any Indebtedness payable under or in connection with any of the Article 9 Collateral that is in excess of \$5.0 million shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be promptly pledged to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, and, subject to the Intercreditor Agreements, delivered to the Collateral Agent, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

Without limiting the generality of the foregoing, each Pledgor hereby authorizes the Collateral Agent, with prompt notice thereof to the Pledgors, to supplement this Agreement by supplementing Schedule III or adding additional schedules hereto to specifically identify any asset or item that may constitute material Copyrights, Patents, Trademarks, Copyright Licenses, Patent Licenses or Trademark Licenses; *provided* that any Pledgor shall have the right, exercisable within 30 days after the Company has been notified by the Collateral Agent of the specific identification of such Article 9 Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Pledgor hereunder with respect to such Article 9 Collateral. Each Pledgor agrees that it will use its commercially reasonable efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Article 9 Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Article 9 Collateral.

(d) After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent shall have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

(e) At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Pledgor fails to do so as required by the Credit Agreement or this Agreement, and each Pledgor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; *provided, however*, that nothing in this Section 4.03(e) shall be interpreted as excusing any Pledgor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Pledgor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(f) Each Pledgor (rather than the Collateral Agent or any Secured Party) shall remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral and each Pledgor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(g) None of the Pledgors shall make or permit to be made an assignment, pledge or hypothecation of the Article 9 Collateral or shall grant any other Lien in respect of the Article 9 Collateral, except as expressly permitted by the Credit Agreement. None of the Pledgors shall make or permit to be made any transfer of the Article 9 Collateral and each Pledgor shall remain at all times in possession of the Article 9 Collateral owned by it, except as permitted by the Credit Agreement.

(h) [Reserved].

(i) Each Pledgor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Pledgor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Collateral Agent may, without waiving or releasing any obligation or liability of the Pledgors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.03(i), including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Pledgors to the Collateral Agent and shall be additional Obligations secured hereby.

Section 4.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, for the ratable benefit of the Secured Parties, the Collateral Agent's security interest in the Article 9 Collateral, each Pledgor agrees, in each case at such Pledgor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) Instruments and Tangible Chattel Paper. If any Pledgor shall at any time hold or acquire any Instruments (other than checks received and processed in the ordinary course of business) or Tangible Chattel Paper evidencing an amount in excess of \$5.0 million, such Pledgor shall, subject to the Intercreditor Agreements, forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) Investment Property. Except to the extent otherwise provided in Article III, if any Pledgor shall at any time hold or acquire any Certificated Security included in the Pledged Collateral, such Pledgor shall, subject to the Intercreditor Agreements, forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify. If any security of a domestic issuer now owned or hereafter acquired by any Pledgor is uncertificated and is issued to such Pledgor or its nominee directly by the issuer thereof, such Pledgor shall promptly notify the Collateral Agent of such uncertificated securities and (i) upon the Collateral Agent's reasonable request or (ii) upon the occurrence and during the continuance of an Event of Default, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such security, without further consent of any Pledgor or such nominee, or (ii) cause the issuer to register the Collateral Agent, as agent for the Secured Parties, as the registered owner of such security. If any security or other Investment Property, whether certificated or uncertificated, representing an Equity Interest in a third party and having a fair market value in excess of \$5.0 million now or hereafter acquired by any Pledgor is held by such Pledgor or its nominee through a securities intermediary or commodity intermediary, such Pledgor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's request and option, pursuant to a Control Agreement in form and substance reasonably satisfactory to the Collateral Agent, either (A) cause such securities intermediary or commodity intermediary, as applicable, to agree, in the case of a securities intermediary, to comply with entitlement orders or other instructions from the Collateral Agent to such securities intermediary as to such securities or other investment Property or, in the case of a commodity intermediary, to apply any value distributed on account of any commodity contract as directed by the Collateral Agent to such commodity intermediary, in each case without further consent of any Pledgor or such nominee, or (B) in the case of Financial Assets or other Investment Property held through a securities intermediary, arrange for the Collateral Agent to become entitlement holders with respect to such Investment Property, for the ratable benefit of the Secured Parties, with such Pledgor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Collateral Agent agrees with each of the Guarantors that the Collateral Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Pledgor, unless an Event of Default has occurred and is continuing or, after giving effect to any such withdrawal or dealing rights, would occur. The provisions of this paragraph (b) shall not apply to any Financial Assets credited to a securities account for which the Collateral Agent is the securities intermediary.

(c) Commercial Tort Claims. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim in an amount reasonably estimated to exceed \$5,000,000, such Pledgor shall promptly notify the Collateral Agent thereof in a writing signed by such Pledgor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the proceeds thereof, all under the terms and provisions of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

Section 4.05. Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) Each Pledgor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or omitting to do any act) whereby any Patent that is material to the normal conduct of such Pledgor's business may become prematurely invalidated, abandoned, lapsed or dedicated to the public, and agrees that it shall take commercially reasonable steps with respect to any material products covered by any such Patent as necessary and sufficient to establish and preserve its rights under applicable patent laws.

(b) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each material Trademark necessary to the normal conduct of such Pledgor's business, (i) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law and (iv) not knowingly use or knowingly permit its licensees' use of such Trademark in violation of any third-party rights.

(c) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each work covered by a material Copyright necessary to the normal conduct of such Pledgor's business that it publishes, displays and distributes, use copyright notice as required under applicable copyright laws.

(d) Each Pledgor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright material to the normal conduct of such Pledgor's business may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, excluding office actions and similar determinations or developments in the United States Patent and Trademark Office, United States Copyright Office, any court or any similar office of any country, regarding such Pledgor's ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(e) Each Pledgor, either itself or through any agent, employee, licensee or designee, shall (i) inform the Collateral Agent on an annual basis of each application by itself, or through any agent, employee, licensee or designee, for any Patent with the United States Patent and Trademark Office and each registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any comparable office or agency in any other country filed during the preceding twelve-month period, in each case to the extent such application or registration relates to Intellectual Property material to the normal course of such Pledgor's business and (ii) upon the reasonable request of the Collateral Agent, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright.

(f) Each Pledgor shall exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any comparable office or agency in any other country with respect to maintaining and pursuing each application relating to any Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) material to the normal conduct of such Pledgor's business and to maintain (i) each issued Patent and (ii) the registrations of each Trademark and each Copyright that is material to the normal conduct of such Pledgor's business, including, when applicable and necessary in such Pledgor's reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Pledgor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Pledgor knows or has reason to know that any Article 9 Collateral consisting of a Patent, Trademark or Copyright material to the normal conduct of its business has been or is about to be materially infringed, misappropriated or diluted by a third party, such Pledgor shall promptly notify the Collateral Agent and shall, if such Pledgor deems it necessary in its reasonable business judgment, promptly sue and recover any and all damages, and take such other actions as are reasonably appropriate under the circumstances.

ARTICLE V

REMEDIES; APPLICATION OF PROCEEDS

Section 5.01. Remedies Upon Default. Upon the occurrence and during the continuance of any Event of Default, each Pledgor agrees to deliver on demand each item of Collateral to the Collateral Agent and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times (acknowledging the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement): (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Pledgors to the Collateral Agent (on behalf of the Secured Parties) or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Pledgor hereby agrees to use) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to the applicable Pledgor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Pledgor agrees that the Collateral Agent shall have the right (acknowledging the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement), subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Pledgors 10 Business Days' written notice (which each Pledgor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or the portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 5.01, any Secured Party may bid for or purchase for cash, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Pledgor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Section 5.02 hereof without further accountability to any Pledgor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Pledgor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Section 5.02. Apportionment, Application, and Reversal of Payments.

(a) Subject to the provisions of the Senior Lender Intercreditor Agreement (including, without limitation, the provisions of Section 2.01 thereof regarding the application of proceeds of any sale, collection or liquidation of any Loan Collateral and the provisions of the Senior Fixed Collateral Intercreditor Agreement), all payments received by the Administrative Agent or by the Collateral Agent for application to the Obligations (including, without limitation, proceeds of Loan Collateral to be applied to the Obligations pursuant to the Senior Lender Intercreditor Agreement) shall be applied as follows:

First, to pay any fees, indemnities or expense reimbursements then due to the Collateral Agent and Administrative Agent from the Company and other Loan Parties under the Credit Agreement;

Second, to pay interest and fees then due from the Company and other Loan Parties to the Lenders under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;

Third, to pay principal then due from the Company and other Loan Parties under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties; and

Fourth, to pay any other amounts then due from the Company and other Loan Parties under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts then due to such parties.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) Subject to the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement, the Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(f) If, after receipt of any payment which is applied to the payment of all or any part of any Obligations, the Collateral Agent, Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible set-off, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by such Agent or such Lender and the Company shall be liable to pay to such Agent and the Lenders, and shall indemnify such Agents and the Lenders and holds the Agent and the Lenders harmless for the amount of such payment or proceeds surrendered. The provisions of this Section 5.02(f) shall be and remain effective notwithstanding any contrary action which may have been taken by an Agent or any Lender in reliance upon such payment or application of proceeds, and any such contrary action so taken shall be without prejudice to the Agents' and the Lenders' rights under this Agreement and shall be deemed to have been conditioned upon such payment or application of proceeds having become final and irrevocable. The provisions of this Section 5.02(f) shall survive the termination of this Agreement.

Section 5.03. Securities Act, Etc. In view of the position of the Pledgors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Pledgor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Pledgor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Pledgor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall not incur any responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI

INDEMNITY, SUBROGATION AND SUBORDINATION

Section 6.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6.03 hereof), each Borrower agrees that (a) in the event a payment shall be made by any Guarantor under this Agreement in respect of any Obligation of such Borrower, such Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor shall be sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part an Obligation owed to any Secured Party by any Borrower, such Borrower shall indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

Section 6.02. Contribution and Subrogation. Each Guarantor (other than Holdings and the Company) (a “Contributing Guarantor”) agrees (subject to Section 6.03 hereof) that, in the event a payment shall be made by any other Guarantor (other than Holdings and the Company) hereunder in respect of any Obligation or assets of any other Guarantor (other than Holdings and the Borrower) shall be sold pursuant to any Security Document to satisfy any Obligation owed to any Secured Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by the applicable Borrower, as provided in Section 6.01 hereof, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets, as applicable, in each case multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 7.16 hereof, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01 hereof to the extent of such payment.

Section 6.03. Subordination; Subrogation.

(a) Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the “subordinated Obligations”) to the Obligations to the extent and in the manner hereinafter set forth in this Section 6.03:

(i) Prohibited Payments, Etc. Each Guarantor may receive payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default, if required by the Required Lenders, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations until the Obligations have been paid in full in cash.

(ii) Prior Payment of Guaranteed Obligations. In any proceeding under the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law relating to any other Loan Party, each Guarantor agrees that the Secured Parties shall be entitled to receive payment in full in cash of all Obligations (including all interest and expenses accruing after the commencement of a proceeding under any U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, whether or not constituting an allowed claim in such proceeding (“Post-Petition Interest”)) before such Guarantor receives payment of any Subordinated Obligations.

(iii) Turn-Over. After the occurrence and during the continuance of any Event of Default, each Guarantor shall, if a Collateral Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Secured Parties and deliver such payments to the Collateral Agent (for the benefit of the Secured Parties and subject to the terms of the Senior Lender Intercreditor Agreement) on account of the Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Agreement.

(iv) Collateral Agent Authorization. After the occurrence and during the continuance of any Event of Default, the Collateral Agent is authorized and empowered (but without any obligation to so do), in its discretion (acknowledging the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement, as applicable), (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Collateral Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest) in each case in accordance with the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement, as applicable.

(b) Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's Obligations under or in respect of the guarantee set forth in Article II hereof or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against such Borrower, any other Loan Party or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Obligations and all other amounts payable under the guarantee set forth in Article II shall have been paid in full in cash and the Commitments shall have expired. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the Obligations and all other amounts payable under the guarantee set forth in Article II and (b) the termination or expiration of all Commitments, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Collateral Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Obligations (in accordance with the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement, as applicable) and all other amounts payable under the guarantee set forth in Article II, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any Obligations or other amounts payable under such guarantee thereafter arising. If (i) any Guarantor shall make payment to any Secured Party of all or any part of the Obligations and (ii) all of the Obligations and all other amounts payable under the guarantee set forth in Article II shall have been paid in full in cash, the Administrative Agent will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Obligations resulting from such payment made by such Guarantor pursuant to such guarantee.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Party shall be given to it in care of the Company, with such notice to be given as provided in Section 9.01 of the Credit Agreement.

Section 7.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest in the Article 9 Collateral, the security interest in the Pledged Collateral and all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Pledgor in respect of the Obligations or this Agreement (other than a defense of payment or performance).

Section 7.03. Limitation By Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 7.04. Binding Effect; Several Agreement. This Agreement shall become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party shall have been delivered to the Administrative Agent and the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such party, the Collateral Agent and each of their respective permitted successors and assigns, and shall inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each party and may be amended, modified, supplemented, waived or released with respect to any party without the approval of any other party and without affecting the obligations of any other party hereunder.

Section 7.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Pledgor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; *provided* that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent and the Administrative Agent. Unless otherwise agreed by the Administrative Agent, the Collateral Agent hereunder shall at all times be the same person that is the Administrative Agent under the Credit Agreement. Written notice of resignation by an Administrative Agent pursuant the Credit Agreement shall also constitute notice of resignation by such entity as the Collateral Agent under this Agreement, unless otherwise agreed by the Administrative Agent. Upon the acceptance of any appointment as an Administrative Agent under the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the Collateral Agent pursuant hereto, except as otherwise agreed by the Administrative Agent.

Section 7.06. Administrative Agent's and Collateral Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Administrative Agent and the Collateral Agent shall each be entitled to reimbursement of their expenses incurred hereunder as provided in the Section 9.05 of each Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, each Pledgor jointly and severally agrees to indemnify the Administrative Agent, the Collateral Agent and the other "Indemnitees" (as defined in Section 9.05 of the Credit Agreement) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of, (i) the execution, delivery or performance of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and other transactions contemplated hereby, (ii) the use of proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, or to the Collateral, whether or not any Indemnatee is a party thereto; *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee.

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 7.06 shall be payable on written demand therefor, accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

Section 7.07. Collateral Agent Appointed Attorneys-in-Fact. Each Pledgor hereby appoints the Collateral Agent an attorney-in-fact of such Pledgor for the purpose of carrying out the provisions of this Agreement, and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Collateral Agent shall have the right (acknowledging the terms of the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement), upon the occurrence and during the continuance of any Event of Default, with full power of substitution either in the Collateral Agent's name or in the name of such Pledgor, (a) to receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral; (d) to sign the name of any Pledgor on any invoice or bill of lading relating to any of the Collateral; (e) to send verifications of Accounts to any Account Debtor; (f) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (g) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (h) to notify, or to require any Pledgor to notify, Account Debtors to make payment directly to any Collateral Agent or to the Administrative Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; *provided*, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Pledgor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

Section 7.08. GOVERNING LAW. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

Section 7.09. Waivers; Amendment.

(a) No failure or delay by the Collateral Agent, the Administrative Agent or any Lender in exercising any right, power or remedy hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.09, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with the terms of Section 9.08 of the Credit Agreement.

Section 7.10. WAIVER OF JURY TRIAL. **EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.**

Section 7.11. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.12. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract, and shall become effective as provided in Section 7.04 hereof. Delivery of an executed counterpart to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed original.

Section 7.13. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.14. Jurisdiction; Consent to Service of Process.

(a) Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Pledgor, or its properties, in the courts of any jurisdiction.

(b) Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 7.15. Termination or Release.

(a) This Agreement, the guarantees made herein, the pledges made herein, the Security Interest and all other security interests granted hereby shall terminate when all the Loan Document Obligations (other than contingent or unliquidated obligations or liabilities with respect to which no claim has been asserted) have been paid in full in cash or immediately available funds and the Lenders have no further commitment to lend under the Credit Agreement.

(b) A Subsidiary Party shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Subsidiary Party shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement, as a result of which such Subsidiary Party ceases to be a Subsidiary of the Company or otherwise ceases to be a Guarantor; *provided* that the Required Lenders shall have consented to such transaction (to the extent such consents are required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) Upon any sale or other transfer by any Pledgor of any Collateral that is permitted under the Credit Agreement to any person that is not a Pledgor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to the terms of Section 9.08 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 7.15, the Collateral Agent shall execute and deliver to any Pledgor, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release; *provided*, that the Collateral Agent shall not be required to take any action under this Section 7.15(d) unless such Pledgor shall have delivered to the Collateral Agent together with such request, which may be incorporated into such request, (i) a reasonably detailed description of the Collateral, which in any event shall be sufficient to effect the appropriate termination or release without affecting any other Collateral, and (ii) a certificate of a Responsible Officer of the Company or such Pledgor certifying that the transaction giving rise to such termination or release is permitted by each Credit Agreement and was consummated in compliance with the Loan Documents. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent.

Section 7.16. Additional Subsidiaries. Upon execution and delivery by the Collateral Agent and any Subsidiary that is required to become a party hereto by Section 5.10 of the Credit Agreement of an instrument in the form of Exhibit A hereto, such subsidiary shall become a Subsidiary Party hereunder with the same force and effect as if originally named as a Subsidiary Party herein. The execution and delivery of any such instrument shall not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new party to this Agreement.

Section 7.17. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of any party to this Agreement against any of and all the obligations of such party now or hereafter existing under this Agreement owed to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmaturing. The rights of each Lender under this Section 7.17 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 7.18. Intercreditor Agreements. Notwithstanding anything to the contrary contained herein, the Grantors shall execute a Joinder to Senior Lender Intercreditor Agreement, a Joinder to Second Priority Intercreditor Agreement and a Joinder to Senior Fixed Collateral Intercreditor Agreement, and the terms of this Agreement shall be subject to the terms of the Senior Lender Intercreditor Agreement, the Second Priority Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement, and in the event of any inconsistency between any provision herein and therein, the terms of the applicable Intercreditor Agreement shall govern. In accordance with the provisions of the Credit Agreement, the Collateral Agent is acting herein as Collateral Agent for the Secured Parties under the Credit Agreement. Anything contained herein or in any of the other Loan Documents to the contrary notwithstanding, the Collateral Agent shall not be required to take any action under this Agreement that would result in a breach by the Collateral Agent of its obligations under any other Loan Document. So long as the Senior Lender Intercreditor Agreement and/or the Senior Fixed Collateral Intercreditor Agreement is outstanding, any requirement of this Agreement to deliver Collateral to the Collateral Agent shall be deemed satisfied by delivery of such Collateral to the applicable agent under the applicable Intercreditor Agreement.

[FORM OF]
DESCRIPTION OF NOTES

[See attached.]

DESCRIPTION OF FIRST PRIORITY EXCHANGE NOTES

General

The Issuer will issue up to €1,500,000,000 and £300,000,000, respectively, of the First Priority Notes under an indenture (the “Indenture”), by and among Berry Global, Inc. (the “Issuer”), the Parent Guarantor, the Subsidiary Guarantors and [], as trustee (the “Trustee”). The references to the “Issuer” in this description refer only to Berry Global, Inc. and not to any of its Subsidiaries.

The following summary of certain provisions of the Indenture, the First Priority Notes and the Bridge Loan Agreement does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the Indenture, the First Priority Notes and the Bridge Loan Agreement, including the definitions of certain terms therein. Capitalized terms used in this “Description of First Priority Notes” section and not otherwise defined have the meanings set forth in the section “— Certain Definitions.” As used in this “Description of First Priority Notes” section, “we,” “us” and “our” mean the Issuer and its Subsidiaries. The Indenture will not be qualified under or incorporate or include any of the provisions of the U.S. Trust Indenture Act of 1939, as amended. The First Priority Euro Notes and the First Priority GBP Notes will each be issued as separate series of First Priority Notes, but, except as otherwise provided below, will be treated as a single class for all purposes under the Indenture.

The Issuer may issue additional First Priority Euro Notes and additional First Priority GBP Notes (collectively, “Additional Notes”) from time to time after the offering. Any offering of Additional Notes is subject to the covenants described below under the caption “— Certain Covenants — Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “— Certain Covenants — Liens.” The First Priority Notes and any Additional Notes of the same currency subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Unless the context otherwise requires, for all purposes of the Indenture, the Parent Guarantee, the Subsidiary Guarantees, the Security Documents and this “Description of First Priority Notes,” references to the First Priority Notes include any Additional Notes actually issued.

Principal of, premium, if any, and interest on the First Priority Notes will be payable, and the First Priority Notes may be exchanged or transferred, at the office or agency designated by the Issuer (which initially shall be the designated corporate trust office of the Trustee or other designee reasonably acceptable to the Issuer and the Trustee).

The First Priority Notes will be issued only in fully registered form, without coupons, in minimum denominations of €100,000/£100,000 and any integral multiple of €1,000/£1,000. The First Priority Notes will be book-entry form, represented by one or more global notes deposited with or on behalf of a common depositary on behalf of Clearstream, and Euroclear, as operator of the Euroclear System, and registered in the name of the common depositary or the nominee of the common depositary for the accounts Clearstream and Euroclear. No service charge will be made for any registration of transfer or exchange of First Priority Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

Terms of the First Priority Notes

The First Priority Notes will be senior obligations of the Issuer and will have the benefit of the first priority security interest in the Collateral set forth in the Bridge Loan Agreement. The First Priority Notes will mature on [], 2026. The First Priority Euro Notes will bear interest at the Total Euro Cap and the First Priority GBP Notes will bear interest at the Total GBP Cap, in each case from [] or from the most recent date to which interest has been paid or provided for, payable semiannually to holders of record at the close of business on [] or [] immediately preceding the interest payment date on [] and [] of each year, commencing [].

The principal of, premium, if any, and interest on, the First Priority Euro Notes will be paid to holders of such notes in euro. The principal of, premium, if any, and interest on, the First Priority GBP Notes will be paid to holders of such notes in sterling. All other amounts shall be paid to holders in euro.

[If euro or GBP is unavailable to the Issuer due to the imposition of exchange controls or other circumstances beyond the Issuer's control (including the dissolution of the euro) or if the euro is no longer being used by the then-member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the First Priority Notes will be made in U.S. dollars until the euro or GBP, as the case may be, is again available to the Issuer or so used. The amount payable on any date in euro and/or GBP will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the then most recent U.S. dollar/euro exchange rate or U.S. dollar/GBP exchange rate, as applicable, available on or prior to the second Business Day prior to the relevant payment date as determined by the Issuer in its sole discretion. Any payment in respect of the First Priority Notes so made in U.S. dollars will not constitute an Event of Default under the First Priority Notes or the Indenture. Neither the Trustee nor the paying agent for the First Priority Notes shall have any responsibility for any calculation or conversion in connection with the foregoing.]

Optional Redemption

On or after the third anniversary of the Closing Date, the Issuer may redeem the either series of the First Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each holder's registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing on the dates set forth below:

Period	Redemption Price
Third anniversary of the Closing Date	[] ¹ %
Fourth anniversary of the Closing Date	[] ² %
Fifth anniversary of the Closing Date and thereafter	100.00%

In addition, prior to the third anniversary of the Closing Date, the Issuer may redeem either series of the First Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each holder's registered address, at a redemption price equal to 100% of the principal amount of such series of First Priority Notes redeemed plus the Applicable Premium of such series as of, and accrued and unpaid interest, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to the third anniversary of the Closing Date, the Issuer may redeem in the aggregate up to 40% of the original aggregate principal amount of the First Priority Euro Notes and/or First Priority GBP Notes (calculated after giving effect to any issuance of Additional Notes, as applicable), with the net cash proceeds of one or more Equity Offerings (1) by the Issuer or (2) by any direct or indirect parent of the Issuer, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer from it, at a redemption price (expressed as a percentage of the principal amount thereof) of par plus the applicable Total Cap, plus accrued and unpaid interest to, if any, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of such series of First Priority Notes (calculated after giving effect to any issuance of Additional Notes, as applicable) must remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 30 nor more than 60 days' notice sent electronically or mailed to each holder of First Priority Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

¹ Premium equal to one-half the Total Euro Cap/Total GBP Cap, as applicable.

² Premium equal to one-quarter the Total Euro Cap/Total GBP Cap, as applicable.

Any redemption or notice described above may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

Redemption Upon Changes in Withholding Taxes

If as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States (including any state thereof and the District of Columbia and its territories, possessions and or any political subdivision thereof or therein or taxing authority thereof or therein having power to tax) (a "Relevant Taxing Jurisdiction"), or any change in, or amendment to, the official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced and becomes effective on and after the date of this offering circular (or if the Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction on a date after the date of this offering circular, such later date), the Issuer becomes or will become obligated to pay, on the next date for any payment and as a result of that change or amendment, material additional amounts with respect to the First Priority Notes as described herein under the heading "—Payment of Additional Amounts," then BPC may, at its option, redeem the First Priority Notes, in whole but not in part, upon not less than 30 days' nor more than 60 days' notice, at a redemption price equal to 100% of their principal amount, together with interest accrued but unpaid thereon to the date fixed for redemption; *provided* that we determine, in our business judgment, that the obligation to pay such material additional amounts cannot be avoided by the use of reasonable measures available to us. No redemption may be made unless we have received an opinion of independent counsel of recognized expertise in the laws of the relevant jurisdiction and reasonably satisfactory to the Trustee to the effect that as a result of such change or amendment we will be required to pay the additional amounts described herein under the heading "—Payment of Additional Amounts," and we shall have delivered to the Trustee a certificate, signed by a duly authorized officer, stating that based on such opinion the Issuer is entitled to redeem the First Priority Notes pursuant to their terms.

Payment of Additional Amounts

[This provision to be defined in a customary manner consistent for transaction of this type and reasonably acceptable to the Issuer and the Investment Banks.]

Selection

In the case of any partial redemption, selection of First Priority Notes for redemption will be made by the Trustee by lot in accordance with the depositary's procedures; *provided* that no First Priority Notes of €100,000/£100,000, as applicable, or less shall be redeemed in part. If any First Priority Note is to be redeemed in part only, the notice of redemption relating to such First Priority Note shall state the portion of the principal amount thereof to be redeemed. A new First Priority Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original First Priority Note. On and after the redemption date, interest will cease to accrue on First Priority Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest (if any) on, the First Priority Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of the Indenture.

Mandatory Redemption; Offers to Purchase; Open Market Purchases

The Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the First Priority Notes. However, under certain circumstances, the Issuer may be required to offer to purchase First Priority Notes as described under the captions “— Change of Control” and “— Certain Covenants — Asset Sales.” The Issuer may at any time and from time to time purchase First Priority Notes in the open market or otherwise.

Ranking

The Indebtedness evidenced by the First Priority Notes will be senior Indebtedness of the Issuer, will be equal in right of payment to all existing and future Pari Passu Indebtedness, will be senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer and will have the benefit of the security interest in the Collateral set forth in the Bridge Loan Agreement.

From and after the Issue Date, the Indebtedness evidenced by the Subsidiary Guarantees will be senior Indebtedness of the applicable Subsidiary Guarantor, will be equal in right of payment to all existing and future Pari Passu Indebtedness of such Subsidiary Guarantor and will be senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and will have the benefit of the security interest in the Collateral set forth in the Bridge Loan Agreement.

The Indebtedness evidenced by the Parent Guarantee will be senior Indebtedness of the Parent Guarantor, will be equal in right of payment to all existing and future Parent Pari Passu Indebtedness and will be senior in right of payment to all existing and future Parent Subordinated Indebtedness. The Parent Guarantee will not be secured by any lien on the Parent Guarantor's property or assets.

Security for the First Priority Notes

The First Priority Notes and the Subsidiary Guarantees will be secured by first priority security interests in the Collateral (subject to Permitted Liens) on substantially the same terms as set forth in the Bridge Loan Agreement and related collateral documents.

Subsidiary Guarantees and Parent Guarantee

From and after the Issue Date, each of (i) the Parent Guarantor and (ii) the Issuer's direct and indirect Restricted Subsidiaries that are Domestic Subsidiaries on the Issue Date that guarantee Indebtedness under the Credit Agreements will jointly and severally irrevocably and unconditionally guarantee on a senior basis the performance and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all obligations of the Issuer under the Indenture and the First Priority Notes, whether for payment of principal of, premium, if any, or interest on the First Priority Notes, expenses, indemnification or otherwise (all such obligations being herein called the “Guaranteed Obligations”). The Guaranteed Obligations of each Subsidiary Guarantor will be secured by first priority security interests (subject to Permitted Liens) in the Collateral owned by such Subsidiary Guarantor. The Parent Guarantee will not be secured by any lien on the Parent Guarantor's assets. Each of the Parent Guarantor and the Subsidiary Guarantors will agree to pay, in addition to the amount stated above, any and all expenses (including reasonable counsel fees and expenses) incurred by the Collateral Agent, the Trustee or the holders in enforcing any rights under the Parent Guarantee or Subsidiary Guarantees, as applicable.

Each Subsidiary Guarantee will be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the applicable Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. The Issuer will cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that Incurs or guarantees certain Indebtedness of the Issuer or any of its Restricted Subsidiaries or issues shares of Disqualified Stock, to execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary will guarantee payment of the First Priority Notes on the same senior basis. See “— Certain Covenants — Future Subsidiary Guarantors.”

Each of the Parent Guarantee and each Subsidiary Guarantee will be a continuing guarantee and shall:

- (1) remain in full force and effect until payment in full of all the Guaranteed Obligations;
- (2) subject to the next succeeding paragraph, be binding upon the Parent Guarantor or such Subsidiary Guarantor, as applicable, and its respective successors; and
- (3) inure to the benefit of and be enforceable by the Trustee, the holders and their successors, transferees and assigns.

A Subsidiary Guarantee of a Subsidiary Guarantor will be automatically released upon:

- (1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary), of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with the Indenture,
 - (b) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under “— Certain Covenants — Limitation on Restricted Payments” and the definition of “Unrestricted Subsidiary,”
 - (c) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the First Priority Notes pursuant to the covenant described under “— Certain Covenants — Future Subsidiary Guarantors,” the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the First Priority Lien Obligations, and
 - (d) the Issuer’s exercise of its legal defeasance option or covenant defeasance option as described under “— Defeasance,” or the discharge of the Issuer’s obligations under the Indenture in accordance with the terms of the Indenture; and
- (2) in the case of clause (1)(a) above, such Subsidiary Guarantor is released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer.

A Subsidiary Guarantee also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing First Priority Lien Obligations, subject to, in each case, the application of the proceeds of such foreclosure in the manner set forth in the Bridge Documentation, or if such Subsidiary is released from its guarantees of, and all pledges and security interests granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer which results in the obligation to guarantee the First Priority Lien Obligations.

For the avoidance of doubt, the Parent Guarantor shall not be considered a “Subsidiary Guarantor” for purposes of and as defined in the Indenture and shall not be subject to any of the obligations or agreements of a Subsidiary Guarantor thereunder.

Change of Control

From and after the Issue Date, upon the occurrence of any of the following events (each, a “Change of Control”), each holder will have the right to require the Issuer to repurchase all or any part of such holder’s First Priority Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Issuer has previously elected to redeem First Priority Notes as described under “— Optional Redemption”:

(1) the sale, lease or transfer, in one or a series of related transactions, of all or substantially all the assets of the Issuer and its Subsidiaries, taken as a whole, to a Person other than any of the Permitted Holders; or

(2) the Issuer becomes aware (by way of a report or any other filing pursuant to Section 13(d) of the Exchange Act, proxy, vote, written notice or otherwise) of the acquisition by any Person or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of securities (within the meaning of Rule 13d-5(b)(1) under the Exchange Act), other than any of the Permitted Holders, in a single transaction or in a related series of transactions, by way of merger, consolidation or other business combination or purchase of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act, or any successor provision), of more than 50% of the total voting power of the Voting Stock of the Issuer or any direct or indirect parent of the Issuer.

In the event that at the time of such Change of Control the terms of any Bank Indebtedness restrict or prohibit the repurchase of First Priority Notes pursuant to this covenant, then prior to the mailing or sending electronically of the notice to holders provided for in the immediately following paragraph but in any event within 30 days following any Change of Control, the Issuer shall:

(1) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of First Priority Notes, offer to repay in full all such Bank Indebtedness and repay all Bank Indebtedness of each lender who has accepted such offer; or

(2) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the First Priority Notes as provided for in the immediately following paragraph.

Within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the First Priority Notes as described under “— Optional Redemption,” the Issuer shall mail or send electronically a notice (a “Change of Control Offer”) to each holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such holder has the right to require the Issuer to repurchase such holder’s First Priority Notes at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on a record date to receive interest on the relevant interest payment date);

(2) the circumstances and relevant facts and financial information regarding such Change of Control;

(3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and

(4) the instructions determined by the Issuer, consistent with this covenant, that a holder must follow in order to have its First Priority Notes purchased.

A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all First Priority Notes validly tendered and not withdrawn under such Change of Control Offer.

If holders of not less than 90% in aggregate principal amount of the outstanding First Priority Notes validly tender and do not withdraw such notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the notes validly tendered and not withdrawn by such holders, the Issuer or such third party will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

First Priority Notes repurchased by the Issuer pursuant to a Change of Control Offer will have the status of First Priority Notes issued but not outstanding or will be retired and canceled at the option of the Issuer. First Priority Notes purchased by a third party pursuant to the preceding paragraph will have the status of First Priority Notes issued and outstanding.

The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of First Priority Notes pursuant to this covenant. To the extent that the provisions of any securities laws or regulations conflict with provisions of this covenant, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this covenant by virtue thereof.

The provisions under the Indenture relating to the Issuer's obligation to make an offer to repurchase the First Priority Notes as a result of a Change of Control may be waived or modified with the written consent of the holders of a majority in principal amount of the First Priority Notes.

Certain Covenants

Set forth below are summaries of certain covenants that will be contained in the Indenture. If, on any date following the Issue Date, (i) the First Priority Notes have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under the Indenture then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the ratings of the First Priority Notes, the covenants specifically listed under the following captions in this "Description of First Priority Notes" will no longer be applicable to the First Priority Notes:

- (1) "— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";
- (2) "— Limitation on Restricted Payments";
- (3) "— Dividend and Other Payment Restrictions Affecting Subsidiaries";
- (4) "— Asset Sales";
- (5) "— Transactions with Affiliates";
- (6) "— Future Subsidiary Guarantors"; and
- (7) clause (4) of the first paragraph of "— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets."

In addition, during any period of time that (i) the First Priority Notes have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under the Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Issuer and its Restricted Subsidiaries will not be subject to the covenant described under "Change of Control" (the "Suspended Covenant"). In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under the Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the First Priority Notes below an Investment Grade Rating or (b) the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the First Priority Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant from such date with respect to future events, including, without limitation, a proposed transaction described in clause (b) above, until the occurrence, if any, of another Covenant Suspension Event, or the termination of such agreement, or the withdrawal by such Rating Agency of such indication, whichever occurs earliest. The Issuer shall deliver written notice to the Trustee promptly upon the occurrence of any Reversion Date.

Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock. The Indenture will provide that, from and after the Issue Date:

(1) the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and

(2) the Issuer will not permit any of its Restricted Subsidiaries (other than a Subsidiary Guarantor) to issue any shares of Preferred Stock;

provided, however, that the Issuer and any Restricted Subsidiary that is a Subsidiary Guarantor or a Foreign Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

The foregoing limitations will not apply to:

(a) (x) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under any Credit Agreements and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof) in the aggregate principal amount of \$[] million³ plus an aggregate additional principal amount outstanding at any one time that does not cause the Secured Indebtedness Leverage Ratio of the Issuer to exceed 4.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom) and (y) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under the Revolving Credit Agreement or any other Credit Agreement that is a revolving, working capital or liquidity facility in an aggregate amount not to exceed the greater of (A) \$750 million and (B) the Borrowing Base as of the date of such Incurrence

(b) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the First Priority Notes (not including any Additional Notes) and any Rollover Loans and the Subsidiary Guarantees, as applicable;

(c) (x) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the Second Priority Notes and any Second Priority Rollover Loans in an aggregate amount not to exceed \$[] and the subsidiary guarantees thereof and (y) Indebtedness existing on the Closing Date (other than Indebtedness described in clauses (a), (b) and clause (c)(x));

(d) Indebtedness (including Capitalized Lease Obligations) Incurred by the Issuer or any of its Restricted Subsidiaries, Disqualified Stock issued by the Issuer or any of its Restricted Subsidiaries and Preferred Stock issued by any Restricted Subsidiaries of the Issuer to finance (whether prior to or within 270 days after) the purchase, lease, construction or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets (but no other material assets));

³ To be set at the amount of term loans outstanding on the Closing Date.

(e) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

(n) the Incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer which serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under the first paragraph of this covenant and clauses (a), (b), (c), (d), (n), (o), (s) and (t) of this paragraph or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(2) has a Stated Maturity which is not earlier than the earlier of (x) the Stated Maturity of the Indebtedness being refunded or refinanced or (y) 91 days following the maturity date of the First Priority Notes;

(3) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the First Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, such Refinancing Indebtedness is junior to the First Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock;

(4) is Incurred in an aggregate amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the aggregate amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium, fees and expenses Incurred in connection with such refinancing;

(6) in the case of any Refinancing Indebtedness Incurred to refinance Indebtedness outstanding under clause (a), (d) or (t), shall be deemed to have been Incurred and to be outstanding under such clause (a), (d) or (t), as applicable, and not this clause (n) for purposes of determining amounts outstanding under such clauses (a), (d) and (t);

provided, further, that subclauses (1) and (2) of this clause (n) will not apply to any refunding or refinancing of any Secured Indebtedness constituting First Priority Lien Obligations;

(o) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or any of its Restricted Subsidiaries incurred to finance an acquisition or (y) Persons that are acquired by the Issuer or any of its Restricted Subsidiaries or merged with or into the Issuer or any of its Restricted Subsidiaries in accordance with the terms of the Indenture; *provided, however*, that after giving effect to such acquisition or merger, either:

(s) Contribution Indebtedness;

(t) Indebtedness of Foreign Subsidiaries; *provided, however*, that the aggregate principal amount of Indebtedness Incurred under this clause (t), when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (t), does not exceed, at any one time outstanding, the greater of \$100.0 million and 10.0% of the Total Assets held on the balance sheet of all Foreign Subsidiaries of the Issuer, taken together, at the time of Incurrence;

(u) Indebtedness of the Issuer or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business; and

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (a) through (v) above or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness in any manner that complies with this covenant; *provided* that all Indebtedness under the Term Loan Bridge Credit Agreement and the Existing Term Credit Agreement outstanding on the Issue Date shall be deemed to have been incurred pursuant to the fixed dollar prong of clause (a) and the Issuer shall not be permitted to reclassify all or any portion of such Indebtedness. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Limitation on Restricted Payments. The Indenture will provide that, from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(2) purchase or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer;

(3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness of the Issuer or any of its Restricted Subsidiaries (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (g) and (i) of the second paragraph of the covenant described under "— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"); or

(4) make any Restricted Investment.

“Cumulative Credit” means the sum of (without duplication):

(1) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period, the “Reference Period”) from [December 31, 2010]⁴ to the end of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit), plus

(2) 100% of the aggregate net proceeds, including cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash, received by the Issuer after the Closing Date from the issue or sale of Equity Interests of the Issuer (excluding Refunding Capital Stock (as defined below), Designated Preferred Stock, Excluded Contributions, Disqualified Stock and the Cash Contribution Amount), including Equity Interests issued upon conversion of Indebtedness or Disqualified Stock or upon exercise of warrants or options (other than an issuance or sale to a Restricted Subsidiary of the Issuer or an employee stock ownership plan or trust established by the Issuer or any of its Subsidiaries), plus

(3) 100% of the aggregate amount of contributions to the capital of the Issuer received in cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash after the Closing Date (other than Excluded Contributions, Refunding Capital Stock, Designated Preferred Stock, Disqualified Stock and the Cash Contribution Amount), plus

(4) the principal amount of any Indebtedness, or the liquidation preference or maximum fixed repurchase price, as the case may be, of any Disqualified Stock of the Issuer or any Restricted Subsidiary thereof issued after the Closing Date (other than Indebtedness or Disqualified Stock issued to a Restricted Subsidiary) which has been converted into or exchanged for Equity Interests in the Issuer (other than Disqualified Stock) or any direct or indirect parent of the Issuer (provided in the case of any parent, such Indebtedness or Disqualified Stock is retired or extinguished), plus

(5) 100% of the aggregate amount received after the Closing Date by the Issuer or any Restricted Subsidiary in cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash received after the Closing Date by the Issuer or any Restricted Subsidiary from:

(A) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary of the Issuer) of Restricted Investments made by the Issuer and its Restricted Subsidiaries and from repurchases and redemptions of such Restricted Investments from the Issuer and its Restricted Subsidiaries by any Person (other than the Issuer or any of its Restricted Subsidiaries) and from repayments of loans or advances which constituted Restricted Investments (other than in each case to the extent that the Restricted Investment was made pursuant to clause (7) or (10) of the succeeding paragraph),

(B) the sale (other than to the Issuer or a Restricted Subsidiary of the Issuer) of the Capital Stock of an Unrestricted Subsidiary, or

(C) a distribution or dividend from an Unrestricted Subsidiary, plus

(6) in the event any Unrestricted Subsidiary of the Issuer has been redesignated as a Restricted Subsidiary or has been merged, consolidated or amalgamated with or into, or transfers or conveys its assets to, or is liquidated into, the Issuer or a Restricted Subsidiary, in each case, after the Closing Date, the Fair Market Value (as determined in good faith by the Issuer or, if such Fair Market Value may exceed \$25.0 million, in writing by an Independent Financial Advisor) of the Investment of the Issuer in such Unrestricted Subsidiary at the time of such redesignation, combination or transfer (or of the assets transferred or conveyed, as applicable), after taking into account any Indebtedness associated with the Unrestricted Subsidiary so designated or combined or any Indebtedness associated with the assets so transferred or conveyed (other than in each case to the extent that the designation of such Subsidiary as an Unrestricted Subsidiary was made pursuant to clause (7) or (10) of the succeeding paragraph or constituted a Permitted Investment).

⁴ To be conformed to the date under the Bridge Loan Agreement.

The foregoing provisions will not prohibit:

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Indenture;

(2) (a) the repurchase, retirement or other acquisition of any Equity Interests ("Retired Capital Stock") of the Issuer or any direct or indirect parent of the Issuer or Subordinated Indebtedness of the Issuer, any direct or indirect parent of the Issuer or any Subsidiary Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale of, Equity Interests of the Issuer or any direct or indirect parent of the Issuer or contributions to the equity capital of the Issuer (other than any Disqualified Stock or any Equity Interests sold to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) (collectively, including any such contributions, "Refunding Capital Stock"); and

(a) the cash proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of Equity Interests (other than Disqualified Stock) of the Issuer or any direct or indirect parent of the Issuer (to the extent contributed to the Issuer) to members of management, directors or consultants of the Issuer and its Restricted Subsidiaries or any direct or indirect parent of the Issuer that occurs after September 20, 2006 *provided* that the amount of such cash proceeds utilized for any such repurchase, retirement, other acquisition or dividend will not increase the amount available for Restricted Payments under clause (c) of the first paragraph under “— Limitation on Restricted Payments”); plus

(b) the cash proceeds of key man life insurance policies received by the Issuer or any direct or indirect parent of the Issuer (to the extent contributed to the Issuer) or the Issuer’s Restricted Subsidiaries after September 20, 2006; *provided* that the Issuer may elect to apply all or any portion of the aggregate increase contemplated by clauses (a) and (b) above in any calendar year;

(6) the declaration and payment of dividends or distributions (a) to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date and (b) to any direct or indirect parent of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of any direct or indirect parent of the Issuer issued after the Issue Date; *provided, however*, that, (x) for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a pro forma basis, the Issuer would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00 and (y) the aggregate amount of dividends declared and paid pursuant to this clause (6) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(13) the payment of dividends, other distributions or other amounts or the making of loans or advances by the Issuer, if applicable:

(a) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Issuer, if applicable, and general corporate overhead expenses of any direct or indirect parent of the Issuer, if applicable, in each case to the extent such fees and expenses are attributable to the ownership or operation of the Issuer, if applicable, and its Subsidiaries;

(19) any payments made, including any such payments made to any direct or indirect parent of the Issuer to enable it to make payments, in connection with the consummation of the Transactions (other than payments to any Permitted Holder or any Affiliate thereof); and

(20) in addition to the foregoing Restricted Payments, the Issuer may make additional Restricted Payments so long as immediately after giving pro forma effect thereto and the application of the net proceeds therefrom, the Total Indebtedness Leverage Ratio would be no greater than 3.00 to 1.00;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (6), (7), (10) and (11) above, no Default shall have occurred and be continuing or would occur as a consequence thereof.

The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of “Unrestricted Subsidiary.” For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of “Investments.” Such designation will only be permitted if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Dividend and Other Payment Restrictions Affecting Subsidiaries. The Indenture will provide that, from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;

(6) Secured Indebtedness otherwise permitted to be Incurred pursuant to the covenants described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “— Liens” that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(9) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause

(c) above on the property subject to such lease;

(11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided, however*, that such restrictions apply only to such Receivables Subsidiary;

(12) other Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer

(i) that is a Subsidiary Guarantor that is Incurred subsequent to the Issue Date pursuant to the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” or

(ii) that is Incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to clause (d), (l) or (t) of the second paragraph of the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”;

(13) any Restricted Investment not prohibited by the covenant described under “— Limitation on Restricted Payments” and any Permitted Investment; or

(14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this covenant, (1) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (2) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Asset Sales. The Indenture will provide that from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the Issuer’s or such Restricted Subsidiary’s most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the First Priority Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets,

(b) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(c) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of 2.0% of Total Assets and \$175.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value) shall be deemed to be Cash Equivalents for the purposes of this provision.

Within 365 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:

(1) to repay (A) Indebtedness constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), *provided* that (x) to the extent that the terms of First Priority Lien Obligations other than the Note Obligations require that such First Priority Lien Obligations are repaid with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to repaying the Obligations under the First Priority Notes and (y) subject to the foregoing clause (x), if the Issuer or any Subsidiary Guarantor shall so reduce other First Priority Lien Obligations, the Issuer will equally and ratably reduce Obligations under the First Priority Notes through open-market purchases *provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the pro rata principal amount of First Priority Notes), or (B) Indebtedness of a Foreign Subsidiary or (C) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer,

(2) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case used or useful in a Similar Business, or

(3) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale.

In the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment; *provided, further* that the Issuer or such Restricted Subsidiary may only enter into such a commitment under the foregoing provision one time with respect to each Asset Sale.

Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this paragraph (it being understood that any portion of such Net Proceeds used to make an offer to purchase First Priority Notes, as described in clause (1) above, shall be deemed to have been invested whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuer shall make an offer to all holders of First Priority Notes (and, at the option of the Issuer, to holders of any other First Priority Lien Obligations) (an "Asset Sale Offer") to purchase the maximum principal amount of First Priority Notes (and such First Priority Lien Obligations), that is at least €100,000/£100,000 and an integral multiple of €1,000/£1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations were issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations), to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds \$15.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. To the extent that the aggregate amount of First Priority Notes (and such First Priority Lien Obligations) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of First Priority Notes (and such First Priority Lien Obligations) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the First Priority Notes to be purchased in the manner described below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the First Priority Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

If more First Priority Notes (and such First Priority Lien Obligations) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such First Priority Notes for purchase will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such First Priority Notes are listed, or if such First Priority Notes are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided* that no First Priority Notes of \$2,000 or less shall be purchased in part. Selection of such First Priority Lien Obligations will be made pursuant to the terms of such First Priority Lien Obligations.

Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the purchase date to each holder of First Priority Notes at such holder's registered address. If any First Priority Note is to be purchased in part only, any notice of purchase that relates to such First Priority Note shall state the portion of the principal amount thereof that has been or is to be purchased.

Transactions with Affiliates. The Indenture will provide that from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, unless:

(a) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and

(b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (a) above.

The foregoing provisions will not apply to the following:

(1) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and any merger of the Issuer and any direct parent of the Issuer; provided that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger is otherwise in compliance with the terms of the Indenture and effected for a bona fide business purpose;

(2) Restricted Payments permitted by the provisions of the Indenture described above under the covenant "— Limitation on Restricted Payments" and Permitted Investments;

(3) [reserved];

(4) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;

(5) [reserved];

(6) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;

(7) payments or loans (or cancellation of loans) to employees or consultants which are approved by a majority of the Board of Directors of the Issuer in good faith;

(8) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the First Priority Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by senior management or the Board of Directors of the Issuer;

(9) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of the Original Acquisition Documents, the Pliant Acquisition Documents or any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, and any transaction, agreement or arrangement entered into in connection with the Transactions and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter or have entered into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the holders of the First Priority Notes in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(10) [Reserved];

(11) (a) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (b) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;

(12) any transaction effected as part of a Qualified Receivables Financing;

(13) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;

(14) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(15) the entering into of any tax sharing agreement or arrangement and any payments permitted by clause (12) of the second paragraph of the covenant described under “— Limitation on Restricted Payments”;

(16) any contribution to the capital of the Issuer;

(17) transactions permitted by, and complying with, the provisions of the covenant described under “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets”;

(18) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(19) pledges of Equity Interests of Unrestricted Subsidiaries;

(20) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business; and

(21) intercompany transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers’ Certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing any covenant set forth in the Indenture.

Liens. The Indenture will provide that, from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien other than Permitted Liens on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness unless such Lien securing such Indebtedness of the Issuer or such Restricted Subsidiary is junior to the Liens securing the Note Obligations upon the assets or property constituting the collateral for such Indebtedness, on terms no less favorable in any material respect to the holders of the First Priority Notes than the terms set forth in the Second Priority Intercreditor Agreement. In the case of any Permitted Lien that secures First Priority Lien Obligations, the First Priority Notes shall be equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the First Priority Notes) the obligations so secured on terms no less favorable in any material respect to the holders of the First Priority Notes than the terms set forth in the Intercreditor Agreement; *provided* that First Priority Lien Obligations that are Obligations in respect of a Revolving Credit Agreement may be secured on a senior basis with respect to any Revolving Facility Senior Collateral to Liens securing the Note Obligations with respect to such collateral, on terms no less favorable in any material respect to the holders of the First Priority Notes than the terms set forth in the Intercreditor Agreement.

Reports and Other Information. The Indenture will provide that, from and after the Issue Date, notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer will file with the SEC (and provide the Trustee and holders with copies thereof, without cost to each holder, within 15 days after it files them with the SEC),

(1) within the time period specified in the SEC’s rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(2) within the time period specified in the SEC’s rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),

(3) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC’s rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and

(4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

provided, however, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer will make available such information to prospective purchasers of First Priority Notes, including by posting such reports on the primary website of the Issuer or its Subsidiaries, in addition to providing such information to the Trustee and the holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

In the event that:

(a) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis and

(b) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer, such consolidated reporting at such parent entity's level in a manner consistent with that described in this covenant for the Issuer will satisfy this covenant.

In addition, the Issuer will make such information available to prospective investors upon request. In addition, the Issuer has agreed that, for so long as any First Priority Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, it will furnish to the holders of the First Priority Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

(a) So long as the Parent Guarantee is in effect, or

(b) in the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Indenture will permit the Issuer to satisfy its obligations in this covenant with respect to financial information relating to the Issuer by furnishing financial information relating to the Parent Guarantor, or to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to the Parent Guarantor, or to such direct or indirect parent, and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Future Subsidiary Guarantors. The Indenture will provide that, from and after the Issue Date, the Issuer will cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that

(a) guarantees any Indebtedness of the Issuer or any of its Restricted Subsidiaries, or

(b) incurs any Indebtedness or issues any shares of Disqualified Stock permitted to be Incurred or issued pursuant to clauses (a) or (l) of the second paragraph of the covenant described under

“— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” or not permitted to be Incurred by such covenant,

to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the First Priority Notes. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Subsidiary Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Each Subsidiary Guarantee shall be released in accordance with the provisions of the Indenture described under “— Subsidiary Guarantees and Parent Guarantee.”

Amendment of Security Documents. From and after the Issue Date, the Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the holders of the First Priority Notes in any material respect, except as set forth in the Bridge Documentation or as permitted under “— Amendments and Waivers.”

After-Acquired Property. The Indenture will provide that, from and after the Issue Date, upon the acquisition by any Issuer or any Subsidiary Guarantor of any First Priority After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such First Priority After-Acquired Property and to have such First Priority After-Acquired Property (but subject to the limitations set forth in the Bridge Documentation) added to the Collateral, and thereupon all provisions of the Indenture relating to the Collateral shall be deemed to relate to such First Priority After-Acquired Property to the same extent and with the same force and effect; *provided, however*, that if granting such first priority security interest in such First Priority After-Acquired Property requires the consent of a third party, the Issuer will use commercially reasonable efforts to obtain such consent with respect to the first priority interest for the benefit of the Trustee on behalf of the holders of the First Priority Notes; *provided, further, however*, that if such third party does not consent to the granting of such first priority security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

[Maintenance of Listing. The Issuer will use its commercially reasonable efforts to obtain and maintain the listing of the First Priority Notes on the [] for so long as the First Priority Notes are outstanding; *provided* that if at any time the Issuer determines that it will not maintain such listing, it will, prior to the delisting of the First Priority Notes from the [] (if then listed on the [] (if then listed on the []), use commercially reasonable efforts to obtain and maintain a listing of the First Priority Notes on another “recognised stock exchange” as defined in Section 1005 of the Income Tax Act 2007 of the United Kingdom (in which case, references in this covenant to the [] will be deemed to refer to such other “recognised stock exchange”). In no event will this covenant require the Issuer to obtain or maintain the listing of the First Priority Notes on any exchange that required financial reporting for any fiscal period in addition to the fiscal periods required by the SEC.]⁵

Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets

The Indenture will provide that, from and after the Issue Date, the Issuer may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(1) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, Delaware LLC Division, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (the Issuer or such Person, as the case may be, being herein called the “Successor Company”); *provided* that in the case where the surviving Person is not a corporation, a co-obligor of the First Priority Notes is a corporation;

(2) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under the Indenture, the First Priority Notes and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

⁵ Provision subject to updating for customary market terms.

(3) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(4) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(a) the Successor Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under “— Certain Covenants — Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”; or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(5) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person’s obligations under the Indenture and the First Priority Notes; and

(6) the Issuer shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with the Indenture.

The Successor Company (if other than the Issuer) will succeed to, and be substituted for, the Issuer under the Indenture, the First Priority Notes and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under the Indenture, the First Priority Notes and the Security Documents. Notwithstanding the foregoing clauses (3) and (4), (a) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (b) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets” covenant will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

The Indenture further will provide that, subject to certain limitations in the Indenture governing release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor, no Subsidiary Guarantor will, and the Issuer will not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(1) either (a) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, Delaware LLC Division, or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia or any territory of the United States (such Subsidiary Guarantor or such Person, as the case may be, being herein called the “Successor Subsidiary Guarantor”) and the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee and the Collateral Agent, or (b) such sale or disposition or consolidation, amalgamation, Delaware LLC Division, or merger is not in violation of the covenant described above under the caption “— Certain Covenants — Asset Sales”; and

(2) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee and the Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with the Indenture.

Subject to certain limitations described in the Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents.

Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a “Transfer”) to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; provided that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date (excluding Transfers in connection with the Transactions).

Defaults

An Event of Default will be defined in the Indenture with respect to the First Priority Notes as:

(1) a default in any payment of interest on any First Priority Note when the same becomes due and payable and such default continues for a period of 30 days,

(2) a default in the payment of principal or premium, if any, of any First Priority Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,

(3) the failure by the Issuer or any of its Restricted Subsidiaries to comply with the covenant described under “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets” above,

(4) the failure by the Issuer or any of its Restricted Subsidiaries to comply for 60 days after notice with its other agreements contained in the First Priority Notes or the Indenture,

(5) the failure by the Issuer or any Significant Subsidiary to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent (the “cross-acceleration provision”),

(6) certain events of bankruptcy, insolvency or reorganization of the Issuer or a Significant Subsidiary (the “bankruptcy provisions”),

(7) failure by the Issuer or any Significant Subsidiary to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof (the “judgment default provision”),

(8) any Subsidiary Guarantee of a Significant Subsidiary with respect to the First Priority Notes ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under the Indenture or any Subsidiary Guarantee with respect to the First Priority Notes and such Default continues for 10 days,

(9) unless all of the Collateral has been released from the first priority Liens in accordance with the provisions of the Security Documents with respect to the First Priority Notes, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or

(22) the failure by the Issuer or any Subsidiary Guarantor to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the holders of the First Priority and would not materially affect the value of the Collateral taken as a whole (together with the defaults described in clauses (8) and (9) the “security default provisions”).

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under clause (4) or (10) will not constitute an Event of Default until the Trustee notifies the Issuer or the holders of 25% in principal amount of the outstanding First Priority Notes and Rollover Loans notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (4) or (10) hereof after receipt of such notice.

If an Event of Default (other than a Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer) occurs with respect to the First Priority Notes and is continuing, the Trustee or the holders of at least 25% in principal amount of outstanding First Priority Notes and Rollover Loans by notice to the Issuer may declare the principal of, premium, if any, and accrued but unpaid interest on all the First Priority Notes to be due and payable. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer occurs, the principal of, premium, if any, and interest on all the First Priority Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holders. Under certain circumstances, the holders of a majority in principal amount of outstanding First Priority Notes may rescind any such acceleration with respect to the First Priority Notes and its consequences.

In the event of any Event of Default specified in clause (5) of the first paragraph above, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders of the First Priority Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officers’ Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the First Priority Notes as described above be annulled, waived or rescinded upon the happening of any such events.

Subject to the provisions of the Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders unless such holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to the Indenture or the First Priority Notes unless:

- (1) such holder has previously given the Trustee written notice that an Event of Default is continuing,
- (2) holders of at least 25% in principal amount of the outstanding First Priority Notes and Rollover Loans have requested the Trustee to pursue the remedy,
- (3) such holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense,
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and
- (5) the holders of a majority in principal amount of the outstanding First Priority Notes and Rollover Loans have not given the Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, the holders of a majority in principal amount of outstanding First Priority Notes and Rollover Loans are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee will be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

The Indenture provides that if a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each holder of First Priority Notes notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any First Priority Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding notice is in the interests of the holders. In addition, the Issuer is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take in respect thereof.

Amendments and Waivers

Subject to certain exceptions, the Indenture and the Security Documents may be amended with the consent of the holders of a majority in principal amount of the First Priority Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the holders of a majority in principal amount of the First Priority Notes then outstanding; provided that (x) if such amendment or waiver will only affect on series of the First Priority Notes (or less than all series of the First Priority Notes) then outstanding under the Indenture, then only the consent of the holders of a majority in principal amount of the First Priority Notes of such series then outstanding shall be required and (y) if any such amendment or waiver by its terms will affect a series of the First Priority Notes in a manner differently and materially adverse relative to the manner such amendment or waiver affects other series of First Priority Notes, then the consent of the holders of a majority in principal amount of the First Priority Notes of such series then outstanding shall be required. However, without the consent of each holder of an outstanding First Priority Note affected, no amendment may, among other things:

- (1) reduce the amount of First Priority Notes whose holders must consent to an amendment,

- (2) reduce the rate of or extend the time for payment of interest on any First Priority Note,
- (3) reduce the principal of or change the Stated Maturity of any First Priority Note,
- (4) reduce the premium payable upon the redemption of any First Priority Note or change the time at which any First Priority Note may be redeemed as described under “— Optional Redemption” above,
- (5) make any First Priority Note payable in money other than that stated in such First Priority Note,
- (6) expressly subordinate the First Priority Notes or any Subsidiary Guarantee to any other Indebtedness of the Issuer or any Subsidiary Guarantor,
- (7) impair the right of any holder to receive payment of principal of, premium, if any, and interest on such holder’s First Priority Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder’s First Priority Notes,
- (8) make any change in the amendment provisions which require each holder’s consent or in the waiver provisions,
- (9) modify any Subsidiary Guarantee in any manner adverse to the holders, or
- (10) make any change in the provisions in the Intercreditor Agreement or the Indenture dealing with the application of gross proceeds of Collateral that would adversely affect the holders of the First Priority Notes.

Without the consent of the holders of at least two-thirds in aggregate principal amount of the First Priority Notes then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of the Indenture and the Security Documents with respect to the First Priority Notes.

Without the consent of any holder, the Issuer and Trustee may amend the Indenture, any Security Document or the Intercreditor Agreement to cure any ambiguity, omission, defect or inconsistency, to provide for the assumption by a Successor Company of the obligations of the Issuer under the Indenture and the First Priority Notes, to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee, to provide for uncertificated First Priority Notes in addition to or in place of certificated First Priority Notes (*provided* that the uncertificated First Priority Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated First Priority Notes are described in Section 163(f)(2)(B) of the Code), to add a Subsidiary Guarantee with respect to the First Priority Notes, to secure the First Priority Notes, to add additional assets as Collateral, to release Collateral from the Lien pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreement, to modify the Security Documents and/or any Intercreditor Agreement, to secure additional extensions of credit and add additional secured creditors holding other First Priority Lien Obligations and/or second-priority secured Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and/or second-priority secured Obligations are not prohibited by the provisions of the Credit Agreements, Indenture, the Existing Second Priority Notes Indentures or the Second Priority Notes Indenture, to add to the covenants of the Issuer for the benefit of the holders or to surrender any right or power conferred upon the Issuer, to make any change that does not adversely affect the rights of any holder, to effect any provision of the Indenture or to make certain changes to the Indenture to provide for the issuance of additional First Priority Notes, to provide for the issuance of additional First Priority Notes which shall have terms substantially identical in all material respects to the First Priority Notes and which shall be treated, together with any outstanding First Priority Notes as a single series of securities, or to conform the text of the Indenture or the First Priority Notes to any provision of this “Description of First Priority Notes” to the extent that such a provision in this “Description of First Priority Notes” was intended to be a verbatim recitation of a provision of the Indenture or the First Priority Notes. In addition, the Intercreditor Agreement will provide that subject to certain exceptions, any amendment, waiver or consent to any of the collateral documents with respect to First Priority Lien Obligations will apply automatically to the comparable Security Documents.

The consent of the holders is not necessary under the Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment under the Indenture becomes effective, the Issuer is required to mail to the respective holders a notice briefly describing such amendment. However, the failure to give such notice to all holders entitled to receive such notice, or any defect therein, will not impair or affect the validity of the amendment.

No Personal Liability of Directors, Officers, Employees, Managers and Stockholders

No director, officer, employee, manager, incorporator or holder of any Equity Interests in the Issuer or any direct or indirect parent corporation, as such, will have any liability for any obligations of the Issuer under the First Priority Notes, the Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of First Priority Notes by accepting a First Priority Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the First Priority Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Transfer and Exchange

A noteholder may transfer or exchange First Priority Notes in accordance with the Indenture. Upon any transfer or exchange, the registrar and the Trustee may require a noteholder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a noteholder to pay any taxes required by law or permitted by the Indenture. The Issuer is not required to transfer or exchange any First Priority Note selected for redemption or to transfer or exchange any First Priority Note for a period of 15 days prior to the mailing of a notice of redemption of First Priority Notes. The First Priority Notes will be issued in registered form and the registered holder of a First Priority Note will be treated as the owner of such First Priority Note for all purposes.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of First Priority Notes, as expressly provided for in the Indenture) as to all outstanding First Priority Notes of a series when:

(1) either (a) all the First Priority Notes of such series theretofore authenticated and delivered (except lost, stolen or destroyed First Priority Notes which have been replaced or paid and First Priority Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (b) all of the First Priority Notes of such series (i) have become due and payable, (ii) will become due and payable at their stated maturity within one year or (iii) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the First Priority Notes of such series not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the First Priority Notes of such series to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided* that in respect of any redemption that requires the payment of the Applicable Premium of such series, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium of such series calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(2) the Issuer and/or the Subsidiary Guarantors have paid all other sums payable under the Indenture of such series of First Priority Notes; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture with respect to such series of First Priority Notes have been complied with.

Defeasance

The Issuer at any time may terminate all of its obligations under the First Priority Notes of a series and the Indenture with respect to the holders of the First Priority Notes of a series ("legal defeasance"), except for certain obligations, including those respecting the defeasance trust and obligations to register the transfer or exchange of the First Priority Notes of such series, to replace mutilated, destroyed, lost or stolen First Priority Notes of such series and to maintain a registrar and Paying Agent in respect of the First Priority Notes of such series. The Issuer at any time may terminate its obligations under the covenants described under "— Certain Covenants" for the benefit of the holders of the First Priority Notes of a series, the operation of the cross acceleration provision, the bankruptcy provisions with respect to Significant Subsidiaries, the judgment default provision and the security default provisions described under "— Defaults" (but only to the extent that those provisions relate to the Defaults with respect to the First Priority Notes) and the undertakings and covenants contained under "— Change of Control" and "— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets" ("covenant defeasance") for the benefit of the holders of the First Priority Notes of a series. If the Issuer exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor will be released from all of its obligations with respect to its Subsidiary Guarantee and the Security Documents so long as no First Priority Notes of such series are then outstanding.

The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Issuer exercises its legal defeasance option, payment of the First Priority Notes of such series may not be accelerated because of an Event of Default with respect thereto. If the Issuer exercises its covenant defeasance option, payment of the First Priority Notes of such series may not be accelerated because of an Event of Default specified in clause (3), (4), (5), (6), (7) (with respect only to Significant Subsidiaries), (8), (9) or (10) under "— Defaults" or because of the failure of the Issuer to comply with clause (4) under "— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets."

In order to exercise its defeasance option, the Issuer must irrevocably deposit in trust (the "defeasance trust") with the Trustee money or U.S. Government Obligations deemed sufficient in the opinion of a nationally recognized firm of public accountants for the payment of principal, premium (if any) and interest on the First Priority Notes of such series to redemption or maturity, as the case may be, and must comply with certain other conditions, including (i) the passage of 123 days after the deposit, during which 123-day period no default occurs under clause (6) under "— Defaults" with respect to the Issuer, which default is continuing at the end of such period, and (ii) delivery to the Trustee of an Opinion of Counsel to the effect that holders of the First Priority Notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and, in the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the Internal Revenue Service or change in applicable federal income tax law); provided that in respect of any redemption that requires the payment of the Applicable Premium of such series, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium of such series calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption. Notwithstanding the foregoing, the Opinion of Counsel required by the immediately preceding sentence with respect to a legal defeasance need not be delivered if all of the notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. (b) Subject to satisfaction of the conditions set forth in Section 2.01(e), the Borrower, and each Lender, severally and not jointly, agree that if the Bridge Term Loans have not been repaid in full on the Bridge Term Loan Maturity Date, the then outstanding principal amount of each Lender's Bridge Term Loan shall immediately after such latest specified time for payment, automatically be converted (a Rollover Conversion) into a loan (individually a "Rollover Loan" and collectively, the "Rollover Loans") by the Borrower on the Bridge Term Loan Maturity Date in an aggregate principal amount equal to the then outstanding principal amount of such Lender's Bridge Term Loans. Rollover Loans will bear interest at a rate determined in accordance with Section 2.13.

(c) Upon the conversion of the Bridge Term Loans into Rollover Loans, each Lender shall cancel on its records a principal amount of the Bridge Term Loans held by such Lender corresponding to the principal amount of Rollover Loans issued by such Lender, which corresponding principal amount of the Bridge Term Loans shall be satisfied by the conversion of such Bridge Term Loans into Rollover Loans in accordance with Section 2.01(b). Amounts repaid in respect of Rollover Loans may not be reborrowed.

(d) For the avoidance of doubt, the Joint Lead Arrangers and the Lenders that are Affiliates of the Joint Lead Arrangers shall be entitled (in addition to the Borrower) to enforce the obligations of any Lender that has not made its share of the Loans to be made by it available to the Administrative Agent on the Closing Date by the time set forth in Section 2.03 to the extent the Joint Lead Arrangers or their affiliates have funded on behalf of such Lender.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Bridge Term Facility Maturity Date.

Section 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by (A) telephone or (B) other Borrowing Request; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a written Borrowing Request. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in London.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans at such time. (b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) The Rollover Loans shall bear interest at the Second Lien Bridge Total Cap.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (d) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(e) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, and (ii) on the applicable Term Facility Maturity Date; provided, that (x) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (y) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (z) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the "prime rate" shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14. Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in such currency shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) or the Borrower notifies the Administrative Agent that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary, (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans or (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.14, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Adjusted LIBO Rate then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans denominated at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided, that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within three Business Days of the date a copy of such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b) (but, in the case of the circumstances described in clause (ii) or clause (iii) above, only to the extent the LIBO Rate for such Interest Period is not available or published at such time on a current basis), (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective shall be continued as, or converted into, an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15. Increased Costs.

(a) If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or
- (ii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.

Section 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as may reasonably be requested by the Borrower to permit such payments to be made without such withholding Tax or at a reduced rate; provided, that no Lender shall have any obligation under this paragraph (e) with respect to any withholding Tax imposed by any jurisdiction other than the United States if in the reasonable judgment of such Lender such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect.

(f) Each Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the IRS Code, (x) a certificate to the effect that, for United States federal income tax purposes, such Lender is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the IRS Code, (B) a “10 percent shareholder” of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the IRS Code, or (C) a “controlled foreign corporation” described in section 881(c)(3)(C) of the IRS Code and that, accordingly, such Lender qualifies for such exemption and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), (iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is a “United States person” (as defined in Section 7701(a)(30) of the IRS Code) shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

(g) If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender, as applicable, in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.

(h) If a payment made by the Borrower hereunder or under any other Loan Document would be subject to United States federal withholding tax imposed pursuant to FATCA if any Lender fails to comply with applicable reporting and other requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code, as applicable), such Lender shall use commercially reasonable efforts to deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable law or as reasonably requested by the Borrower or the Administrative Agent, any documentation reasonably requested by the Borrower or the Administrative Agent reasonably satisfactory to the Borrower or the Administrative Agent for the Borrower and the Administrative Agent to comply with their obligations under FATCA to determine the amount to withhold or deduct from such payment and to determine whether such Lender has complied with such applicable reporting and other requirements of FATCA, provided, that, notwithstanding any other provision of this subsection, no Lender shall be required to deliver any document pursuant to this subsection that such Lender is not legally able to deliver or, if in the reasonable judgment of such Lender, such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect, provided, further, that in the event a Lender does not comply with the requirements of this subsection 2.17(h) as a result of the application of the first proviso of this subsection 2.17(h), then such Lender shall be deemed for purposes of this Agreement to have failed to comply with the requirements under FATCA.

Section 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from such Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding anything herein to the contrary, with respect to any prepayment of principal made pursuant to Section 2.10(c) or (d) in respect of Permanent Securities, in the event any Lender or affiliate of a Lender purchases Permanent Securities from Borrower pursuant to a Securities Demand hereunder at an issue price above the level at which such Lender or affiliate has determined such Permanent Securities can be resold by such Lender or affiliate to a bona fide third party at the time of such purchase (and notifies the Borrower thereof), the net proceeds received by the Borrower in respect of such Permanent Securities may, at the option of such Lender or affiliate, be applied first to repay the Loans hereunder held by such Lender or affiliate (provided that if there is more than one such Lender or affiliate then such Net Proceeds will be applied pro rata to repay the Loans hereunder of all such Lenders or affiliates in proportion to such Lenders' or affiliates' principal amount of Permanent Securities purchased from the Borrower) prior to being applied to prepay the Loans hereunder by other Lenders.

Section 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender.

(c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more Assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within three Business Days after Borrower’s request, compliance with Section 9.04 shall not be required to effect such assignment.

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. Exchange Notes.

(a) Subject to satisfaction of the provisions of this Section 2.21 and in reliance upon the representations and warranties of the Borrower herein set forth, on and after the 15th Business Day prior to the Bridge Term Loan Maturity Date and, if the Rollover Conversion occurs, at any time on and after the Bridge Term Loan Maturity Date, each Lender will have the option to notify (an “Exchange Notice”) the Administrative Agent in writing of its request for exchange notes (individually, an “Exchange Note” and collectively, the “Exchange Notes”) in a dollar for dollar exchange at par value for an equal principal amount of all or a portion of its outstanding Loans hereunder; provided that in no event shall any Exchange Notes be issued prior to the Bridge Term Loan Maturity Date. Each Lender’s Exchange Notice shall specify the aggregate principal amount of outstanding Loans that such Lender desires to exchange for Exchange Notes pursuant to this Section 2.21, which shall be in a minimum amount of \$1,000,000 (and integral multiples of \$1,000 in excess thereof) and, subject to the limitations set forth in the Exchange Note Indenture, shall be Exchange Notes bearing interest at the Second Lien Bridge Total Cap.

(b) Notwithstanding the foregoing, such Lender’s Loans shall only be exchanged for Exchange Notes hereunder upon the occurrence of an Exchange Trigger Event, notice of which shall be provided to the Borrower and all such Lenders by the Administrative Agent. Upon receipt of notice of an Exchange Trigger Event, the Borrower shall set a date (each, an “Exchange Date”) for the exchange of Loans for Exchange Notes, which date shall be no less than 10 Business Days and no more than 15 Business Days after its receipt of notice of an Exchange Trigger Event.

(c) On each Exchange Date, the Borrower shall execute and deliver, and use commercially reasonable efforts to cause the Exchange Note Trustee to authenticate and deliver, to each Lender or as directed by such Lender that exchanges Loans, an Exchange Note in the principal amount equal to 100% of the aggregate outstanding principal amount of such Loans (or portion thereof) for which each such Exchange Note is being exchanged. The Exchange Notes shall be governed by the Exchange Note Indenture. Upon issuance of the Exchange Notes to a Lender in accordance with this Section 2.21, a corresponding amount of the Loans of such Lender shall be deemed to have been cancelled.

(d) The Borrower shall, as promptly as practicable after being requested to do so by the Lenders pursuant to the terms of this Agreement at any time following the first Exchange Trigger Event and no later than the applicable Exchange Date, (i) select a bank or trust company to act as Exchange Note Trustee, (ii) enter into the Exchange Note Indenture and an exchange agreement customary for transactions of this type, (iii) cause counsel to the Borrower and Guarantors to deliver to the Administrative Agent customary legal opinions and 10b-5 letters covering such customary matters as reasonably requested by the Arrangers, (iv) in connection with a resale of Exchange Notes, use commercially reasonable efforts to cause the accountants for the Borrower (and, if applicable, the Target) to deliver “comfort letters” customarily delivered in offerings under Rule 144A of the rules and regulations under the Securities Act and (v) deliver a customary offering memorandum relating to the sale of Exchange Notes in accordance with Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for such a document (including Cooperation Information). The Exchange Note Trustee shall at all times be a corporation organized and doing business under the laws of the United States or any State thereof, in good standing, that is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority and which has a combined capital and surplus of not less than \$500,000,000; provided that the Borrower shall only be required to assist with respect to matters set forth in clauses (iii), (iv) and (v) on no more than three occasions (which number shall be reduced by the number of completed Take-out Financings), all of which shall occur prior to the first anniversary of the Rollover Loan Maturity Date.

(e) It is understood and agreed that the Loans exchanged for Exchange Notes constitute the same Indebtedness as such Exchange Notes and that no novation shall be effected by any such exchange.

Section 2.22. Change of Control.

(a) Upon the occurrence of a Change of Control occurring after the Certain Funds Period, each Lender shall have the right to require the Borrower to repurchase all or any part of such Lender’s Loans at a price (the “Change of Control Payment”) in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of the Change of Control Payment Date (as defined below), subject to the right of the Lenders to receive interest due on the relevant Interest Payment Date, in accordance with the terms contemplated in this Section 2.22.

(b) Within 30 days following any Change of Control, the Borrower shall deliver notice (the “Change of Control Offer”) to the Administrative Agent, and the Administrative Agent shall promptly deliver such notice to each Lender to the address of such Lender appearing in the Register or otherwise in accordance with Section 10.02 with the following information:

(i) that a Change of Control has occurred and that such Lender has the right to require the Borrower to repurchase such Lender’s Loans at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of the Change of Control Payment Date (subject to the right of the Lenders to receive interest on the relevant Interest Payment Date);

(v) Each Certain Funds Representation shall, except to the extent it relates to a particular date, be true and correct in all material respects on and as of the Closing Date as if made on and as of such date; provided that, to the extent that such representations and warranties are qualified by materiality, material adverse effect or similar language, they shall be true and correct in all respects; it being understood that the truth and accuracy of any other representation or warranty of the Loan Parties under the Loan Documents made on the Closing Date shall not constitute a condition precedent under this Section 4.02.

The making of Certain Funds Credit Extensions by the Lenders shall conclusively be deemed to constitute an acknowledgment by the Administrative Agent and each Lender that each of the conditions precedent set forth in this Section 4.02 shall have been satisfied in accordance with its respective terms or shall have been irrevocably waived by such Person.

Section 4.03. Certain Funds. Notwithstanding (x) anything to the contrary in this Agreement or any other Loan Document or (y) that any condition set forth in Section 4.01 or Section 4.02 may subsequently be determined not to have been satisfied, during the Certain Funds Period (unless (i) a Certain Funds Default has occurred and is continuing or, in respect of clause (a) below, would result therefrom or (ii) in respect of clause (a) below, the conditions set forth in Section 4.02, as applicable, are not satisfied or (iii) it becomes illegal for any Lender to maintain its Commitment; provided that such Lender has used commercially reasonable efforts to maintain its Commitment through an Affiliate of such Lender not subject to a legal restriction and that the occurrence of such event in relation to one Lender shall not enable any other Lender to cancel its Commitment), each Lender shall comply with its obligations to fund Bridge Term Loans under this Agreement and no Lender shall:

- (f) take any steps to seek any repayment or prepayment of any Loan made hereunder in any way to the extent to do so would prevent or limit the making of a Certain Funds Credit Extension;

in each case, (i) unless a Certain Funds Default has occurred and is continuing on the date, or would result from the making, of such Certain Funds Credit Extension or (ii) except to the extent it is illegal for such Lender to make such Certain Funds Credit Extension, provided that (x) such Lender has used commercially reasonable efforts to make the Certain Funds Credit Extension through an Affiliate of such Lender not subject to the respective legal restriction and (y) the occurrence of such event with respect to one Lender shall not relieve any other Lender of its obligation hereunder. Upon the expiration of the Certain Funds Period, all rights, remedies and entitlements in clauses (a) through (f) above shall, subject to and in accordance with the applicable provisions of the Loan Documents, be available even though they have not been exercised or available during the Certain Funds Period.

ARTICLE V

Affirmative Covenants

The Borrower covenants and agrees with each Lender that so long as this Agreement shall remain in effect (other than in respect of contingent indemnification obligations for which no claim has been made) and until the Commitments have been terminated and the Obligations (including principal of and interest on each Loan, all fees and all other expenses or amounts payable under any Loan Document) shall have been paid in full, unless the Required Lenders shall otherwise consent in writing, the Borrower will, and will cause each of the Material Subsidiaries to:

Section 5.01. Existence; Businesses and Properties.

(a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of the Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise expressly permitted under Section 6.05, and except for the liquidation or dissolution of Subsidiaries if the assets of such Subsidiaries to the extent they exceed estimated liabilities are acquired by the Borrower or a Wholly Owned Subsidiary of the Borrower in such liquidation or dissolution; provided, that Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries.

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, patents, trademarks, service marks, trade names, copyrights, licenses and rights with respect thereto necessary to the normal conduct of its business and (ii) at all times maintain and preserve all property necessary to the normal conduct of its business and keep such property in good repair, working order and condition and from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as expressly permitted by this Agreement).

Section 5.02. Insurance.

(a) Maintain, with financially sound and reputable insurance companies, insurance in such amounts and against such risks as are customarily maintained by similarly situated companies engaged in the same or similar businesses operating in the same or similar locations and cause the Collateral Agent to be listed as a co-loss payee on property and casualty policies and as an additional insured on liability policies.

If, however, the insurance policies, as a matter of the internal policy of such insurer, do not provide waiver of subrogation rights against such parties, as required above, then each of Holdings and the Borrower, on behalf of itself and behalf of each of its subsidiaries, hereby agrees, to the extent permitted by law, to waive, and further agrees to cause each of their Subsidiaries to waive, its right of recovery, if any, against the Administrative Agent, the Lenders, and their agents and employees; and

(ii) the designation of any form, type or amount of insurance coverage by the Administrative Agent under this Section 5.02 shall in no event be deemed a representation, warranty or advice by the Administrative Agent or the Lenders that such insurance is adequate for the purposes of the business of Holdings, the Borrower and the Subsidiaries or the protection of their properties.

Section 5.03. Taxes. Pay and discharge promptly when due all material Taxes, imposed upon it or upon its income or profits or in respect of its property, before the same shall become delinquent or in default, as well as all lawful claims which, if unpaid, might give rise to a Lien upon such properties or any part thereof; provided, however, that such payment and discharge shall not be required with respect to any such Tax or claim so long as the validity or amount thereof shall be contested in good faith by appropriate proceedings, and Holdings, the Borrower or the affected Subsidiary, as applicable, shall have set aside on its books reserves in accordance with GAAP with respect thereto.

Unless otherwise waived by the Collateral Agent, with respect to each such Additional Mortgage, the Borrower shall deliver to the Collateral Agent contemporaneously therewith a title insurance policy, and a survey.

(d) If any additional direct or indirect Subsidiary of the Borrower is formed or acquired after the Effective Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is a Subsidiary Loan Party, within five Business Days after the date such Subsidiary is formed or acquired, notify the Collateral Agent and the Lenders thereof and, within 60 days after the date such Subsidiary is formed or acquired or such longer period as the Collateral Agent shall agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary and with respect to any Equity Interest in or Indebtedness of such Subsidiary owned by or on behalf of any Loan Party, subject to paragraph (g) below.

(e) If any additional Foreign Subsidiary of the Borrower is formed or acquired after the Effective Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and if such Subsidiary is a “first tier” Foreign Subsidiary, within five Business Days after the date such Foreign Subsidiary is formed or acquired, notify the Collateral Agent and the Lenders thereof and, within 90 days after the date such Foreign Subsidiary is formed or acquired or such longer period as the Collateral Agent shall agree, cause the Collateral and Guarantee Requirement to be satisfied with respect to any Equity Interest in such Foreign Subsidiary owned by or on behalf of any Loan Party, subject to paragraph (g) below.

Section 5.11. Certain Funds Covenants.

(a) Holdings shall comply in all material respects with applicable laws and regulations relevant to the Scheme or the Offer, as applicable, including the Takeover Code and the Companies Act of 2006 (subject to any applicable waivers or dispensations granted by the Takeover Panel).

(b) Unless the Takeover Panel agrees otherwise, if Acquisition SPV proceeds with the Acquisition the Borrower shall dispatch (or cause the dispatch of) the Offering Circular or Scheme Circular, as applicable, within 28 days of the date of issue of the Rule 2.7 Announcement (or on such later date as the Takeover Panel may permit).

(c) Holdings shall ensure that the published version of the Rule 2.7 Announcement is consistent in all material respects with the copy delivered to the Administrative Agent pursuant to Section 4.01(x). Holdings shall ensure that the terms of the Scheme Circular or as the case may be the Offering Circular are not inconsistent with, or contrary to, the terms of the Rule 2.7 Announcement in any respect materially adverse to the interests of the Lenders, unless the Joint Lead Arrangers have consented to the applicable change (such consent not to be unreasonably withheld, delayed or conditioned) or unless the applicable change is required by any applicable Law (including, without limitation, the Companies Act of 2006 or the Takeover Code), the Takeover Panel, any applicable stock exchange, any applicable government or other regulatory authority, or a court of competent jurisdiction (including, without limitation, the Court). Holdings will not amend or waive any material term of any Offer Document or, as the case may be, Scheme Document in a manner or to an extent that would be materially prejudicial to the interests of the Lenders under the Loan Documents, other than any amendment or waiver (i) made with the consent of Administrative Agent; or (ii) required by the Takeover Panel, the Court, the Takeover Code or any other applicable law, regulation court or regulatory body or (iii) where such waiver does not relate to a condition which the Acquisition SPV reasonably considers that it would be entitled, in accordance with Rule 13.5(a) of the Code, to invoke so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn.

(d) Other than as required by the Takeover Panel, the Takeover Code, the London Stock Exchange, Financial Conduct Authority or any other applicable law, regulation, court or regulatory body and to the extent practicable, Holdings and its subsidiaries shall not make any press release or other public statement in respect of the Acquisition (other than in the Rule 2.7 Announcement, the Scheme Circular or any Offer Document), without first obtaining the prior approval of Administrative Agent (such approval not to be unreasonably withheld or delayed).

(e) Holdings, upon the reasonable request of the Joint Lead Arrangers, deliver to the Administrative Agent (for further delivery to the Lenders) and the Joint Lead Arrangers updates as to the status and progress in respect of the Acquisition, including, if applicable details of the level of acceptances of the Offer, and will notify the Joint Lead Arrangers promptly following any Responsible Officer of the Borrower becoming aware of any reasonably likely failure to fully satisfy any condition of the Scheme or the Offer, as applicable, that would allow Acquisition SPV to not proceed with the Scheme or the Offer or the Scheme, as applicable, in each case, to the extent it is able to do so in compliance with applicable law (including, without limitation, the Companies Act of 2006 or the Takeover Code). Holdings and its subsidiaries shall, to the extent that they are able to do so in compliance with applicable law and confidentiality or other obligations to which they are subject, promptly supply to Administrative Agent (i) copies of all documents, certificates, notices or announcements received or issued by Holdings or any of its subsidiaries (or on their behalf) in relation to a Scheme or an Offer (as the case may be) to the extent material to the interests of the Lenders and (ii) any other information regarding the progress of an Offer or a Scheme (as the case may be), in each case as Administrative Agent may reasonably request.

(f) Holdings shall pay (or cause payment of) all amounts payable under the Acquisition Documents as and when they become due (except to the extent that any such amounts are being contested in good faith by Holdings or any of its subsidiaries and where adequate reserves are set aside for any such payment) with the time periods required by applicable law.

(g) Holdings shall not and shall procure that none of its subsidiaries, without the prior written consent of the Administrative Agent, finance the purchase of any Target Shares (whether pursuant to the Offer, or the Scheme, or otherwise) with any amounts other than (i) the proceeds of the Bridge Term Loans (or any New Second Lien Notes issued in lieu thereof), the Initial Euro Term Loans, the Initial Sterling Term Loans and the First Lien Bridge Credit Facility (or any New First Lien Notes issued in lieu thereof) in each case in accordance with Section 5.08 of this Agreement and (ii) cash on balance sheet (for the avoidance of doubt, not generated from any debt financing or any issuance of equity, other than common equity with no debt-like features). Holdings and its subsidiaries shall not acquire any Target Shares in the market (outside of the Offer or Scheme) at a price higher than the price per Target Share paid or to be paid pursuant to the Offer or Scheme (as applicable)..

(h) Where the Acquisition is to be undertaken by way of a Scheme but then changes to an Offer (or vice versa), Holdings shall promptly notify the Administrative Agent of such change. Following any change in the way in which the Acquisition is to be undertaken, as notified by Holdings under this clause (h), each reference to "Acquisition Documents" in this Agreement shall be construed accordingly.

(i) Where the Acquisition is to be undertaken by way of an Offer, Holdings shall not declare the Offer unconditional as to acceptances until the Minimum Acceptance Condition has been achieved.

(j) Holdings and its subsidiaries shall not take any action which would require Holdings or any of its Subsidiaries to make a mandatory offer for the Target Shares in accordance with Rule 9 of the Takeover Code.

The provisions of this Section 5.11 are for the benefit of the Lenders only and, notwithstanding anything herein to the contrary, the Required Lenders under the Term Facility may amend, waive or otherwise modify this Section 5.11 or the defined terms used solely for purposes of this Section 5.11 or waive any Default resulting from a breach of this Section 5.11 without the consent of any Lenders other than such Required Lenders.

Section 5.12. Conditions Subsequent. Holdings undertakes that:

(a) if the Squeeze-Out Date occurs, it shall promptly commence the Squeeze-Out in respect of those Target Shares that have not been assented to the Offer and shall ensure that within four weeks thereafter notices in the prescribed form are given to the holders of such Target Shares that Holdings desires to acquire such Target Shares in accordance with the Squeeze-Out;

(b) it shall procure as soon as possible, and in any event within three (3) months of the Closing Date where the Acquisition proceeds by means of a Scheme or within four (4) months of the Closing Date where the Acquisition proceeds by means of an Offer, that the Target shall be re-registered as a private company pursuant to Section 97 of the Companies Act of 2006; and

(c) shall use its best efforts to procure that, by no later than the expiry of the Certain Funds Period, the Memorandum and Articles of Association of the Target shall be amended so that Holdings shall have the right to acquire any Target Shares which are required to be issued by the Target pursuant to any rights of any person under any option scheme and evidence shall be provided to the Administrative Agent of such amendment.

Section 5.13. Collateral and Guarantee Requirement. The Borrower shall satisfy the elements of the Collateral and Guarantee Requirement required to be satisfied on the Effective Date (other than in the case of any security interest in the intended Collateral or any deliverable related to the perfection of security interests in the intended Collateral (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of stock certificates and the security agreement giving rise to the security interest therein) that is not provided on the Effective Date after the Borrower's use of commercially reasonable efforts to do so, which such security interest or deliverable shall be delivered within the time periods specified with respect thereto in Schedule 5.13, and the Administrative Agent shall have received a completed Perfection Certificate, dated the Effective Date and signed by a Responsible Officer of the Borrower, together with all attachments contemplated thereby.

Section 5.14. Cooperation. Borrower agrees to engage (on the Effective Date) investment banks reasonably satisfactory to the Initial Lenders ("Investment Banks") as lead managers in connection with a private placement or registered offering of the Permanent Securities and to use commercially reasonable efforts to achieve a private placement of Permanent Securities that is reasonably satisfactory to both the Investment Banks and the Borrower; provided, that, with respect to any assistance required by or deliveries with respect to the Target, such assistance shall be limited to the Borrower's obligation to use all reasonable endeavors to cause the Target to provide such assistance or such deliveries. Such assistance shall include: (i) the preparation of, as soon as reasonably practicable: (a) a customary offering circular, prospectus, bank book or private placement memorandum with respect to the Permanent Securities, or (b) at the Borrower's options (x) a registration statement under the Securities Act with respect to any portion of the Securities to be publicly offered (the "Registration Statement"), and if such Registration Statement is filed, you will cause such Registration Statement to comply as to form in all material respects with applicable rules and regulations and contain all legally required disclosures, and to become effective as soon as practicable thereafter or (y) a prospectus supplement to the Borrower's existing registration statement (in either case, such documents referenced in (a) or (b) above, the "Offering Document"); (ii) the execution of an underwriting, placement agency, purchase or other applicable type of agreement which agreement shall be consistent with and substantially similar to, in the case of a debt offering, the Purchase Agreement dated as of January 19, 2018 among the Borrower, Credit Suisse Securities (USA) LLC, as representative of the several initial purchasers and the guarantors party thereto (the "Purchase Agreement"); (iii) the delivery to the Investment Banks concurrently with, or as part of, the Offering Document, (a) audited consolidated financial statements of each of the Borrower and the Target as of and for the three most recently completed fiscal years ending at least 90 days before the Closing Date, unaudited consolidated financial statements of each of the Borrower and the Target as of and for each subsequent fiscal quarter ended at least 45 days before the Closing Date (other than any fiscal fourth quarter) after the most recent fiscal period for which audited consolidated financial statements have been provided (it being understood that prior to the Closing Date with respect to the Target such fiscal quarterly financials shall instead mean interim financial statements for the six-month period ended subsequent to the most recent fiscal year end and ended at least 45 days before the Closing Date) and pro forma financial statements of the Borrower as of and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least 45 days before the Closing Date (or, if the most recently completed fiscal period is the end of the fiscal year, ended at least 90 days before the Closing Date, prepared after giving effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such other statement of income), which reflects adjustments customary for Rule 144A transactions and such other financial information relating to the Borrower and the Target or other proposed or recently completed acquisitions, if any, as may be reasonably requested by the Investment Banks and (b) customary "comfort" (including "negative assurance" comfort) from your independent accountants and independent accountants for the Target (such information described in items (i) through (iii), "Cooperation Information"); (iv) your using commercially reasonable efforts to obtain public ratings for any Permanent Securities that are debt securities from Moody's and S&P; (v) cooperating with our due diligence investigation of each of the Borrower and its subsidiaries and the Target and its subsidiaries, including, without limitation, by supplying due diligence materials and information with respect to the general affairs, management, prospects, financial position, stockholders' equity or results of operations of the Borrower and its subsidiaries, and using commercially reasonable efforts to supply such materials and information with respect to the Target and its subsidiaries and the tax, accounting, legal, regulatory and other issues relevant to each of the Borrower and its subsidiaries and the Target and its subsidiaries and (vi) making available the Borrower's officers and advisors and using commercially reasonable efforts to cause the Target and their subsidiaries to make their officers and advisors available upon reasonable notice to attend and make presentations regarding the business of the Borrower, the Target and its subsidiaries, during no more than three customary "road shows" related to the Take-out Financing. The Borrower further agrees to notify the Investment Banks promptly of all developments materially affecting it, the Target or a Take-out Financing or the accuracy of the Cooperation Information, including, without limitation, the occurrence of any event or any other change known that would result in the Offering Document or Cooperation Information containing an untrue statement of a material fact or omitting to state any material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading and the Borrower will promptly update the Offering Document in order to ensure that it does not contain such untrue statement or omission. The Borrower acknowledges that the Investment Banks may rely, without independent verification, upon the accuracy and completeness of the Cooperation Information and the Offering Document and that the Investment Banks do not assume responsibility therefor, except such information provided by the Investment Banks in writing for inclusion therein as expressly provided in the Purchase Agreement.

Notwithstanding anything in this provision to the contrary, all agreements with respect to the Borrower's efforts to use reasonable endeavors to cause the Target to assist with syndication as set forth herein (i) shall not commence until the earlier of the Offer Effective Date and the Scheme Effective Date and (ii) and subject at all time to the requirements of the UK Takeover Rules.

Section 5.15. Securities Demand.

(a) Upon written notice (such notice, a "Securities Demand") by either of the Joint Bookrunners and/or Investment Banks who are affiliated with Initial Lenders holding any outstanding Commitments as of the date hereof (such Person, the "Controlling Person") at any time and from time to time (but on no more than three occasions) (it being understood and agreed that any Securities Demand that results in a Demand Failure shall not be included in such limitation), beginning upon the earlier of (i) five Business Days prior to the Closing Date and (ii) five Business Days prior to the six (6) month anniversary of the date hereof and prior to the first anniversary of the Closing Date (which notice may be provided on such date) so long as any Commitments are outstanding or any Loans are outstanding, you will cause the Borrower to issue and sell, to the Investment Banks or the Initial Lenders or their respective affiliates, the New Second Lien Notes or Permanent Securities in such amount as is necessary to repay the outstanding Loans under this Agreement in full or replace this Agreement in full (each, a "Take-out Financing"); provided that in case of any Securities Demand for Take-out Financing to be issued prior to the Closing Date, such Securities Demand shall also be subject to terms of clause (g) below.

(b) The Take-out Financing shall have such form, term, yield, guarantees, covenants, call protection, default provisions and other terms as are customary for securities of the type issued and may be issued in one or more tranches, and in the form of notes as determined by the Controlling Person in its reasonable judgment after giving due regard to the Applicable Bond Standard; provided that (i) the interest rate for any Take-out Financing shall be reasonably determined by the Investment Bank in light of then-prevailing market conditions for comparable high yield debt securities in consultation with you, provided further that (x) the weighted average total per annum yield payable by Borrower and/or issuer applicable to the Loans and/or Commitments and any Take-out Financing issued to replace or refinance all or a portion of the Loans or Commitments at any time shall not exceed the Second Lien Bridge Total Cap and (y) the total effective yield payable by the Borrower and/or issuer (including any original issue discount, but excluding any underwriting or initial purchase discounts or fees) applicable to any individual tranche of Take-out Financing at any time shall not exceed a rate per annum equal to the Second Lien Bridge Total Cap plus 150 basis points (it being understood, in each case, that any floating interest rates and/or yields and/or original issue discount included in any of the foregoing calculations shall be determined using a methodology reasonably satisfactory to the Investment Bank), (ii) the final scheduled maturity of any Take-out Financing shall not be earlier than the seventh anniversary of the Closing Date, (iii) the make-whole period will be three years from the issue date and the call premium at the end of the make-whole period shall not be greater than 75% of the coupon during the fourth year after the issue date of the Take-out Financing and shall decline to 50% of the coupon during the fifth year after the issue date of the Take-out Financing, 25% of the coupon during the sixth year after the issue date of the Take-out Financing and then to zero thereafter; (iv) the issue price to the issuer (before giving effect to the underwriting or initial purchasers discounts or fees payable to the Investment Bank) of any Take-out Financing shall not be less than 97% of principal amount; (v) an equity claw provision consistent with the Applicable Bond Standard and (vi) the guarantee and any collateral structure shall be consistent with the Applicable Bond Standard. For the avoidance of doubt, the Investment Banks may reoffer the Take-out Financing to investors at any price below or above the proceeds to the Borrower and/or issuer. It is agreed that the yield payable by the Borrower on any Take-out Financing shall not include (x) any original issue discount arising from below par resales by the Joint Bookrunners or (y) the tax impact of any "cancellation of indebtedness."

(c) The Borrower will use commercially reasonable best efforts to, within 5 Business Days of receipt of written notice of a Securities Demand (if after the Closing Date, 10 Business Days), do the following:

(i) provide as many copies as reasonably requested to the Investment Banks of an Offering Document for the offer and sale of the Permanent Securities pursuant to Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for offerings of securities pursuant to Rule 144A, including the Cooperation Information;

(ii) the Borrower shall assist in the preparation of, rating agency presentations and “road show” materials consistent with the information contained in the Offering Document which the Joint Bookrunners may reasonably request in connection with the Take-out Financing; and

(iii) make the senior management and advisors of the Borrower (and the Target, if applicable) and certain of the Investors’ investment professionals available for due diligence, rating agency presentations and a “road show” meetings with potential investors for the New Second Lien Notes or Permanent Securities on no more than three occasions as reasonably requested by the Investment Banks in their judgment to market the New Second Lien Notes or Permanent Securities.

(d) The Investment Banks may at any time upon reasonable advance notice to the Borrower require the Borrower (or, if reasonably so specified by the Investment Banks, an affiliate of the Borrower) to execute the Purchase Agreement.

(e) Without limiting the generality of the foregoing, the Joint Bookrunners and/or Investment Banks may make such a Securities Demand for the issuance of Permanent Securities to the Lenders to replace any Commitments or refinance this Facility on the Closing Date and to be resold by them at any time thereafter in accordance with the provisions of this Section 5.15; provided that any such Securities Demand contemplating the resale of Permanent Securities shall include such customary information regarding the selling Lenders as may be required to be included in the Offering Document or a supplement thereto.

(f) Notwithstanding anything to the contrary contained herein, in the event of your failure to comply with the terms this Section (a “Demand Failure”), (w) the interest rate with respect to the Loans shall increase to the Second Lien Bridge Total Cap immediately and automatically, (x) the Loan shall be immediately and automatically subject to the call protection in the Applicable Bond Standard (other than with respect to any prepayment of Loans held by the Initial Lenders or their Affiliates, but excluding Loans held by bona fide asset management affiliates of the foregoing), (y) the Rollover Fee, if not previously paid, shall become immediately due and payable (and no future fee credit shall be available), calculated based on the principal amount of the Loans outstanding on the date of such Demand Failure or the principal amount of Commitments outstanding on the date of such Demand Failure (which, if such date is the Closing Date, will be the principal amount of Loans funded on the Closing Date) and (z) any restrictions on transfer of the Loans or Exchange Notes shall be deemed waived. For the avoidance of doubt, a Demand Failure shall not, in and of itself, constitute a Default hereunder.

(g) It is agreed that, if the Closing Date has not occurred before September 15, 2019 (the “Escrow Right Trigger Date”) and Commitments hereunder remain outstanding, on or after the Escrow Right Trigger Date, the Joint Bookrunners and/or Investment Banks may issue a Securities Demand (which may be issued five Business Days in advance of such date) and require that the Permanent Securities be issued on the Escrow Right Trigger Date or on another date thereafter prior to the closing of the Acquisition, with the gross proceeds of such Permanent Securities to be placed in a customary escrow account, the proceeds of which will be pledged solely to the holders of such Permanent Securities, in each case on customary terms and conditions for an escrow financing (an “Escrow Securities Demand”); provided that the conditions to release such proceeds shall be the satisfaction of the conditions to borrowing in Section 4.02 herein. Any such escrow arrangements will provide that the aggregate principal amount of such Permanent Securities will be redeemed at the original price at which such Permanent Securities were issued in the event that the conditions to the release of proceeds of such Permanent Securities from escrow are not satisfied prior to the Closing Date. Such escrow arrangement may include the use of an Unrestricted Subsidiary and will be structured in such a manner as to comply with the Existing ABL Agreement, the Existing Credit Agreement, the Existing Second Lien Note Documents, the Term Loan Credit Agreement and the First Lien Bridge Credit Agreement.

(h) The Borrower will not be required to comply with the terms of this Section if the Borrower has determined in its reasonable discretion that such issue, sale or borrowing may result in materially adverse tax consequences to the Borrower; provided that it is understood and agreed that the failure to comply with the terms of this Section pursuant to this clause (h) will constitute a Demand Failure.

ARTICLE VI

- (l) (i) any Loan Document shall for any reason be asserted in writing by Holdings, the Borrower or any Subsidiary not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that are not immaterial to Holdings, the Borrower and the Subsidiaries on a consolidated basis shall cease to be, or shall be asserted in writing by the Borrower or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from the failure of the Administrative Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Agreement or to file Uniform Commercial Code continuation statements or take the actions described on Schedule 3.04 and except to the extent that such loss is covered by a Lender's title insurance policy and the Administrative Agent shall be reasonably satisfied with the credit of such insurer, or (iii) the Guarantees pursuant to the Security Documents by Holdings, the Borrower or the Subsidiary Loan Parties of any of the Obligations shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by Holdings or the Borrower or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations;

(m) (i) the Obligations shall fail to constitute “Senior Debt” (or the equivalent thereof) and “Designated Senior Debt” (or the equivalent thereof) under the documentation governing any Indebtedness incurred pursuant to Section 6.01(r) constituting subordinated Indebtedness, or (ii) the subordination provisions thereunder shall be invalidated or otherwise cease, or shall be asserted in writing by Holdings, the Borrower or any Subsidiary Loan Party to be invalid or to cease to be legal, valid and binding obligations of the parties thereto, enforceable in accordance with their terms; or

then, and in every such event (other than an event with respect to the Borrower described in paragraph (h) or (i) above), and at any time thereafter during the continuance of such event, but in each case subject to Section 4.03, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event with respect to the Borrower described in paragraph (h) or (i) above, the Commitments shall automatically terminate, and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 7.02. Exclusion of Immaterial Subsidiaries. Solely for the purposes of determining whether an Event of Default has occurred under clause (h), (i) or (l) of Section 7.01, any reference in any such clause to any Subsidiary shall be deemed not to include any Immaterial Subsidiary affected by any event or circumstance referred to in any such clause.

ARTICLE VIII

The Agents

Section 8.01. Appointment.

(a) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the (A) Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as a Collateral Agent for such Lender and the other Secured Parties (including the Revolving Facility Secured Parties) under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (B) the Revolving Facility Collateral Agent as collateral agent for such lender for purposes of the Security Documents. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender’s behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and take such action on its behalf under the provisions of the Second Priority Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of the Second Priority Intercreditor Agreement, together with such other powers as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) irrevocably authorizes each of the Administrative Agent and the Collateral Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved, authorized or ratified in writing in accordance with Section 9.08 hereof, (ii) to release any Subsidiary Loan Party from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i) and (j). Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, examiner, sequesteror or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 8.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 8.02 in the absence of the Administrative Agent's gross negligence or willful misconduct.

Section 8.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower or a Lender. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan hereunder, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), in the amount of its *pro rata* share (based on its outstanding Loans), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents (including, without limitation, the Second Priority Intercreditor Agreement) or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

Section 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days’ notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term “Administrative Agent” shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent’s rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent’s notice of resignation, the retiring Administrative Agent’s resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor agent which shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent’s resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10. Agents and Arrangers. None of the Joint Lead Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

Section 8.11. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto). To the extent the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing is not reimbursed and indemnified by the Borrower, the Lenders severally agree to reimburse and indemnify the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, in proportion to their respective “pro rata shares” (determined as set forth below) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or such sub-agent) or such Related Party in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or such Related Party’s, as applicable, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). For purposes of this paragraph, a Lender’s “pro rata share” shall be determined based upon its share of the sum of, without duplication, outstanding Loans, in each case, at the time (or most recently outstanding and in effect).

ARTICLE IX

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party or to the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrower shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, and the termination of the Commitments or this Agreement.

Section 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent shall have been notified by each Lender (or otherwise received evidence satisfactory to the Administrative Agent) that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms; and

(D) the Assignee shall not be the Borrower or any of the Borrower’s Affiliates or Subsidiaries.

Notwithstanding anything herein (including in clause (A) above) or in any other Loan Document to the contrary, no Lender shall affect any assignment with respect to the Bridge Term Facility during the Certain Funds Period (other than an assignment to Goldman Sachs International Bank, Goldman Sachs Lending Partners, Wells Fargo Securities International Limited, Wells Fargo Securities, LLC or to those banks, financial institutions or other institutional lenders that have been agreed by the Borrower and the Joint Lead Arrangers prior to the Effective Date) without the Borrower’s prior written consent in the Borrower’s sole discretion.

For the purposes of this Section 9.04, “Approved Fund” means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to an Ineligible Institution without the prior written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b) (v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any other amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing, no assignment may be made to an Ineligible Institution without the prior written consent of the Borrower.

Section 9.05. Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent and the Joint Lead Arrangers and Allen & Overy LLP, special U.K. counsel for the Administrative Agent and the Joint Lead Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the fees, charges and disbursements of counsel for the Administrative Agent (including any special and local counsel).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document (including, without limitation, the Second Priority Intercreditor Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans, or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, the Joint Lead Arrangers or any Lender shall be treated as several and separate Indemnities, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnities (or any of their respective affiliates) shall be responsible or liable to the Funds, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, subject to Section 4.03, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 9.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders, and in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent (or, in the case of any Security Documents, the Collateral Agent if so provided therein) and consented to by the Required Lenders; provided, however, that no such agreement shall

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly affected thereby,

(ii) increase or extend the Commitment of any Lender or decrease any fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),

(iii) [reserved],

(iv) amend the provisions of Section 5.02 of the Collateral Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,

(v) amend or modify the provisions of this Section 9.08 or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all the Collateral or release any of Holdings, the Borrower or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the majority-in-interest of the Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

(c) Without the consent of any Joint Lead Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) with written consent of the Administrative Agent and the Borrower in order to make modification contemplated by the terms of the Fee Letters.

Section 9.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 9.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was available to such Lender or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the National Association of Securities Dealers, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledge under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16);.

The Borrower, in respect of the Agents and the Lenders, and the Agents and the Lenders, in respect of the Borrower, the Target and their respective Subsidiaries and other Affiliates, may not issue any press release or make any public announcement which references the other relevant party in the context of the Acquisition except with the applicable party's prior written consent, such consent not to be unreasonably withheld or delayed and not to be required in the case of references required by the Takeover Rules or applicable laws or regulations in relation to the Acquisition or the rules of any securities exchange or regulatory authority (but the parties shall use all reasonable endeavors to consult with each other prior to making any such press release or public announcement).

Section 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Joint Lead Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18. Release of Liens and Guarantees. ARTICLE II

GUARANTEE

Section 2.01. Guarantee. Each Guarantor unconditionally guarantees, jointly with the other Guarantors and severally, to the Administrative Agent for the ratable benefit of the Secured Parties, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations now or hereafter owing to such Secured Parties. Each Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Obligation. Each Guarantor waives presentment to, demand of payment from and protest to the Borrowers or any other Loan Party of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

Section 2.02. Guarantee of Payment. Each Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due (whether at the stated maturity, by acceleration or otherwise) and not of collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Obligations or to any balance of any deposit account or credit on the books of the Collateral Agent or any other Secured Party in favor of a Borrower or any other person.

Section 2.03. No Limitations, Etc.

(a) Except for termination of a Guarantor's obligations hereunder as expressly provided for in Section 7.15, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise (other than defense of payment or performance). Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder, to the fullest extent permitted by applicable law, shall not be discharged or impaired or otherwise affected by, and each Guarantor hereby waives any defense to the enforcement hereof by reason of:

- (i) the failure of the Administrative Agent or Collateral Agent or any other Secured Party to assert any claim or demand or to exercise or enforce any right or remedy under the provisions of any Loan Document or otherwise;
- (ii) any rescission, waiver, amendment or modification of, increase in the Obligations with respect to, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement;
- (iii) the failure to perfect any security interest in, or the exchange, substitution, release or any impairment of, any security held by the Collateral Agent or any other Secured Party for the Obligations;
- (iv) any default, failure or delay, willful or otherwise, in the performance of the Obligations;
- (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash or immediately available funds of all the Obligations),
- (vi) any illegality, lack of validity or enforceability of any Obligation,
- (vii) any change in the corporate existence, structure or ownership of any Loan Party, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Loan Party or its assets or any resulting release or discharge of any Obligation,
- (viii) the existence of any claim, set-off or other rights that the Guarantor may have at any time against any Borrower, the Collateral Agent, the Administrative Agent, any Secured Party, or any other corporation or person, whether in connection herewith or any unrelated transactions, provided that nothing herein will prevent the assertion of any such claim by separate suit or compulsory counterclaim,
- (ix) any action permitted or authorized hereunder, or
- (x) any other circumstance (including without limitation, any statute of limitations) or any existence of or reliance on any representation by the Collateral Agent, the Administrative Agent or any other Secured Party that might otherwise constitute a defense to, or a legal or equitable discharge of, any Borrower or any Guarantor or any other guarantor or surety.

Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Obligations, all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash or immediately available funds of all the Obligations (other than contingent or unliquidated obligations or liabilities). Subject to the terms of the Intercreditor Agreement, the Collateral Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Obligations (other than contingent or unliquidated obligations or liabilities) have been paid in full in cash or immediately available funds. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any other Loan Party, as the case may be, or any security.

Section 2.04. Reinstatement. Each Guarantor agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of any Borrower or any other Loan Party or otherwise.

Section 2.05. Agreement To Pay; Contribution; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Borrower to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the Secured Parties as provided in the Intercreditor Agreement, in cash the amount of such unpaid Obligation. Each Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to any Secured Party under this guarantee, such Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Guarantor so as to maximize the aggregate amount paid to the Secured Parties under or in respect of the Loan Documents. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against any Borrower, or other Loan Party or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the financial condition and assets of the Borrowers and each other Loan Party, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that neither the Collateral Agent, the Administrative Agent nor the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 2.07. Maximum Liability. Each Guarantor, and by its acceptance of this guarantee, the Collateral Agent and each Secured Party hereby confirms that it is the intention of all such Persons that this guarantee and the Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this guarantee and the Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Collateral Agent and the Secured Parties hereby irrevocably agree that the Obligations of each Subsidiary Party under this guarantee at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor under this guarantee not constituting a fraudulent transfer or conveyance.

Section 2.08. Payment Free and Clear of Taxes. Any and all payments by or on account of any obligation of any Guarantor hereunder or under any other Loan Document shall be made free and clear of, and without deduction for, any Indemnified Taxes or Other Taxes on the same terms and to the same extent that payments by any Loan Party are required to be made pursuant to the terms of Section 2.17 of the Credit Agreement. The provisions of Section 2.17 of the applicable Credit Agreement shall apply to each Guarantor *mutatis mutandis*.

Section 2.09. No Foreign Guarantee of U.S. Obligations. Notwithstanding anything to the contrary contained herein, no Foreign Subsidiary shall, or shall be deemed to, provide a guarantee of any Obligations of any Borrower or any Domestic Subsidiary pursuant to the terms hereof.

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

² BC to confirm.

Section 3.02. Section 3.02. Delivery of the Pledged Collateral.

(a) Subject to the provisions of the Intercreditor Agreement, each Pledgor agrees promptly to deliver or cause to be delivered to the Collateral Agent, as agent for the Secured Parties, any and all Pledged Securities to the extent such Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, are required to be delivered pursuant to paragraph (b) of this Section 3.02. If any Pledged Stock that is uncertificated on the date hereof shall hereafter become certificated, the applicable Pledgor shall promptly cause the certificate or certificates representing Pledged Stock to be delivered to the Collateral Agent, as agent for the Secured Parties, together with the accompanying stock powers or other documentation required by Section 3.02(c). None of the Pledgors shall permit any other party to “control” (for purposes of Section 8-106 of the New York UCC (or any analogous provision of the Uniform Commercial Code in effect in the jurisdiction whose law applies)) any uncertificated securities that constitute Pledged Collateral other than the Collateral Agent, as agent for the Secured Parties or any other agent pursuant to the applicable Intercreditor Agreement.

(b) To the extent any Indebtedness for borrowed money constitutes Pledged Collateral (other than (i) intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of Holdings, the Company and its Subsidiaries or (ii) to the extent that a pledge of such promissory note or instrument would violate applicable law) the Pledgor holding such Indebtedness for borrowed money shall cause such Indebtedness to be evidenced by a duly executed promissory note, such Pledgor shall cause such promissory note to be pledged and, subject to the provisions of the Intercreditor Agreement, delivered to the Collateral Agent, as agent for the Secured Parties, pursuant to the terms hereof; *provided* that, such pledge in the case of any intercompany note evidencing debt owed by a Foreign Subsidiary to a Loan Party, shall be limited to 65% of the amount outstanding thereunder. To the extent any such promissory note is a demand note, each Pledgor party thereto agrees, if requested by the Collateral Agent, to immediately demand payment thereunder upon an Event of Default specified under Section 7.01(b), (c), (f), (h) or (i) of the Credit Agreement unless such demand would not be commercially reasonable or would otherwise expose Pledgor to liability to the maker.

(c) Upon delivery to the Collateral Agent, (i) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (a) and (b) of this Section 3.02 shall be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (ii) all other property composing part of the Pledged Collateral delivered pursuant to the terms of this Agreement shall be accompanied to the extent necessary to perfect the security interest in or allow realization on the Pledged Collateral by proper instruments of assignment duly executed by the applicable Pledgor and such other instruments or documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule II (or a supplement to Schedule II, as applicable) and made a part hereof; *provided* that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

- (c) except for the security interests granted hereunder, each Pledgor (i) is and, subject to any transfers made in compliance with the Credit Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule II as owned by such Pledgor, (ii) holds the same free and clear of all Liens, other than Permitted Liens, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction permitted by the Credit Agreement and other than Permitted Liens and (iv) subject to the rights of such Pledgor under the Loan Documents to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest hereto or therein against any and all Liens (other than Permitted Liens), however arising, of all persons;

- (e) each Pledgor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;
- (f) other than as set forth in the Credit Agreement or the respective schedules thereto, no consent or approval of any Governmental Authority, any securities exchange or any other person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Pledgors of this Agreement and the Foreign Pledge Agreements, when any Pledged Securities (including Pledged Stock of any Domestic Subsidiary or any Qualified CFC Holding Company and any foreign stock covered by a Foreign Pledge Agreement) are delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in accordance with this Agreement and a financing statement covering such Pledge Securities is filed in the appropriate filing office, the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties will obtain a legal, valid and perfected lien upon and security interest in such Pledged Securities under the New York UCC, subject only to Liens permitted under the Credit Agreement or arising by operation of law, as security for the payment and performance of the Obligations;

The Collateral Agent, as agent for the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Pledgor, endorsed or assigned in blank or in favor of the Collateral Agent or, if an Event of Default shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Each Pledgor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Pledgor. If an Event of Default shall have occurred and be continuing, the Collateral Agent, as agent for the Secured Parties, shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Pledgor shall use its commercially reasonable efforts to cause any Loan Party that is not a party to this Agreement to comply with a request by the Collateral Agent, pursuant to this Section 3.04, to exchange certificates representing Pledged Securities of such Loan Party for certificates of smaller or larger denominations.

Section 3.05. Section 3.05. Voting Rights; Dividends and Interest, Etc.

(a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given notice to the relevant Pledgors of the Collateral Agent's intention to exercise its rights hereunder:

(i) Each Pledgor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided*, that, except as permitted under the Credit Agreement, such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Collateral, the rights and remedies of the Administrative Agent, the Collateral Agent, or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall promptly execute and deliver to each Pledgor, or cause to be executed and delivered to such Pledgor, all such proxies, powers of attorney and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Pledgor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable laws; *provided*, that (A) any noncash dividends, interest, principal or other distributions, payments or other consideration in respect thereof, including any rights to receive the same to the extent not so distributed or paid, that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise or (B) any non-cash dividends and other distributions paid or payable in respect of any Pledged Securities that would constitute Pledged Securities, in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid in surplus, shall be and become part of the Pledged Collateral, and, if received by any Pledgor, shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent, for the ratable benefit of the Secured Parties, and shall be forthwith delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Administrative Agent).

(b) Upon the occurrence and during the continuance of an Event of Default and after notice by the Collateral Agent to the Company of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to receive dividends, interest, principal or other distributions that such Pledgor is authorized to receive pursuant to paragraph (a)(iii) of this Section 3.05 shall cease, and all such rights shall thereupon become vested, for the ratable benefit of the Secured Parties, in the Collateral Agent which, subject to the terms of the Intercreditor Agreement, shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Pledgor contrary to the provisions of this Section 3.05 shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent, for the ratable benefit of the Secured Parties, and shall be forthwith delivered to the Collateral Agent, for the ratable benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02 hereof. After all Events of Default have been cured or waived and the Company has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall promptly repay to each Pledgor (without interest) all dividends, interest, principal or other distributions that such Pledgor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 3.05 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and after notice by the Collateral Agent to the Company of the Collateral Agent's intention to exercise its rights hereunder, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 3.05, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 3.05, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, for the ratable benefit of the Secured Parties, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers, subject to the terms of the Intercreditor Agreement; *provided* that, unless otherwise directed by the Required Lenders under the Credit Agreement, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived and the Company has delivered to the Collateral Agent a certificate to that effect, each Pledgor shall have the right to exercise the voting and/or consensual rights and powers that such Pledgor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above.

- (xiii) all books and records pertaining to the Article 9 Collateral; and
- (xiv) to the extent not otherwise included, all proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any person with respect to any of the foregoing.

Notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in (a) any vehicle covered by a certificate of title or ownership, whether now owned or hereafter acquired, (b) any assets (including Equity Interests), whether now owned or hereafter acquired, with respect to which the Collateral and Guarantee Requirement or the other paragraphs of Section 5.10 of the Credit Agreement would not be required to be satisfied by reason of Section 5.10(g) of the Credit Agreement if hereafter acquired, (c) any property excluded from the definition of Pledged Collateral pursuant to Section 3.01 hereof, (d) any Letter of Credit Rights to the extent any Pledgor is required by applicable law to apply the proceeds of a drawing of such Letter of Credit for a specified purpose, (e) any Pledgor's right, title or interest in any license, contract or agreement to which such Pledgor is a party or any of its right, title or interest thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement, result in a breach of the terms of, or constitute a default under, or result in the abandonment, invalidation or unenforceability of, any license, contract or agreement to which such Pledgor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-406, 9407, 9-408 or 9-409 of the New York UCC or any other applicable law (including, without limitation, Title 11 of the United States Code) or principles of equity); *provided*, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Collateral shall include, and such Pledgor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect, or (f) any Equipment owned by any Pledgor that is subject to a purchase money lien or a Capital Lease Obligation if the contract or other agreement in which such Lien is granted (or the documentation providing for such Capital Lease Obligation) prohibits or requires the consent of any person other than the Pledgors as a condition to the creation of any other security interest on such Equipment.

(b) Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates and (iii) a description of collateral that describes such property in any other manner as the Collateral Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as "all assets" or "all property." Each Pledgor agrees to provide such information to the Collateral Agent promptly upon request.

The Collateral Agent is further authorized to file with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country) such documents as may be reasonably necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by each Pledgor, without the signature of such Pledgor, and naming such Pledgor or the Pledgors as debtors and the Collateral Agent as secured party.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Pledgor with respect to or arising out of the Article 9 Collateral.

Section 4.02. Representations and Warranties. The Pledgors jointly and severally represent and warrant to the Collateral Agent and the Secured Parties that:

(a) Each Pledgor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Credit Agreement.

(b) The Perfection Certificate has been duly prepared, completed and executed and the information set forth therein, including the exact legal name of each Pledgor, is correct and complete, in all material respects, as of the Effective Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations containing a description of the Article 9 Collateral that have been prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 7 to the Perfection Certificate (or specified by notice from the Company to the Collateral Agent after the Effective Date in the case of filings, recordings or registrations required by Section 5.10 of each Credit Agreement) constitute all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral including all material United States Patents, United States registered Trademarks and United States registered Copyrights) that are necessary to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties in respect of all Article 9 Collateral (other than Commercial Tort Claims) in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments. Each Pledgor represents and warrants that a fully executed Intellectual Property Security Agreement containing a description of all Article 9 Collateral consisting of Intellectual Property with respect to United States Patents (and Patents for which United States registration applications are pending), United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights (and Copyrights for which United States registration applications are pending) has been delivered to the Collateral Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, and reasonably requested by the Collateral Agent, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such material Intellectual Property in which a security interest may be perfected by recording with the United States Patent and Trademark Office and the United States Copyright Office, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date hereof).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral (other than Article 9 Collateral described in Section 3.01(a)(xii)) securing the payment and performance of the Obligations, (ii) subject to the filings described in Section 4.02(b), a perfected security interest in all Article 9 Collateral (other than Commercial Tort Claims) in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of the Intellectual Property Security Agreement with the United States Patent and Trademark Office and the United States Copyright Office upon the making of such filings with such office, in each case, as applicable, with respect to material Intellectual Property Collateral. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral other than Permitted Liens.

(d) The Article 9 Collateral is owned by the Pledgors free and clear of any Lien, other than Permitted Liens. None of the Pledgors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e) None of the Pledgors holds any Commercial Tort Claim individually in excess of \$5.0 million as of the Effective Date except as indicated on the Perfection Certificate.

(f) Except as set forth in the Perfection Certificate, as of the Effective Date, all Accounts have been originated by the Pledgors and all Inventory has been produced or acquired by the Pledgors in the ordinary course of business.

(g) As to itself and its Article 9 Collateral consisting of Intellectual Property (the “Intellectual Property Collateral”), to the best of each Pledgor's knowledge:

(i) The Intellectual Property Collateral set forth on Schedule III includes all of the material Patents, domain names, Trademarks, Copyrights and IP Agreements owned by such Pledgor as of the date hereof.

(ii) The Intellectual Property Collateral is subsisting and has not been adjudged invalid or unenforceable in whole or part, and to the best of such Pledgor's knowledge, is valid and enforceable, except as would not reasonably be expected to have a Material Adverse Effect. Such Pledgor is not aware of any uses of any item of Intellectual Property Collateral that would be expected to lead to such item becoming invalid or unenforceable, except as would not reasonably be expected to have a Material Adverse Effect.

(iii) Such Pledgor has made or performed all commercially reasonable acts, including without limitation filings, recordings and payment of all required fees and taxes, required to maintain and protect its interest in each and every item of Intellectual Property Collateral in full force and effect in the United States and such Pledgor has used proper statutory notice in connection with its use of each Patent, Trademark and Copyright in the Intellectual Property Collateral, in each case, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect.

(iv) With respect to each IP Agreement, the absence, termination or violation of which would reasonably be expected to have a Material Adverse Effect: (A) such Pledgor has not received any notice of termination or cancellation under such IP Agreement; (B) such Pledgor has not received any notice of a breach or default under such IP Agreement, which breach or default has not been cured or waived; and (C) neither such Pledgor nor any other party to such IP Agreement is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such IP Agreement.

(v) Except as would not reasonably be expected to have a Material Adverse Effect, no Pledgor or Intellectual Property Collateral is subject to any outstanding consent, settlement, decree, order, injunction, judgment or ruling restricting the use of any Intellectual Property Collateral or that would impair the validity or enforceability of such Intellectual Property Collateral.

Section 4.03. Covenants.

(a) Each Pledgor agrees promptly to notify the Collateral Agent in writing of any change (i) in its corporate or organization name, (ii) in its identity or type of organization or corporate structure, (iii) in its Federal Taxpayer Identification Number or organizational identification number or (iv) in its jurisdiction of organization. Each Pledgor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the immediately preceding sentence. Each Pledgor agrees not to effect or permit any change referred to in the first sentence of this paragraph (a) unless all filings have been made, or will have been made within any applicable statutory period, under the Uniform Commercial Code or otherwise that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest in all the Article 9 Collateral, for the ratable benefit of the Secured Parties. Each Pledgor agrees promptly to notify the Collateral Agent if any material portion of the Article 9 Collateral owned or held by such Pledgor is damaged or destroyed.

(b) Subject to the rights of such Pledgor under the Loan Documents to dispose of Collateral, each Pledgor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all persons and to defend the Security Interest of the Collateral Agent, for the ratable benefit of the Secured Parties, in the Article 9 Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) Each Pledgor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including, without limitation, the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith, all in accordance with the terms hereof and of Section 5.10 of the Credit Agreement. If any Indebtedness payable under or in connection with any of the Article 9 Collateral that is in excess of \$5.0 million shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be promptly pledged to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, and, subject to the Intercreditor Agreement, delivered to the Collateral Agent, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

Without limiting the generality of the foregoing, each Pledgor hereby authorizes the Collateral Agent, with prompt notice thereof to the Pledgors, to supplement this Agreement by supplementing Schedule III or adding additional schedules hereto to specifically identify any asset or item that may constitute material Copyrights, Patents, Trademarks, Copyright Licenses, Patent Licenses or Trademark Licenses; *provided* that any Pledgor shall have the right, exercisable within 30 days after the Company has been notified by the Collateral Agent of the specific identification of such Article 9 Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Pledgor hereunder with respect to such Article 9 Collateral. Each Pledgor agrees that it will use its commercially reasonable efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Article 9 Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Article 9 Collateral.

(d) After the occurrence of an Event of Default and during the continuance thereof, the Collateral Agent shall have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

(e) At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Pledgor fails to do so as required by the Credit Agreement or this Agreement, and each Pledgor jointly and severally agrees to reimburse the Collateral Agent on demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; *provided, however*, that nothing in this Section 4.03(e) shall be interpreted as excusing any Pledgor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Pledgor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(f) Each Pledgor (rather than the Collateral Agent or any Secured Party) shall remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral and each Pledgor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(g) None of the Pledgors shall make or permit to be made an assignment, pledge or hypothecation of the Article 9 Collateral or shall grant any other Lien in respect of the Article 9 Collateral, except as expressly permitted by the Credit Agreement. None of the Pledgors shall make or permit to be made any transfer of the Article 9 Collateral and each Pledgor shall remain at all times in possession of the Article 9 Collateral owned by it, except as permitted by the Credit Agreement.

(h) [Reserved].

(i) Each Pledgor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Pledgor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Collateral Agent may, without waiving or releasing any obligation or liability of the Pledgors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent reasonably deems advisable. All sums disbursed by the Collateral Agent in connection with this Section 4.03(i), including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Pledgors to the Collateral Agent and shall be additional Obligations secured hereby.

Section 4.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, for the ratable benefit of the Secured Parties, the Collateral Agent's security interest in the Article 9 Collateral, each Pledgor agrees, in each case at such Pledgor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) Instruments and Tangible Chattel Paper. If any Pledgor shall at any time hold or acquire any Instruments (other than checks received and processed in the ordinary course of business) or Tangible Chattel Paper evidencing an amount in excess of \$5.0 million, such Pledgor shall, subject to the Intercreditor Agreement, forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) Investment Property. Except to the extent otherwise provided in Article III, if any Pledgor shall at any time hold or acquire any Certificated Security included in the Pledged Collateral, such Pledgor shall, subject to the Intercreditor Agreement, forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify. If any security of a domestic issuer now owned or hereafter acquired by any Pledgor is uncertificated and is issued to such Pledgor or its nominee directly by the issuer thereof, such Pledgor shall promptly notify the Collateral Agent of such uncertificated securities and (i) upon the Collateral Agent's reasonable request or (ii) upon the occurrence and during the continuance of an Event of Default, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such security, without further consent of any Pledgor or such nominee, or (ii) cause the issuer to register the Collateral Agent, as agent for the Secured Parties, as the registered owner of such security. If any security or other Investment Property, whether certificated or uncertificated, representing an Equity Interest in a third party and having a fair market value in excess of \$5.0 million now or hereafter acquired by any Pledgor is held by such Pledgor or its nominee through a securities intermediary or commodity intermediary, such Pledgor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's request and option, pursuant to a Control Agreement in form and substance reasonably satisfactory to the Collateral Agent, either (A) cause such securities intermediary or commodity intermediary, as applicable, to agree, in the case of a securities intermediary, to comply with entitlement orders or other instructions from the Collateral Agent to such securities intermediary as to such securities or other investment Property or, in the case of a commodity intermediary, to apply any value distributed on account of any commodity contract as directed by the Collateral Agent to such commodity intermediary, in each case without further consent of any Pledgor or such nominee, or (B) in the case of Financial Assets or other Investment Property held through a securities intermediary, arrange for the Collateral Agent to become entitlement holders with respect to such Investment Property, for the ratable benefit of the Secured Parties, with such Pledgor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Collateral Agent agrees with each of the Guarantors that the Collateral Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Pledgor, unless an Event of Default has occurred and is continuing or, after giving effect to any such withdrawal or dealing rights, would occur. The provisions of this paragraph (b) shall not apply to any Financial Assets credited to a securities account for which the Collateral Agent is the securities intermediary.

(c) Commercial Tort Claims. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim in an amount reasonably estimated to exceed \$5,000,000, such Pledgor shall promptly notify the Collateral Agent thereof in a writing signed by such Pledgor, including a summary description of such claim, and grant to the Collateral Agent in writing a security interest therein and in the proceeds thereof, all under the terms and provisions of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

Section 4.05. Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) Each Pledgor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or omitting to do any act) whereby any Patent that is material to the normal conduct of such Pledgor's business may become prematurely invalidated, abandoned, lapsed or dedicated to the public, and agrees that it shall take commercially reasonable steps with respect to any material products covered by any such Patent as necessary and sufficient to establish and preserve its rights under applicable patent laws.

(b) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each material Trademark necessary to the normal conduct of such Pledgor's business, (i) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law and (iv) not knowingly use or knowingly permit its licensees' use of such Trademark in violation of any third-party rights.

(c) Each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each work covered by a material Copyright necessary to the normal conduct of such Pledgor's business that it publishes, displays and distributes, use copyright notice as required under applicable copyright laws.

(d) Each Pledgor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright material to the normal conduct of such Pledgor's business may imminently become abandoned, lapsed or dedicated to the public, or of any materially adverse determination or development, excluding office actions and similar determinations or developments in the United States Patent and Trademark Office, United States Copyright Office, any court or any similar office of any country, regarding such Pledgor's ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(e) Each Pledgor, either itself or through any agent, employee, licensee or designee, shall (i) inform the Collateral Agent on an annual basis of each application by itself, or through any agent, employee, licensee or designee, for any Patent with the United States Patent and Trademark Office and each registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any comparable office or agency in any other country filed during the preceding twelve-month period, in each case to the extent such application or registration relates to Intellectual Property material to the normal course of such Pledgor's business and (ii) upon the reasonable request of the Collateral Agent, execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright.

(f) Each Pledgor shall exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any comparable office or agency in any other country with respect to maintaining and pursuing each application relating to any Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) material to the normal conduct of such Pledgor's business and to maintain (i) each issued Patent and (ii) the registrations of each Trademark and each Copyright that is material to the normal conduct of such Pledgor's business, including, when applicable and necessary in such Pledgor's reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Pledgor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Pledgor knows or has reason to know that any Article 9 Collateral consisting of a Patent, Trademark or Copyright material to the normal conduct of its business has been or is about to be materially infringed, misappropriated or diluted by a third party, such Pledgor shall promptly notify the Collateral Agent and shall, if such Pledgor deems it necessary in its reasonable business judgment, promptly sue and recover any and all damages, and take such other actions as are reasonably appropriate under the circumstances.

ARTICLE V

REMEDIES; APPLICATION OF PROCEEDS

Section 5.01. Remedies Upon Default. Upon the occurrence and during the continuance of any Event of Default, each Pledgor agrees to deliver on demand each item of Collateral to the Collateral Agent and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times (acknowledging the terms of the Intercreditor Agreement): (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Pledgors to the Collateral Agent (on behalf of the Secured Parties) or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained with the use of commercially reasonable efforts, which each Pledgor hereby agrees to use) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to the applicable Pledgor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Pledgor agrees that the Collateral Agent shall have the right (acknowledging the terms of the Intercreditor Agreement), subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 5.01, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Pledgors 10 Business Days' written notice (which each Pledgor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or the portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 5.01, any Secured Party may bid for or purchase for cash, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Pledgor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Section 5.02 hereof without further accountability to any Pledgor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Pledgor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Section 5.02. Apportionment, Application, and Reversal of Payments.

(a) Subject to the provisions of the Intercreditor Agreement (including, without limitation, the provisions of Section 4.01 thereof regarding the application of proceeds of any sale, collection or liquidation of any Loan Collateral), all payments received by the Administrative Agent or by the Collateral Agent for application to the Obligations shall be applied as follows:

First, to pay any fees, indemnities or expense reimbursements then due to the Collateral Agent and Administrative Agent from the Company and other Loan Parties under the Credit Agreement;

Second, to pay interest and fees then due from the Company and other Loan Parties to the Lenders under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;

Third, to pay principal then due from the Company and other Loan Parties under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties; and

Fourth, to pay any other amounts then due from the Company and other Loan Parties under the Credit Agreement, ratably among the parties entitled thereto in accordance with the amounts then due to such parties.

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) Subject to the terms of the Intercreditor Agreement, the Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(f) If, after receipt of any payment which is applied to the payment of all or any part of any Obligations, the Collateral Agent, Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible set-off, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by such Agent or such Lender and the Company shall be liable to pay to such Agent and the Lenders, and shall indemnify such Agents and the Lenders and holds the Agent and the Lenders harmless for the amount of such payment or proceeds surrendered. The provisions of this Section 5.02(f) shall be and remain effective notwithstanding any contrary action which may have been taken by an Agent or any Lender in reliance upon such payment or application of proceeds, and any such contrary action so taken shall be without prejudice to the Agents' and the Lenders' rights under this Agreement and shall be deemed to have been conditioned upon such payment or application of proceeds having become final and irrevocable. The provisions of this Section 5.02(f) shall survive the termination of this Agreement.

Section 5.03. Securities Act, Etc. In view of the position of the Pledgors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Pledgor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Pledgor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Pledgor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall not incur any responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI

INDEMNITY, SUBROGATION AND SUBORDINATION

Section 6.01. Indemnity. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 6.03 hereof), each Borrower agrees that (a) in the event a payment shall be made by any Guarantor under this Agreement in respect of any Obligation of such Borrower, such Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor shall be sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part an Obligation owed to any Secured Party by any Borrower, such Borrower shall indemnify such Guarantor in an amount equal to the greater of the book value or the fair market value of the assets so sold.

Section 6.02. Contribution and Subrogation. Each Guarantor (other than Holdings and the Company) (a “Contributing Guarantor”) agrees (subject to Section 6.03 hereof) that, in the event a payment shall be made by any other Guarantor (other than Holdings and the Company) hereunder in respect of any Obligation or assets of any other Guarantor (other than Holdings and the Borrower) shall be sold pursuant to any Security Document to satisfy any Obligation owed to any Secured Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by the applicable Borrower, as provided in Section 6.01 hereof, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets, as applicable, in each case multiplied by a fraction of which the numerator shall be the net worth of such Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Guarantors on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 7.16 hereof, the date of the supplement hereto executed and delivered by such Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01 hereof to the extent of such payment.

Section 6.03. Subordination; Subrogation.

(a) Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the “subordinated Obligations”) to the Obligations to the extent and in the manner hereinafter set forth in this Section 6.03:

(i) Prohibited Payments, Etc. Each Guarantor may receive payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default, if required by the Required Lenders, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations until the Obligations have been paid in full in cash.

(ii) Prior Payment of Guaranteed Obligations. In any proceeding under the U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law relating to any other Loan Party, each Guarantor agrees that the Secured Parties shall be entitled to receive payment in full in cash of all Obligations (including all interest and expenses accruing after the commencement of a proceeding under any U.S. Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, whether or not constituting an allowed claim in such proceeding (“Post-Petition Interest”)) before such Guarantor receives payment of any Subordinated Obligations.

(iii) Turn-Over. After the occurrence and during the continuance of any Event of Default, each Guarantor shall, if a Collateral Agent so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Secured Parties and deliver such payments to the Collateral Agent (for the benefit of the Secured Parties and subject to the terms of the Intercreditor Agreement) on account of the Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Agreement.

(iv) Collateral Agent Authorization. After the occurrence and during the continuance of any Event of Default, the Collateral Agent is authorized and empowered (but without any obligation to so do), in its discretion (acknowledging the terms of the Intercreditor Agreement), (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Collateral Agent for application to the Guaranteed Obligations (including any and all Post-Petition Interest) in each case in accordance with the terms of the Intercreditor Agreement.

(b) Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's Obligations under or in respect of the guarantee set forth in Article II hereof or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Secured Party against such Borrower, any other Loan Party or any other insider guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Obligations and all other amounts payable under the guarantee set forth in Article II shall have been paid in full in cash and the Commitments shall have expired. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the Obligations and all other amounts payable under the guarantee set forth in Article II and (b) the termination or expiration of all Commitments, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Collateral Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Obligations (in accordance with the terms of the Intercreditor Agreement) and all other amounts payable under the guarantee set forth in Article II, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any Obligations or other amounts payable under such guarantee thereafter arising. If (i) any Guarantor shall make payment to any Secured Party of all or any part of the Obligations and (ii) all of the Obligations and all other amounts payable under the guarantee set forth in Article II shall have been paid in full in cash, the Administrative Agent will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Obligations resulting from such payment made by such Guarantor pursuant to such guarantee.

ARTICLE VII

MISCELLANEOUS

Section 7.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Party shall be given to it in care of the Company, with such notice to be given as provided in Section 9.01 of the Credit Agreement.

Section 7.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest in the Article 9 Collateral, the security interest in the Pledged Collateral and all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Pledgor in respect of the Obligations or this Agreement (other than a defense of payment or performance).

Section 7.03. Limitation By Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 7.04. Binding Effect; Several Agreement. This Agreement shall become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party shall have been delivered to the Administrative Agent and the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such party, the Collateral Agent and each of their respective permitted successors and assigns, and shall inure to the benefit of such party, the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each party and may be amended, modified, supplemented, waived or released with respect to any party without the approval of any other party and without affecting the obligations of any other party hereunder.

Section 7.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Pledgor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; *provided* that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent and the Administrative Agent. Unless otherwise agreed by the Administrative Agent, the Collateral Agent hereunder shall at all times be the same person that is the Administrative Agent under the Credit Agreement. Written notice of resignation by an Administrative Agent pursuant the Credit Agreement shall also constitute notice of resignation by such entity as the Collateral Agent under this Agreement, unless otherwise agreed by the Administrative Agent. Upon the acceptance of any appointment as an Administrative Agent under the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the Collateral Agent pursuant hereto, except as otherwise agreed by the Administrative Agent.

Section 7.06. Administrative Agent's and Collateral Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Administrative Agent and the Collateral Agent shall each be entitled to reimbursement of their expenses incurred hereunder as provided in the Section 9.05 of each Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, each Pledgor jointly and severally agrees to indemnify the Administrative Agent, the Collateral Agent and the other "Indemnitees" (as defined in Section 9.05 of the Credit Agreement) against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of, (i) the execution, delivery or performance of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and other transactions contemplated hereby, (ii) the use of proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, or to the Collateral, whether or not any Indemnatee is a party thereto; *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee.

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 7.06 shall be payable on written demand therefor, accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

Section 7.07. Collateral Agent Appointed Attorneys-in-Fact. Each Pledgor hereby appoints the Collateral Agent an attorney-in-fact of such Pledgor for the purpose of carrying out the provisions of this Agreement, and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Collateral Agent shall have the right (acknowledging the terms of the Intercreditor Agreement), upon the occurrence and during the continuance of any Event of Default, with full power of substitution either in the Collateral Agent's name or in the name of such Pledgor, (a) to receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral; (d) to sign the name of any Pledgor on any invoice or bill of lading relating to any of the Collateral; (e) to send verifications of Accounts to any Account Debtor; (f) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (g) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (h) to notify, or to require any Pledgor to notify, Account Debtors to make payment directly to any Collateral Agent or to the Administrative Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; *provided*, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Pledgor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

Section 7.08. GOVERNING LAW. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

Section 7.09. Waivers; Amendment.

(a) No failure or delay by the Collateral Agent, the Administrative Agent or any Lender in exercising any right, power or remedy hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.09, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with the terms of Section 9.08 of the Credit Agreement.

Section 7.10. WAIVER OF JURY TRIAL. **EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.**

Section 7.11. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.12. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract, and shall become effective as provided in Section 7.04 hereof. Delivery of an executed counterpart to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed original.

Section 7.13. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.14. Jurisdiction; Consent to Service of Process.

(a) Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Pledgor, or its properties, in the courts of any jurisdiction.

(b) Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 7.15. Termination or Release.

(a) This Agreement, the guarantees made herein, the pledges made herein, the Security Interest and all other security interests granted hereby shall terminate when all the Loan Document Obligations (other than contingent or unliquidated obligations or liabilities with respect to which no claim has been asserted) have been paid in full in cash or immediately available funds and the Lenders have no further commitment to lend under the Credit Agreement.

(b) A Subsidiary Party shall automatically be released from its obligations hereunder and the security interests in the Collateral of such Subsidiary Party shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement, as a result of which such Subsidiary Party ceases to be a Subsidiary of the Company or otherwise ceases to be a Guarantor; *provided* that the Required Lenders shall have consented to such transaction (to the extent such consents are required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) Upon any sale or other transfer by any Pledgor of any Collateral that is permitted under the Credit Agreement to any person that is not a Pledgor, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to the terms of Section 9.08 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 7.15, the Collateral Agent shall execute and deliver to any Pledgor, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release; *provided*, that the Collateral Agent shall not be required to take any action under this Section 7.15(d) unless such Pledgor shall have delivered to the Collateral Agent together with such request, which may be incorporated into such request, (i) a reasonably detailed description of the Collateral, which in any event shall be sufficient to effect the appropriate termination or release without affecting any other Collateral, and (ii) a certificate of a Responsible Officer of the Company or such Pledgor certifying that the transaction giving rise to such termination or release is permitted by each Credit Agreement and was consummated in compliance with the Loan Documents. Any execution and delivery of documents pursuant to this Section 7.15 shall be without recourse to or warranty by the Collateral Agent.

Section 7.16. Additional Subsidiaries. Upon execution and delivery by the Collateral Agent and any Subsidiary that is required to become a party hereto by Section 5.10 of the Credit Agreement of an instrument in the form of Exhibit A hereto, such subsidiary shall become a Subsidiary Party hereunder with the same force and effect as if originally named as a Subsidiary Party herein. The execution and delivery of any such instrument shall not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement shall remain in full force and effect notwithstanding the addition of any new party to this Agreement.

Section 7.17. Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of any party to this Agreement against any of and all the obligations of such party now or hereafter existing under this Agreement owed to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmaturred. The rights of each Lender under this Section 7.17 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 7.18. Intercreditor Agreement. Notwithstanding anything to the contrary contained herein, the Grantors shall execute a Joinder to Second Priority Intercreditor Agreement, and the terms of this Agreement shall be subject to the terms of the Second Priority Intercreditor Agreement, and in the event of any inconsistency between any provision herein and therein, the terms of the Intercreditor Agreement shall govern. In accordance with the provisions of the Credit Agreement, the Collateral Agent is acting herein as Collateral Agent for the Secured Parties under the Credit Agreement. Anything contained herein or in any of the other Loan Documents to the contrary notwithstanding, the Collateral Agent shall not be required to take any action under this Agreement that would result in a breach by the Collateral Agent of its obligations under any other Loan Document. So long as the Intercreditor Agreement is outstanding, any requirement of this Agreement to deliver Collateral to the Collateral Agent shall be deemed satisfied by delivery of such Collateral to the applicable agent under the Intercreditor Agreement.

DESCRIPTION OF NOTES

[See attached.]

DESCRIPTION OF SECOND PRIORITY EXCHANGE NOTES

General

The Issuer will issue the Second Priority Notes under an indenture (the “Indenture”), by and among Berry Global, Inc. (the “Issuer”), the Parent Guarantor, the Subsidiary Guarantors and [], as trustee (the “Trustee”). The references to the “Issuer” in this description refer only to Berry Global, Inc. and not to any of its Subsidiaries.

The following summary of certain provisions of the Indenture, the Second Priority Notes and the Bridge Loan Agreement does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the Indenture, the Second Priority Notes and the Bridge Loan Agreement, including the definitions of certain terms therein. Capitalized terms used in this “Description of Second Priority Notes” section and not otherwise defined have the meanings set forth in the section “— Certain Definitions.” As used in this “Description of Second Priority Notes” section, “we,” “us” and “our” mean the Issuer and its Subsidiaries. The Indenture will not be qualified under or incorporate or include any of the provisions of the U.S. Trust Indenture Act of 1939, as amended.

The Issuer will issue Second Priority Notes with an initial aggregate principal amount of \$[] million. The Issuer may issue additional Second Priority Notes from time to time after this offering (the “Additional Notes”). Any offering of Additional Notes is subject to the covenants described below under the caption “— Certain Covenants — Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “— Certain Covenants — Liens.” The Second Priority Notes and any Additional Notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Unless the context otherwise requires, for all purposes of the Indenture, the Parent Guarantee, the Subsidiary Guarantees, the Security Documents and this “Description of Second Priority Notes,” references to the Second Priority Notes include any Additional Notes actually issued. The Second Priority Notes will not be fungible with, and will not be of the same class as, the Existing Second Priority Notes.

Principal of, premium, if any, and interest on the Second Priority Notes will be payable, and the Second Priority Notes may be exchanged or transferred, at the office or agency designated by the Issuer (which initially shall be the designated corporate trust office of the Trustee).

The Second Priority Notes will be issued only in fully registered form, without coupons, in minimum denominations of \$2,000 and any integral multiple of \$1,000. No service charge will be made for any registration of transfer or exchange of Second Priority Notes, but the Issuer may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

Terms of the Second Priority Notes

The Second Priority Notes will be senior obligations of the Issuer and will have the benefit of the second priority security interest in the Collateral set forth in the Bridge Loan Agreement. The Second Priority Notes will mature on [], 2027. Each Second Priority Note will bear interest at the Total Cap from [] or from the most recent date to which interest has been paid or provided for, payable semiannually to holders of record at the close of business on [] or [] immediately preceding the interest payment date on [] and [] of each year, commencing [].

Optional Redemption

On or after the third anniversary of the Closing Date, the Issuer may redeem the Second Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each holder's registered address, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period commencing on the dates set forth below:

Period	Redemption Price
Third anniversary of the Closing Date	[] ¹ %
Fourth anniversary of the Closing Date	[] ² %
Fifth anniversary of the Closing Date and thereafter	100.00%

In addition, prior to the third anniversary of the Closing Date, the Issuer may redeem the Second Priority Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail or sent electronically to each holder's registered address, at a redemption price equal to 100% of the principal amount of the Second Priority Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Notwithstanding the foregoing, at any time and from time to time on or prior to the third anniversary of the Closing Date, the Issuer may redeem in the aggregate up to 40% of the original aggregate principal amount of the Second Priority Notes (calculated after giving effect to any issuance of Additional Notes), with the net cash proceeds of one or more Equity Offerings (1) by the Issuer or (2) by any direct or indirect parent of the Issuer, in each case to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer from it, at a redemption price (expressed as a percentage of the principal amount thereof) of par plus the Total Cap, plus accrued and unpaid interest to, if any, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that at least 60% of the original aggregate principal amount of the Second Priority Notes (calculated after giving effect to any issuance of Additional Notes) must remain outstanding immediately after each such redemption; *provided, further*, that such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 30 nor more than 60 days' notice sent electronically or mailed to each holder of Second Priority Notes being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Any redemption or notice described above may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related Equity Offering.

Selection

In the case of any partial redemption, selection of Second Priority Notes for redemption will be made by the Trustee by lot in accordance with the depositary's procedures; *provided* that no Second Priority Notes of \$2,000 or less shall be redeemed in part. If any Second Priority Note is to be redeemed in part only, the notice of redemption relating to such Second Priority Note shall state the portion of the principal amount thereof to be redeemed. A new Second Priority Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original Second Priority Note. On and after the redemption date, interest will cease to accrue on Second Priority Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest (if any) on, the Second Priority Notes to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of the Indenture.

¹ Premium equal to one-half the Total Cap.

² Premium equal to one-quarter the Total Cap

Mandatory Redemption; Offers to Purchase; Open Market Purchases

The Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Second Priority Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Second Priority Notes as described under the captions “— Change of Control” and “— Certain Covenants — Asset Sales.” The Issuer may at any time and from time to time purchase Second Priority Notes in the open market or otherwise.

Ranking

The Indebtedness evidenced by the Second Priority Notes will be senior Indebtedness of the Issuer, will be equal in right of payment to all existing and future Pari Passu Indebtedness, will be senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer and will have the benefit of the security interest in the Collateral set forth in the Bridge Loan Agreement.

From and after the Issue Date, the Indebtedness evidenced by the Subsidiary Guarantees will be senior Indebtedness of the applicable Subsidiary Guarantor, will be equal in right of payment to all existing and future Pari Passu Indebtedness of such Subsidiary Guarantor and will be senior in right of payment to all existing and future Subordinated Indebtedness of such Subsidiary Guarantor and will have the benefit of the security interest in the Collateral set forth in the Bridge Loan Agreement.

The Indebtedness evidenced by the Parent Guarantee will be senior Indebtedness of the Parent Guarantor, will be equal in right of payment to all existing and future Parent Pari Passu Indebtedness and will be senior in right of payment to all existing and future Parent Subordinated Indebtedness. The Parent Guarantee will not be secured by any lien on the Parent Guarantor's property or assets.

Security for the Second Priority Notes

The Second Priority Notes and the Subsidiary Guarantees will be secured by second priority security interests in the Collateral (subject to Permitted Liens) on substantially the same terms as set forth in the Bridge Loan Agreement and related collateral documents.

Subsidiary Guarantees and Parent Guarantee

From and after the Issue Date, each of (i) the Parent Guarantor and (ii) the Issuer's direct and indirect Restricted Subsidiaries that are Domestic Subsidiaries on the Issue Date that guarantee Indebtedness under the Credit Agreements will jointly and severally irrevocably and unconditionally guarantee on a senior basis the performance and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all obligations of the Issuer under the Indenture and the Second Priority Notes, whether for payment of principal of, premium, if any, or interest on the Second Priority Notes, expenses, indemnification or otherwise (all such obligations being herein called the “Guaranteed Obligations”). The Guaranteed Obligations of each Subsidiary Guarantor will be secured by second priority security interests (subject to Permitted Liens) in the Collateral owned by such Subsidiary Guarantor. The Parent Guarantee will not be secured by any lien on the Parent Guarantor's assets. Each of the Parent Guarantor and the Subsidiary Guarantors will agree to pay, in addition to the amount stated above, any and all expenses (including reasonable counsel fees and expenses) incurred by the Collateral Agent, the Trustee or the holders in enforcing any rights under the Parent Guarantee or Subsidiary Guarantees, as applicable.

Each Subsidiary Guarantee will be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the applicable Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. The Issuer will cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that Incurs or guarantees certain Indebtedness of the Issuer or any of its Restricted Subsidiaries or issues shares of Disqualified Stock, to execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary will guarantee payment of the Second Priority Notes on the same senior basis. See “— Certain Covenants — Future Subsidiary Guarantors.”

Each of the Parent Guarantee and each Subsidiary Guarantee will be a continuing guarantee and shall:

- (2) subject to the next succeeding paragraph, be binding upon the Parent Guarantor or such Subsidiary Guarantor, as applicable, and its respective successors; and
- (3) inure to the benefit of and be enforceable by the Trustee, the holders and their successors, transferees and assigns.

A Subsidiary Guarantee of a Subsidiary Guarantor will be automatically released upon:

- (1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary), of the applicable Subsidiary Guarantor if such sale, disposition or other transfer is made in compliance with the Indenture,
 - (b) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under “— Certain Covenants — Limitation on Restricted Payments” and the definition of “Unrestricted Subsidiary,”
 - (c) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Second Priority Notes pursuant to the covenant described under “— Certain Covenants — Future Subsidiary Guarantors,” the release or discharge of the guarantee by such Restricted Subsidiary of Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer or such Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, which resulted in the obligation to guarantee the Second Priority Obligations, and
 - (d) the Issuer’s exercise of its legal defeasance option or covenant defeasance option as described under “— Defeasance,” or the discharge of the Issuer’s obligations under the Indenture in accordance with the terms of the Indenture; and
- (2) in the case of clause (1)(a) above, such Subsidiary Guarantor is released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer.

A Subsidiary Guarantee also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing First Priority Lien Obligations, subject to, in each case, the application of the proceeds of such foreclosure in the manner set forth in the Bridge Documentation, or if such Subsidiary is released from its guarantees of, and all pledges and security interests granted in connection with, the Credit Agreements and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer which results in the obligation to guarantee the Second Priority Obligations.

For the avoidance of doubt, the Parent Guarantor shall not be considered a “Subsidiary Guarantor” for purposes of and as defined in the Indenture and shall not be subject to any of the obligations or agreements of a Subsidiary Guarantor thereunder.

Change of Control

From and after the Issue Date, upon the occurrence of any of the following events (each, a “Change of Control”), each holder will have the right to require the Issuer to repurchase all or any part of such holder’s Second Priority Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Issuer has previously elected to redeem Second Priority Notes as described under “— Optional Redemption”:

(1) the sale, lease or transfer, in one or a series of related transactions, of all or substantially all the assets of the Issuer and its Subsidiaries, taken as a whole, to a Person other than any of the Permitted Holders; or

(2) the Issuer becomes aware (by way of a report or any other filing pursuant to Section 13(d) of the Exchange Act, proxy, vote, written notice or otherwise) of the acquisition by any Person or group (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act, or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of securities (within the meaning of Rule 13d-5(b)(1) under the Exchange Act), other than any of the Permitted Holders, in a single transaction or in a related series of transactions, by way of merger, consolidation or other business combination or purchase of beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act, or any successor provision), of more than 50% of the total voting power of the Voting Stock of the Issuer or any direct or indirect parent of the Issuer.

In the event that at the time of such Change of Control the terms of any Bank Indebtedness restrict or prohibit the repurchase of Second Priority Notes pursuant to this covenant, then prior to the mailing or sending electronically of the notice to holders provided for in the immediately following paragraph but in any event within 30 days following any Change of Control, the Issuer shall:

(1) repay in full all such Bank Indebtedness or, if doing so will allow the purchase of Second Priority Notes, offer to repay in full all such Bank Indebtedness and repay all Bank Indebtedness of each lender who has accepted such offer; or

(2) obtain the requisite consent under the agreements governing such Bank Indebtedness to permit the repurchase of the Second Priority Notes as provided for in the immediately following paragraph.

Within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the Second Priority Notes as described under “— Optional Redemption,” the Issuer shall mail or send electronically a notice (a “Change of Control Offer”) to each holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such holder has the right to require the Issuer to repurchase such holder’s Second Priority Notes at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on a record date to receive interest on the relevant interest payment date);

- (2) the circumstances and relevant facts and financial information regarding such Change of Control;
- (3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent); and
- (4) the instructions determined by the Issuer, consistent with this covenant, that a holder must follow in order to have its Second Priority Notes purchased.

A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Issuer will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Second Priority Notes validly tendered and not withdrawn under such Change of Control Offer.

If holders of not less than 90% in aggregate principal amount of the outstanding Second Priority Notes validly tender and do not withdraw such notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the notes validly tendered and not withdrawn by such holders, the Issuer or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

Second Priority Notes repurchased by the Issuer pursuant to a Change of Control Offer will have the status of Second Priority Notes issued but not outstanding or will be retired and canceled at the option of the Issuer. Second Priority Notes purchased by a third party pursuant to the preceding paragraph will have the status of Second Priority Notes issued and outstanding.

The Issuer will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Second Priority Notes pursuant to this covenant. To the extent that the provisions of any securities laws or regulations conflict with provisions of this covenant, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this covenant by virtue thereof.

The provisions under the Indenture relating to the Issuer's obligation to make an offer to repurchase the Second Priority Notes as a result of a Change of Control may be waived or modified with the written consent of the holders of a majority in principal amount of the Second Priority Notes.

Certain Covenants

Set forth below are summaries of certain covenants that will be contained in the Indenture. If, on any date following the Issue Date, (i) the Second Priority Notes have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under the Indenture then, beginning on that day and continuing at all times thereafter regardless of any subsequent changes in the ratings of the Second Priority Notes, the covenants specifically listed under the following captions in this "Description of Second Priority Notes" will no longer be applicable to the Second Priority Notes:

- (1) “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”;
- (2) “— Limitation on Restricted Payments”;
- (3) “— Dividend and Other Payment Restrictions Affecting Subsidiaries”;
- (4) “— Asset Sales”;
- (5) “— Transactions with Affiliates”;
- (6) “— Future Subsidiary Guarantors”; and
- (7) clause (4) of the first paragraph of “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets.”

In addition, during any period of time that (i) the Second Priority Notes have Investment Grade Ratings from both Rating Agencies, and the Issuer has delivered notice of such Investment Grade Ratings to the Trustee, and (ii) no Default has occurred and is continuing under the Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the Issuer and its Restricted Subsidiaries will not be subject to the covenant described under “Change of Control” (the “Suspended Covenant”). In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenant under the Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Second Priority Notes below an Investment Grade Rating or (b) the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Second Priority Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenant from such date with respect to future events, including, without limitation, a proposed transaction described in clause (b) above, until the occurrence, if any, of another Covenant Suspension Event, or the termination of such agreement, or the withdrawal by such Rating Agency of such indication, whichever occurs earliest. The Issuer shall deliver written notice to the Trustee promptly upon the occurrence of any Reversion Date.

Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock. The Indenture will provide that, from and after the Issue Date:

- (1) the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and
- (2) the Issuer will not permit any of its Restricted Subsidiaries (other than a Subsidiary Guarantor) to issue any shares of Preferred Stock;

provided, however, that the Issuer and any Restricted Subsidiary that is a Subsidiary Guarantor or a Foreign Subsidiary may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Issuer for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

The foregoing limitations will not apply to:

(a) (x) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under any Credit Agreements and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof) in the aggregate principal amount of \$[]³ million plus an aggregate additional principal amount outstanding at any one time that does not cause the Secured Indebtedness Leverage Ratio of the Issuer to exceed 4.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom) and (y) the Incurrence by the Issuer or its Restricted Subsidiaries of Secured Indebtedness under the Revolving Credit Agreement or any other Credit Agreement that is a revolving, working capital or liquidity facility in an aggregate amount not to exceed the greater of (A) \$750 million and (B) the Borrowing Base as of the date of such Incurrence

(b) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the Second Priority Notes (not including any Additional Notes) and any Rollover Loans and the Subsidiary Guarantees, as applicable;

(c) (x) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the First Priority Notes and any First Priority Rollover Loans in an aggregate amount not to exceed \$[] and the subsidiary guarantees thereof and (y) Indebtedness existing on the Closing Date (other than Indebtedness described in clauses (a), (b) and clause (c)(x));

(d) Indebtedness (including Capitalized Lease Obligations) Incurred by the Issuer or any of its Restricted Subsidiaries, Disqualified Stock issued by the Issuer or any of its Restricted Subsidiaries and Preferred Stock issued by any Restricted Subsidiaries of the Issuer to finance (whether prior to or within 270 days after) the purchase, lease, construction or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets (but no other material assets));

(e) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

(f) Indebtedness arising from agreements of the Issuer or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, Incurred in connection with the Original Transactions or any other acquisition or disposition of any business, assets or a Subsidiary of the Issuer occurring after September 20, 2006 and before the Issue Date, and any other acquisition or disposition of any business, assets or a Subsidiary of the Issuer occurring on or after the Issue Date in accordance with the terms of the Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

³ To be set at the amount of term loans outstanding on the Closing Date.

(g) Indebtedness of the Issuer to a Restricted Subsidiary; provided that any such Indebtedness owed to a Restricted Subsidiary that is not a Subsidiary Guarantor is subordinated in right of payment to the obligations of the Issuer under the Second Priority Notes; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(h) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

(i) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; provided that if a Subsidiary Guarantor incurs such Indebtedness to a Restricted Subsidiary that is not a Subsidiary Guarantor, such Indebtedness is subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor; *provided, further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an Incurrence of such Indebtedness;

(j) Hedging Obligations that are not incurred for speculative purposes and either (1) for the purpose of fixing or hedging interest rate risk with respect to any Indebtedness that is permitted by the terms of the Indenture to be outstanding; (2) for the purpose of fixing or hedging currency exchange rate risk with respect to any currency exchanges; or (3) for the purpose of fixing or hedging commodity price risk (including resin price risk) with respect to any commodity purchases or sales;

(k) obligations in respect of performance, bid, appeal and surety bonds and completion guarantees provided by the Issuer or any Restricted Subsidiary in the ordinary course of business;

(l) Indebtedness or Disqualified Stock of the Issuer or any Restricted Subsidiary of the Issuer and Preferred Stock of any Restricted Subsidiary of the Issuer not otherwise permitted hereunder in an aggregate principal amount, which when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (l), does not exceed the greater of \$425.0 million and 5.0% of Total Assets at the time of Incurrence (it being understood that any Indebtedness Incurred under this clause (l) shall cease to be deemed Incurred or outstanding for purposes of this clause (l) but shall be deemed Incurred for purposes of the first paragraph of this covenant from and after the first date on which the Issuer, or the Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness under the first paragraph of this covenant without reliance upon this clause (l));

(m) any guarantee by the Issuer or a Subsidiary Guarantor of Indebtedness or other obligations of the Issuer or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness Incurred by the Issuer or such Restricted Subsidiary is permitted under the terms of the Indenture; provided that if such Indebtedness is by its express terms subordinated in right of payment to the Second Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of such Subsidiary Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantor's Subsidiary Guarantee with respect to the Second Priority Notes substantially to the same extent as such Indebtedness is subordinated to the Second Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable;

(n) the Incurrence by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer which serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under the first paragraph of this covenant and clauses (a), (b), (c), (d), (n), (o), (s) and (t) of this paragraph or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(1) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced;

(2) has a Stated Maturity which is not earlier than the earlier of (x) the Stated Maturity of the Indebtedness being refunded or refinanced or (y) 91 days following the maturity date of the Second Priority Notes;

(3) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Second Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, such Refinancing Indebtedness is junior to the Second Priority Notes or the Subsidiary Guarantee of such Restricted Subsidiary, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock;

(4) is Incurred in an aggregate amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the aggregate amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium, fees and expenses Incurred in connection with such refinancing;

(5) shall not include (x) Indebtedness of a Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor that refinances Indebtedness of the Issuer or a Restricted Subsidiary that is a Subsidiary Guarantor, or (y) Indebtedness of the Issuer or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary; and

(6) in the case of any Refinancing Indebtedness Incurred to refinance Indebtedness outstanding under clause (a), (d) or (t), shall be deemed to have been Incurred and to be outstanding under such clause (a), (d) or (t), as applicable, and not this clause (n) for purposes of determining amounts outstanding under such clauses (a), (d) and (t);

provided, further, that subclauses (1) and (2) of this clause (n) will not apply to any refunding or refinancing of any Secured Indebtedness constituting First Priority Lien Obligations;

(o) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or any of its Restricted Subsidiaries incurred to finance an acquisition or (y) Persons that are acquired by the Issuer or any of its Restricted Subsidiaries or merged with or into the Issuer or any of its Restricted Subsidiaries in accordance with the terms of the Indenture; *provided, however*, that after giving effect to such acquisition or merger, either:

(1) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this covenant; or

(2) the Fixed Charge Coverage Ratio of the Issuer would be greater than immediately prior to such acquisition or merger;

(p) Indebtedness Incurred by a Receivables Subsidiary in a Qualified Receivables Financing that is not recourse to the Issuer or any Restricted Subsidiary other than a Receivables Subsidiary (except for Standard Securitization Undertakings);

(q) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided that such Indebtedness is extinguished within five Business Days of its Incurrence;

(r) Indebtedness of the Issuer or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to any Credit Agreement, in a principal amount not in excess of the stated amount of such letter of credit;

(s) Contribution Indebtedness;

(t) Indebtedness of Foreign Subsidiaries; *provided, however*, that the aggregate principal amount of Indebtedness Incurred under this clause (t), when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (t), does not exceed, at any one time outstanding, the greater of \$100.0 million and 10.0% of the Total Assets held on the balance sheet of all Foreign Subsidiaries of the Issuer, taken together, at the time of Incurrence;

(u) Indebtedness of the Issuer or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business; and

(v) Indebtedness incurred on behalf of, or representing guarantees of Indebtedness of, joint ventures of the Issuer or any Restricted Subsidiary not in excess, at any one time outstanding, of the greater of (i) \$425 million and (ii) 5.0% of Total Assets at the time of Incurrence.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (a) through (v) above or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness in any manner that complies with this covenant; *provided* that all Indebtedness under the Term Loan Bridge Credit Agreement and the Existing Term Credit Agreement outstanding on the Issue Date shall be deemed to have been incurred pursuant to the fixed dollar prong of clause (a) and the Issuer shall not be permitted to reclassify all or any portion of such Indebtedness. Accrual of interest, the accretion of accreted value, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion or amortization of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Limitation on Restricted Payments. The Indenture will provide that, from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Issuer (other than (A) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Restricted Subsidiary, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);
- (2) purchase or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer;
- (3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness of the Issuer or any of its Restricted Subsidiaries (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (g) and (i) of the second paragraph of the covenant described under "— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"); or
- (4) make any Restricted Investment.

(all such payments and other actions set forth in clauses (1) through (4) above being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

- (a) no Default shall have occurred and be continuing or would occur as a consequence thereof;
- (b) immediately after giving effect to such transaction on a pro forma basis, the Issuer could Incur \$1.00 of additional Indebtedness under the provisions of the first paragraph of the covenant described under "— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Closing Date (including Restricted Payments permitted by clauses (1), (4) (only to the extent of one-half of the amounts paid pursuant to such clause), (6) and (8) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph), is less than the amount equal to the Cumulative Credit.

“Cumulative Credit” means the sum of (without duplication):

(1) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period, the “Reference Period”) from [December 31, 2010]⁴ to the end of the Issuer’s most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit), plus

(2) 100% of the aggregate net proceeds, including cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash, received by the Issuer after the Closing Date from the issue or sale of Equity Interests of the Issuer (excluding Refunding Capital Stock (as defined below), Designated Preferred Stock, Excluded Contributions, Disqualified Stock and the Cash Contribution Amount), including Equity Interests issued upon conversion of Indebtedness or Disqualified Stock or upon exercise of warrants or options (other than an issuance or sale to a Restricted Subsidiary of the Issuer or an employee stock ownership plan or trust established by the Issuer or any of its Subsidiaries), plus

(3) 100% of the aggregate amount of contributions to the capital of the Issuer received in cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash after the Closing Date (other than Excluded Contributions, Refunding Capital Stock, Designated Preferred Stock, Disqualified Stock and the Cash Contribution Amount), plus

(4) the principal amount of any Indebtedness, or the liquidation preference or maximum fixed repurchase price, as the case may be, of any Disqualified Stock of the Issuer or any Restricted Subsidiary thereof issued after the Closing Date (other than Indebtedness or Disqualified Stock issued to a Restricted Subsidiary) which has been converted into or exchanged for Equity Interests in the Issuer (other than Disqualified Stock) or any direct or indirect parent of the Issuer (provided in the case of any parent, such Indebtedness or Disqualified Stock is retired or extinguished), plus

(5) 100% of the aggregate amount received after the Closing Date by the Issuer or any Restricted Subsidiary in cash and the Fair Market Value (as determined in good faith by the Issuer) of property other than cash received after the Closing Date by the Issuer or any Restricted Subsidiary from:

(A) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary of the Issuer) of Restricted Investments made by the Issuer and its Restricted Subsidiaries and from repurchases and redemptions of such Restricted Investments from the Issuer and its Restricted Subsidiaries by any Person (other than the Issuer or any of its Restricted Subsidiaries) and from repayments of loans or advances which constituted Restricted Investments (other than in each case to the extent that the Restricted Investment was made pursuant to clause (7) or (10) of the succeeding paragraph),

(B) the sale (other than to the Issuer or a Restricted Subsidiary of the Issuer) of the Capital Stock of an Unrestricted Subsidiary, or

⁴ To be conformed to the date under the Bridge Loan Agreement.

(C) a distribution or dividend from an Unrestricted Subsidiary, plus

(6) in the event any Unrestricted Subsidiary of the Issuer has been redesignated as a Restricted Subsidiary or has been merged, consolidated or amalgamated with or into, or transfers or conveys its assets to, or is liquidated into, the Issuer or a Restricted Subsidiary, in each case, after the Closing Date, the Fair Market Value (as determined in good faith by the Issuer or, if such Fair Market Value may exceed \$25.0 million, in writing by an Independent Financial Advisor) of the Investment of the Issuer in such Unrestricted Subsidiary at the time of such redesignation, combination or transfer (or of the assets transferred or conveyed, as applicable), after taking into account any Indebtedness associated with the Unrestricted Subsidiary so designated or combined or any Indebtedness associated with the assets so transferred or conveyed (other than in each case to the extent that the designation of such Subsidiary as an Unrestricted Subsidiary was made pursuant to clause (7) or (10) of the succeeding paragraph or constituted a Permitted Investment).

The foregoing provisions will not prohibit:

(1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Indenture;

(2) (a) the repurchase, retirement or other acquisition of any Equity Interests (“Retired Capital Stock”) of the Issuer or any direct or indirect parent of the Issuer or Subordinated Indebtedness of the Issuer, any direct or indirect parent of the Issuer or any Subsidiary Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale of, Equity Interests of the Issuer or any direct or indirect parent of the Issuer or contributions to the equity capital of the Issuer (other than any Disqualified Stock or any Equity Interests sold to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) (collectively, including any such contributions, “Refunding Capital Stock”); and

(b) the declaration and payment of accrued dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer or to an employee stock ownership plan or any trust established by the Issuer or any of its Subsidiaries) of Refunding Capital Stock;

(3) the redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Issuer or any Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Issuer or a Subsidiary Guarantor which is Incurred in accordance with the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” so long as

(a) the principal amount of such new Indebtedness does not exceed the principal amount of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired plus any fees incurred in connection therewith),

(b) such Indebtedness is subordinated to the Second Priority Notes or the related Subsidiary Guarantee, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, acquired or retired for value,

(c) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired or (y) 91 days following the maturity date of the Second Priority Notes, and

(d) such Indebtedness has a Weighted Average Life to Maturity at the time Incurred which is not less than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired;

(4) the repurchase, retirement or other acquisition (or dividends to any direct or indirect parent of the Issuer to finance any such repurchase, retirement or other acquisition) for value of Equity Interests of the Issuer or any direct or indirect parent of the Issuer held by any future, present or former employee, director or consultant of the Issuer or any direct or indirect parent of the Issuer or any Subsidiary of the Issuer pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided, however*, that the aggregate amounts paid under this clause (4) do not exceed \$25.0 million in any calendar year (with unused amounts in any calendar year (including calendar years occurring from and after the calendar year during which January 1, 2013 occurred) being permitted to be carried over for the two succeeding calendar years); *provided, further*, however, that such amount in any calendar year may be increased by an amount not to exceed:

(a) the cash proceeds received by the Issuer or any of its Restricted Subsidiaries from the sale of Equity Interests (other than Disqualified Stock) of the Issuer or any direct or indirect parent of the Issuer (to the extent contributed to the Issuer) to members of management, directors or consultants of the Issuer and its Restricted Subsidiaries or any direct or indirect parent of the Issuer that occurs after September 20, 2006 (*provided* that the amount of such cash proceeds utilized for any such repurchase, retirement, other acquisition or dividend will not increase the amount available for Restricted Payments under clause (c) of the first paragraph under “— Limitation on Restricted Payments”); plus

(b) the cash proceeds of key man life insurance policies received by the Issuer or any direct or indirect parent of the Issuer (to the extent contributed to the Issuer) or the Issuer’s Restricted Subsidiaries after September 20, 2006; *provided* that the Issuer may elect to apply all or any portion of the aggregate increase contemplated by clauses (a) and (b) above in any calendar year;

(5) the declaration and payment of dividends or distributions to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries issued or incurred in accordance with the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”;

(6) the declaration and payment of dividends or distributions (a) to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date and (b) to any direct or indirect parent of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of any direct or indirect parent of the Issuer issued after the Issue Date; *provided, however*, that, (x) for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock, after giving effect to such issuance (and the payment of dividends or distributions) on a pro forma basis, the Issuer would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00 and (y) the aggregate amount of dividends declared and paid pursuant to this clause (6) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(7) Investments in Unrestricted Subsidiaries having an aggregate Fair Market Value, taken together with all other Investments made pursuant to this clause (7) that are at that time outstanding, not to exceed the greater of \$175.0 million and 2.0% of Total Assets at the time of such Investment (with the Fair Market Value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(8) the payment of dividends on the Issuer's common stock (or the payment of dividends to any direct or indirect parent of the Issuer to fund the payment by such direct or indirect parent of the Issuer of dividends on such entity's common stock) of up to 6% per annum of the net proceeds received by the Issuer on or after November 19, 2010 from any public offering on or after November 19, 2010 of common stock of the Issuer or any direct or indirect parent of the Issuer;

(12) the payment of dividends or other distributions to any direct or indirect parent of the Issuer in amounts required for such parent to pay federal, state or local income taxes (as the case may be) imposed directly on such parent to the extent such income taxes are attributable to the income of the Issuer and its Restricted Subsidiaries (including, without limitation, by virtue of such parent being the common parent of a consolidated or combined tax group of which the Issuer and/or its Restricted Subsidiaries are members);

(13) the payment of dividends, other distributions or other amounts or the making of loans or advances by the Issuer, if applicable:

(a) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Issuer, if applicable, and general corporate overhead expenses of any direct or indirect parent of the Issuer, if applicable, in each case to the extent such fees and expenses are attributable to the ownership or operation of the Issuer, if applicable, and its Subsidiaries;

(b) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay interest and/or principal on Indebtedness the proceeds of which have been contributed to the Issuer or any of its Restricted Subsidiaries and that has been guaranteed by, or is otherwise considered Indebtedness of, the Issuer Incurred in accordance with the covenant described under "— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; and

(c) in amounts required for any direct or indirect parent of the Issuer to pay fees and expenses, other than to Affiliates of the Issuer, related to any unsuccessful equity or debt offering of such parent;

(14) cash dividends or other distributions on the Issuer's Capital Stock used to, or the making of loans to any direct or indirect parent of the Issuer to, fund the Original Transactions and the payment of fees and expenses incurred in connection with the Original Transactions or owed by the Issuer or any direct or indirect parent of the Issuer, as the case may be, or Restricted Subsidiaries of the Issuer to Affiliates, in each case to the extent permitted by the covenant described under "— Transactions with Affiliates";

(15) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(16) purchases of receivables pursuant to a Receivables Repurchase Obligation in connection with a Qualified Receivables Financing and the payment or distribution of Receivables Fees;

(17) payments of cash, or dividends, distributions or advances by the Issuer or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(18) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness pursuant to the provisions similar to those described under the captions “— Change of Control” and “— Asset Sales”; *provided* that all Second Priority Notes tendered by holders of the Second Priority Notes in connection with a Change of Control or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(19) any payments made, including any such payments made to any direct or indirect parent of the Issuer to enable it to make payments, in connection with the consummation of the Transactions (other than payments to any Permitted Holder or any Affiliate thereof); and

(20) in addition to the foregoing Restricted Payments, the Issuer may make additional Restricted Payments so long as immediately after giving pro forma effect thereto and the application of the net proceeds therefrom, the Total Indebtedness Leverage Ratio would be no greater than 3.00 to 1.00;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (6), (7), (10) and (11) above, no Default shall have occurred and be continuing or would occur as a consequence thereof.

The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of “Unrestricted Subsidiary.” For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of “Investments.” Such designation will only be permitted if a Restricted Payment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Dividend and Other Payment Restrictions Affecting Subsidiaries. The Indenture will provide that, from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) (i) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock; or (2) with respect to any other interest or participation in, or measured by, its profits; or (ii) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;
- (b) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or
- (c) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries; except in each case for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to the Credit Agreements, the other Credit Agreement Documents, the Existing Second Priority Notes Indentures, the Bridge Loan Agreement, the First Priority Bridge Loan Agreement and the First Priority Notes Indenture;

(2) the Indenture, the Second Priority Notes, the Security Documents and the Intercreditor Agreement;

(3) applicable law or any applicable rule, regulation or order;

(4) any agreement or other instrument relating to Indebtedness of a Person acquired by the Issuer or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;

(6) Secured Indebtedness otherwise permitted to be Incurred pursuant to the covenants described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “— Liens” that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(9) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in clause (c) above on the property so acquired;

(10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause(c) above on the property subject to such lease;

(11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided, however*, that such restrictions apply only to such Receivables Subsidiary;

(12) other Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary of the Issuer

(i) that is a Subsidiary Guarantor that is Incurred subsequent to the Issue Date pursuant to the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” or

(ii) that is Incurred by a Foreign Subsidiary of the Issuer subsequent to the Issue Date pursuant to clause (d), (l) or (t) of the second paragraph of the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”;

(13) any Restricted Investment not prohibited by the covenant described under “— Limitation on Restricted Payments” and any Permitted Investment; or

(14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this covenant, (1) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (2) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Asset Sales. The Indenture will provide that from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the Issuer’s or such Restricted Subsidiary’s most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Second Priority Notes or any Subsidiary Guarantee) that are assumed by the transferee of any such assets,

(b) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and

(c) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of 2.0% of Total Assets and \$175.0 million at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value) shall be deemed to be Cash Equivalents for the purposes of this provision.

Within 365 days after the Issuer’s or any Restricted Subsidiary of the Issuer’s receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:

(1) to repay (A) Indebtedness constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), Indebtedness of a Foreign Subsidiary or Pari Passu Indebtedness (*provided* that, if the Issuer or any Subsidiary Guarantor shall so reduce Obligations under Pari Passu Indebtedness (other than any First Priority Lien Obligations), the Issuer will equally and ratably reduce Obligations under the Second Priority Notes through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the pro rata principal amount of Second Priority Notes), or Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, in each case other than Indebtedness owed to the Issuer or an Affiliate of the Issuer,

(2) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case used or useful in a Similar Business, or

(3) to make an investment in any one or more businesses (provided that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer), properties or assets that replace the properties and assets that are the subject of such Asset Sale.

In the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, the Issuer or such Restricted Subsidiary enters into another binding commitment within nine months of such cancellation or termination of the prior binding commitment; *provided, further* that the Issuer or such Restricted Subsidiary may only enter into such a commitment under the foregoing provision one time with respect to each Asset Sale.

Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first sentence of this paragraph (it being understood that any portion of such Net Proceeds used to make an offer to purchase Second Priority Notes, as described in clause (1) above, shall be deemed to have been invested whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Issuer shall make an offer to all holders of Second Priority Notes (and, at the option of the Issuer, to holders of any Pari Passu Indebtedness) (an "Asset Sale Offer") to purchase the maximum principal amount of Second Priority Notes (and such Pari Passu Indebtedness), that is at least \$2,000 and an integral multiple of \$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness was issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds \$15.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. To the extent that the aggregate amount of Second Priority Notes (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Second Priority Notes (and such Pari Passu Indebtedness) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Second Priority Notes to be purchased in the manner described below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Second Priority Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

If more Second Priority Notes (and such Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, selection of such Second Priority Notes for purchase will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Second Priority Notes are listed, or if such Second Priority Notes are not so listed, on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided* that no Second Priority Notes of \$2,000 or less shall be purchased in part. Selection of such Pari Passu Indebtedness will be made pursuant to the terms of such Pari Passu Indebtedness.

Notices of an Asset Sale Offer shall be mailed by first class mail, postage prepaid, at least 30 but not more than 60 days before the purchase date to each holder of Second Priority Notes at such holder's registered address. If any Second Priority Note is to be purchased in part only, any notice of purchase that relates to such Second Priority Note shall state the portion of the principal amount thereof that has been or is to be purchased.

Transactions with Affiliates. The Indenture will provide that from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, unless:

- (a) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person; and
- (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, the Issuer delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (a) above.

The foregoing provisions will not apply to the following:

- (1) transactions between or among the Issuer and/or any of its Restricted Subsidiaries and any merger of the Issuer and any direct parent of the Issuer; provided that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer and such merger is otherwise in compliance with the terms of the Indenture and effected for a bona fide business purpose;
- (2) Restricted Payments permitted by the provisions of the Indenture described above under the covenant "— Limitation on Restricted Payments" and Permitted Investments;
- (3) [reserved];

(4) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;

(5) [reserved];

(6) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;

(7) payments or loans (or cancellation of loans) to employees or consultants which are approved by a majority of the Board of Directors of the Issuer in good faith;

(8) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the Second Priority Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by senior management or the Board of Directors of the Issuer;

(9) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of the Original Acquisition Documents, the Pliant Acquisition Documents or any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, and any transaction, agreement or arrangement entered into in connection with the Transactions and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter or have entered into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (9) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the holders of the Second Priority Notes in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(10) [Reserved];

(11) (a) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (b) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;

(12) any transaction effected as part of a Qualified Receivables Financing;

(13) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;

(14) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(15) the entering into of any tax sharing agreement or arrangement and any payments permitted by clause (12) of the second paragraph of the covenant described under “— Limitation on Restricted Payments”;

(16) any contribution to the capital of the Issuer;

(17) transactions permitted by, and complying with, the provisions of the covenant described under “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets”;

(18) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(19) pledges of Equity Interests of Unrestricted Subsidiaries;

(20) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business; and

(21) intercompany transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers’ Certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing any covenant set forth in the Indenture.

Liens. The Indenture will provide that from and after the Issue Date, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist (i) any Lien on any asset or property of the Issuer or such Restricted Subsidiary securing Indebtedness unless the Second Priority Notes are equally and ratably secured with (or on a senior basis to, in the case of obligations subordinated in right of payment to the Second Priority Notes) the obligations so secured until such time as such obligations are no longer secured by a Lien or (ii) any Lien securing any First Priority Lien Obligation of the Issuer or any Subsidiary Guarantor without effectively providing that the Second Priority Notes or the applicable Subsidiary Guarantee, as the case may be, shall be granted a second priority security interest (subject to Permitted Liens) upon the assets or property constituting the collateral for such First Priority Lien Obligations, except as set forth in the Bridge Documentation; *provided, however*, that if granting such second priority security interest requires the consent of a third party, the Issuer will use commercially reasonable efforts to obtain such consent with respect to the second priority security interest for the benefit of the Trustee on behalf of the holders of the Second Priority Notes; *provided, further, however*, that if such third party does not consent to the granting of such second priority security interest after the use of commercially reasonable efforts, the Issuer will not be required to provide such security interest.

Clause (i) of the preceding paragraph will not require the Issuer or any Restricted Subsidiary of the Issuer to secure the Second Priority Notes if the Lien consists of a Permitted Lien. Any Lien which is granted to secure the Second Priority Notes or such Subsidiary Guarantee under clause (i) of the preceding paragraph (unless also granted pursuant to clause (ii) of the preceding paragraph) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Second Priority Notes or such Subsidiary Guarantee under such clause (i).

Reports and Other Information. The Indenture will provide that, from and after the Issue Date, notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Issuer will file with the SEC (and provide the Trustee and holders with copies thereof, without cost to each holder, within 15 days after it files them with the SEC),

- (1) within the time period specified in the SEC's rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),
- (2) within the time period specified in the SEC's rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form),
- (3) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC's rules and regulations), such other reports on Form 8-K (or any successor or comparable form), and
- (4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

provided, however, that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer will make available such information to prospective purchasers of Second Priority Notes, including by posting such reports on the primary website of the Issuer or its Subsidiaries, in addition to providing such information to the Trustee and the holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act it being understood that the Trustee shall have no responsibility whatsoever to determine whether any filings have been made with the SEC or reports have been posted on such website.

In the event that:

- (a) the rules and regulations of the SEC permit the Issuer and any direct or indirect parent of the Issuer to report at such parent entity's level on a consolidated basis and
- (b) such parent entity of the Issuer is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Issuer, such consolidated reporting at such parent entity's level in a manner consistent with that described in this covenant for the Issuer will satisfy this covenant.

In addition, the Issuer will make such information available to prospective investors upon request. In addition, the Issuer has agreed that, for so long as any Second Priority Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, it will furnish to the holders of the Second Priority Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Notwithstanding the foregoing, the Issuer will be deemed to have furnished such reports referred to above to the Trustee and the holders if the Issuer has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available; *provided, however*, that the Trustee shall have no responsibility whatsoever to determine whether or not the Issuer has made such filing.

- (a) So long as the Parent Guarantee is in effect, or

- (b) in the event that any direct or indirect parent of the Issuer is or becomes a guarantor of the Guaranteed Obligations, the Indenture will permit the Issuer to satisfy its obligations in this covenant with respect to financial information relating to the Issuer by furnishing financial information relating to the Parent Guarantor, or to such direct or indirect parent, as applicable; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to the Parent Guarantor, or to such direct or indirect parent, and any of their respective Subsidiaries other than the Issuer and its Subsidiaries, on the one hand, and the information relating to the Issuer, the Subsidiary Guarantors and the other Subsidiaries of the Issuer on a standalone basis, on the other hand.

Future Subsidiary Guarantors. The Indenture will provide that, from and after the Issue Date, the Issuer will cause each Restricted Subsidiary that is a Domestic Subsidiary (unless such Subsidiary is a Receivables Subsidiary) that

(a) guarantees any Indebtedness of the Issuer or any of its Restricted Subsidiaries, or

(b) incurs any Indebtedness or issues any shares of Disqualified Stock permitted to be Incurred or issued pursuant to clauses (a) or (l) of the second paragraph of the covenant described under “— Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” or not permitted to be Incurred by such covenant,

to execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Second Priority Notes. Each Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by that Restricted Subsidiary without rendering the Subsidiary Guarantee, as it relates to such Restricted Subsidiary, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Each Subsidiary Guarantee shall be released in accordance with the provisions of the Indenture described under “— Subsidiary Guarantees and Parent Guarantee.”

Amendment of Security Documents. From and after the Issue Date, the Issuer shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Security Documents in any way that would be adverse to the holders of the Second Priority Notes in any material respect, except as set forth in the Bridge Documentation or as permitted under “— Amendments and Waivers.”

After-Acquired Property. The Indenture will provide that, from and after the Issue Date, upon the acquisition by any Issuer or any Subsidiary Guarantor of any First Priority After-Acquired Property, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such First Priority After-Acquired Property and to have such First Priority After-Acquired Property (but subject to the limitations set forth in the Bridge Documentation) added to the Collateral, and thereupon all provisions of the Indenture relating to the Collateral shall be deemed to relate to such First Priority After-Acquired Property to the same extent and with the same force and effect; *provided, however*, that if granting such second priority security interest in such First Priority After-Acquired Property requires the consent of a third party, the Issuer will use commercially reasonable efforts to obtain such consent with respect to the second priority interest for the benefit of the Trustee on behalf of the holders of the Second Priority Notes; *provided, further, however*, that if such third party does not consent to the granting of such second priority security interest after the use of such commercially reasonable efforts, the Issuer or such Subsidiary Guarantor, as the case may be, will not be required to provide such security interest.

Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets

The Indenture will provide that, from and after the Issue Date, the Issuer may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(1) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, Delaware LLC Division, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory of the United States (the Issuer or such Person, as the case may be, being herein called the “Successor Company”); *provided* that in the case where the surviving Person is not a corporation, a co-obligor of the Second Priority Notes is a corporation;

(2) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under the Indenture, the Second Priority Notes and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(4) immediately after giving pro forma effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(a) the Successor Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under “— Certain Covenants — Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock”; or

(b) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(5) each Subsidiary Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person’s obligations under the Indenture and the Second Priority Notes; and

(6) the Issuer shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures (if any) comply with the Indenture.

The Successor Company (if other than the Issuer) will succeed to, and be substituted for, the Issuer under the Indenture, the Second Priority Notes and the Security Documents, and in such event the Issuer will automatically be released and discharged from its obligations under the Indenture, the Second Priority Notes and the Security Documents. Notwithstanding the foregoing clauses (3) and (4), (a) any Restricted Subsidiary may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to the Issuer or to another Restricted Subsidiary, and (b) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in another state of the United States, the District of Columbia or any territory of the United States or may convert into a limited liability company, so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby. This “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets” covenant will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Issuer and its Restricted Subsidiaries.

The Indenture further will provide that, subject to certain limitations in the Indenture governing release of a Subsidiary Guarantee upon the sale or disposition of a Restricted Subsidiary of the Issuer that is a Subsidiary Guarantor, no Subsidiary Guarantor will, and the Issuer will not permit any Subsidiary Guarantor to, consolidate, amalgamate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person (including, in each case, pursuant to a Delaware LLC Division) unless:

(1) either (a) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, Delaware LLC Division, or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state thereof, the District of Columbia or any territory of the United States (such Subsidiary Guarantor or such Person, as the case may be, being herein called the “Successor Subsidiary Guarantor”) and the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee and the Collateral Agent, or (b) such sale or disposition or consolidation, amalgamation, Delaware LLC Division, or merger is not in violation of the covenant described above under the caption “— Certain Covenants — Asset Sales”; and

(2) the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) shall have delivered or caused to be delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with the Indenture.

Subject to certain limitations described in the Indenture, the Successor Subsidiary Guarantor (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under the Indenture, such Subsidiary Guarantor’s Subsidiary Guarantee and the Security Documents.

Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States, the District of Columbia or any territory of the United States so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby and (2) a Subsidiary Guarantor may merge, amalgamate or consolidate with another Subsidiary Guarantor or the Issuer.

In addition, notwithstanding the foregoing, any Subsidiary Guarantor may consolidate, amalgamate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets (collectively, a “Transfer”) to (x) the Issuer or any Subsidiary Guarantor or (y) any Restricted Subsidiary of the Issuer that is not a Subsidiary Guarantor; provided that at the time of each such Transfer pursuant to clause (y) the aggregate amount of all such Transfers since the Issue Date shall not exceed 5.0% of the consolidated assets of the Issuer and the Subsidiary Guarantors as shown on the most recent available balance sheet of the Issuer and the Restricted Subsidiaries after giving effect to each such Transfer and including all Transfers occurring from and after the Issue Date (excluding Transfers in connection with the Transactions).

Defaults

An Event of Default will be defined in the Indenture with respect to the Second Priority Notes as:

- (1) a default in any payment of interest on any Second Priority Note when the same becomes due and payable and such default continues for a period of 30 days,
- (2) a default in the payment of principal or premium, if any, of any Second Priority Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise,
- (3) the failure by the Issuer or any of its Restricted Subsidiaries to comply with the covenant described under “— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets” above,
- (4) the failure by the Issuer or any of its Restricted Subsidiaries to comply for 60 days after notice with its other agreements contained in the Second Priority Notes or the Indenture,
- (5) the failure by the Issuer or any Significant Subsidiary to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent (the “cross-acceleration provision”),
- (6) certain events of bankruptcy, insolvency or reorganization of the Issuer or a Significant Subsidiary (the “bankruptcy provisions”),
- (7) failure by the Issuer or any Significant Subsidiary to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days following the entry thereof (the “judgment default provision”),
- (8) any Subsidiary Guarantee of a Significant Subsidiary with respect to the Second Priority Notes ceases to be in full force and effect (except as contemplated by the terms thereof) or any Subsidiary Guarantor denies or disaffirms its obligations under the Indenture or any Subsidiary Guarantee with respect to the Second Priority Notes and such Default continues for 10 days,
- (9) unless all of the Collateral has been released from the second priority Liens in accordance with the provisions of the Security Documents with respect to the Second Priority Notes, the Issuer shall assert or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Person that is a Subsidiary of the Issuer, the Issuer fails to cause such Subsidiary to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions, or
- (10) the failure by the Issuer or any Subsidiary Guarantor to comply for 60 days after notice with its other agreements contained in the Security Documents except for a failure that would not be material to the holders of the Second Priority and would not materially affect the value of the Collateral taken as a whole (together with the defaults described in clauses (8) and (9) the “security default provisions”).

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a Default under clause (4) or (10) will not constitute an Event of Default until the Trustee notifies the Issuer or the holders of 25% in principal amount of the outstanding Second Priority Notes and Rollover Loans notify the Issuer and the Trustee of the Default and the Issuer does not cure such Default within the time specified in clause (4) or (10) hereof after receipt of such notice.

If an Event of Default (other than a Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer) occurs with respect to the Second Priority Notes and is continuing, the Trustee or the holders of at least 25% in principal amount of outstanding Second Priority Notes and Rollover Loans by notice to the Issuer may declare the principal of, premium, if any, and accrued but unpaid interest on all the Second Priority Notes to be due and payable; *provided, however*, that so long as any Bank Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (1) five Business Days after the giving of written notice to the Issuer and the Representatives under the Credit Agreements and (2) the day on which any Bank Indebtedness is accelerated. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer occurs, the principal of, premium, if any, and interest on all the Second Priority Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holders. Under certain circumstances, the holders of a majority in principal amount of outstanding Second Priority Notes may rescind any such acceleration with respect to the Second Priority Notes and its consequences.

In the event of any Event of Default specified in clause (5) of the first paragraph above, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) will be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders of the Second Priority Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Second Priority Notes as described above be annulled, waived or rescinded upon the happening of any such events.

Subject to the provisions of the Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders unless such holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to the Indenture or the Second Priority Notes unless:

- (1) such holder has previously given the Trustee written notice that an Event of Default is continuing,
- (2) holders of at least 25% in principal amount of the outstanding Second Priority Notes and Rollover Loans have requested the Trustee to pursue the remedy,
- (3) such holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense,
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and

(5) the holders of a majority in principal amount of the outstanding Second Priority Notes and Rollover Loans have not given the Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, the holders of a majority in principal amount of outstanding Second Priority Notes and Rollover Loans are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee will be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

The Indenture provides that if a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each holder of Second Priority Notes notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Second Priority Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding notice is in the interests of the holders. In addition, the Issuer is required to deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take in respect thereof.

Amendments and Waivers

Subject to certain exceptions, the Indenture and the Security Documents may be amended with the consent of the holders of a majority in principal amount of the Second Priority Notes then outstanding and any past default or compliance with any provisions may be waived with the consent of the holders of a majority in principal amount of the Second Priority Notes then outstanding. However, without the consent of each holder of an outstanding Second Priority Note affected, no amendment may, among other things:

- (1) reduce the amount of Second Priority Notes whose holders must consent to an amendment,
- (2) reduce the rate of or extend the time for payment of interest on any Second Priority Note,
- (3) reduce the principal of or change the Stated Maturity of any Second Priority Note,
- (4) reduce the premium payable upon the redemption of any Second Priority Note or change the time at which any Second Priority Note may be redeemed as described under “— Optional Redemption” above,
- (5) make any Second Priority Note payable in money other than that stated in such Second Priority Note,
- (6) expressly subordinate the Second Priority Notes or any Subsidiary Guarantee to any other Indebtedness of the Issuer or any Subsidiary Guarantor,
- (7) impair the right of any holder to receive payment of principal of, premium, if any, and interest on such holder’s Second Priority Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder’s Second Priority Notes,

- (8) make any change in the amendment provisions which require each holder's consent or in the waiver provisions,
- (9) modify any Subsidiary Guarantee in any manner adverse to the holders, or
- (10) make any change in the provisions in the Intercreditor Agreement or the Indenture dealing with the application of gross proceeds of Collateral that would adversely affect the holders of the Second Priority Notes.

Without the consent of the holders of at least two-thirds in aggregate principal amount of the Second Priority Notes then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of the Indenture and the Security Documents with respect to the Second Priority Notes.

Without the consent of any holder, the Issuer and Trustee may amend the Indenture, any Security Document or the Intercreditor Agreement to cure any ambiguity, omission, defect or inconsistency, to provide for the assumption by a Successor Company of the obligations of the Issuer under the Indenture and the Second Priority Notes, to provide for the assumption by a Successor Subsidiary Guarantor of the obligations of a Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee, to provide for uncertificated Second Priority Notes in addition to or in place of certificated Second Priority Notes (*provided* that the uncertificated Second Priority Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Second Priority Notes are described in Section 163(f)(2)(B) of the Code), to add a Subsidiary Guarantee with respect to the Second Priority Notes, to secure the Second Priority Notes, to add additional assets as Collateral, to release Collateral from the Lien pursuant to the Security Documents when permitted or required by the Indenture, the Security Documents or the Intercreditor Agreement, to modify the Security Documents and/or any Intercreditor Agreement, to secure additional extensions of credit and add additional secured creditors holding other First Priority Lien Obligations and/or second priority secured Obligations of the Issuer or any Subsidiary Guarantor so long as such other First Priority Lien Obligations and Other Second Lien Obligations are not prohibited by the provisions of the Credit Agreements, the Existing Second Priority Notes Indentures, the Indenture or the First Priority Notes Indenture, to add to the covenants of the Issuer for the benefit of the holders or to surrender any right or power conferred upon the Issuer, to make any change that does not adversely affect the rights of any holder, to effect any provision of the Indenture or to make certain changes to the Indenture to provide for the issuance of additional Second Priority Notes, to provide for the issuance of additional Second Priority Notes which shall have terms substantially identical in all material respects to the Second Priority Notes and which shall be treated, together with any outstanding Second Priority Notes as a single series of securities, or to conform the text of the Indenture or the Second Priority Notes to any provision of this "Description of Second Priority Notes" to the extent that such a provision in this "Description of Second Priority Notes" was intended to be a verbatim recitation of a provision of the Indenture or the Second Priority Notes. In addition, the Intercreditor Agreement will provide that subject to certain exceptions, any amendment, waiver or consent to any of the collateral documents with respect to First Priority Lien Obligations will apply automatically to the comparable Security Documents and the comparable security documents with respect to the Existing Second Priority Notes.

The consent of the holders is not necessary under the Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment under the Indenture becomes effective, the Issuer is required to mail to the respective holders a notice briefly describing such amendment. However, the failure to give such notice to all holders entitled to receive such notice, or any defect therein, will not impair or affect the validity of the amendment.

No Personal Liability of Directors, Officers, Employees, Managers and Stockholders

No director, officer, employee, manager, incorporator or holder of any Equity Interests in the Issuer or any direct or indirect parent corporation, as such, will have any liability for any obligations of the Issuer under the Second Priority Notes, the Indenture, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Second Priority Notes by accepting a Second Priority Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Second Priority Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Transfer and Exchange

A noteholder may transfer or exchange Second Priority Notes in accordance with the Indenture. Upon any transfer or exchange, the registrar and the Trustee may require a noteholder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a noteholder to pay any taxes required by law or permitted by the Indenture. The Issuer is not required to transfer or exchange any Second Priority Note selected for redemption or to transfer or exchange any Second Priority Note for a period of 15 days prior to the mailing of a notice of redemption of Second Priority Notes. The Second Priority Notes will be issued in registered form and the registered holder of a Second Priority Note will be treated as the owner of such Second Priority Note for all purposes.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Second Priority Notes, as expressly provided for in the Indenture) as to all outstanding Second Priority Notes when:

(1) either (a) all the Second Priority Notes theretofore authenticated and delivered (except lost, stolen or destroyed Second Priority Notes which have been replaced or paid and Second Priority Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (b) all of the Second Priority Notes (i) have become due and payable, (ii) will become due and payable at their stated maturity within one year or (iii) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Second Priority Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Second Priority Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; provided that in respect of any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption;

(2) the Issuer and/or the Subsidiary Guarantors have paid all other sums payable under the Indenture; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with.

Defeasance

The Issuer at any time may terminate all of its obligations under the Second Priority Notes and the Indenture with respect to the holders of the Second Priority Notes ("legal defeasance"), except for certain obligations, including those respecting the defeasance trust and obligations to register the transfer or exchange of the Second Priority Notes, to replace mutilated, destroyed, lost or stolen Second Priority Notes and to maintain a registrar and Paying Agent in respect of the Second Priority Notes. The Issuer at any time may terminate its obligations under the covenants described under "— Certain Covenants" for the benefit of the holders of the Second Priority Notes, the operation of the cross acceleration provision, the bankruptcy provisions with respect to Significant Subsidiaries, the judgment default provision and the security default provisions described under "— Defaults" (but only to the extent that those provisions relate to the Defaults with respect to the Second Priority Notes) and the undertakings and covenants contained under "— Change of Control" and "— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets" ("covenant defeasance") for the benefit of the holders of the Second Priority Notes. If the Issuer exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor will be released from all of its obligations with respect to its Subsidiary Guarantee and the Security Documents so long as no Second Priority Notes are then outstanding.

The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Issuer exercises its legal defeasance option, payment of the Second Priority Notes may not be accelerated because of an Event of Default with respect thereto. If the Issuer exercises its covenant defeasance option, payment of the Second Priority Notes may not be accelerated because of an Event of Default specified in clause (3), (4), (5), (6), (7) (with respect only to Significant Subsidiaries), (8), (9) or (10) under "— Defaults" or because of the failure of the Issuer to comply with clause (4) under "— Merger, Amalgamation, Consolidation or Sale of All or Substantially All Assets."

In order to exercise its defeasance option, the Issuer must irrevocably deposit in trust (the "defeasance trust") with the Trustee money or U.S. Government Obligations deemed sufficient in the opinion of a nationally recognized firm of public accountants for the payment of principal, premium (if any) and interest on the Second Priority Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including (i) the passage of 123 days after the deposit, during which 123-day period no default occurs under clause (6) under "— Defaults" with respect to the Issuer, which default is continuing at the end of such period, and (ii) delivery to the Trustee of an Opinion of Counsel to the effect that holders of the Second Priority Notes will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and, in the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the Internal Revenue Service or change in applicable federal income tax law); provided that in respect of any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Trustee on or prior to the date of the redemption. Notwithstanding the foregoing, the Opinion of Counsel required by the immediately preceding sentence with respect to a legal defeasance need not be delivered if all of the notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.
