CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

This Form 10-Q includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended, with respect to our financial condition, results of operations and business and our expectations or beliefs concerning future events. The forward-looking statements include, in particular, statements about our plans, strategies and prospects under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations." These statements contain words such as "believes," "expects," "may," "will," "should," "would," "could," "seeks," "approximately," "intends," "plans," "estimates," "outlook," "anticipates" or "looking forward" or similar expressions that relate to our strategy, plans, intentions, or expectations. All statements we make relating to our estimated and projected earnings, margins, costs, expenditures, cash flows, growth rates and financial results or to our expectations regarding future industry trends are forward-looking statements. In addition, we, through our senior management, from time to time make forward-looking public statements concerning our expected future operations and performance and other developments. These forward-looking statements are subject to risks and uncertainties that may change at any time, and, therefore, our actual results may differ materially from those that we expected. We derive many of our forward-looking statements from our operating budgets and forecasts, which are based upon many detailed assumptions. While we believe that our assumptions are reasonable, we caution that it is very difficult to predict the impact of known factors, and it is impossible for us to anticipate all factors that could affect our actual results. All forward-looking statements are based upon information available to us on the date of this Form 10-Q.

Readers should carefully review the factors discussed in our most recent Form 10-K in the section titled "Risk Factors" and other risk factors identified from time to time in our periodic filings with the Securities and Exchange Commission.

Notes to Consolidated Financial Statements
(Unaudited)
(tables in millions of dollars, except per share data)

1. Basis of Presentation

The accompanying unaudited Condensed Consolidated Financial Statements of Berry Global Group, Inc. ("the Company," "we," or "Berry") have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP") pursuant to the rules and regulations of the Securities and Exchange Commission for interim reporting. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In preparing financial statements in conformity with GAAP, we must make estimates and assumptions that affect the reported amounts and disclosures at the date of the financial statements and during the reporting period. Actual results could differ from those estimates. Certain reclassifications have been made to prior periods to conform to current reporting. In the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included, and all subsequent events up to the time of the filing have been evaluated. For further information, refer to the Company's most recent Form 10-K filed with the Securities and Exchange Commission.

2. Recently Issued Accounting Pronouncements

Changes to GAAP are established by the Financial Accounting Standards Board ("FASB") in the form of accounting standards updates to the FASB's Accounting Standards Codification. During fiscal 2019, with the exception of the below, there have been no developments to the recently adopted accounting pronouncements from those disclosed in the Company's 2018 Annual Report on Form 10-K that are considered to have a material impact on our unaudited consolidated financial statements.

Revenue Recognition

In May 2014, the FASB issued a final standard on revenue recognition. Under the new standard, an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. For public entities, the provisions of the new standard are effective for annual reporting periods beginning after December 15, 2017 and interim periods therein. An entity can apply the new revenue standard on a full retrospective approach to each prior reporting period presented or on a modified retrospective approach with the cumulative effect of initially applying the standard recognized at the date of initial application in retained earnings. The Company adopted the new standard effective for fiscal 2019 using the modified retrospective approach. The adoption of this standard did not have a material impact on the Company's consolidated financial statements.

Leases

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which increases transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. Under the new standard, the lessee of an operating lease will be required to do the following: 1) recognize a right-of-use asset and a lease liability in the statement of financial position, 2) recognize a single lease cost allocated over the lease term generally on a straight-line basis, and 3) classify all cash payments within operating activities on the statement of cash flows. Companies are required to adopt this standard using a modified retrospective transition method. Amendments in this standard are effective for fiscal years beginning after December 15, 2018, including interim periods within those fiscal years. The Company established a cross-functional implementation team that is progressing through inventorying its lease contracts and developing business processes and internal controls to ensure we meet the reporting and disclosure requirements of the new standard. The standard will be effective for the Company beginning fiscal 2020.

3. Revenue Recognition

Our revenues are primarily derived from the sale of plastic packaging products to customers. Revenue is recognized when performance obligations are satisfied, in an amount reflecting the consideration the Company expects to be entitled. We consider the promise to transfer products to be our sole performance obligation. If the consideration agreed to in a contract includes a variable amount, we estimate the amount of consideration we expect to be entitled to in exchange for transferring the promised goods to the customer using the most likely amount method. Our main sources of variable consideration are customer rebates and cash discounts. There are no material instances where variable consideration is constrained and not recorded at the initial time of sale. Generally our revenue is recognized at a point in time for standard promised goods at the time of shipment, when title and risk of loss pass to the customer. A small number of our contracts are for sales of products which are customer specific and cannot be repurposed. Sales for these products qualify for over time recognition and are immaterial to the Company.

Our rebate programs are individually negotiated with customers and contain a variety of different terms and conditions. Certain rebates are calculated as flat percentages of purchases, while others included tiered volume incentives. These rebates may be payable monthly, quarterly, or annually. The calculation of the accrued rebate balance involves management estimates, especially where the terms of the rebate involve tiered volume levels that require estimates of expected annual sales. These provisions are based on estimates derived from current program requirements and historical experience. The accrual for customer rebates was \$56 million and \$58 million at March 30, 2019 and September 29, 2018, respectively, and is included in Accrued expenses and other current liabilities.

Due to the nature of our sales transactions, we have elected the following practical expedients: (i) Shipping and handling costs are treated as fulfillment costs. Accordingly, shipping and handling costs are classified as a component of Cost of goods sold while amounts billed to customers are classified as a component of Net Sales; (ii) We exclude sales and similar taxes that are imposed on our sales and collected from customers; (iii) As our standard payment terms are less than one year, we did not assess whether a contract has a significant financing component.

The Company disaggregates revenue based on reportable business segment, geography, and significant product line. Refer to Note 11. Operating Segments for further information.

4. Acquisitions

RPC Group Plc

On March 8, 2019, the Company issued an announcement pursuant to Rule 2.7 of the UK City Code on Takeovers and Mergers disclosing the terms of an all-cash firm offer for the entire issued and to be issued share capital of RPC Group Plc ("RPC"). Pursuant to the offer, RPC shareholders will be entitled to receive 793 pence in cash for each RPC share (implying a value of approximately £3.3 billion, or \$4.3 billion using the exchange rate at the time of the offer). Aggregate consideration will be approximately £5.0 billion, or \$6.5 billion, including refinancing of RPC's net debt, using the exchange rate at the time of the offer. The Company has entered into certain foreign exchange forward contracts to partially mitigate its currency exchange rate risk associated with the GBP denominated purchase price. Refer to Note 9. Financial Instruments and Fair Value Measurements for further information.

On April 18, 2019, the requisite majority of RPC shareholders voted to approve the RPC transaction. The transaction remains subject to, among other things, receipt of antitrust clearances and satisfaction of other customary closing conditions. Antitrust approvals have been obtained in the United States, Turkey, South Africa and the European Union. Filings for the other antitrust clearances required to be obtained to satisfy the other applicable conditions (in Mexico, Russia and China) have been made.

The Company expects to complete the RPC acquisition early in the third quarter of calendar year 2019. To finance the all-cash purchase, the Company intends to obtain permanent financing prior to the completion of the acquisition.

RPC is a leading plastic product design and engineering company that works responsibly across a broad range of industries from food to technical components, healthcare to industrial with total revenue of £3.7 billion for the twelve-month period ended March 31, 2018. It is a global business with 189 operating sites in 34 countries that are strategically placed to support customers on a local, national and international basis, as well as providing multi-site security of supply. RPC manufactures in five of the major polymer conversion processes (consisting of injection molding, blow molding, thermoforming, rotational molding and blown film extrusion) allowing RPC to produce innovative and sustainable value added products.

Laddawn, Inc.

In August 2018, the Company acquired Laddawn, Inc. ("Laddawn") for a purchase price of \$242 million, which is preliminary and subject to adjustment. Laddawn is a custom bag and film manufacturer with a unique-to-industry e-commerce sales platform. The acquired business is operated in our Engineered Materials segment. To finance the purchase, the Company used existing liquidity.

The acquisition has been accounted for under the purchase method of accounting and accordingly, the purchase price has been allocated to the identifiable assets and liabilities based on preliminary estimates of fair value at the acquisition date. The results of Laddawn have been included in the consolidated results of the Company since the date of the acquisition. The Company has not finalized the allocation of the purchase price to the fair value of the assets acquired and liabilities assumed. The assets acquired and liabilities assumed consisted of working capital of \$26 million, property and equipment of \$39 million, intangible assets of \$98 million, and goodwill of \$79 million. The working capital includes a \$2 million step up of inventory to fair value. The Company has recognized goodwill on this transaction primarily as a result of expected cost synergies, and expects goodwill to be deductible for tax purposes.

In February 2018, the Company acquired Clopay Plastic Products Company, Inc. ("Clopay") for a purchase price of \$475 million. Clopay is an innovator in the development of printed breathable films, elastic films, and laminates with product offerings uniquely designed for applications used in a number of markets including: hygiene, healthcare, construction and industrial protective apparel. The acquired business is operated within our Health, Hygiene & Specialties segment. To finance the purchase, the Company issued \$500 million aggregate principal amount of 4.5% second priority notes through a private placement offering.

The acquisition has been accounted for under the purchase method of accounting, and accordingly, the purchase price has been allocated to the identifiable assets and liabilities based on fair values at the acquisition date. The results of Clopay have been included in the consolidated results of the Company since the date of the acquisition. The Company has recognized goodwill on this transaction primarily as a result of expected cost synergies, and expects goodwill to be deductible for tax purposes. The following table summarizes the purchase price allocation and estimated fair values of the assets acquired and liabilities assumed at the date of the acquisition:

Working capital (a)	\$	70
Property and equipment		164
Intangible assets		125
Goodwill		111
Other assets and long-term liabilities		5
(a) Includes a \$3 million step up of inventory to fair value		

5. Accounts Receivable Factoring Agreements

The Company has entered into various factoring agreements, both in the U.S. and at a number of foreign subsidiaries, to sell certain receivables to unrelated third-party financial institutions. The Company accounts for these transactions in accordance with ASC 860, "Transfers and Servicing" ("ASC 860"). ASC 860 allows for the ownership transfer of accounts receivable to qualify for sale treatment when the appropriate criteria is met, which permits the Company to present the balances sold under the program to be excluded from Accounts receivable, net on the Consolidated Balance Sheets. Receivables are considered sold when (i) they are transferred beyond the reach of the Company and its creditors, (ii) the purchaser has the right to pledge or exchange the receivables, and (iii) the Company has surrendered control over the transferred receivables. In addition, the Company provides no other forms of continued financial support to the purchaser of the receivables once the receivables are sold.

There were no amounts outstanding from financial institutions related to U.S. based programs at March 30, 2019 or September 29, 2018. Gross amounts factored under these U.S. based programs at March 30, 2019 and September 29, 2018 were \$203 million and \$162 million, respectively. The fees associated with transfer of receivables for all programs were not material for any of the periods presented.

^(a) The Company classifies the term loan as long-term based on our intent and ability (through the use of alternative financing including our revolving line of credit, if necessary) to refinance prior to its maturity date.

The Company was in compliance with all debt covenants for all periods presented.

Debt discounts and deferred financing fees are presented net of Long-term debt, less the current portion on the Consolidated Balance Sheets and are amortized to Interest expense, net through maturity.

During fiscal 2019, the Company has made \$122 million of repayments on long-term borrowings using existing liquidity.

9. Financial Instruments and Fair Value Measurements

In the normal course of business, the Company is exposed to certain risks arising from business operations and economic factors. The Company may use derivative financial instruments to help manage market risk and reduce the exposure to fluctuations in interest rates and foreign currencies. These financial instruments are not used for trading or other speculative purposes. For those derivative instruments that are designated and qualify as hedging instruments, the Company must designate the hedging instrument, based upon the exposure being hedged, as a fair value hedge, cash flow hedge, or a hedge of a net investment in a foreign operation.

To the extent hedging relationships are found to be effective, as determined by FASB guidance, changes in the fair value of the derivatives are offset by changes in the fair value of the related hedged item and recorded to Accumulated other comprehensive loss. Any identified ineffectiveness, or changes in the fair value of a derivative not designated as a hedge, is recorded to the Consolidated Statements of Income.

Cross-Currency Swaps

The Company is party to certain cross-currency swap agreements with a notional amount of 250 million euro to effectively convert a portion of our fixed-rate U.S. dollar denominated term loans, including the monthly interest payments, to fixed-rate euro-denominated debt. The swap agreements mature in May 2022. The risk management objective is to manage foreign currency risk relating to net investments in certain European subsidiaries denominated in foreign currencies and reduce the variability in the functional currency cash flows of a portion of the Company's term loans. Changes in fair value of the derivative instruments are recognized in a component of Accumulated other comprehensive loss, to offset the changes in the values of the net investments being hedged.

Foreign Exchange Forward Contracts — RPC Acquisition

In connection with the announced, proposed acquisition of RPC, the Company entered into certain foreign exchange forward contracts to partially mitigate the currency exchange rate risk associated with the GBP denominated purchase price. At March 30, 2019, the Company had outstanding forward contracts totaling £2.7 billion and are expected to settle upon the closing of the transaction. For the quarter ended March 30, 2019, the Company recognized an unrealized loss of \$18 million in Other expense, net in the Consolidated Statement of Income associated with the forward contracts.

Interest Rate Swaps

The primary purpose of the Company's interest rate swap activities is to manage cash flow variability associated with our outstanding variable rate term loan debt.

During fiscal 2017 the Company modified various term loan rates and maturities. In conjunction with these modifications the Company realigned existing swap agreements which resulted in the de-designation of the original hedge and re-designation of the modified swaps as effective cash flow hedges. The amounts included in Accumulated other comprehensive loss at the date of de-designation are being amortized to Interest expense through the terms of the original swaps.

As of March 30, 2019, the Company effectively had (i) a \$450 million interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.000%, with an effective date in May 2017 and expiration in May 2022, (ii) a \$1 billion interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.808% with an effective date in June 2018 and expiration in September 2021, and (iii) a \$400 million interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.533% with an effective date in February 2019 and expiration in July 2023.

The Company records the fair value positions of all derivative financial instruments on a net basis by counterparty for which a master netting arrangement is utilized. The categorization of the framework used to value the instruments is considered Level 2, due to the analysis that incorporates observable market inputs including foreign currency spot and forward rates, various interest rate curves, and obtained from pricing data quoted by various banks, third party sources and foreign currency dealers. Balances on a gross basis are as follows:

Derivatives Instruments	Hedge Designation	Balance Sheet Location	March 30, 2019	September 29, 2018
Cross-currency swaps	Designated	Other assets	\$ 6	\$ —
Cross-currency swaps	Designated	Other long-term liabilities	—	11

Interest rate swaps	Designated	Other long-term liabilities	21	—
Interest rate swaps	Not designated	Other long-term liabilities	—	1

The effect of the Company's derivative instruments on the Consolidated Statements of Income is as follows:

Derivative Instruments	Statements of Income Location	Quarterly Period Ended		Two Quarterly Periods Ended	
		March 30, 2019	March 31, 2018	March 30, 2019	March 31, 2018

The amortization related to unrealized losses in Accumulated other comprehensive loss is expected to be \$7 million in the next 12 months.

Non-recurring Fair Value Measurements

The Company has certain assets that are measured at fair value on a non-recurring basis when impairment indicators are present or when the Company completes an acquisition. The Company adjusts certain long-lived assets to fair value only when the carrying values exceed the fair values. The categorization of the framework used to value the assets is considered Level 3, due to the subjective nature of the unobservable inputs used to determine the fair value. These assets that are subject to our annual impairment analysis primarily include our definite lived and indefinite lived intangible assets, including Goodwill and our property, plant and equipment. The Company reviews Goodwill and other indefinite lived assets for impairment as of the first day of the fourth fiscal quarter each year and more frequently if impairment indicators exist. The Company determined Goodwill and other indefinite lived assets were not impaired in our annual fiscal 2018 assessment. No impairment indicators were identified in the current quarter.

Included in the following table are the major categories of assets measured at fair value on a non-recurring basis as of March 30, 2019 and September 29, 2018, along with the impairment loss recognized on the fair value measurement during the period:

	As of March 30, 2019

Property, plant, and equipment	—	—	2,488	2,488	—
Total	\$ —	\$ —	\$ 6,772	\$ 6,772	\$ —

The Company's financial instruments consist primarily of cash and cash equivalents, long-term debt, interest rate and cross-currency swap agreements, foreign exchange forward contracts, and capital lease obligations. The book value of our marketable long-term indebtedness exceeded fair value by \$10 million as of March 30, 2019. The Company's long-term debt fair values were determined using Level 2 inputs as other significant observable inputs were not available.

10. Income Taxes

In December 2017, the U.S. government enacted comprehensive tax legislation commonly referred to as the Tax Cuts and Jobs Act (the "Tax Act"). The transitional impacts of the Tax Act resulted in a transition benefit of \$95 million in the six month period ended March 31, 2018.

The effective tax rate was 23% for the quarterly period ended March 30, 2019 and was positively impacted by 4% from the share-based compensation excess tax benefit deduction, 1% from research and development credits, and other discrete items. These favorable items were offset by increases of 4% from U.S. state income taxes, 2% from foreign valuation allowance, and other discrete items.

The effective tax rate was 22% for the two quarterly periods ended March 30, 2019 and was positively impacted by 3% from the share-based compensation excess tax benefit, 1% from research and development credits, and other discrete items. These favorable items were partially offset by increases of 4% from U.S. state taxes, 2% from foreign valuation allowance, and other discrete items.

12. Contingencies and Commitments

The Company is party to various legal proceedings involving routine claims which are incidental to its business. Although the Company's legal and financial liability with respect to such proceedings cannot be estimated with certainty, management believes that any ultimate liability would not be material to its financial statements.

The Company has various purchase commitments for raw materials, supplies, and property and equipment incidental to the ordinary conduct of business.

13. Share Repurchase Program

In fiscal 2018, the Company announced a \$500 million share repurchase program. Berry may repurchase shares through the open market, privately negotiated transactions, or other programs, subject to market conditions. This authorization has no expiration date and may be suspended at any time.

During the quarterly period ended March 30, 2019, the Company repurchased approximately 380 thousand shares for \$18 million. For the two quarterly periods ended March 30, 2019, the Company repurchased approximately 1,512 thousand shares for \$72 million. As of March 30, 2019, \$393 million of authorized share repurchases remain available to the Company.

14. Basic and Diluted Net Income Per Share

Basic net income per share is calculated by dividing the net income attributable to common stockholders by the weighted-average number of common shares outstanding during the period, without consideration for common stock equivalents. Diluted net income per share is calculated by dividing the net income attributable to common stockholders by the weighted-average number of common share equivalents outstanding for the period determined using the treasury-stock method and the if-converted method. For purposes of this calculation, stock options are considered to be common stock equivalents and are only included in the calculation of diluted net income per share when their effect is dilutive. For the three and six months ended March 30, 2019, 2 million and 5 million shares, respectively, were excluded from the diluted net income per share calculation as their effect would be anti-dilutive.

The following tables provide a reconciliation of the numerator and denominator of the basic and diluted net income per share calculations.

16. Guarantor and Non-Guarantor Financial Information

Berry Global, Inc. (“Issuer”) has notes outstanding which are fully, jointly, severally, and unconditionally guaranteed by its parent, Berry Global Group, Inc. (for purposes of this Note, “Parent”) and substantially all of Issuer’s domestic subsidiaries. Separate narrative information or financial statements of the guarantor subsidiaries have not been included because they are 100% owned by Parent and the guarantor subsidiaries unconditionally guarantee such debt on a joint and several basis. A guarantee of a guarantor subsidiary of the securities will terminate upon the following customary circumstances: the sale of the capital stock of such guarantor if such sale complies with the indentures, the designation of such guarantor as an unrestricted subsidiary, the defeasance or discharge of the indenture or in the case of a restricted subsidiary that is required to guarantee after the relevant issuance date, if such guarantor no longer guarantees certain other indebtedness of the issuer. The guarantees of the guarantor subsidiaries are also limited as necessary to prevent them from constituting a fraudulent conveyance under applicable law and any guarantees guaranteeing subordinated debt are subordinated to certain other of the Company’s debts. Parent also guarantees the Issuer’s term loans and revolving credit facilities. The guarantor subsidiaries guarantee our term loans and are co-borrowers under our revolving credit facility. Presented below is condensed consolidating financial information for the Parent, Issuer, guarantor subsidiaries and non-guarantor subsidiaries. The Issuer and guarantor financial information includes all of our domestic operating subsidiaries; our non-guarantor subsidiaries include our foreign subsidiaries, certain immaterial domestic subsidiaries and the unrestricted subsidiaries under the Issuer’s indentures. The Parent uses the equity method to account for its ownership in the Issuer in the Condensed Consolidating Supplemental Financial Statements. The Issuer uses the equity method to account for its ownership in the guarantor and non-guarantor subsidiaries. All consolidating entries are included in the eliminations column along with the elimination of intercompany balances.

17. Subsequent Events

In April 2019, the Company (i) amended and extended its existing revolving line of credit from total capacity of \$750 million maturing in May 2020 to \$850 million maturing in April 2024 and (ii) completed term loan amendments required to complete the RPC acquisition. The term loan amendments, which become effective upon completion of the RPC acquisition, will result in an increase of 0.25% to the applicable spread of each loan and a one-time 0.125% amendment fee.

This discussion contains forward-looking statements and involves numerous risks and uncertainties, including, but not limited to, those described in our most recent Form 10-K in the section titled "Risk Factors" and other risk factors identified from time to time in our periodic filings with the Securities and Exchange Commission. As a result, our actual results may differ materially from those contained in any forward-looking statements. The forward-looking statements referenced within this report should be read with the explanation of the qualifications and limitations included herein. Fiscal 2018 and fiscal 2019 are fifty-two week periods.

Executive Summary

Business. The Company's operations are organized into three operating segments: Engineered Materials, Health, Hygiene & Specialties, and Consumer Packaging. The structure is designed to align us with our customers, provide optimal service, and drive future growth in a cost efficient manner. The Engineered Materials segment primarily consists of tapes and adhesives, polyethylene based film products, can liners, printed films, and specialty coated, and laminated products. The Health, Hygiene & Specialties segment primarily consists of nonwoven specialty materials and films used in hygiene, infection prevention, personal care, industrial, construction and filtration applications. The Consumer Packaging segment primarily consists of containers, foodservice items, closures, overcaps, bottles, prescription containers, and tubes.

Acquisitions. Our acquisition strategy is focused on improving our long-term financial performance, enhancing our market positions, and expanding our existing and complementary product lines. We seek to obtain businesses for attractive post-synergy multiples, creating value for our stockholders from synergy realization, leveraging the acquired products across our customer base, creating new platforms for future growth, and assuming best practices from the businesses we acquire. While the expected benefits on earnings is estimated at the commencement of each transaction, once the execution of the plan and integration occur, we are generally unable to accurately estimate or track what the ultimate effects have been due to system integrations and movements of activities to multiple facilities. As historical business combinations and restructuring plans have not allowed us to accurately separate realized synergies compared to what was initially identified, we measure the synergy realization based on the overall segment profitability post integration.

RPC Group Plc

On March 8, 2019, the Company issued an announcement pursuant to Rule 2.7 of the UK City Code on Takeovers and Mergers disclosing the terms of an all-cash firm offer for the entire issued and to be issued share capital of RPC Group Plc ("RPC"). Pursuant to the offer, RPC shareholders will be entitled to receive 793 pence in cash for each RPC share (implying a value of approximately £3.3 billion, or \$4.3 billion using the exchange rate at the time of the offer). Aggregate consideration will be approximately £5.0 billion, or \$6.5 billion, including refinancing of RPC's net debt, using the exchange rate at the time of the offer. The Company has entered into certain foreign exchange forward contracts to partially mitigate its currency exchange rate risk associated with the GBP denominated purchase price. Refer to Note 9. Financial Instruments and Fair Value Measurements for further information.

On April 18, 2019, the requisite majority of RPC shareholders voted to approve the RPC transaction. The transaction remains subject to, among other things, receipt of antitrust clearances and satisfaction of other customary closing conditions. Antitrust approvals have been obtained in the United States, Turkey, South Africa and the European Union. Filings for the other antitrust clearances required to be obtained to satisfy the other applicable conditions (in Mexico, Russia and China) have been made.

The Company expects to complete the RPC acquisition early in the third quarter of calendar year 2019. To finance the all-cash purchase, the Company intends to obtain permanent financing prior to the completion of the acquisition.

RPC is a leading plastic product design and engineering company that works responsibly across a broad range of industries from food to technical components, healthcare to industrial with total revenue of £3.7 billion for the twelve-month period ended March 31, 2018. It is a global business with 189 operating sites in 34 countries that are strategically placed to support customers on a local, national and international basis, as well as providing multi-site security of supply. RPC manufactures in five of the major polymer conversion processes (consisting of injection molding, blow molding, thermoforming, rotational molding and blown film extrusion) allowing RPC to produce innovative and sustainable value added products.

Laddawn, Inc.

In August 2018, the Company acquired Laddawn, Inc. ("Laddawn") for a purchase price of \$242 million, which is preliminary and subject to adjustment. Laddawn is a custom bag and film manufacturer with a unique-to-industry e-commerce sales platform. Laddawn reported \$145 million in net sales for the twelve months ended July 31, 2018, and is operated in our Engineered Materials segment. The Company expects to realize annual cost synergies of \$5 million with full realization in fiscal 2019. To finance the purchase, the Company used existing liquidity.

In February 2018, the Company acquired Clopay Plastic Products Company, Inc. ("Clopay") for a purchase price of \$475 million. Clopay is an innovator in the development of printed breathable films, elastic films, and laminates with product offerings uniquely designed for applications used in a number of markets including: hygiene, healthcare, construction and industrial protective apparel. The acquired business is operated in our Health, Hygiene & Specialties segment. The Company expects to realize annual cost synergies of \$40 million with full realization expected in fiscal 2019. To finance the purchase, the Company issued \$500 million aggregate principle amount of 4.5% second priority notes through a private placement offering.

Raw Material Trends. Our primary raw material is plastic resin consisting primarily of polypropylene and polyethylene. Plastic resins are subject to price fluctuations, including those arising from supply shortages and changes in the prices of natural gas, crude oil and other petrochemical intermediates from which resins are produced. The three month simple average price per pound, as published by U.S. market indexes, was as follows:

Fiscal quarter	Polyethylene Butene Film		Polypropylene	
	2019	2018	2019	2018
1st quarter	\$.64	\$.68	\$.76	\$.71
2nd quarter	.61	.69	.63	.75
3rd quarter	—	.68	—	.76
4th quarter	—	.66	—	.85

Due to differences in the timing of passing through resin cost changes to our customers on escalator/de-escalator programs, segments are negatively impacted in the short term when plastic resin costs increase and are positively impacted when plastic resin costs decrease. This timing lag in passing through raw material cost changes could affect our results as plastic resin costs fluctuate.

Outlook. The Company is affected by general economic and industrial growth, plastic resin availability and affordability, and general industrial production. Our business has both geographic and end-market diversity, which reduces the effect of any one of these factors on our overall performance. Our results are affected by our ability to pass through raw material and other cost changes to our customers, improve manufacturing productivity and adapt to volume changes of our customers. We believe there are long term growth opportunities within the health, pharmaceuticals, personal care and food packaging markets existing outside of North America, especially in Asia, where expected per capita consumption increases should result in organic market growth. We continue to believe that long term dynamics of resin markets will be advantageous. Planned capacity expansions in polyethylene and polypropylene in North America should benefit the Company. For fiscal 2019, we project cash flow from operations and adjusted free cash flow of \$1,036 million and \$670 million, respectively. The \$670 million of adjusted free cash flow includes \$350 million of capital spending and \$16 million of payments under our tax receivable agreement. Within our adjusted free cash flow guidance, we are also assuming cash taxes of \$134 million, cash interest costs of \$270 million, and other cash uses of \$10 million related to changes in working capital and items such as acquisition integration expenses and costs to achieve synergies. For the definition of Adjusted free cash flow and further information related to Adjusted free cash flow as a non-GAAP financial measure, see "Liquidity and Capital Resources."

Results of Operations

Comparison of the Quarterly Period Ended March 30, 2019 (the "Quarter") and the Quarterly Period Ended March 31, 2018 (the "Prior Quarter")

Acquisition sales and operating income disclosed within this section represents the results from acquisitions for the current period. Business integration expenses consist of restructuring and impairment charges, acquisition related costs, and other business optimization costs. Tables present dollars in millions.

Consolidated Overview

	Quarter	Prior Quarter	\$ Change	% Change
Net sales	\$ 1,950	\$ 1,967	\$ (17)	(1%)
Operating income	\$ 185	\$ 188	\$ (3)	(2%)
Operating income percentage of net sales	9%	10%		

Net sales decreased by \$17 million from the Prior Quarter primarily attributed to organic sales decrease of \$72 million and a \$22 million unfavorable impact from foreign currency changes, partially offset by acquisition net sales of \$77 million. The organic sales decrease is primarily attributed to a 3% base volume decline and decreased selling prices of \$5 million.

The operating income decrease of \$3 million from the Prior Quarter was primarily attributed to an \$11 million impact from the base volume decline, a \$6 million increase in business integration related to the proposed RPC acquisition, a \$5 million unfavorable impact from foreign currency changes, and a \$4 million increase in selling, general and administrative expense. These decreases were partially offset by a \$10 million improvement in price cost spread, acquisition operating income of \$9 million, and a \$4 million decrease in depreciation and amortization.

Engineered Materials

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Net sales	\$ 628	\$ 655	\$ (27)	(4%)
Operating income	\$ 74	\$ 94	\$ (20)	(21%)
Percentage of net sales	12%	14%		

Net sales in the Engineered Materials segment decreased by \$27 million from the Prior Quarter primarily attributed to an organic sales decline of \$62 million, partially offset by acquisition net sales of \$36 million. The organic sales decline is primarily attributed to a 7% volume decrease due to customer destocking and supply disruption related to material qualifications and decreased selling prices of \$18 million.

The operating income decrease of \$20 million from the Prior Quarter was primarily attributed to an \$8 million unfavorable impact from price cost spread, an \$8 million impact from the base volume decline, and a \$5 million increase in selling, general and administrative expenses attributed to inflation.

Health, Hygiene & Specialties

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Net sales	\$ 683	\$ 706	\$ (23)	(3%)
Operating income	\$ 57	\$ 41	\$ 16	39%
Percentage of net sales	8%	6%		

Net sales in the Health, Hygiene & Specialties segment decreased \$23 million from the Prior Quarter primarily attributed to an organic sales decline of \$43 million and a \$21 million unfavorable impact from foreign currency changes, partially offset by acquisition net sales of \$41 million. The organic sales decline is primarily attributed to a 6% volume decline as a result of customer destocking, weakness in baby care, and customer product transitions in hygiene.

The operating income increase of \$16 million from the Prior Quarter was primarily attributed to acquisition operating income of \$8 million, an \$8 million impact from improvement in price cost spread, a \$6 million decrease in business integration expenses, and a \$4 million decrease in selling, general, and administrative expense. These increases were partially offset by a \$7 million impact from the base volume decline and a \$4 million unfavorable impact from foreign currency changes.

Consumer Packaging

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Net sales	\$ 639	\$ 606	\$ 33	5%
Operating income	\$ 54	\$ 53	\$ 1	2%
Percentage of net sales	8%	9%		

Net sales in the Consumer Packaging segment increased by \$33 million from the Prior Quarter primarily attributed to organic sales growth. The organic sales growth is primarily attributed to a 3% volume improvement and increased selling prices of \$14 million.

The operating income increase of \$1 million from the Prior Quarter was primarily attributed to a \$10 million improvement in price cost spread, a \$4 million impact from the base volume increase, and a \$3 million decrease in depreciation and amortization. These increases were partially offset by a \$12 million increase in business integration costs primarily related to the proposed RPC acquisition, and a \$4 million increase in selling, general and administrative expense.

Other expense, net

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Other expense, net	\$ 23	\$ 5	\$ 18	360%

The other expense increase of \$18 million from the Prior Quarter was primarily attributed to unfavorable foreign currency changes related to the foreign exchange forward contracts entered into by the Company as part of the proposed RPC transaction.

Interest expense, net

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Interest expense, net	\$ 66	\$ 66	\$ -	0%

Interest expense was flat compared to the Prior Quarter and was positively impacted by lower interest as a result of repayments on long-term borrowings in fiscal 2018, offset by additional expense attributed to the \$500 million 4.5% second priority senior secured notes used to fund the Clopay acquisition.

Income tax expense (benefit)

	<u>Quarter</u>	<u>Prior Quarter</u>	<u>\$ Change</u>	<u>% Change</u>
Income tax expense (benefit)	\$ 22	\$ 27	\$ (5)	(19%)

The income tax expense decrease of \$5 million from the Prior Quarter was primarily attributed to lower income. The effective tax rate was 23% for the Quarter and was positively impacted by 4% from the share-based compensation excess tax benefit deduction, 1% from research and development credits, and other discrete items. These favorable items were partially offset by increases of 4% from U.S. state income taxes, 2% from foreign valuation allowance, and other discrete items.

Changes in Comprehensive Income

The \$49 million decline in comprehensive income from the Prior Quarter was primarily attributed to a \$16 million decline in net income and a \$32 million unfavorable change in interest rate hedges, net of tax. As part of the overall risk management, the Company uses derivative instruments to reduce exposure to changes in interest rates attributed to the Company's floating-rate borrowings and records changes to the fair value of these instruments in Accumulated other comprehensive loss. The change in fair value of these instruments in fiscal 2019 versus fiscal 2018 is primarily attributed to the change in the forward interest curve between measurement dates.

Comparison of the Two Quarterly Periods Ended March 30, 2019 (the "YTD") and the Two Quarterly Periods Ended March 31, 2018 (the "Prior YTD")

Acquisition sales and operating income disclosed within this section represents the results from acquisitions for the current period. Business integration expenses consist of restructuring and impairment charges, acquisition related costs, and other business optimization costs. Tables present dollars in millions.

The net sales increase of \$179 million from the Prior YTD was primarily attributed to acquisition net sales of \$235 million, partially offset by an organic sales decline of \$23 million and a \$33 million unfavorable impact from foreign currency changes. The organic sales decline is primarily attributed to a 3% volume decline, partially offset by a \$77 million benefit due to increased selling prices.

The operating income increase of \$10 million from the Prior YTD was primarily attributed to a \$13 million impact from improved price cost spread, acquisition operating income of \$12 million, and an \$11 million decrease in depreciation and amortization. These increases are partially offset by \$15 million from the base volume decline and a \$9 million unfavorable impact from foreign currency changes.

Engineered Materials

	<u>YTD</u>	<u>Prior YTD</u>	<u>\$ Change</u>	<u>% Change</u>

Operating income	\$ 168	\$ 182	\$ (14)	(8%)
Operating income percentage of net sales	13%	14%		

Net sales in the Engineered Materials segment decreased by \$6 million from the Prior YTD primarily attributed to an organic sales decline of \$75 million, partially offset by acquisition net sales of \$71 million. The organic sales decline is primarily attributed to a 5% volume decline due to customer destocking, supply disruption related to material qualifications, and strong volumes in the Prior YTD. Additionally, selling prices declined \$10 million due to the pass through on lower cost of goods sold.

The operating income decrease of \$14 million from the Prior YTD was primarily attributed to an \$11 million impact from the base volume decline, a \$2 million increase in business integration costs, a \$2 million unfavorable impact from price cost spread, a \$2 million increase in selling, general and administrative expenses, and a \$2 million unfavorable impact from foreign currency changes. These decreases are partially offset by a \$5 million decrease in depreciation and amortization.

Health, Hygiene & Specialties

	<u>YTD</u>	<u>Prior YTD</u>	<u>\$ Change</u>	<u>% Change</u>

Net sales in the Health, Hygiene & Specialties segment increased by \$102 million from the Prior YTD primarily attributed to acquisition net sales of \$164 million, partially offset by an organic sales decline of \$31 million and a \$31 million unfavorable impact from foreign currency changes. The organic sales decline is primarily attributed to a 5% volume decline as a result of weakness in baby care and customer product transitions in hygiene, partially offset by a \$38 million benefit due to increased selling prices.

The operating income increase of \$28 million from the Prior YTD was primarily attributed to a \$16 million decrease in business integration expenses, a \$14 million impact from improved price cost spread, acquisition operating income of \$11 million, a \$4 million decrease in selling, general and administrative expenses, and a \$2 million decrease in depreciation and amortization. These increases are partially offset by a \$12 million impact from the base volume decline and a \$7 million unfavorable impact from foreign currency changes.

Consumer Packaging

Operating income	\$ 87	\$ 91	\$ (4)	(4%)
Operating income percentage of net sales	7%	8%		

Net sales in the Consumer Packaging segment increased by \$83 million from the Prior YTD primarily attributed to organic sales growth. The organic sales growth is primarily attributed to increased selling prices of \$49 million and a 3% volume improvement.

The operating income decrease of \$4 million from the Prior YTD was primarily attributed to a \$10 million increase in business integration costs primarily related to the proposed RPC acquisition, and a \$6 million increase in selling, general and administrative expense. These decreases were partially offset by an \$8 million impact from the base volume increase, and a \$4 million decrease in depreciation and amortization.

Other expense, net

	<u>YTD</u>	<u>Prior YTD</u>	<u>\$ Change</u>	<u>% Change</u>
Other expense, net	\$ 23	\$ 14	\$ 9	64%

The other expense increase of \$9 million from the Prior YTD was primarily attributed to unfavorable foreign currency changes related to the foreign exchange forward contracts entered into by the Company as part of the proposed RPC transaction and the remeasurement of non-operating intercompany balances, partially offset by non-recurring prior year charges of \$4 million.

Interest expense, net

	<u>YTD</u>	<u>Prior YTD</u>	<u>\$ Change</u>	<u>% Change</u>
Interest expense, net	\$ 130	\$ 128	\$ 2	2%

The interest expense increase of \$2 million from the Prior YTD was primarily attributed to additional expense attributed to the \$500 million 4.5% second priority senior secured notes used to fund the Clopay acquisition, partially offset by lower interest as a result of repayments on long-term borrowings in fiscal 2018.

Income tax expense (benefit)

	<u>YTD</u>	<u>Prior YTD</u>	<u>\$ Change</u>	<u>% Change</u>
Income tax expense (benefit)	\$ 46	\$ (44)	\$ 90	205%

The income tax expense increase of \$90 million from the Prior YTD was primarily attributed to the \$97 million provisional transition benefit recorded in the Company's Prior YTD as a result of U.S. tax reform, partially offset by the complete phase-in of the lower statutory rate as a result of the recent U.S. tax legislation. Our year-to-date effective tax rate was 22% and was positively impacted by 3% from the share-based compensation excess tax benefit, 1% from research and development credits, and other discrete items. These favorable items were partially offset by increases of 4% from U.S. state taxes, 2% from foreign valuation allowance, and other discrete items.

Changes in Comprehensive Income

The \$133 million decline in comprehensive income from the Prior YTD was primarily attributed to a \$91 million decline in net income, and a \$62 million unfavorable change in the fair value of interest rate hedges, net of tax, partially offset by a \$19 million favorable change in currency translation, and a \$1 million change due to a non-cash defined benefit pension plan settlement in the Prior YTD. Currency translation gains and losses are primarily related to non-U.S. subsidiaries with a functional currency other than U.S. dollars whereby assets and liabilities are translated from the respective functional currency into U.S. dollars using period-end exchange rates. The change in currency translation in the YTD was primarily attributed to locations utilizing the euro, Brazilian real, Mexican peso and Chinese renminbi as the functional currency. As part of the overall risk management, the Company uses derivative instruments to reduce exposure to changes in interest rates attributed to the Company's floating-rate borrowings and records changes to the fair value of these instruments in Accumulated other comprehensive loss. The change in fair value of these instruments in fiscal 2019 versus fiscal 2018 is primarily attributed to the change in the forward interest curve between measurement dates.

Liquidity and Capital Resources

Senior Secured Credit Facility

We manage our global cash requirements considering (i) available funds among the many subsidiaries through which we conduct business, (ii) the geographic location of our liquidity needs, and (iii) the cost to access international cash balances. At the end of the Quarter, the Company had no outstanding balance on its \$750 million asset-based revolving line of credit that matures in May 2020. See Note 17 for more information regarding subsequent amendments in connection with the proposed acquisition of RPC. The Company has classified its term loan with a maturity date within the next twelve months as long-term as our intent and ability is to refinance prior to maturity. The Company was in compliance with all covenants at the end of the Quarter. See Note 8 for more information regarding long-term debt and covenants.

Cash Flows

Net cash from operating activities increased \$46 million from the Prior YTD primarily attributed to a decrease in working capital due to lower raw material costs.

Net cash used in investing activities decreased \$488 million from the Prior YTD primarily attributed to the Clopay acquisition spending in the Prior YTD.

Net cash from financing activities decreased \$546 million from the Prior YTD primarily attributed to lower proceeds from long-term borrowings related to the Clopay acquisition compared to the Prior YTD partially offset by increased share repurchases.

Share Repurchases

We repurchased \$18 million of our common stock in the Quarter. Share repurchases were completed using existing liquidity.

Adjusted Free Cash Flow

We define "Adjusted free cash flow" as cash flow from operating activities less net additions to property, plant and equipment and payments of the tax receivable agreement.

Based on our definition, our consolidated Adjusted free cash flow is summarized as follows:

	Two Quarterly Periods Ended	
	March 30, 2019	March 31, 2018
Cash flow from operating activities	\$ 331	\$ 285
Additions to property, plant and equipment, net	(167)	(181)
Payments of tax receivable agreement	(16)	(37)
Adjusted free cash flow	<u>\$ 148</u>	<u>\$ 67</u>

Adjusted free cash flow, as presented in this document, is a supplemental financial measure that is not required by, or presented in accordance with, generally accepted accounting principles in the U.S. ("GAAP"). Adjusted free cash flow is not a GAAP financial measure and should not be considered as an alternative to cash flow from operating activities or any other measure determined in accordance with GAAP. We use Adjusted free cash flow as a measure of liquidity because it assists us in assessing our company's ability to fund its growth through its generation of cash, and believe it is useful to investors for such purpose. In addition, Adjusted free cash flow and similar measures are widely used by investors, securities analysts and other interested parties in our industry to measure a company's liquidity. Adjusted free cash flow may be calculated differently by other companies, including other companies in our industry, limiting its usefulness as a comparative measure.

Liquidity Outlook

At March 30, 2019, our cash balance was \$353 million, of which approximately 60% was located outside the U.S. The Company has obtained bridge financing commitments to finance the proposed acquisition of RPC. The Company intends to obtain permanent financing prior to the completion of the RPC acquisition to replace the bridge financing commitments. We believe our existing U.S. based cash and cash flow from U.S. operations, together with available borrowings under our senior secured credit facilities and the anticipated financing for the acquisition of RPC, will be adequate to meet our liquidity needs over the next twelve months. We do not expect our free cash flow to be sufficient to cover all long-term debt obligations and intend to refinance these obligations prior to maturity. However, we cannot predict our future results of operations and our ability to meet our obligations involves numerous risks and uncertainties, including, but not limited to, those described in the "Risk Factors" section of our most recent Form 10-K filed with the Securities and Exchange Commission and in this Form 10-Q, if any.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

Interest Rate Sensitivity

We are exposed to market risk from changes in interest rates primarily through our senior secured credit facilities. As of March 30, 2019, our senior secured credit facilities are comprised of (i) \$3.5 billion term loans and (ii) a \$750 million revolving credit facility with no borrowings outstanding. Borrowings under our senior secured credit facilities bear interest at a rate equal to an applicable margin plus LIBOR. The applicable margin for LIBOR rate borrowings under the revolving credit facility ranges from 1.25% to 1.75%, and the margin for the term loans range from 1.75% to 2.00% per annum. As of March 30, 2019, the LIBOR rate of approximately 2.50% was applicable to the term loans. A 0.25% change in LIBOR would increase our annual interest expense by \$5 million on variable rate term loans.

We seek to minimize interest rate volatility risk through regular operating and financing activities and, when deemed appropriate, through the use of derivative financial instruments. These financial instruments are not used for trading or other speculative purposes. As of March 30, 2019, the Company effectively had (i) a \$450 million interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.000%, with an effective date in May 2017 and expiration in May 2022, (ii) a \$1 billion interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.808% with an effective date in June 2018 and expiration in September 2021, and (iii) a \$400 million interest rate swap transaction that swaps a one-month variable LIBOR contract for a fixed annual rate of 2.533% with an effective date in February 2019 and expiration in July 2023.

Foreign Currency Exchange Rates

As a global company, we face foreign currency risk exposure from fluctuating currency exchange rates, primarily the U.S. dollar against the euro, Brazilian real, Argentine peso, Chinese renminbi, Canadian dollar and Mexican peso. Significant fluctuations in currency rates can have a substantial impact, either positive or negative, on our revenue, cost of sales, and operating expenses. Currency translation gains and losses are primarily related to non-U.S. subsidiaries with a functional currency other than U.S. dollars whereby assets and liabilities are translated from the respective functional currency into U.S. dollars using period-end exchange rates and impact our Comprehensive income. A 10% decline in foreign currency exchange rates would have a negative \$7 million impact on our annual Net income.

The Company is party to certain cross-currency swap agreements with a notional amount of 250 million euro to effectively convert a portion of our fixed-rate U.S. dollar denominated term loans, including the monthly interest payments, to fixed-rate euro-denominated debt. The swap agreements mature May 2022. The risk management objective is to manage foreign currency risk relating to net investments in certain European subsidiaries denominated in foreign currencies and reduce the variability in the functional currency cash flows of a portion of the Company's term loans. In the future, we may attempt to manage our foreign currency risk on our anticipated cash movements by entering into foreign currency forward contracts to offset potential foreign exchange gains or losses.

Foreign Exchange Forward Contracts — RPC Acquisition

In connection with the announced, proposed acquisition of RPC, the Company entered into certain foreign exchange forward contracts to partially mitigate the currency exchange rate risk associated with the GBP denominated purchase price. At March 30, 2019, the Company had outstanding forward contracts totaling £2.7 billion and are expected to settle upon the closing of the transaction.

Item 4. Controls and Procedures

(a) Evaluation of disclosure controls and procedures.

Under applicable Securities and Exchange Commission regulations, management of a reporting company, with the participation of the principal executive officer and principal financial officer, must periodically evaluate the company's "disclosure controls and procedures," which are defined generally as controls and other procedures of a reporting company designed to ensure that information required to be disclosed by the reporting company in its periodic reports filed with the commission (such as this Form 10-Q) is recorded, processed, summarized, and reported on a timely basis.

The Company's management, with the participation of the Chief Executive Officer and the Chief Financial Officer, carried out an evaluation of the effectiveness of the design and operation of the disclosure controls and procedures as of March 30, 2019. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of March 30, 2019, the design and operation of our disclosure controls and procedures were effective at the reasonable assurance level.

(b) Changes in internal controls.

There were no changes in our internal control over financial reporting that occurred during the quarter ended March 30, 2019 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Part II. Other Information

Item 1. Legal Proceedings

There have been no material changes in legal proceedings from the items disclosed in our Form 10-K filed with the Securities and Exchange Commission.

Item 1A. Risk Factors

Before investing in our securities, we recommend that investors carefully consider the risks described in our most recent Form 10-K filed with the Securities and Exchange Commission, including those under the heading "Risk Factors" and other information contained in this Quarterly Report. Realization of any of these risks could have a material adverse effect on our business, financial condition, cash flows and results of operations. Except as set forth below, there were not material changes to the Company's risk factors as described in our most recent Form 10-K filed with the Securities and Exchange Commission.

Forward-looking Statements and Other Factors Affecting Future Results.

All forward-looking information and subsequent written and oral forward-looking statements attributable to us, or to persons acting on our behalf, are expressly qualified in their entirety by the cautionary statements. Some of the factors that we believe could affect our results include:

- risks associated with our substantial indebtedness and debt service;
- changes in prices and availability of resin and other raw materials and our ability to pass on changes in raw material prices on a timely basis;
- performance of our business and future operating results;
- risks related to acquisitions, integration of acquired businesses and their operations (including the proposed acquisition of RPC Group Plc), and realization of anticipated cost savings and synergies;
- reliance on unpatented proprietary know-how and trade secrets;
- increases in the cost of compliance with laws and regulations, including environmental, safety, and production and product laws and regulations;
- risks related to disruptions in the overall economy and the financial markets that may adversely impact our business;
- risk of catastrophic loss of one of our key manufacturing facilities, natural disasters, and other unplanned business interruptions;
- risks related to market acceptance of our developing technologies and products;
- general business and economic conditions, particularly an economic downturn;
- risks that our restructuring programs may entail greater implementation costs or result in lower cost savings than anticipated;
- ability of our insurance to fully cover potential exposures;
- risks of competition, including foreign competition, in our existing and future markets;
- uncertainty regarding the United Kingdom's withdrawal from the European Union and the outcome of future arrangements between the United Kingdom and the European Union;
- risks related to the phase-out of the London Interbank Offered Rate (LIBOR), or the replacement of LIBOR with a different reference rate or modification of the method used to calculate LIBOR;
- new legislation or new regulations and the Company's corresponding interpretations of either may affect our business and consolidated financial condition and results of operations; and
- the other factors discussed in our most recent Form 10-K and in this Form 10-Q in the section titled "Risk Factors."

We caution readers that the foregoing list of important factors may not contain all of the material factors that are important to you. In addition, in light of these risks and uncertainties, the matters referred to in the forward-looking statements contained in this Form 10-Q may not in fact occur. Accordingly, investors should not place undue reliance on those statements. We undertake no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.

Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Bridge Term Facility Maturity Date.

- (b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on

- (d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.
- (e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing denominated in Dollars prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. - (e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower.  - (iii) all proceeds of Bridge Euro Term Loans and Bridge Sterling Term Loans which have not been applied in accordance with Section 5.08, on or before the date falling one Business Day after the last day of the Certain Funds Period;

provided that any such prepayment pursuant to clause (i) above that would otherwise be required to be made during the Certain Funds Period shall be deferred until (and shall instead be made on) the date falling immediately after the last day of the Certain Funds Period.

- (d) Any mandatory prepayment of Loans pursuant to Section 2.11(b) shall be applied so that the aggregate amount of such prepayment is allocated among the Bridge Euro Term Loans, the Bridge Sterling Term Loans and Rollover Loans, if any, pro rata based on the Dollar Equivalent on the date of such prepayment of the aggregate principal amount of outstanding Loan, irrespective of whether such outstanding Loans are ABR Loans or Eurocurrency Loans. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Loans shall be accompanied by accrued interest on the amount repaid.

SECTION II.11.

Prepayment of Loans.

- (a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d).
- (b) The Borrower shall apply all Net Proceeds promptly upon receipt thereof to prepay Loans in accordance with paragraphs (c) and (d) of Section 2.10, subject to use of such Net Proceeds (other than in the case of Net Proceeds from Permanent Securities), to prepay loans under the Existing Credit Agreement and the Term Loan Credit Agreement). Notwithstanding the foregoing, after the Bridge Term Facility Maturity Date the Borrower may retain Net Proceeds pursuant to clause (b) of the definition thereof, provided, that the Total Net First Lien Leverage Ratio on the last day of the Borrower's then most recently completed fiscal quarter for which financial statements are available shall be less than or equal to 2.00 to 1.00.

SECTION II.12.

Fees.

- (a) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, such fees as shall have been separately agreed upon in writing, including in the Fee Letters, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein.
- (b) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the fees shall be refundable under any circumstances.

SECTION II.13.

Interest.

- (a) The Loans denominated in Dollars comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin. No Loans denominated in Euros or Sterling may be comprised of ABR Borrowings.
- (b) The Loans denominated in Dollars comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin. The Loans denominated in Sterling comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate, for the Interest Period in effect for such Borrowing plus the Applicable Margin. The Loans denominated in Euros comprising each Eurocurrency Borrowing shall bear interest at the EURIBOR Rate, for the Interest Period in effect for such Borrowing plus the Applicable Margin.
- (c) The Rollover Loans denominated in Euros shall bear interest at the First Lien Bridge Euro Total Cap and The Rollover Loans denominated in Sterling shall bear interest at the First Lien Bridge Sterling Total Cap.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (d) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(e) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, and (ii) on the applicable Term Facility Maturity Date; provided, that (x) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (y) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (z) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the "prime rate" shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate or EURIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION II.14. Alternate Rate of Interest.

(a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in such currency shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) or the Borrower notifies the Administrative Agent that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary, (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but the supervisor for the administrator of the LIBO Rate or EURIBOR Rate, as applicable, or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate or EURIBOR Rate, as applicable, shall no longer be used for determining interest rates for loans or (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.14, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Adjusted LIBO Rate or EURIBOR Rate, as applicable, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate or EURIBOR Rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), as applicable, that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans denominated in Dollars in the U.S., in Sterling or in Euros at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided, that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within three Business Days of the date a copy of such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b) (but, in the case of the circumstances described in clause (ii) or clause (iii) above, only to the extent the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period is not available or published at such time on a current basis), (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and shall be continued as, or converted into, if applicable, an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION II.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender(except any such reserve requirement reflected in the Adjusted LIBO Rate or EURIBOR Rate); or

(ii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or

otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

- (b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.
- (c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.
- (d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.
- (e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.
-

SECTION II.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or EURIBOR Rate, as applicable, that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION II.17.

Taxes.

- (a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.
- (b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.
- (c) Each Loan Party shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.
- (d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.
- (e) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as may reasonably be requested by the Borrower to permit such payments to be made without such withholding Tax or at a reduced rate; provided, that no Lender shall have any obligation under this paragraph (e) with respect to any withholding Tax imposed by any jurisdiction other than the United States if in the reasonable judgment of such Lender such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect.
- (f) Each Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the IRS Code, (x) a certificate to the effect that, for United States federal income tax purposes, such Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the IRS Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the IRS Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the IRS Code and that, accordingly, such Lender qualifies for such exemption and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), (iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs) as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is a "United States person" (as defined in Section 770(a)(30) of the IRS Code) shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

- (g) If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender, as applicable, in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.
- (h) If a payment made by the Borrower hereunder or under any other Loan Document would be subject to United States federal withholding tax imposed pursuant to FATCA if any Lender fails to comply with applicable reporting and other requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code, as applicable), such Lender shall use commercially reasonable efforts to deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable law or as reasonably requested by the Borrower or the Administrative Agent, any documentation reasonably requested by the Borrower or the Administrative Agent reasonably satisfactory to the Borrower or the Administrative Agent for the Borrower and the Administrative Agent to comply with their obligations under FATCA to determine the amount to withhold or deduct from such payment and to determine whether such Lender has complied with such applicable reporting and other requirements of FATCA, provided, that, notwithstanding any other provision of this subsection, no Lender shall be required to deliver any document pursuant to this subsection that such Lender is not legally able to deliver or, if in the reasonable judgment of such Lender, such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect, provided, further, that in the event a Lender does not comply with the requirements of this subsection 2.17(h) as a result of the application of the first proviso of this subsection 2.17(h), then such Lender shall be deemed for purposes of this Agreement to have failed to comply with the requirements under FATCA.

SECTION II.18.

Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

- (a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under the Loan Documents shall be made in Dollars (except that payments in respect of any Euro denominated Obligations shall be made in Euros). Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.
- (b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from such Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.
- (c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans (based on the Dollar Equivalent on the date of such purchase); provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.
- (d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding anything herein to the contrary, with respect to any prepayment of principal made pursuant to Section 2.10(c) or (d) in respect of Permanent Securities, in the event any Lender or affiliate of a Lender purchases Permanent Securities from Borrower pursuant to a Securities Demand hereunder at an issue price above the level at which such Lender or affiliate has determined such Permanent Securities can be resold by such Lender or affiliate to a bona fide third party at the time of such purchase (and notifies the Borrower thereof), the net proceeds received by the Borrower in respect of such Permanent Securities may, at the option of such Lender or affiliate, be applied first to repay the Loans hereunder held by such Lender or affiliate (provided that if there is more than one such Lender or affiliate then such Net Proceeds will be applied pro rata to repay the Loans hereunder of all such Lenders or affiliates in proportion to such Lenders' or affiliates' principal amount of Permanent Securities purchased from the Borrower) prior to being applied to prepay the Loans hereunder by other Lenders.

- (a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.
- (b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender.
- (c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more Assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within three Business Days after Borrower’s request, compliance with Section 9.04 shall not be required to effect such assignment.

SECTION II.20.

Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either, (i) in the case of Loans denominated in Dollars, convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans, prepay such Loans or (ii) in the case of Loans denominated in Euros or Sterling, convert all Eurocurrency Borrowings of such Lender to an alternative interest rate mutually acceptable to the Borrower and the Lenders, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans, prepay such Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION II.21.

Exchange Notes.

- (a) Subject to satisfaction of the provisions of this Section 2.21 and in reliance upon the representations and warranties of the Borrower herein set forth, on and after the 15th Business Day prior to the Bridge Term Loan Maturity Date and, if the Rollover Conversion occurs, at any time on and after the Bridge Term Loan Maturity Date, each Lender will have the option to notify (an “Exchange Notice”) the Administrative Agent in writing of its request for exchange notes (individually, an “Exchange Note” and collectively, the “Exchange Notes”) in a currency for currency exchange at par value for an equal principal amount of all or a portion of its outstanding Loans hereunder; provided that in no event shall any Exchange Notes be issued prior to the Bridge Term Loan Maturity Date. Each Lender’s Exchange Notice shall specify the aggregate principal amount of outstanding Loans that such Lender desires to exchange for Exchange Notes pursuant to this Section 2.21, which shall be in a minimum amount of €1,000,000 in the case of Bridge Euro Term Loans and £\$1,000,000 in the case of Bridge Sterling Term Loans (and integral multiples of €1,000 or £1,000, as applicable, in excess thereof) and, subject to the limitations set forth in the Exchange Note Indenture, shall be Exchange Notes bearing interest at the First Lien Bridge Euro Total Cap and the First Lien Bridge Sterling Total Cap, as applicable.

The Exchange Notes shall be governed by the Exchange Note Indenture. Upon issuance of the Exchange Notes to a Lender in accordance with this Section 2.21, a corresponding amount of the Loans of such Lender shall be deemed to have been cancelled.

(d) The Borrower shall, as promptly as practicable after being requested to do so by the Lenders pursuant to the terms of this Agreement at any time following the first Exchange Trigger Event and no later than the applicable Exchange Date, (i) select a bank or trust company to act as Exchange Note Trustee, (ii) enter into the Exchange Note Indenture and an exchange agreement customary for transactions of this type, (iii) cause counsel to the Borrower and Guarantors to deliver to the Administrative Agent customary legal opinions and 10b-5 letters covering such customary matters as reasonably requested by the Arrangers, (iv) in connection with a resale of Exchange Notes, use commercially reasonable efforts to cause the accountants for the Borrower (and, if applicable, the Target) to deliver “comfort letters” customarily delivered in offerings under Rule 144A of the rules and regulations under the Securities Act and (v) deliver a customary offering memorandum relating to the sale of Exchange Notes in accordance with Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for such a document (including Cooperation Information). - (c) The Lenders shall be entitled to withdraw their election if the Administrative Agent or the Borrower receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 10.02 setting forth the name of the Lender, the principal amount of the Loans to be prepaid and a statement that such Lender is withdrawing its election to have such Loans purchased. Lenders whose Loans are purchased only in part shall be issued new Loans equal in principal amount to the unpurchased portion of the Loans surrendered.
- (d) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.
- (e) Notwithstanding the other provisions of this Section 2.22, the Borrower shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 2.22 applicable to a Change of Control Offer made by the Borrower and purchases all Loans validly tendered and not withdrawn under such Change of Control Offer.
- (f) If Lenders of not less than 90% in aggregate principal amount of the outstanding Loans validly tender and do not withdraw such Loans in a Change of Control Offer and the Borrower, or any third party making a Change of Control Offer in lieu of the Borrower as described above, purchases all of the Loans validly tendered and not withdrawn by such Lenders, the Borrower or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Loans that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of redemption.

- (h) At the time the Borrower delivers Loans to the Administrative Agent which are to be accepted for purchase, the Borrower shall also deliver an Officers' Certificate stating that such Loans are to be accepted by the Borrower pursuant to and in accordance with the terms of this Section 2.22. A Loan shall be deemed to have been accepted for purchase at the time the Administrative Agent, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.
- (i) Prior to any Change of Control Offer, the Borrower shall deliver to the Administrative Agent an Officers' Certificate stating that all conditions precedent contained herein to the right of the Borrower to make such offer have been complied with.

SECTION V.11.

Certain Funds Covenants.

- (a) Holdings shall comply in all material respects with applicable laws and regulations relevant to the Scheme or the Offer, as applicable, including the Takeover Code and the Companies Act of 2006 (subject to any applicable waivers or dispensations granted by the Takeover Panel).
- (b) Unless the Takeover Panel agrees otherwise, if Acquisition SPV proceeds with the Acquisition the Borrower shall dispatch (or cause the dispatch of) the Offering Circular or Scheme Circular, as applicable, within 28 days of the date of issue of the Rule 2.7 Announcement (or on such later date as the Takeover Panel may permit).
- (c) Holdings shall ensure that the published version of the Rule 2.7 Announcement is consistent in all material respects with the copy delivered to the Administrative Agent pursuant to Section 4.01(x). Holdings shall ensure that the terms of the Scheme Circular or as the case may be the Offering Circular are not inconsistent with, or contrary to, the terms of the Rule 2.7 Announcement in any respect materially adverse to the interests of the Lenders, unless the Joint Lead Arrangers have consented to the applicable change (such consent not to be unreasonably withheld, delayed or conditioned) or unless the applicable change is required by any applicable Law (including, without limitation, the Companies Act of 2006 or the Takeover Code), the Takeover Panel, any applicable stock exchange, any applicable government or other regulatory authority, or a court of competent jurisdiction (including, without limitation, the Court). Holdings will not amend or waive any material term of any Offer Document or, as the case may be, Scheme Document in a manner or to an extent that would be materially prejudicial to the interests of the Lenders under the Loan Documents, other than any amendment or waiver (i) made with the consent of Administrative Agent; (ii) required by the Takeover Panel, the Court, the Takeover Code or any other applicable law, regulation court or regulatory body or (iii) where such waiver does not relate to a condition which the Acquisition SPV reasonably considers that it would be entitled, in accordance with Rule 13.5(a) of the Code, to invoke so as to cause the Acquisition not to proceed, to lapse or to be withdrawn.
- (d) Other than as required by the Takeover Panel, the Takeover Code, the London Stock Exchange, Financial Conduct Authority or any other applicable law, regulation, court or regulatory body and to the extent practicable, Holdings and its subsidiaries shall not make any press release or other public statement in respect of the Acquisition (other than in the Rule 2.7 Announcement, the Scheme Circular or any Offer Document), without first obtaining the prior approval of Administrative Agent (such approval not to be unreasonably withheld or delayed).
- (e) Holdings, upon the reasonable request of the Joint Lead Arrangers, deliver to the Administrative Agent (for further delivery to the Lenders) and the Joint Lead Arrangers updates as to the status and progress in respect of the Acquisition, including, if applicable details of

the level of acceptances of the Offer, and will notify the Joint Lead Arrangers promptly following any Responsible Officer of the Borrower becoming aware of any reasonably likely failure to fully satisfy any condition of the Scheme or the Offer, as applicable, that would allow Acquisition SPV to not proceed with the Scheme or the Offer or the Scheme, as applicable, in each case, to the extent it is able to do so in compliance with applicable law (including, without limitation, the Companies Act of 2006 or the Takeover Code). Holdings and its subsidiaries shall, to the extent that they are able to do so in compliance with applicable law and confidentiality or other obligations to which they are subject, promptly supply to Administrative Agent (i) copies of all documents, certificates, notices or announcements received or issued by Holdings or any of its subsidiaries (or on their behalf) in relation to a Scheme or an Offer (as the case may be) to the extent material to the interests of the Lenders and (ii) any other information regarding the progress of an Offer or a Scheme (as the case may be), in each case as Administrative Agent may reasonably request.

(f) Holdings shall pay (or cause payment of) all amounts payable under the Acquisition Documents as and when they become due (except to the extent that any such amounts are being contested in good faith by Holdings or any of its subsidiaries and where adequate reserves are set aside for any such payment) with the time periods required by applicable law.

(g) Holdings shall not and shall procure that none of its subsidiaries, without the prior written consent of the Administrative Agent, finance the purchase of any Target Shares (whether pursuant to the Offer, or the Scheme, or otherwise) with any amounts other than (i) the proceeds of the Bridge Euro Term Loans (or any New First Lien Notes issued in lieu thereof), the Bridge Sterling Term Loans (or any New First Lien Notes issued in lieu thereof), the Initial Euro Term Loans, the Initial Sterling Term Loans, and the Second Lien Bridge Facility (or any New Second Lien Notes issued in lieu thereof) in each case in accordance with Section 5.08 of this Agreement and (ii) cash on balance sheet (for the avoidance of doubt, not generated from any debt financing or any issuance of equity, other than common equity with no debt-like features). Holdings and its subsidiaries shall not acquire any Target Shares in the market (outside of the Offer or Scheme) at a price higher than the price per Target Share paid or to be paid pursuant to the Offer or Scheme (as applicable).

(h) Where the Acquisition is to be undertaken by way of a Scheme but then changes to an Offer (or vice versa), Holdings shall promptly notify the Administrative Agent of such change. Following any change in the way in which the Acquisition is to be undertaken, as notified by Holdings under this clause (h), each reference to "Acquisition Documents" in this Agreement shall be construed accordingly.

(i) Where the Acquisition is to be undertaken by way of an Offer, Holdings shall not declare the Offer unconditional as to acceptances until the Minimum Acceptance Condition has been achieved.

(j) Holdings and its subsidiaries shall not take any action which would require Holdings or any of its Subsidiaries to make a mandatory offer for the Target Shares in accordance with Rule 9 of the Takeover Code.

The provisions of this Section 5.11 are for the benefit of the Lenders only and, notwithstanding anything herein to the contrary, the Required Lenders under the Term Facility may amend, waive or otherwise modify this Section 5.11 or the defined terms used solely for purposes of this Section 5.11 or waive any Default resulting from a breach of this Section 5.11 without the consent of any Lenders other than such Required Lenders.

- (a) if the Squeeze-Out Date occurs, it shall promptly commence the Squeeze-Out in respect of those Target Shares that have not been assented to the Offer and shall ensure that within four weeks thereafter notices in the prescribed form are given to the holders of such Target Shares that Holdings desires to acquire such Target Shares in accordance with the Squeeze-Out;

- (c) shall use its best efforts to procure that, by no later than the expiry of the Certain Funds Period, the Memorandum and Articles of Association of the Target shall be amended so that Holdings shall have the right to acquire any Target Shares which are required to be issued by the Target pursuant to any rights of any person under any option scheme and evidence shall be provided to the Administrative Agent of such amendment.

SECTION V.13. Collateral and Guarantee Requirement. The Borrower shall satisfy the elements of the Collateral and Guarantee Requirement required to be satisfied on the Effective Date (other than in the case of any security interest in the intended Collateral or any deliverable related to the perfection of security interests in the intended Collateral (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of stock certificates and the security agreement giving rise to the security interest therein) that is not provided on the Effective Date after the Borrower's use of commercially reasonable efforts to do so, which such security interest or deliverable shall be delivered within the time periods specified with respect thereto in Schedule 5.13, and the Administrative Agent shall have received a completed Perfection Certificate, dated the Effective Date and signed by a Responsible Officer of the Borrower, together with all attachments contemplated thereby.

Such assistance shall include: (i) the preparation of, as soon as reasonably practicable: (a) a customary offering circular, prospectus, bank book or private placement memorandum with respect to the Permanent Securities, or (b) at the Borrower's options, (x) a registration statement under the Securities Act with respect to any portion of the Securities to be publicly offered (the "Registration Statement"), and if such Registration Statement is filed, you will cause such Registration Statement to comply as to form in all material respects with applicable rules and regulations and contain all legally required disclosures, and to become effective as soon as practicable thereafter or (y) a prospectus supplement to the Borrower's existing registration statement (in either case, such documents referenced in (a) or (b) above, the "Offering Document"); (ii) the execution of an underwriting, placement agency, purchase or other applicable type of agreement which agreement shall be consistent with and substantially similar to, in the case of a debt offering, the Purchase Agreement dated as of January 19, 2018 among the Borrower, Credit Suisse Securities (USA) LLC, as representative of the several initial purchasers and the guarantors party thereto (the "Purchase Agreement"); (iii) the delivery to the Investment Banks concurrently with, or as part of, the Offering Document, (a) audited consolidated financial statements of each of the Borrower and the Target as of and for the three most recently completed fiscal years ending at least 90 days before the Closing Date, unaudited consolidated financial statements of each of the Borrower and the Target as of and for each subsequent fiscal quarter ended at least 45 days before the Closing Date (other than any fiscal fourth quarter) after the most recent fiscal period for which

audited consolidated financial statements have been provided (it being understood that prior to the Closing Date with respect to the Target such fiscal quarterly financials shall instead mean interim financial statements for the six-month period ended subsequent to the most recent fiscal year end and ended at least 45 days before the Closing Date) and pro forma financial statements of the Borrower as of and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least 45 days before the Closing Date (or, if the most recently completed fiscal period is the end of the fiscal year, ended at least 90 days before the Closing Date, prepared after giving effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such other statement of income), which reflects adjustments customary for Rule 144A transactions and such other financial information relating to the Borrower and the Target or other proposed or recently completed acquisitions, if any, as may be reasonably requested by the Investment Banks and (b) customary “comfort” (including “negative assurance” comfort) from your independent accountants and independent accountants for the Target (such information described in items (i) through (iii), “Cooperation Information”); (iv) your using commercially reasonable efforts to obtain public ratings for any Permanent Securities that are debt securities from Moody’s and S&P; (v) cooperating with our due diligence investigation of each of the Borrower and its subsidiaries and the Target and its subsidiaries, including, without limitation, by supplying due diligence materials and information with respect to the general affairs, management, prospects, financial position, stockholders’ equity or results of operations of the Borrower and its subsidiaries, and using commercially reasonable efforts to supply such materials and information with respect to the Target and its subsidiaries and the tax, accounting, legal, regulatory and other issues relevant to each of the Borrower and its subsidiaries and the Target and its subsidiaries and (vi) making available the Borrower’s officers and advisors and using commercially reasonable efforts to cause the Target and their subsidiaries to make their officers and advisors available upon reasonable notice to attend and make presentations regarding the business of the Borrower, the Target and its subsidiaries, during no more than three customary “road shows” related to the Take-out Financing. The Borrower further agrees to notify the Investment Banks promptly of all developments materially affecting it, the Target or a Take-out Financing or the accuracy of the Cooperation Information, including, without limitation, the occurrence of any event or any other change known that would result in the Offering Document or Cooperation Information containing an untrue statement of a material fact or omitting to state any material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading and the Borrower will promptly update the Offering Document in order to ensure that it does not contain such untrue statement or omission. The Borrower acknowledges that the Investment Banks may rely, without independent verification, upon the accuracy and completeness of the Cooperation Information and the Offering Document and that the Investment Banks do not assume responsibility therefor, except such information provided by the Investment Banks in writing for inclusion therein as expressly provided in the Purchase Agreement.

Notwithstanding anything in this provision to the contrary, all agreements with respect to the Borrower's efforts to use reasonable endeavors to cause the Target to assist with syndication as set forth herein (i) shall not commence until the earlier of the Offer Effective Date and the Scheme Effective Date and (ii) and subject at all time to the requirements of the UK Takeover Rules.

SECTION VIII.01. Appointment.

- (a) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the (A) Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as a Collateral Agent for such Lender and the other Secured Parties (including the Revolving Facility Secured Parties) under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (B) the Revolving Facility Collateral Agent as collateral agent for such lender for purposes of the Security Documents. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.
-

- (b) In furtherance of the foregoing, each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and take such action on its behalf under the provisions of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement, together with such other powers as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.
- (c) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) irrevocably authorizes each of the Administrative Agent and the Collateral Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved, authorized or ratified in writing in accordance with Section 9.08 hereof, (ii) to release any Subsidiary Loan Party from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i) and (j). Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Loan Documents.
- (d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, examiner, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION VIII.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 8.02 in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION VIII.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower

or a Lender. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION VIII.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan hereunder, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION VIII.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION VIII.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION VIII.07. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), in the amount of its *pro rata* share (based on its outstanding Loans), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION VIII.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION VIII.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor agent which shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION VIII.10. Agents and Arrangers. None of the Joint Lead Arrangers, the Joint Additional Arrangers or the Co-Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

- (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

- (b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto). To the extent the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing is not reimbursed and indemnified by the Borrower, the Lenders severally agree to reimburse and indemnify the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, in proportion to their respective “pro rata shares” (determined as set forth below) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or such sub-agent) or such Related Party in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or such Related Party’s, as applicable, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). For purposes of this paragraph, a Lender’s “pro rata share” shall be determined based upon its share of the sum of, without duplication, outstanding Loans, in each case, at the time (or most recently outstanding and in effect).

ARTICLE IX

Miscellaneous

SECTION IX.01. Notices; Communications.

- (a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:
- (i) if to any Loan Party or to the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and
- (ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.
- (b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.
- (c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).
- (d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.
- (e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have

been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrower shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION IX.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, and the termination of the Commitments or this Agreement.

SECTION IX.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent shall have been notified by each Lender (or otherwise received evidence satisfactory to the Administrative Agent) that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION IX.04. Successors and Assigns.

- (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.
- (b) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:
- (A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and
- (B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.
- (ii) Assignments shall be subject to the following additional conditions:
- (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than, with respect to the Bridge Euro Term Loans, €1.0 million and, with respect to the Bridge Sterling Term Loans, £1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;
- (B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);
- (C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms; and
- (D) the Assignee shall not be the Borrower or any of the Borrower’s Affiliates or Subsidiaries.

Notwithstanding anything herein (including in clause (A) above) or in any other Loan Document to the contrary, no Lender shall affect any assignment with respect to the Bridge Term Facilities during the Certain Funds Period (other than an assignment to Goldman Sachs International Bank, Goldman Sachs Lending Partners, Wells Fargo Securities International Limited, Wells Fargo Securities, LLC or to those banks, financial institutions or other institutional lenders that have been agreed by the Borrower and the Joint Lead Arrangers prior to the Effective Date) without the Borrower’s prior written consent in the Borrower’s sole discretion.

For the purposes of this Section 9.04, “Approved Fund” means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to an Ineligible Institution without the prior written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee’s completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b) (v).

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any other amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing, no assignment may be made to an Ineligible Institution without the prior written consent of the Borrower.

(a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and Allen & Overy LLP, special U.K. counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the fees, charges and disbursements of counsel for the Administrative Agent (including any special and local counsel).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans, or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers, the Co-Arrangers or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Funds, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION IX.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, subject to Section 4.03, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmaturing. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION IX.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION IX.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified

except in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders, and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent (or, in the case of any Security Documents, the Collateral Agent if so provided therein) and consented to by the Required Lenders; provided, however, that no such agreement shall:

- (i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly affected thereby,
 - (ii) increase or extend the Commitment of any Lender or decrease any fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),
 - (iii) [reserved],
-

- (iv) amend the provisions of Section 5.02 of the Collateral Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,
- (v) amend or modify the provisions of this Section 9.08 or the definition of the term “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),
- (vi) release all or substantially all the Collateral or release any of Holdings, the Borrower or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;
- (vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the majority-in-interest of the Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

- (c) Without the consent of any Joint Lead Arranger, Joint Additional Arranger, Co-Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.
- (d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.
- (e) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) with written consent of the Administrative Agent and the Borrower in order to make modification contemplated by the terms of the Fee Letters.

SECTION IX.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “Charges”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION IX.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents, except as set forth under Section 9.05(b).

SECTION IX.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION IX.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or

unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION IX.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

SECTION IX.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION IX.15. Jurisdiction; Consent to Service of Process.

- (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.
-

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION IX.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was available to such Lender or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledge under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16).

The Borrower, in respect of the Agents and the Lenders, and the Agents and the Lenders, in respect of the Borrower, the Target and their respective Subsidiaries and other Affiliates, may not issue any press release or make any public announcement which references the other relevant party in the context of the Acquisition except with the applicable party's prior written consent, such consent not to be unreasonably withheld or delayed and not to be required in the case of references required by the Takeover Rules or applicable laws or regulations in relation to the Acquisition or the rules of any securities exchange or regulatory authority (but the parties shall use all reasonable endeavors to consult with each other prior to making any such press release or public announcement).

SECTION IX.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers, the Co-Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

SECTION IX.18. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower's expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, terminate such Subsidiary Loan Party's obligations under its Guarantee. In addition, the Collateral Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower's expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification Obligations) are paid in full and all Commitments are terminated. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of Holdings shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

SECTION IX.19. PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act.

SECTION IX.20. Intercreditor Agreements and Collateral Agreement. Each Lender hereunder (a) consents to the priority and/or subordination of Liens provided for in the Second Priority Intercreditor Agreement, (b) consents to the priority and/or subordination of Liens provided for in the Senior Lender Intercreditor Agreement, (c) consents to the priority and/or subordination of Liens provided for in the Senior Fixed Collateral Intercreditor Agreement, (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement or the Senior Fixed Collateral Intercreditor Agreement, (e) authorizes and instructs the Collateral Agent to enter into the First Lien Bridge Joinder to Second Priority Intercreditor Agreement on behalf of itself and such Lender, (f) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien Bridge Joinder to Senior Lender Intercreditor Agreement on behalf of itself and such Lender, (g) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien Bridge Joinder to Senior Fixed Collateral Intercreditor Agreement and (h) consents to entering into the First Lien Guarantee and Collateral Agreement in the form of Exhibit E herein. The foregoing provisions are intended as an inducement to the Lenders to extend credit and such Lenders are intended third party beneficiaries of such provisions and the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement.

SECTION IX.21. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
- (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE X

 - (v) defined terms used in Sections amended pursuant to the foregoing provisions shall be deleted (to the extent no longer used in this Agreement or any Loan Document) and new defined terms shall be added from or conformed to, as applicable, the definitions to conform to the definitions set forth in the Description of Notes;
 - (vi) clause (b) of Section 9.08 will be amended, to the extent applicable, to (A) require the consent of each Lender for amendments and waivers that would require the consent of each affected holder of Exchange Notes and (B) permit the Administrative Agent and the Borrower to amend or supplement this Agreement and the other Loan Documents without the consent of any Lender to the extent a corresponding amendment or supplement would not require the consent of any holder of Exchange Notes as provided under the Description of Notes; and

“Unrestricted Subsidiary” shall mean any subsidiary of the Borrower that is acquired or created after the Effective Date and designated by the Borrower as an Unrestricted Subsidiary hereunder by written notice to the Administrative Agent; provided, that the Borrower shall only be permitted to so designate a new Unrestricted Subsidiary after the Effective Date and so long as (a) no Default or Event of Default has occurred and is continuing or would result therefrom, (b) such Unrestricted Subsidiary shall be capitalized (to the extent capitalized by the Borrower or any of its Subsidiaries) through Investments as permitted by, and in compliance with, Section 6.04(j), and any prior or concurrent Investments in such Subsidiary by the Borrower or any of its Subsidiaries shall be deemed to have been made under Section 6.04(j), (c) without duplication of clause (b), any assets owned by such Unrestricted Subsidiary at the time of the initial designation thereof shall be treated as Investments pursuant to Section 6.04(j), and (d) such Subsidiary shall have been designated an “unrestricted subsidiary” (or otherwise not be subject to the covenants and defaults) under Existing the Second Lien Notes Indenture, the First Lien Bridge Agreement, the Term Loan Credit Agreement, any other Indebtedness permitted to be incurred hereby and all Permitted Refinancing Indebtedness in respect of any of the foregoing and all Disqualified Stock; provided, further, that at the time of the initial Investment by the Borrower or any of its Subsidiaries in such Subsidiary, the Borrower shall designate such entity as an Unrestricted Subsidiary in a written notice to the Administrative Agent. The Borrower may designate any Unrestricted Subsidiary to be a Subsidiary for purposes of this Agreement (each, a “Subsidiary Redesignation”); provided, that (i) such Unrestricted Subsidiary, both before and after giving effect to such designation, shall be a Wholly Owned Subsidiary of the Borrower, (ii) no Default or Event of Default has occurred and is continuing or would result therefrom, (iii) all representations and warranties contained herein and in the other Loan Documents shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Subsidiary Redesignation (both before and after giving effect thereto), unless stated to relate to a specific earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such earlier date, and (iv) the Borrower shall have delivered to the Administrative Agent an officer’s certificate executed by a Responsible Officer of the Borrower, certifying to the best of such officer’s knowledge, compliance with the requirements of preceding clauses (i) through (iii), inclusive.

“Wholly Owned Subsidiary” of any person shall mean a subsidiary of such person, all of the Equity Interests of which (other than directors’ qualifying shares or nominee or other similar shares required pursuant to applicable law) are owned by such person or another Wholly Owned Subsidiary of such person.

“Withdrawal Liability” shall mean liability to a Multiemployer Plan as a result of a complete or partial withdrawal from such Multiemployer Plan, as such terms are defined in Part I of Subtitle E of Title IV of ERISA.

“Working Capital” shall mean, with respect to the Borrower and the Subsidiaries on a consolidated basis at any date of determination, Current Assets at such date of determination minus Current Liabilities at such date of determination.

“Write-Down and Conversion Powers” shall mean, with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule.

Section 1.02. Terms Generally. The definitions set forth or referred to in Section 1.01 shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Except as otherwise expressly provided herein, any reference in this Agreement to any Loan Document shall mean such document as amended, restated, supplemented or otherwise modified from time to time. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided, that, if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

Section 1.03. Effectuation of Transactions. Each of the representations and warranties of Holdings and the Borrower contained in this Agreement (and all corresponding definitions) are made after giving effect to the Transactions, unless the context otherwise requires.

Section 1.04. Senior Debt. The Obligations constitute (a) “First-Lien Indebtedness” pursuant to, and as defined in, the Senior Lender Intercreditor Agreement, (b) [reserved], and (c) “First-Priority Lien Obligations” pursuant to, and as defined in, the Existing Second Lien Notes Indentures. This Agreement is a “Credit Agreement” for purposes of the Existing Second Lien Notes Indentures.

Section 1.05. Effect of this Agreement on the Original Credit Agreement and the Other Original Loan Documents.

(a) Upon execution by Holdings, the Borrower, the Administrative Agent and the Lenders party hereto, this Agreement shall be binding on the Borrower, the Administrative Agent, the Lenders and the other parties hereto, and the Original Credit Agreement and the provisions thereof shall be replaced in their entirety by this Agreement and the provisions hereof; provided that for the avoidance of doubt (x) the Obligations (as defined in the Original Credit Agreement) of the Borrower and the other Loan Parties under the Original Credit Agreement and the other Loan Documents that remain unpaid and outstanding as of the Amendment Effective Date shall continue to exist under and be evidenced by this Agreement and the other Loan Documents and (y) the Loan Documents shall continue to guarantee, support and otherwise benefit the Obligations on the same terms as prior to the effectiveness hereof. Upon the effectiveness of this Agreement, each Loan Document that was in effect immediately prior to the date of this Agreement shall continue to be effective on its terms unless otherwise expressly stated herein.

(b) Nothing herein contained shall be construed as a substitution or novation of the obligations outstanding under the Original Credit Agreement, the other Original Loan Documents (as defined below) or instruments securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Agreement shall be construed as a release or other discharge of any Borrower or any Guarantor from any of its obligations or liabilities under the Original Credit Agreement or any of the guaranties or other loan documents executed in connection therewith or in connection with the Original Credit Agreement (the "Original Loan Documents"). Each Loan Party hereby confirms and agrees that each Original Loan Document to which it is a party that is not being amended and restated concurrently herewith is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects except that on and after the Amendment Effective Date, all references in any such Original Loan Document to "the Credit Agreement," "thereto," "thereof," "thereunder" or words of like import referring to the Original Credit Agreement shall mean the Original Credit Agreement as amended and restated by this Agreement

Section 2.01. Commitments. Subject to the terms and conditions set forth herein:

- (a) Each Lender having a Bridge Term Loan Commitment agrees to make a Bridge Term Loan to the Borrower during the Certain Funds Period in a principal amount not to exceed its Bridge Term Loan Commitment.
- (b) Subject to satisfaction of the conditions set forth in Section 2.01(e), the Borrower, and each Lender, severally and not jointly, agree that if the Bridge Term Loans have not been repaid in full on the Bridge Term Loan Maturity Date, the then outstanding principal amount of each Lender's Bridge Term Loan shall immediately after such latest specified time for payment, automatically be converted (a Rollover Conversion) into a loan (individually a "Rollover Loan" and collectively, the "Rollover Loans") by the Borrower on the Bridge Term Loan Maturity Date in an aggregate principal amount equal to the then outstanding principal amount of such Lender's Bridge Term Loans. Rollover Loans will bear interest at a rate determined in accordance with Section 2.13.
- (c) Upon the conversion of the Bridge Term Loans into Rollover Loans, each Lender shall cancel on its records a principal amount of the Bridge Term Loans held by such Lender corresponding to the principal amount of Rollover Loans issued by such Lender, which corresponding principal amount of the Bridge Term Loans shall be satisfied by the conversion of such Bridge Term Loans into Rollover Loans in accordance with Section 2.01(b). Amounts repaid in respect of Rollover Loans may not be reborrowed.
- (d) For the avoidance of doubt, the Joint Lead Arrangers and the Lenders that are Affiliates of the Joint Lead Arrangers shall be entitled (in addition to the Borrower) to enforce the obligations of any Lender that has not made its share of the Loans to be made by it available to the Administrative Agent on the Closing Date by the time set forth in Section 2.03 to the extent the Joint Lead Arrangers or their affiliates have funded on behalf of such Lender.
- (e) The ability of the Borrower to automatically convert Bridge Term Loans into Rollover Loans is subject to the following conditions being satisfied:
 - (i) at the time of any such conversion, there shall exist no Event of Default or event that, with notice and/or lapse of time, could become an Event of Default; and
 - (ii) all fees due to the Joint Lead Arrangers and the Lenders shall have been paid in full.

Section 2.02. Loans and Borrowings.

- (a) Each Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Type made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.
- (b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.15 or 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.
- (c) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Bridge Term Facility Maturity Date.

Section 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by (A) telephone or (B) other Borrowing Request; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a written Borrowing Request. Each notice, (a) in the case of a Eurocurrency Borrowing, not later than 12:00 p.m., Local Time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 noon, Local Time, one Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Borrowing Request in a form approved by the Administrative Agent and signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (iv) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period

contemplated by the definition of the term “Interest Period”; and

(v) the location and number of the Borrower’s account to which funds are to be disbursed.

If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04. [Reserved]

Section 2.05. [Reserved]

Section 2.06.

Funding of Borrowings.

(a) Each Lender shall make each Term Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower maintained with the Administrative Agent in London.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.07.

Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or teletype to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and
- (iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.08.

Termination of Term Loan Commitments. The Bridge Term Loan Commitment of each Lender shall be automatically and permanently reduced to zero upon the funding of the Bridge Term Loans to be made on the Closing Date. Unless previously terminated in accordance with other terms hereof, the Bridge Term Loan Commitments shall automatically terminate at 11.59 p.m., (London time), on the earlier to occur of (i) the last day of the Certain Funds Period and (ii) the consummation of the Acquisition without the use of the Bridge Term Loans.

Section 2.09.

Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder and the Facility, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.10.

Repayment of Term Loans.

(a) The Bridge Term Loans will mature on the Bridge Term Loan Maturity Date and, to the extent then unpaid and subject to satisfaction of the conditions set forth in Section 2.01(e), will automatically be converted into Rollover Loans as set forth under Section 2.01(b). The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Rollover Loan on the Rollover Loan Maturity Date.

(b) [Reserved].

(c) Prepayment of the Loans from (after the Closing Date):

(i) all Net Proceeds pursuant to Section 2.11(b) shall be applied to the Loans;

(ii) any optional prepayments of the Loans pursuant to Section 2.11(a) shall be applied as the Borrower may direct; and

(iii) all proceeds of Bridge Term Loans which have not been applied in accordance with Section 5.08, on or before the date falling one Business Day after the last day of the Certain Funds Period;

provided that any such prepayment pursuant to clause (i) above that would otherwise be required to be made during the Certain Funds Period shall be deferred until (and shall instead be made on) the date falling immediately after the last day of the Certain Funds Period.

(d) Any mandatory prepayment of Loans pursuant to Section 2.11(b) shall be applied to the aggregate principal amount of outstanding Loan, irrespective of whether such outstanding Loans are ABR Loans or Eurocurrency Loans. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Loans shall be accompanied by accrued interest on the amount repaid.

Section 2.11.

Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d).

(b) The Borrower shall apply all Net Proceeds promptly upon receipt thereof to prepay Loans in accordance with paragraphs (c) and (d) of Section 2.10, subject to use of such Net Proceeds (other than in the case of Net Proceeds from Permanent Securities), to prepay loans under the Existing Credit Agreement and the Term Loan Credit Agreement). Notwithstanding the foregoing, after the Bridge Term Facility Maturity Date the Borrower may retain Net Proceeds pursuant to clause (b) of the definition thereof, provided, that the Total Net First Lien Leverage Ratio on the last day of the Borrower's then most recently completed fiscal quarter for which financial statements are available shall be less than or equal to 2.00 to 1.00.

Section 2.12.

Fees.

(a) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, such fees as shall have been separately agreed upon in writing, including in the Fee Letters, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein.

(b) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the fees shall be refundable under any circumstances.

Section 2.13.

Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) The Rollover Loans shall bear interest at the Second Lien Bridge Total Cap.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (d) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(e) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, and (ii) on the applicable Term Facility Maturity Date; provided, that (x) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (y) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (z) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the "prime rate" shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.14.

Alternate Rate of Interest.

(a)

If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

- (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period; or
- (ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in such currency shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) or the Borrower notifies the Administrative Agent that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary, (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but the supervisor for the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be used for determining interest rates for loans or (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.14, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Adjusted LIBO Rate then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans denominated at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided, that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within three Business Days of the date a copy of such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b) (but, in the case of the circumstances described in clause (ii) or clause (iii) above, only to the extent the LIBO Rate for such Interest Period is not available or published at such time on a current basis), (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and shall be continued as, or converted into, if applicable, an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15. Increased Costs.

(a) If any Change in Law shall:

- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or
- (ii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.

Section 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Loan Party shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as may reasonably be requested by the Borrower to permit such payments to be made without such withholding Tax or at a reduced rate; provided, that no Lender shall have any obligation under this paragraph (e) with respect to any withholding Tax imposed by any jurisdiction other than the United States if in the reasonable judgment of such Lender such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect.

(f) Each Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the IRS Code, (x) a certificate to the effect that, for United States federal income tax purposes, such Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the IRS Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the IRS Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the IRS Code and that, accordingly, such Lender qualifies for such exemption and (y) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs) as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is a "United States person" (as defined in Section 770(a)(30) of the IRS Code) shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

(g) If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender, as applicable, in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.

(h) If a payment made by the Borrower hereunder or under any other Loan Document would be subject to United States federal withholding tax imposed pursuant to FATCA if any Lender fails to comply with applicable reporting and other requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code, as applicable), such Lender shall use commercially reasonable efforts to deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable law or as reasonably requested by the Borrower or the Administrative Agent, any documentation reasonably requested by the Borrower or the Administrative Agent reasonably satisfactory to the Borrower or the Administrative Agent for the Borrower and the Administrative Agent to comply with their obligations under FATCA to determine the amount to withhold or deduct from such payment and to determine whether such Lender has complied with such applicable reporting and other requirements of FATCA, provided, that, notwithstanding any other provision of this subsection, no Lender shall be required to deliver any document pursuant to this subsection that such Lender is not legally able to deliver or, if in the reasonable judgment of such Lender, such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect, provided, further, that in the event a Lender does not comply with the requirements of this subsection 2.17(h) as a result of the application of the first proviso of this subsection 2.17(h), then such Lender shall be deemed for purposes of this Agreement to have failed to comply with the requirements under FATCA.

Section 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any

such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from such Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) Notwithstanding anything herein to the contrary, with respect to any prepayment of principal made pursuant to Section 2.10(c) or (d) in respect of Permanent Securities, in the event any Lender or affiliate of a Lender purchases Permanent Securities from Borrower pursuant to a Securities Demand hereunder at an issue price above the level at which such Lender or affiliate has determined such Permanent Securities can be resold by such Lender or affiliate to a bona fide third party at the time of such purchase (and notifies the Borrower thereof), the net proceeds received by the Borrower in respect of such Permanent Securities may, at the option of such Lender or affiliate, be applied first to repay the Loans hereunder held by such Lender or affiliate (provided that if there is more than one such Lender or affiliate then such Net Proceeds will be applied pro rata to repay the Loans hereunder of all such Lenders or affiliates in proportion to such Lenders' or affiliates' principal amount of Permanent Securities purchased from the Borrower) prior to being applied to prepay the Loans hereunder by other Lenders.

Section 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more Assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within three Business Days after Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21. Exchange Notes.

(a) Subject to satisfaction of the provisions of this Section 2.21 and in reliance upon the representations and warranties of the Borrower herein set forth, on and after the 15th Business Day prior to the Bridge Term Loan Maturity Date and, if the Rollover Conversion occurs, at any time on and after the Bridge Term Loan Maturity Date, each Lender will have the option to notify (an "Exchange Notice") the Administrative Agent in writing of its request for exchange notes (individually, an "Exchange Note" and collectively, the "Exchange Notes") in a dollar for dollar exchange at par value for an equal principal amount of all or a portion of its outstanding Loans hereunder; provided that in no event shall any Exchange Notes be issued prior to the Bridge Term Loan Maturity Date. Each Lender's Exchange Notice shall specify the aggregate principal amount of outstanding Loans that such Lender desires to exchange for Exchange Notes pursuant to this Section 2.21, which shall be in a minimum amount of \$1,000,000 (and integral multiples of \$1,000 in excess thereof) and, subject to the limitations set forth in the Exchange Note Indenture, shall be Exchange Notes bearing interest at the Second Lien Bridge Total Cap.

(b) Notwithstanding the foregoing, such Lender's Loans shall only be exchanged for Exchange Notes hereunder upon the occurrence of an Exchange Trigger Event, notice of which shall be provided to the Borrower and all such Lenders by the Administrative Agent. Upon receipt of notice of an Exchange Trigger Event, the Borrower shall set a date (each, an "Exchange Date") for the exchange of Loans for Exchange Notes, which date shall be no less than 10 Business Days and no more than 15 Business Days after its receipt of notice of an Exchange Trigger Event.

(c) On each Exchange Date, the Borrower shall execute and deliver, and use commercially reasonable efforts to cause the Exchange Note Trustee to authenticate and deliver, to each Lender or as directed by such Lender that exchanges Loans, an Exchange Note in the principal amount equal to 100% of the aggregate outstanding principal amount of such Loans (or portion thereof) for which each such Exchange Note is being exchanged. The Exchange Notes shall be governed by the Exchange Note Indenture. Upon issuance of the Exchange Notes to a Lender in accordance with this Section 2.21, a corresponding amount of the Loans of such Lender shall be deemed to have been cancelled.

(d) The Borrower shall, as promptly as practicable after being requested to do so by the Lenders pursuant to the terms of this Agreement at any time following the first Exchange Trigger Event and no later than the applicable Exchange Date, (i) select a bank or trust company to act as Exchange Note Trustee, (ii) enter into the Exchange Note Indenture and an exchange agreement customary for transactions of this type, (iii) cause counsel to the Borrower and Guarantors to deliver to the Administrative Agent customary legal opinions and 10b-5 letters covering such customary matters as reasonably requested by the Arrangers, (iv) in connection with a resale of Exchange Notes, use commercially reasonable efforts to cause the accountants for the Borrower (and, if applicable, the Target) to deliver "comfort letters" customarily delivered in offerings under Rule 144A of the rules and regulations under the Securities Act and (v) deliver a customary offering memorandum relating to the sale of Exchange Notes in accordance with Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for such a document (including Cooperation Information). The Exchange Note Trustee shall at all times be a corporation organized and doing business under the laws of the United States or any State thereof, in good standing, that is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority and which has a combined capital and surplus of not less than \$500,000,000; provided that the Borrower shall only be required to assist with respect to matters set forth in clauses (iii), (iv) and (v) on no more than three occasions (which number shall be reduced by the number of completed Take-out Financings), all of which shall occur prior to the first anniversary of the Rollover Loan Maturity Date.

(e) It is understood and agreed that the Loans exchanged for Exchange Notes constitute the same Indebtedness as such Exchange Notes and that no novation shall be effected by any such exchange.

Section 2.22. Change of Control.

(a) Upon the occurrence of a Change of Control occurring after the Certain Funds Period, each Lender shall have the right to require the Borrower to repurchase all or any part of such Lender's Loans at a price (the "Change of Control Payment") in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of the Change of Control Payment Date (as defined below), subject to the right of the Lenders to receive interest due on the relevant Interest Payment Date, in accordance with the terms contemplated in this Section 2.22.

(b) Within 30 days following any Change of Control, the Borrower shall deliver notice (the "Change of Control Offer") to the Administrative Agent, and the Administrative Agent shall promptly deliver such notice to each Lender to the address of such Lender appearing in the Register or otherwise in accordance with Section 10.02 with the following information:

- (i) that a Change of Control has occurred and that such Lender has the right to require the Borrower to repurchase such Lender's Loans at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the date of the Change of Control Payment Date (subject to the right of the Lenders to receive interest on the relevant Interest Payment Date);
- (ii) the circumstances and relevant facts and financial information regarding such Change of Control;
- (iii) the repurchase date, which shall be no earlier than 30 days nor later than 60 days from the date such notice is sent, (the "Change of Control Payment Date"; and
- (iv) instructions determined by the Borrower, consistent with this Section 2.22, that a Lender must follow in order to have its Loans purchased.

(c) The Lenders shall be entitled to withdraw their election if the Administrative Agent or the Borrower receives not later than one Business Day prior to the purchase date a facsimile transmission or letter sent to the address specified in Section 10.02 setting forth the name of the Lender, the principal amount of the Loans to be prepaid and a statement that such Lender is withdrawing its election to have such Loans purchased. Lenders whose Loans are purchased only in part shall be issued new Loans equal in principal amount to the unpurchased portion of the Loans surrendered.

(d) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) Notwithstanding the other provisions of this Section 2.22, the Borrower shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 2.22 applicable to a Change of Control Offer made by the Borrower and purchases all Loans validly tendered and not withdrawn under such Change of Control Offer.

(f) If Lenders of not less than 90% in aggregate principal amount of the outstanding Loans validly tender and do not withdraw such Loans in a Change of Control Offer and the Borrower, or any third party making a Change of Control Offer in lieu of the Borrower as described above, purchases all of the Loans validly tendered and not withdrawn by such Lenders, the Borrower or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Loans that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest to but excluding the date of redemption.

(g) Loans repurchased by the Borrower pursuant to a Change of Control Offer will have the status of Loans issued but not outstanding or will be retired and canceled at the option of the Borrower. Loans purchased by a third party pursuant to the preceding clause (e) or (f) will have the status of Loans issued and outstanding.

(h) At the time the Borrower delivers Loans to the Administrative Agent which are to be accepted for purchase, the Borrower shall also deliver an Officers' Certificate stating that such Loans are to be accepted by the Borrower pursuant to and in accordance with the terms of this Section 2.22. A Loan shall be deemed to have been accepted for purchase at the time the Administrative Agent, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(i) Prior to any Change of Control Offer, the Borrower shall deliver to the Administrative Agent an Officers' Certificate stating that all conditions precedent contained herein to the right of the Borrower to make such offer have been complied with.

(j) The Borrower shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Loans pursuant to this Section 2.22. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 2.22, the Borrower shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 2.22 by virtue thereof.

that, to the extent that such representations and warranties are qualified by materiality, material adverse effect or similar language, they shall be true and correct in all respects; it being understood that the truth and accuracy of any other representation or warranty of the Loan Parties under the Loan Documents made on the Closing Date shall not constitute a condition precedent under this Section 4.02.

The making of Certain Funds Credit Extensions by the Lenders shall conclusively be deemed to constitute an acknowledgment by the Administrative Agent and each Lender that each of the conditions precedent set forth in this Section 4.02 shall have been satisfied in accordance with its respective terms or shall have been irrevocably waived by such Person.

Section 4.03. Certain Funds. Notwithstanding (x) anything to the contrary in this Agreement or any other Loan Document or (y) that any condition set forth in Section 4.01 or Section 4.02 may subsequently be determined not to have been satisfied, during the Certain Funds Period (unless (i) a Certain Funds Default has occurred and is continuing or, in respect of clause (a) below, would result therefrom or (ii) in respect of clause (a) below, the conditions set forth in Section 4.02, as applicable, are not satisfied or (iii) it becomes illegal for any Lender to maintain its Commitment; provided that such Lender has used commercially reasonable efforts to maintain its Commitment through an Affiliate of such Lender not subject to a legal restriction and that the occurrence of such event in relation to one Lender shall not enable any other Lender to cancel its Commitment), each Lender shall comply with its obligations to fund Bridge Term Loans under this Agreement and no Lender shall:

- (a) refuse to participate in or make available its participation in any Certain Funds Credit Extension;
- (b) cancel any of its Commitments to the extent to do so would prevent or limit the making of a Certain Funds Credit Extension;

in each case, (i) unless a Certain Funds Default has occurred and is continuing on the date, or would result from the making, of such Certain Funds Credit Extension or (ii) except to the extent it is illegal for such Lender to make such Certain Funds Credit Extension, provided that (x) such Lender has used commercially reasonable efforts to make the Certain Funds Credit Extension through an Affiliate of such Lender not subject to the respective legal restriction and (y) the occurrence of such event with respect to one Lender shall not relieve any other Lender of its obligation hereunder. Upon the expiration of the Certain Funds Period, all rights, remedies and entitlements in clauses (a) through (f) above shall, subject to and in accordance with the applicable provisions of the Loan Documents, be available even though they have not been exercised or available during the Certain Funds Period.

The Borrower covenants and agrees with each Lender that so long as this Agreement shall remain in effect (other than in respect of contingent indemnification obligations for which no claim has been made) and until the Commitments have been terminated and the Obligations (including principal of and interest on each Loan, all fees and all other expenses or amounts payable under any Loan Document) shall have been paid in full, unless the Required Lenders shall otherwise consent in writing, the Borrower will, and will cause each of the Material Subsidiaries to:

(a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except, in the case of a Subsidiary of the Borrower, where the failure to do so would not reasonably be expected to have a Material Adverse Effect, and except as otherwise expressly permitted under Section 6.05, and except for the liquidation or dissolution of Subsidiaries if the assets of such Subsidiaries to the extent they exceed estimated liabilities are acquired by the Borrower or a Wholly Owned Subsidiary of the Borrower in such liquidation or dissolution; provided, that Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties and Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries.

(b) Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, do or cause to be done all things necessary to (i) lawfully obtain, preserve, renew, extend and keep in full force and effect the permits, franchises, authorizations, patents, trademarks, service marks, trade names, copyrights, licenses and rights with respect thereto necessary to the normal conduct of its business and (ii) at all times maintain and preserve all property necessary to the normal conduct of its business and keep such property in good repair, working order and condition and from time to time make, or cause to be made, all needful and proper repairs, renewals, additions, improvements and replacements thereto necessary in order that the business carried on in connection therewith, if any, may be properly conducted at all times (in each case except as expressly permitted by this Agreement).

(a) Holdings shall comply in all material respects with applicable laws and regulations relevant to the Scheme or the Offer, as applicable, including the Takeover Code and the Companies Act of 2006 (subject to any applicable waivers or dispensations granted by the Takeover Panel).

(b) Unless the Takeover Panel agrees otherwise, if Acquisition SPV proceeds with the Acquisition the Borrower shall dispatch (or cause the dispatch of) the Offering Circular or Scheme Circular, as applicable, within 28 days of the date of issue of the Rule 2.7 Announcement (or on such later date as the Takeover Panel may permit).

(c) Holdings shall ensure that the published version of the Rule 2.7 Announcement is consistent in all material respects with the copy delivered to the Administrative Agent pursuant to Section 4.01(x). Holdings shall ensure that the terms of the Scheme Circular or as the case may be the Offering Circular are not inconsistent with, or contrary to, the terms of the Rule 2.7 Announcement in any respect materially adverse to the interests of the Lenders, unless the Joint Lead Arrangers have consented to the applicable change (such consent not to be unreasonably withheld, delayed or conditioned) or unless the applicable change is required by any applicable Law (including, without limitation, the Companies Act of 2006 or the Takeover Code), the Takeover Panel, any applicable stock exchange, any applicable government or other regulatory authority, or a court of competent jurisdiction (including, without limitation, the Court). Holdings will not amend or waive any material term of any Offer Document or, as the case may be, Scheme Document in a manner or to an extent that would be materially prejudicial to the interests of the Lenders under the Loan Documents, other than any amendment or waiver (i) made with the consent of Administrative Agent; or (ii) required by the Takeover Panel, the Court, the Takeover Code or any other applicable law, regulation court or regulatory body or (iii) where such waiver does not relate to a condition which the Acquisition SPV reasonably considers that it would be entitled, in accordance with Rule 13.5(a) of the Code, to invoke so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn.

(d) Other than as required by the Takeover Panel, the Takeover Code, the London Stock Exchange, Financial Conduct Authority or any other applicable law, regulation, court or regulatory body and to the extent practicable, Holdings and its subsidiaries shall not make any press release or other public statement in respect of the Acquisition (other than in the Rule 2.7 Announcement, the Scheme Circular or any Offer Document), without first obtaining the prior approval of Administrative Agent (such approval not to be unreasonably withheld or delayed).

(e) Holdings, upon the reasonable request of the Joint Lead Arrangers, deliver to the Administrative Agent (for further delivery to the Lenders) and the Joint Lead Arrangers updates as to the status and progress in respect of the Acquisition, including, if applicable details of the level of acceptances of the Offer, and will notify the Joint Lead Arrangers promptly following any Responsible Officer of the Borrower becoming aware of any reasonably likely failure to fully satisfy any condition of the Scheme or the Offer, as applicable, that would allow Acquisition SPV to not proceed with the Scheme or the Offer or the Scheme, as applicable, in each case, to the extent it is able to do so in compliance with applicable law (including, without limitation, the Companies Act of 2006 or the Takeover Code). Holdings and its subsidiaries shall, to the extent that they are able to do so in compliance with applicable law and confidentiality or other obligations to which they are subject, promptly supply to Administrative Agent (i) copies of all documents, certificates, notices or announcements received or issued by Holdings or any of its subsidiaries (or on their behalf) in relation to a Scheme or an Offer (as the case may be) to the extent material to the interests of the Lenders and (ii) any other information regarding the progress of an Offer or a Scheme (as the case may be), in each case as Administrative Agent may reasonably request.

(f) Holdings shall pay (or cause payment of) all amounts payable under the Acquisition Documents as and when they become due (except to the extent that any such amounts are being contested in good faith by Holdings or any of its subsidiaries and where adequate reserves are set aside for any such payment) with the time periods required by applicable law.

(g) Holdings shall not and shall procure that none of its subsidiaries, without the prior written consent of the Administrative Agent, finance the purchase of any Target Shares (whether pursuant to the Offer, or the Scheme, or otherwise) with any amounts other than (i) the proceeds of the Bridge Term Loans (or any New Second Lien Notes issued in lieu thereof), the Initial Euro Term Loans, the Initial Sterling Term Loans and the First Lien Bridge Credit Facility (or any New First Lien Notes issued in lieu thereof) in each case in accordance with Section 5.08 of this Agreement and (ii) cash on balance sheet (for the avoidance of doubt, not generated from any debt financing or any issuance of equity, other than common equity with no debt-like features). Holdings and its subsidiaries shall not acquire any Target Shares in the market (outside of the Offer or Scheme) at a price higher than the price per Target Share paid or to be paid pursuant to the Offer or Scheme (as applicable).

(h) Where the Acquisition is to be undertaken by way of a Scheme but then changes to an Offer (or vice versa), Holdings shall promptly notify the Administrative Agent of such change. Following any change in the way in which the Acquisition is to be undertaken, as notified by Holdings under this clause (h), each reference to "Acquisition Documents" in this Agreement shall be construed accordingly.

(i) Where the Acquisition is to be undertaken by way of an Offer, Holdings shall not declare the Offer unconditional as to acceptances until the Minimum Acceptance Condition has been achieved.

(j) Holdings and its subsidiaries shall not take any action which would require Holdings or any of its Subsidiaries to make a mandatory offer for the Target Shares in accordance with Rule 9 of the Takeover Code.

The provisions of this Section 5.11 are for the benefit of the Lenders only and, notwithstanding anything herein to the contrary, the Required Lenders under the Term Facility may amend, waive or otherwise modify this Section 5.11 or the defined terms used solely for purposes of this Section 5.11 or waive any Default resulting from a breach of this Section 5.11 without the consent of any Lenders other than such Required Lenders.

Section 5.12. Conditions Subsequent. Holdings undertakes that:

- (a) if the Squeeze-Out Date occurs, it shall promptly commence the Squeeze-Out in respect of those Target Shares that have not been assented to the Offer and shall ensure that within four weeks thereafter notices in the prescribed form are given to the holders of such Target Shares that Holdings desires to acquire such Target Shares in accordance with the Squeeze-Out;
- (b) it shall procure as soon as possible, and in any event within three (3) months of the Closing Date where the Acquisition proceeds by means of a Scheme or within four (4) months of the Closing Date where the Acquisition proceeds by means of an Offer, that the Target shall be re-registered as a private company pursuant to Section 97 of the Companies Act of 2006; and
- (c) shall use its best efforts to procure that, by no later than the expiry of the Certain Funds Period, the Memorandum and Articles of Association of the Target shall be amended so that Holdings shall have the right to acquire any Target Shares which are required to be issued by the Target pursuant to any rights of any person under any option scheme and evidence shall be provided to the Administrative Agent of such amendment.

Section 5.13. Collateral and Guarantee Requirement. The Borrower shall satisfy the elements of the Collateral and Guarantee Requirement required to be satisfied on the Effective Date (other than in the case of any security interest in the intended Collateral or any deliverable related to the perfection of security interests in the intended Collateral (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of stock certificates and the security agreement giving rise to the security interest therein) that is not provided on the Effective Date after the Borrower's use of commercially reasonable efforts to do so, which such security interest or deliverable shall be delivered within the time periods specified with respect thereto in Schedule 5.13, and the Administrative Agent shall have received a completed Perfection Certificate, dated the Effective Date and signed by a Responsible Officer of the Borrower, together with all attachments contemplated thereby.

Section 5.14. Cooperation. Borrower agrees to engage (on the Amendment Effective Date) investment banks reasonably satisfactory to the Initial Lenders ("Investment Banks") as lead managers or co-managers, as the case may be, in connection with a private placement or registered offering of the Permanent Securities and to use commercially reasonable efforts to achieve a private placement of Permanent Securities that is reasonably satisfactory to both the Investment Banks and the Borrower; provided, that, with respect to any assistance required by or deliveries with respect to the Target, such assistance shall be limited to the Borrower's obligation to use all reasonable endeavors to cause the Target to provide such assistance or such deliveries. Such assistance shall include: (i) the preparation of, as soon as reasonably practicable: (a) a customary offering circular, prospectus, bank book or private placement memorandum with respect to the Permanent Securities, or (b) at the Borrower's options (x) a registration statement under the Securities Act with respect to any portion of the Securities to be publicly offered (the "Registration Statement"), and if such Registration Statement is filed, you will cause

such Registration Statement to comply as to form in all material respects with applicable rules and regulations and contain all legally required disclosures, and to become effective as soon as practicable thereafter or (y) a prospectus supplement to the Borrower's existing registration statement (in either case, such documents referenced in (a) or (b) above, the "Offering Document"); (ii) the execution of an underwriting, placement agency, purchase or other applicable type of agreement which agreement shall be consistent with and substantially similar to, in the case of a debt offering, the Purchase Agreement dated as of January 19, 2018 among the Borrower, Credit Suisse Securities (USA) LLC, as representative of the several initial purchasers and the guarantors party thereto (the "Purchase Agreement"); (iii) the delivery to the Investment Banks concurrently with, or as part of, the Offering Document, (a) audited consolidated financial statements of each of the Borrower and the Target as of and for the three most recently completed fiscal years ending at least 90 days before the Closing Date, unaudited consolidated financial statements of each of the Borrower and the Target as of and for each subsequent fiscal quarter ended at least 45 days before the Closing Date (other than any fiscal fourth quarter) after the most recent fiscal period for which audited consolidated financial statements have been provided (it being understood that prior to the Closing Date with respect to the Target such fiscal quarterly financials shall instead mean interim financial statements for the six-month period ended subsequent to the most recent fiscal year end and ended at least 45 days before the Closing Date) and pro forma financial statements of the Borrower as of and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least 45 days before the Closing Date (or, if the most recently completed fiscal period is the end of the fiscal year, ended at least 90 days before the Closing Date, prepared after giving effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such other statement of income), which reflects adjustments customary for Rule 144A transactions and such other financial information relating to the Borrower and the Target or other proposed or recently completed acquisitions, if any, as may be reasonably requested by the Investment Banks and (b) customary "comfort" (including "negative assurance" comfort) from your independent accountants and independent accountants for the Target (such information described in items (i) through (iii), "Cooperation Information"); (iv) your using commercially reasonable efforts to obtain public ratings for any Permanent Securities that are debt securities from Moody's and S&P; (v) cooperating with our due diligence investigation of each of the Borrower and its subsidiaries and the Target and its subsidiaries, including, without limitation, by supplying due diligence materials and information with respect to the general affairs, management, prospects, financial position, stockholders' equity or results of operations of the Borrower and its subsidiaries, and using commercially reasonable efforts to supply such materials and information with respect to the Target and its subsidiaries and the tax, accounting, legal, regulatory and other issues relevant to each of the Borrower and its subsidiaries and the Target and its subsidiaries and (vi) making available the Borrower's officers and advisors and using commercially reasonable efforts to cause the Target and their subsidiaries to make their officers and advisors available upon reasonable notice to attend and make presentations regarding the business of the Borrower, the Target and its subsidiaries, during no more than three customary "road shows" related to the Take-out Financing. The Borrower further agrees to notify the Investment Banks promptly of all developments materially affecting it, the Target or a Take-out Financing or the accuracy of the Cooperation Information, including, without limitation, the occurrence of any event or any other change known that would result in the Offering Document or Cooperation Information containing an untrue statement of a material fact or omitting to state any material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading and the Borrower will promptly update the Offering Document in order to ensure that it does not contain such untrue statement or omission. The Borrower acknowledges that the Investment Banks may rely, without independent verification, upon the accuracy and completeness of the Cooperation Information and the Offering Document and that the Investment Banks do not assume responsibility therefor, except such information provided by the Investment Banks in writing for inclusion therein as expressly provided in the Purchase Agreement.

Notwithstanding anything in this provision to the contrary, all agreements with respect to the Borrower's efforts to use reasonable endeavors to cause the Target to assist with syndication as set forth herein (i) shall not commence until the earlier of the Offer Effective Date and the Scheme Effective Date and (ii) and subject at all time to the requirements of the UK Takeover Rules.

Section 5.15. Securities Demand.

(a) Upon written notice (such notice, a "Securities Demand") by either of the Joint Bookrunners (such Person, the "Controlling Person") at any time and from time to time (but on no more than three occasions) (it being understood and agreed that any Securities Demand that results in a Demand Failure shall not be included in such limitation), beginning upon the earlier of (i) five Business Days prior to the Closing Date and (ii) five Business Days prior to the six (6) month anniversary of the Effective Date and prior to the first anniversary of the Closing Date (which notice may be provided on such date) so long as any Commitments are outstanding or any Loans are outstanding, you will cause the Borrower to issue and sell, to the Investment Banks or the Initial Lenders or their respective affiliates, the New Second Lien Notes or Permanent Securities in a minimum aggregate principal amount of \$100.0 million (each, a "Take-out Financing"); provided that in case of any Securities Demand for Take-out Financing to be issued prior to the Closing Date, such Securities Demand shall also be subject to terms of clause (g) below.

(b) The Take-out Financing shall have such form, term, yield, guarantees, covenants, call protection, default provisions and other terms as are customary for securities of the type issued and may be issued in one or more tranches, and in the form of notes as determined by the Controlling Person in its reasonable judgment after giving due regard to the Applicable Bond Standard; provided that (i) the interest rate for any Take-out Financing shall be reasonably determined by the Investment Bank in light of then-prevailing market conditions for comparable high yield debt securities in consultation with you, provided further that (x) the weighted average total per annum yield payable by Borrower and/or issuer applicable to the Loans and/or Commitments and any Take-out Financing issued to replace or refinance all or a portion of the Loans or Commitments at any time shall not exceed the Second Lien Bridge Total Cap and (y) the total effective yield payable by the Borrower and/or issuer (including any original issue discount, but excluding any underwriting or initial purchase discounts or fees) applicable to any individual tranche of Take-out Financing at any time shall not exceed a rate per annum equal to the Second Lien Bridge Total Cap plus 150 basis points (it being understood, in each case, that any floating interest rates and/or yields and/or original issue discount included in any of the foregoing calculations shall be determined using a methodology reasonably satisfactory to the Investment Bank), (ii) the final scheduled maturity of any Take-out Financing shall not be earlier than the seventh anniversary of the Closing Date, (iii) the make-whole period will be three years from the issue date and the call premium at the end of the make-whole period shall not be greater than 75% of the coupon during the fourth year after the issue date of the Take-out Financing and shall decline to 50% of the coupon during the fifth year after the issue date of the Take-out Financing, 25% of the coupon during the sixth year after the issue date of the Take-out Financing and then to zero thereafter; (iv) the issue price to the issuer (before giving effect to the underwriting or initial purchasers discounts or fees payable to the Investment Bank) of any Take-out Financing shall not be less than 97% of principal amount; (v) an equity claw provision consistent with the Applicable Bond Standard and (vi) the guarantee and any collateral structure shall be consistent with the Applicable Bond Standard. For the avoidance of doubt, the Investment Banks may reoffer the Take-out Financing to investors at any price below or above the proceeds to the Borrower and/or issuer. It is agreed that the yield payable by the Borrower on any Take-out Financing shall not include (x) any original issue discount arising from below par resales by the Joint Bookrunners, the Joint Additional Bookrunners or the Co-Arrangers or (y) the tax impact of any "cancellation of indebtedness."

(c) The Borrower will use commercially reasonable best efforts to, within 5 Business Days of receipt of written notice of a Securities Demand (if after the Closing Date, 10 Business Days), do the following:

- (i) provide as many copies as reasonably requested to the Investment Banks of an Offering Document for the offer and sale of the Permanent Securities pursuant to Rule 144A of the rules and regulations under the Securities Act containing such disclosures as are customary and appropriate for offerings of securities pursuant to Rule 144A, including the Cooperation Information;
- (ii) the Borrower shall assist in the preparation of, rating agency presentations and "road show" materials consistent with the information contained in the Offering Document which the Joint Bookrunners or the Joint Additional Bookrunners may reasonably request in connection with the Take-out Financing; and
- (iii) make the senior management and advisors of the Borrower (and the Target, if applicable) and certain of the Investors' investment professionals available for due diligence, rating agency presentations and a "road show" meetings with potential investors for the New Second Lien Notes or Permanent Securities on no more than three occasions as reasonably requested by the Investment Banks in their judgment to market the New Second Lien Notes or Permanent Securities.

(d) The Investment Banks may at any time upon reasonable advance notice to the Borrower require the Borrower (or, if reasonably so specified by the Investment Banks, an affiliate of the Borrower) to execute the Purchase Agreement.

(e) Without limiting the generality of the foregoing, the Joint Bookrunners may make such a Securities Demand for the issuance of Permanent Securities to the Lenders to replace any Commitments or refinance this Facility on the Closing Date and to be resold by them at any time thereafter in accordance with the provisions of this Section 5.15; provided that any such Securities Demand contemplating the resale of Permanent Securities shall include such customary information regarding the selling Lenders as may be required to be included in the Offering Document or a supplement thereto.

(f) Notwithstanding anything to the contrary contained herein, in the event of your failure to comply with the terms this Section (a “Demand Failure”), (w) the interest rate with respect to the Loans shall increase to the Second Lien Bridge Total Cap immediately and automatically, (x) the Loan shall be immediately and automatically subject to the call protection in the Applicable Bond Standard (other than with respect to any prepayment of Loans held by the Initial Lenders or their Affiliates, but excluding Loans held by bona fide asset management affiliates of the foregoing), (y) the Rollover Fee, if not previously paid, shall become immediately due and payable (and no future fee credit shall be available), calculated based on the principal amount of the Loans outstanding on the date of such Demand Failure or the principal amount of Commitments outstanding on the date of such Demand Failure (which, if such date is the Closing Date, will be the principal amount of Loans funded on the Closing Date) and (z) any restrictions on transfer of the Loans or Exchange Notes shall be deemed waived. For the avoidance of doubt, a Demand Failure shall not, in and of itself, constitute a Default hereunder.

(g) It is agreed that, if the Closing Date has not occurred before September 15, 2019 (the “Escrow Right Trigger Date”) and Commitments hereunder remain outstanding, on or after the Escrow Right Trigger Date, the Joint Bookrunners may issue a Securities Demand (which may be issued five Business Days in advance of such date) and require that the Permanent Securities be issued on the Escrow Right Trigger Date or on another date thereafter prior to the closing of the Acquisition, with the gross proceeds of such Permanent Securities to be placed in a customary escrow account, the proceeds of which will be pledged solely to the holders of such Permanent Securities, in each case on customary terms and conditions for an escrow financing (an “Escrow Securities Demand”); provided that the conditions to release such proceeds shall be the satisfaction of the conditions to borrowing in Section 4.02 herein. Any such escrow arrangements will provide that the aggregate principal amount of such Permanent Securities will be redeemed at the original price at which such Permanent Securities were issued in the event that the conditions to the release of proceeds of such Permanent Securities from escrow are not satisfied prior to the Closing Date. Such escrow arrangement may include the use of an Unrestricted Subsidiary and will be structured in such a manner as to comply with the Existing ABL Agreement, the Existing Credit Agreement, the Existing Second Lien Note Documents, the Term Loan Credit Agreement and the First Lien Bridge Credit Agreement.

(h) The Borrower will not be required to comply with the terms of this Section if the Borrower has determined in its reasonable discretion that such issue, sale or borrowing may result in materially adverse tax consequences to the Borrower; provided that it is understood and agreed that the failure to comply with the terms of this Section pursuant to this clause (h) will constitute a Demand Failure.

ARTICLE VI

In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender’s behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and take such action on its behalf under the provisions of the Second Priority Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of the Second Priority Intercreditor Agreement, together with

such other powers as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an “Agent” under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) irrevocably authorizes each of the Administrative Agent and the Collateral Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved, authorized or ratified in writing in accordance with Section 9.08 hereof, (ii) to release any Subsidiary Loan Party from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i) and (j). Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s and the Collateral Agent’s authority to release its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, examiner, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 8.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a “Subagent”) with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 8.02 in the absence of the Administrative Agent’s gross negligence or willful misconduct.

Section 8.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person’s own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower or a Lender. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan hereunder, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default.” In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with

respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06.

Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.07. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), in the amount of its *pro rata* share (based on its outstanding Loans), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents (including, without limitation, the Second Priority Intercreditor Agreement) or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor agent which shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

Section 8.10. Agents and Arrangers. None of the Joint Lead Arrangers, the Joint Additional Arrangers or the Co-Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

Section 8.11. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

- (i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,
- (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,
- (iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any

documents related hereto or thereto). To the extent the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing is not reimbursed and indemnified by the Borrower, the Lenders severally agree to reimburse and indemnify the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, in proportion to their respective "pro rata shares" (determined as set forth below) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or such sub-agent) or such Related Party in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or such Related Party's, as applicable, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). For purposes of this paragraph, a Lender's "pro rata share" shall be determined based upon its share of the sum of, without duplication, outstanding Loans, in each case, at the time (or most recently outstanding and in effect).

Miscellaneous

Section 9.01. Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

- (i) if to any Loan Party or to the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such person on Schedule 9.01; and
- (ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrower shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, and the termination of the Commitments or this Agreement.

Section 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent shall have been notified by each Lender (or otherwise received evidence satisfactory to the Administrative Agent) that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

Section 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

- (B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);
- (C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms; and
- (D) the Assignee shall not be the Borrower or any of the Borrower's Affiliates or Subsidiaries.

Notwithstanding anything herein (including in clause (A) above) or in any other Loan Document to the contrary, no Lender shall affect any assignment with respect to the Bridge Term Facility during the Certain Funds Period (other than an assignment to Goldman Sachs International Bank, Goldman Sachs Lending Partners, Wells Fargo Securities International Limited, Wells Fargo Securities, LLC or to those banks, financial institutions or other institutional lenders that have been agreed by the Borrower and the Joint Lead Arrangers prior to the Effective Date) without the Borrower's prior written consent in the Borrower's sole discretion.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to an Ineligible Institution without the prior written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any other amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing, no assignment may be made to an Ineligible Institution without the prior written consent of the Borrower.

Section 9.05. Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and Allen & Overy LLP, special U.K. counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the fees, charges and disbursements of counsel for the Administrative Agent (including any special and local counsel).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans, or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers, the Co-Arrangers or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Funds, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section IX.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, subject to Section 4.03, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmaturing. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

Section 9.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative

Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders, and in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent (or, in the case of any Security Documents, the Collateral Agent if so provided therein) and consented to by the Required Lenders; provided, however, that no such agreement shall

- (i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly affected thereby,
- (ii) increase or extend the Commitment of any Lender or decrease any fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),
- (iii) [reserved],
- (iv) amend the provisions of Section 5.02 of the Collateral Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,
- (v) amend or modify the provisions of this Section 9.08 or the definition of the term “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),
- (vi) release all or substantially all the Collateral or release any of Holdings, the Borrower or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;
- (vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the majority-in-interest of the Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

(c) Without the consent of any Joint Lead Arranger, Joint Additional Arranger, Co-Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, this Agreement and the other Loan Documents may be amended (or amended and restated) with written consent of the Administrative Agent and the Borrower in order to make modification contemplated by the terms of the Fee Letters.

Section IX.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the “Charges”), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in

the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents, except as set forth under Section 9.05(b).

Section 9.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

Section 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, "New York Courts"), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 9.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was available to such Lender or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledge under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16);

The Borrower, in respect of the Agents and the Lenders, and the Agents and the Lenders, in respect of the Borrower, the Target and their respective Subsidiaries and other Affiliates, may not issue any press release or make any public announcement which references the other relevant party in the context of the Acquisition except with the applicable party's prior written consent, such consent not to be unreasonably withheld or delayed and not to be required in the case of references required by the Takeover Rules or applicable laws or regulations in relation to the Acquisition or the rules of any securities exchange or regulatory authority (but the parties shall use all reasonable endeavors to consult with each other prior to making any such press release or public announcement).

Section 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers, the Co-Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower's expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, terminate such Subsidiary Loan Party's obligations under its Guarantee. In addition, the Collateral Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower's expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification Obligations) are paid in full and all Commitments are terminated. Any representation, warranty or

covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of Holdings shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

Section 9.19. PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act.

Section 9.20. Intercreditor Agreements and Collateral Agreement. Each Lender hereunder (a) consents to the priority and/or subordination of Liens provided for in the Second Priority Intercreditor Agreement, (b) consents to the priority and/or subordination of Liens provided for in the Senior Lender Intercreditor Agreement, (c) consents to the priority and/or subordination of Liens provided for in the Senior Lender Intercreditor Agreement, (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Second Priority Intercreditor Agreement, (e) authorizes and instructs the Collateral Agent to enter into the Second Lien Bridge Joinder to Second Priority Intercreditor Agreement on behalf of itself and such Lender, and (f) consents to entering into the Collateral Agreement in the form of Exhibit E herein. The foregoing provisions are intended as an inducement to the Lenders to extend credit and such Lenders are intended third party beneficiaries of such provisions and the provisions of the Second Priority Intercreditor.

Section 9.21. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE X

The purpose of the Corporation shall be to engage in any lawful act and activity for which corporations may be organized and incorporated under the General Corporation Law of the State of Delaware, as the same may be amended and supplemented.

ARTICLE IV

Section 1. Authorized Shares. The total number of shares of all classes of stock that the Corporation shall have authority to issue is 450,000,000 shares, of which 400,000,000 shares shall be common stock, \$0.01 par value ("Common Stock") and 50,000,000 shares shall be preferred stock, \$0.01 par value ("Preferred Stock").

Section 2. Common Stock. Except as otherwise required by applicable law, all shares of Common Stock shall be identical in all respects and shall entitle the holders thereof to the same rights, subject to the same qualifications, limitations and restrictions. The terms of the Common Stock set forth below shall be subject to the express terms of any series of Preferred Stock.

(a) Voting Rights. Except as otherwise required by applicable law, the holders of Common Stock shall be entitled to one vote per share on all matters to be voted on by the Corporation's stockholders. No stockholder of the Corporation shall be entitled to exercise any right of cumulative voting.

(c) Liquidation. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after the distribution or payment of any liabilities and accrued but unpaid dividends and any liquidation preferences on any outstanding Preferred Stock, the remaining assets of the Corporation available for distribution to stockholders shall be distributed among and paid to the holders of Common Stock ratably in proportion to the number of shares of Common Stock held by them respectively.

Section 3. Preferred Stock. The Board is authorized to provide for the issuance from time to time of shares of Preferred Stock in one or more series and, by filing a certificate (a "Preferred Stock Certificate of Designation") pursuant to the applicable provisions of the Delaware General Corporation Law (the "DGCL"), to establish from time to time the number of shares to be included in each such series, with such powers, designations, preferences and relative, participating, optional or other rights, if any, and qualifications, limitations or restrictions thereof, if any, as are stated and expressed in the resolution or resolutions providing for the issuance thereof adopted by the Board (as such resolutions may be amended by a resolution or resolutions

subsequently adopted by the Board), and as are not stated and expressed in this Amended and Restated Certificate of Incorporation, including, but not limited to, determination of any of the following:

- (a) the distinctive designation of the series, whether by number, letter or title, and the number of shares which will constitute the series, which number may be increased or decreased (but not below the number of shares then outstanding and except to the extent otherwise provided in the applicable Preferred Stock Certificate of Designation) from time to time by action of the Board;
- (b) the dividend rate, if any, and the times of payment of dividends, if any, on the shares of the series, whether such dividends will be cumulative and, if so, from what date or dates, and the relation which such dividends, if any, shall bear to the dividends payable on any other class or classes of stock;
- (c) the price or prices at which, and the terms and conditions on which, the shares of the series may be redeemed at the option of the Corporation;
- (d) whether or not the shares of the series will be entitled to the benefit of a retirement or sinking fund to be applied to the purchase or redemption of such shares and, if so entitled, the amount of such fund and the terms and provisions relative to the operation thereof;
- (e) the amounts payable on, and the preferences, if any, of the shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation;
- (f) whether or not the shares of the series will be convertible into, or exchangeable for, any other shares of stock of the Corporation or other securities and, if so convertible or exchangeable, the conversion price or prices, or the rates of exchange, and any adjustments thereof, at which such conversion or exchange may be made, and any other terms and conditions of such conversion or exchange;
- (g) whether or not the shares of the series will have priority over or be on a parity with or be junior to the shares of any other series or class of stock in any respect, or will be entitled to the benefit of limitations restricting the issuance of shares of any other series or class of stock, restricting the payment of dividends on or the making of other distributions in respect of shares of any other series or class of stock ranking junior to the shares of the series as to dividends or assets, or restricting the purchase or redemption of the shares of any such junior series or class, and the terms of any such restriction;
- (h) whether or not the shares of the series will have voting rights in addition to any voting rights provided by law and, if so, the terms of such voting rights; and
- (i) any other terms of the shares of the series.

ARTICLE V

Section 1. General Powers. Except as otherwise provided by applicable law or this Amended and Restated Certificate of Incorporation, in each case as the same may be amended and supplemented, the business and affairs of the Corporation shall be managed by or under the direction of the Board.

Section 2. Number of Directors. The number of directors that shall constitute the whole Board shall be as determined from time to time by a majority of the Board; provided, that in no event shall the total number of directors constituting the entire Board be less than three (3) nor more than fifteen (15). Election of directors need not be by written ballot.

Section 3. Classes of Directors; Term of Office. The Board shall be and is divided into three classes, as nearly equal in number as possible, designated: Class I, Class II and Class III. In case of any increase or decrease, from time to time, in the number of directors, the number of directors in each class shall be apportioned as nearly equal as possible. No decrease in the number of directors shall shorten the term of any incumbent director.

Each director shall serve for a term ending on the date of the third annual meeting following the annual meeting at which such director was elected; provided, that each director initially appointed to Class I shall serve for a term expiring at the Corporation's annual meeting of stockholders held in 2013; each director initially appointed to Class II shall serve for a term expiring at the Corporation's annual meeting of stockholders held in 2014; and each director initially appointed to Class III shall serve for a term expiring at the Corporation's annual meeting of stockholders held in 2015; provided, further, that the term of each director shall continue until the election and qualification of his successor and be subject to his earlier death, resignation or removal.

Section 4. Quorum. Except as otherwise provided by law, this Amended and Restated Certificate of Incorporation or the Bylaws, a majority of the total number of directors then in office shall constitute a quorum for the transaction of business at any meeting of the Board, but in no event shall less than one-third of the directors constitute a quorum. A majority of the directors present (though less than such quorum) may adjourn the meeting from time to time without further notice.

Section 5. Manner of Acting. Every act or decision done or made by the majority of the directors present at a meeting at which a quorum is present shall be regarded as the act of the Board unless the act of a greater number is required by law, this Amended and Restated Certificate of Incorporation or the Bylaws, in each case as the same may be amended and supplemented.

Section 6. Vacancies. Any vacancy or newly created directorships in the Board, however occurring, shall be filled only by a majority of the directors then in office, although less than a quorum, or by a sole remaining director, except as otherwise provided by law, and shall not be filled by the stockholders of the Corporation. A director elected to fill a vacancy shall hold office until the next election of the class for which such director shall have been chosen, subject to the election and qualification of a successor and to such director's earlier death, resignation or removal.

If any applicable provision of the DGCL expressly confers power on stockholders to fill such a directorship at a special meeting of stockholders, such a directorship may be filled at such meeting only by the affirmative vote of the holders of a majority of the votes which all the stockholders would be entitled to cast in any annual election of directors or class of directors. Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his or her predecessor.

Section 7. Removal and Resignation of Directors. Directors may be removed only for cause, and only by the affirmative vote of the holders of a majority of the votes which all the stockholders would be entitled to cast in any annual election of directors or class of directors. A director may resign at any time by filing his written resignation with the secretary of the Corporation.

Section 8. Voting Rights of Preferred Stock. Notwithstanding the foregoing, whenever the holders of any one or more series of Preferred Stock issued by the Corporation shall have the right, voting separately as a series or separately as a class with one or more such other series, to elect directors at an annual or special meeting of stockholders, the election, term of office, removal, filling of vacancies and other features of such directorships shall be governed by the terms of this Amended and Restated Certificate of Incorporation (including any certificate of designations relating to any series of Preferred Stock) applicable thereto, and such directors so elected shall not be divided into classes pursuant to this Article unless expressly provided by such terms.

ARTICLE VI

In furtherance and not in limitation of the rights, powers, privileges and discretionary authority granted or conferred by statute, the Board is expressly authorized to:

(a) make, alter, amend or repeal the Bylaws, without any action on the part of the stockholders of the Corporation and subject to any limitations that may be contained in such Bylaws, but any Bylaws adopted by the Board may be amended, modified or repealed by the stockholders entitled to vote thereon; and

(b) from time to time to determine whether and to what extent, and at what times and places, and under what conditions and regulations, the accounts and books of the Corporation, or any of them, shall be open to inspection of stockholders; and, except as so determined or as expressly provided in this Amended and Restated Certificate of Incorporation or in any Preferred Stock Certificate of Designation, no stockholder shall have any right to inspect any account, book or document of the Corporation other than such rights as may be conferred by applicable law.

ARTICLE VII

Any action required or permitted to be taken by the holders of the Common Stock of the Corporation must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent or consents in writing by stockholders.

ARTICLE VIII

Except as otherwise required by law and subject to the rights of the holders of any series of Preferred Stock, special meetings of the stockholders of the Corporation may be called only by the Chairman of the Board or a majority of the members of the Board pursuant to a resolution approved by the Board, and special meetings may not be called by any other person or persons. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

ARTICLE IX

To the extent permitted by the DGCL, a director of the Corporation will not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (or any successor provision thereto), or (iv) for any transaction from which the director derived any improper personal benefit. Any repeal or amendment or modification of this Article IX by the stockholders of the Corporation or by changes in applicable law, or the adoption of any provision of this Certificate of Incorporation inconsistent with this Article IX, will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide a broader limitation on a retroactive basis than permitted prior thereto), and will not adversely affect any limitation on the personal liability of any director of the Corporation at the time of such repeal or amendment or modification or adoption of such inconsistent provision. If any provision of the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of our directors will be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

ARTICLE X

(a) Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she or a person of whom he or she is the legal representative is or was, at any time during which this Amended and Restated Certificate of Incorporation is in effect (whether or not such person continues to serve in such capacity at the time any indemnification or payment of expenses pursuant hereto is sought or at the time any proceeding relating thereto exists or is brought), a director or officer of the Corporation or is or was at any such time serving at the request of the Corporation as a director, officer, trustee, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by the Corporation (hereinafter, an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, trustee, employee or agent or in any other capacity while serving as a director, officer, trustee, employee or agent, shall be (and shall be deemed to have a contractual right to be) indemnified and held harmless by the Corporation (and any successor of the Corporation by merger or otherwise) to the fullest extent authorized by the DGCL as the same exists or may hereafter be amended or modified from time to time (but, in the case of any such amendment or modification, only to the extent that such amendment or modification permits the Corporation to provide greater indemnification rights than said law permitted the Corporation to provide prior to such amendment or modification), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, trustee, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that except as provided in paragraph (c) of this Article X, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board. The right to indemnification conferred in this Article X shall include the right, without the need for any action by the Board, to be paid by the Corporation (and any successor of the Corporation by merger or otherwise) the expenses incurred in defending any such proceeding in advance of its final disposition, such advances to be paid by the Corporation within twenty (20) days after the receipt by the Corporation of a statement or statements from the claimant requesting such advance or advances from time to time; provided, however, that if the DGCL requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter, the "undertaking") by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right of appeal (a "final disposition") that such director or officer is not

entitled to be indemnified for such expenses under this Article X or otherwise. The rights conferred upon indemnitees in this Article X shall be contract rights between the Corporation and each indemnitee to whom such rights are extended that vest at the commencement of such person's service to or at the request of the Corporation and all such rights shall continue as to an indemnitee who has ceased to be a director or officer of the Corporation or ceased to serve at the Corporation's request as a director, officer, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, as described herein, and shall inure to the benefit of the indemnitee's heirs, executors and administrators.

(b) To obtain indemnification under this Article X, a claimant shall submit to the Corporation a written request, including therein or therewith such documentation and information as is reasonably available to the claimant and is reasonably necessary to determine whether and to what extent the claimant is entitled to indemnification. Upon written request by a claimant for indemnification pursuant to the first sentence of this paragraph (b), a determination, if required by applicable law, with respect to the claimant's entitlement thereto shall be made as follows: (i) if requested by the claimant, by Independent Counsel (as hereinafter defined), or (ii) if no request is made by the claimant for a determination by Independent Counsel, (A) by the Board by a majority vote of a quorum consisting of Disinterested Directors (as hereinafter defined), (B) if a quorum of the Board consisting of Disinterested Directors is not obtainable or, even if obtainable, such quorum of Disinterested Directors so directs, by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to the claimant, or (C) if a quorum of Disinterested Directors so directs, by a majority of the stockholders of the Corporation. In the event the determination of entitlement to indemnification is to be made by Independent Counsel, the Independent Counsel shall be selected by the Board unless there shall have occurred within two years prior to the date of the commencement of the action, suit or proceeding for which indemnification is claimed a "Change of Control" as defined in the Berry Plastics Group, Inc. 2012 Long-Term Incentive Plan in which case the Independent Counsel shall be selected by the claimant unless the claimant shall request that such selection be made by the Board. If it is so determined that the claimant is entitled to indemnification, payment to the claimant shall be made within ten (10) days after such determination.

(c) If a claim under paragraph (a) of this Article X is not paid in full by the Corporation within thirty (30) days after a written claim pursuant to paragraph (b) of this Article X has been received by the Corporation (except in the case of a claim for advancement of expenses, for which the applicable period is twenty (20) days), the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action that the claimant has not met the standard of conduct which makes it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed or that the claimant is not entitled to the requested advancement of expenses, but (except where the required undertaking, if any, has not been tendered to the Corporation) the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board, Independent Counsel or stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board, Independent Counsel or stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(d) If a determination shall have been made pursuant to paragraph (b) of this Article X that the claimant is entitled to indemnification, the Corporation shall be bound by such determination in any judicial proceeding commenced pursuant to paragraph (c) of this Article X.

(e) The Corporation shall be precluded from asserting in any judicial proceeding commenced pursuant to paragraph (c) of this Article X that the procedures and presumptions of this Article X are not valid, binding and enforceable and shall stipulate in such proceeding that the Corporation is bound by all the provisions of this Article X.

(f) The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article X: (i) shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Amended and Restated Certificate of Incorporation, Bylaws, agreement, vote of stockholders or Disinterested Directors or otherwise and (ii) cannot be terminated by the Corporation, the Board or the stockholders of the Corporation with respect to a person's service prior to the date of such termination. Any amendment, modification, alteration or repeal of this Article X that in any way diminishes, limits, restricts, adversely affects or eliminates any right of an indemnitee or his or her successors to indemnification, advancement of expenses or otherwise shall be prospective only and shall not, without the written consent of the indemnitee, in any way diminish, limit, restrict, adversely affect or eliminate any such right with respect to any actual or alleged state of facts, occurrence, action or omission then or previously existing, or any action, suit or proceeding previously or thereafter brought or threatened based in whole or in part upon any such actual or alleged state of facts, occurrence, action or omission.

(g) The Corporation may maintain insurance, at its expense, to protect itself and any current or former director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL. Any director of the Corporation may vote upon any contract or any other transaction between the Corporation and any subsidiary or affiliated corporation without regard to the fact that such person is also a director or officer of such subsidiary or affiliated corporation.

Any contract, transaction or act of the Corporation or of the directors that is ratified at any annual meeting of the stockholders of the Corporation, or at any special meeting of the stockholders of the Corporation called for such purpose, will, insofar as permitted by applicable law, be as valid and as binding as though ratified by every stockholder of the Corporation; provided, however, that any failure of the stockholders to approve or ratify any such contract, transaction or act, when and if submitted, will not be deemed in any way to invalidate the same or deprive the Corporation, its directors, officers or employees, of its or their right to proceed with such contract, transaction or act.

Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(a) Subject to the other paragraphs of this Section:

- (i) from and after the Certain Funds Period, the Borrower shall repay Term Facilities on the last day of each March, June, September and December (commencing on the day of the first fiscal quarter ending after the Certain Funds Period) in a principal amount equal to 0.25% of the sum of the outstanding principal amount of Term Loans immediately after the last day of the Certain Funds Period;
- (ii) in the event that any Incremental Term Loans are made on an Increased Amount Date, the Borrower shall repay such Incremental Term Loans on the dates and in the amounts set forth in the Incremental Assumption Agreement (each such date being referred to as an "Incremental Term Loan Installment Date"); and
- (iii) to the extent not previously paid, outstanding Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) [Reserved].

(c) Prepayment of the Loans from (after the Closing Date):

- (i) all Net Proceeds pursuant to Section 2.11(b) and Excess Cash Flow pursuant to Section 2.11(c) shall be applied to the Loans *pro rata* among the Term Facilities, with the application thereof in direct order to amounts due on the next succeeding Incremental Term Loan Installment Dates under the applicable Term Facilities;
- (ii) any optional prepayments of the Loans pursuant to Section 2.11(a) shall be applied as the Borrower may direct; and
- (iii) all proceeds of Initial Euro Term Loans and Initial Sterling Term Loans which have not been applied in accordance with Section 5.08, on or before the date falling one Business Day after the last day of the Certain Funds Period;

provided that any such prepayment pursuant to clause (i) above that would otherwise be required to be made during the Certain Funds Period shall be deferred until (and shall instead be made on) the date falling immediately after the last day of the Certain Funds Period.

(d) Any mandatory prepayment of Loans pursuant to Section 2.11(b) or (c) shall be applied so that the aggregate amount of such prepayment is allocated among the Initial Euro Term Loans, the Initial Sterling Term Loans, the Backstop Term Loans, if any, and Other Term Loans, if any (except any mandatory prepayments of Loans pursuant to Section 2.11(c)(iii), which shall be applied so that the aggregate principal amount of such prepayment is allocated among the Initial Euro Term Loans and the Initial Sterling Term Loans only), *pro rata* based on the Dollar Equivalent on the date of such prepayment of the aggregate principal amount of outstanding the Initial Euro Term Loans, the Initial Sterling Term Loans and (to the extent applicable) Backstop Term Loans and Other Term Loans, if any (unless, with respect to Other Term Loans, the Incremental Assumption Agreement relating thereto does not so require) irrespective of whether such outstanding Loans are ABR Loans or Eurocurrency Loans; provided, that if no Lenders exercise the right to waive a given mandatory prepayment of the Loans pursuant to Section 2.11(d), then, with respect to such mandatory prepayment, prior to the repayment of any Term Loan, the Borrower may select the Borrowing or Borrowings to be repaid and shall notify the Administrative Agent by telephone (confirmed by telecopy) of such selection not later than 2:00 p.m., Local Time, (i) in the case of an ABR Borrowing, one Business Day before the scheduled date of such repayment and (ii) in the case of a Eurocurrency Borrowing, three Business Days before the scheduled date of such repayment. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Loans shall be accompanied by accrued interest on the amount repaid.

- (a) The Borrower shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to clauses (e) and (f) of this Section 2.11 and Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d).
- (b) The Borrower shall apply all Net Proceeds promptly upon receipt thereof to prepay Loans in accordance with paragraphs (c) and (d) of Section 2.10. Notwithstanding the foregoing, the Borrower may retain Net Proceeds pursuant to clause (b) of the definition thereof, provided, that the Total Net First Lien Leverage Ratio on the last day of the Borrower's then most recently completed fiscal quarter for which financial statements are available shall be less than or equal to 2.00 to 1.00.
- (c) Not later than 90 days after the end of each Excess Cash Flow Period, the Borrower shall calculate Excess Cash Flow for such Excess Cash Flow Period and shall apply an amount equal to (i) the Required Percentage of such Excess Cash Flow, minus (ii) to the extent not financed, using the proceeds of, without duplication, the incurrence of Indebtedness and the sale or issuance of any Equity Interests (including any capital contributions), the amount of any voluntary prepayments during such Excess Cash Flow Period of Loans to prepay Loans in accordance with paragraphs (c) and (d) of Section 2.10. Not later than the date on which the Borrower is required to deliver financial statements with respect to the end of each Excess Cash Flow Period under Section 5.04(a), the Borrower will deliver to the Administrative Agent a certificate signed by a Financial Officer of the Borrower setting forth the amount, if any, of Excess Cash Flow for such fiscal year and the calculation thereof in reasonable detail.
- (d) Anything contained herein to the contrary notwithstanding, in the event the Borrower is required to make any mandatory prepayment including, for the avoidance of doubt, payments under Section 2.10(a) (a "Waivable Mandatory Prepayment") of the Loans, not less than three Business Days prior to the date (the "Required Prepayment Date") on which the Borrower elects (or is otherwise required) to make such Waivable Mandatory Prepayment, the Borrower shall notify Administrative Agent of the amount of such prepayment, and Administrative Agent will promptly thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender's *pro rata* share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Administrative Agent of its election to do so on or before the second Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify the Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrower shall pay to Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option (each, a "Declining Lender"), to prepay the Loans of such Declining Lenders (which prepayment shall be applied to the scheduled Installments of principal of the Loans in accordance with Section 2.11(b)), and (ii) in an amount equal to that portion of the Waivable Mandatory Prepayment otherwise payable to those Lenders that have elected to exercise such option, to the Borrower.
- (e) Notwithstanding anything herein to the contrary, in the event that, on or prior to the six-month anniversary of the Closing Date, there occurs any Euro Term Loan Repricing Event or in connection with an Euro Term Loan Repricing Event constituting an amendment or conversion of Initial Euro Term Loans, any Lender is required to assign its Initial Euro Term Loans pursuant to Section 2.19(c), the Borrower shall on the date of such Euro Term Loan Repricing Event pay to the Administrative Agent, for the account of each Lender with such Initial Euro Term Loans that are subject to such Euro Term Loan Repricing Event or are required to be so assigned, a fee equal to 1.00% of the principal amount of the Initial Euro Term Loans subject to such Euro Term Loan Repricing Event or required to be so assigned; provided that any prepayment of any Initial Euro Term Loans made in connection with a Change in Control shall not require the payment of the 1.00% premium otherwise provided for in this Section 2.11(e).
- (f) Notwithstanding anything herein to the contrary, in the event that, on or prior to the six-month anniversary of the Closing Date, there occurs any Sterling Term Loan Repricing Event or in connection with an Sterling Term Loan Repricing Event constituting an amendment or conversion of Initial Sterling Term Loans, any Lender is required to assign its Initial Sterling Term Loans pursuant to Section 2.19(c), the Borrower shall on the date of such Sterling Term Loan Repricing Event pay to the Administrative Agent, for the account of each Lender with such Initial Sterling Term Loans that are subject to such Sterling Term Loan Repricing Event or are required to be so assigned, a fee equal to 1.00% of the principal amount of the Initial Sterling Term Loans subject to such Sterling Term Loan Repricing Event or required to be so assigned; provided that any prepayment of any Initial Sterling Term Loans made in connection with a Change in Control shall not require the payment of the 1.00% premium otherwise provided for in this Section 2.11(f).
- (g) Notwithstanding anything herein to the contrary, in the event that, on or prior to the six-month anniversary of the Closing Date, there occurs any Term Loan Repricing Event or in connection with a Term Loan Repricing Event constituting an amendment or conversion of any Backstop Term Loans, any Lender is required to assign its Backstop Term Loans pursuant to Section 2.19(c), the Borrower shall on the date of such Term Loan Repricing Event pay to the Administrative Agent, for the account of each Lender with such Backstop Term Loans that are subject to such Term Loan Repricing Event or are required to be so assigned, a fee equal to 1.00% of the principal amount of the Backstop Term Loans subject to such Term Loan Repricing Event or required to be so assigned; provided that any prepayment of any Backstop Term Loans made in connection with a Change in Control shall not require the payment of the 1.00% premium otherwise provided for in this Section 2.11(g).

SECTION 2.12.

Fees.

(a) The Borrower agrees to pay to the Administrative Agent, for the account of the Administrative Agent, such fees as shall have been separately agreed upon in writing, including in the Fee Letters, as amended, restated, supplemented or otherwise modified from time to time, at the times specified therein.

(b) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the fees shall be refundable under any circumstances.

SECTION 2.13.

Interest.

(a) The Loans denominated in Dollars comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin. No Loans denominated in Euros or Sterling may be comprised of ABR Borrowings.

(b) The Loans denominated in Dollars comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate, for the Interest Period in effect for such Borrowing plus the Applicable Margin. The Loans denominated in Euros comprising each Eurocurrency Borrowing shall bear interest at the EURIBOR Rate, for the Interest Period in effect for such Borrowing plus the Applicable Margin. The Loans denominated in Sterling comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided, that this paragraph (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, and (ii) on the applicable Term Facility Maturity Date; provided, that (x) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (y) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (z) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the "prime rate" shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable ABR, Adjusted LIBO Rate or LIBO Rate or EURIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14.

Alternate Rate of Interest.

- (a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:
- (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period; or
 - (ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing denominated in such currency shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, and (ii) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) or the Borrower notifies the Administrative Agent that (i) the circumstances set forth in Section 2.14(a)(i) have arisen and such circumstances are unlikely to be temporary, (ii) the circumstances set forth in Section 2.14(a)(i) have not arisen but the supervisor for the administrator of the LIBO Rate or EURIBOR Rate, as applicable, or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Rate or EURIBOR Rate, as applicable, shall no longer be used for determining interest rates for loans or (iii) syndicated loans currently being executed, or that include language similar to that contained in this Section 2.14, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Adjusted LIBO Rate or EURIBOR Rate, as applicable, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate or EURIBOR Rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), as applicable, that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans denominated in Dollars in the U.S., in Sterling or in Euros at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided, that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.08, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within three Business Days of the date a copy of such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this Section 2.14(b) (but, in the case of the circumstances described in clause (ii) or clause (iii) above, only to the extent the LIBO Rate or EURIBOR Rate, as applicable, for such Interest Period is not available or published at such time on a current basis), (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective and shall be continued as, or converted into, if applicable, an ABR Borrowing and (B) if any Borrowing Request requests a Eurocurrency Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15.

Increased Costs.

- (a) If any Change in Law shall:
- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate or EURIBOR Rate); or
 - (ii) impose on any Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurocurrency Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as specified in paragraph (a) or (b) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change

in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) The foregoing provisions of this Section 2.15 shall not apply in the case of any Change in Law in respect of Taxes, which shall instead be governed by Section 2.17.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or EURIBOR Rate, as applicable, that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in dollars of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

- (a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, that if a Loan Party shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make such deductions and (iii) such Loan Party shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.
- (b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.
- (c) Each Loan Party shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as applicable, on or with respect to any payment by or on account of any obligation of such Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to such Loan Party by a Lender or by the Administrative Agent on its own behalf, on behalf of another Agent or on behalf of a Lender, shall be conclusive absent manifest error.
- (d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.
- (e) Any Lender that is entitled to an exemption from or reduction of withholding Tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), to the extent such Lender is legally entitled to do so, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as may reasonably be requested by the Borrower to permit such payments to be made without such withholding Tax or at a reduced rate; provided, that no Lender shall have any obligation under this paragraph (e) with respect to any withholding Tax imposed by any jurisdiction other than the United States if in the reasonable judgment of such Lender such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect.
- (f) Each Lender shall deliver to the Borrower and the Administrative Agent on the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two original copies of whichever of the following is applicable: (i) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), claiming eligibility for benefits of an income tax treaty to which the United States of America is a party, (ii) duly completed copies of Internal Revenue Service Form W-8ECI (or any subsequent versions thereof or successors thereto), (iii) in the case of a Lender claiming the benefits of the exemption for portfolio interest under section 871(h) or 881(c) of the IRS Code, (x) a certificate to the effect that, for United States federal income tax purposes, such Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the IRS Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 871(h)(3) or 881(c)(3)(B) of the IRS Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the IRS Code and that, accordingly, such Lender qualifies for such exemption and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any subsequent versions thereof or successors thereto), (iv) duly completed copies of Internal Revenue Service Form W-8IMY, together with forms and certificates described in clauses (i) through (iii) above (and additional Form W-8IMYs) as may be required or (v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made. In addition, in each of the foregoing circumstances, each Lender shall deliver such forms, if legally entitled to deliver such forms, promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States of America or other taxing authorities for such purpose). In addition, each Lender that is a "United States person" (as defined in Section 770(a)(30) of the IRS Code) shall deliver to the Borrower and the Administrative Agent two copies of Internal Revenue Service Form W-9 (or any subsequent versions thereof or successors thereto) on or before the date such Lender becomes a party and upon the expiration of any form previously delivered by such Lender. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.
-

(g) If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund) as is determined by the Administrative Agent or such Lender, as applicable, in good faith and in its sole discretion, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay as soon as reasonably practicable the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.17(g) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Loan Parties or any other person.

(h) If a payment made by the Borrower hereunder or under any other Loan Document would be subject to United States federal withholding tax imposed pursuant to FATCA if any Lender fails to comply with applicable reporting and other requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code, as applicable), such Lender shall use commercially reasonable efforts to deliver to the Borrower and the Administrative Agent, at the time or times prescribed by applicable law or as reasonably requested by the Borrower or the Administrative Agent, any documentation reasonably requested by the Borrower or the Administrative Agent reasonably satisfactory to the Borrower or the Administrative Agent for the Borrower and the Administrative Agent to comply with their obligations under FATCA to determine the amount to withhold or deduct from such payment and to determine whether such Lender has complied with such applicable reporting and other requirements of FATCA, provided, that, notwithstanding any other provision of this subsection, no Lender shall be required to deliver any document pursuant to this subsection that such Lender is not legally able to deliver or, if in the reasonable judgment of such Lender, such compliance would subject such Lender to any material unreimbursed cost or expense or would otherwise be disadvantageous to such Lender in any material respect, provided, further, that in the event a Lender does not comply with the requirements of this subsection 2.17(h) as a result of the application of the first proviso of this subsection 2.17(h), then such Lender shall be deemed for purposes of this Agreement to have failed to comply with the requirements under FATCA.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under the Loan Documents shall be made in Dollars (except that payments in respect of any Euro denominated Obligations shall be made in Euros). Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) If at any time insufficient funds are received by and available to the Administrative Agent from the Borrower to pay fully all amounts of principal, interest and fees then due from the Borrower hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due from such Borrower hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans (based on the Dollar Equivalent on the date of such purchase); provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph (c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph (c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.06(b) or 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

SECTION 2.19.

Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided, that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrower may have against any Lender that is a Defaulting Lender.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to replace such Non-Consenting Lender by deeming such Non-Consenting Lender to have assigned its Loans, and its Commitments hereunder to one or more Assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within three Business Days after Borrower's request, compliance with Section 9.04 shall not be required to effect such assignment.

SECTION 2.20.

Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), either, (i) in the case of Loans denominated in Dollars, convert all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans, prepay such Loans or (ii) in the case of Loans denominated in Euros or Sterling, convert all Eurocurrency Borrowings of such Lender to an alternative interest rate mutually acceptable to the Borrower and the Lenders, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans, prepay such Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

(a) The Borrower may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments, in an amount not to exceed the Incremental Amount from one or more Incremental Term Lenders (which may include any existing Lender) willing to provide such Incremental Term Loans in their own discretion; provided, that each Incremental Term Lender shall be subject to the approval of the Administrative Agent (which approval shall not be unreasonably withheld) unless such Incremental Term Lender is a Lender, an Affiliate of a Lender or an Approved Fund; provided, further, that (i) Incremental Term Loans may be incurred without regard to the Incremental Amount solely to the extent that the Net Proceeds therefrom are used substantially concurrently with the incurrence of such Incremental Term Loans to prepay existing Term Loans in accordance with the first sentence of Section 2.11(b) (it being understood that such Incremental Term Loans shall not be deemed Excluded Indebtedness). Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments being requested (which shall be in minimum increments of, with respect to the Initial Euro Term Loans, €5.0 million and, with respect to the Initial Sterling Term Loans, £5.0 million and a minimum amount of, with respect to the Initial Euro Term Loans, €25.0 million and, with respect to the Initial Sterling Term Loans, £25.0 million or equal to the remaining Incremental Amount), (ii) the date on which such Incremental Term Loan Commitments are requested to become effective (the "Increased Amount Date"), and (iii) whether such Incremental Term Loan Commitments are to be Initial Euro Term Loan Commitments, Initial Sterling Term Loan Commitments or commitments to make term loans with pricing and/or amortization terms different from the Initial Term Loans ("Other Term Loans").

(b) The Borrower and each Incremental Term Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans (all such Incremental Term Loans to be made pursuant to any Incremental Assumption Agreement, a "Series"); provided, that (i) the Other Term Loans shall rank *pari passu* or junior in right of payment and of security with the Initial Euro Term Loans and Initial Sterling Term Loans and, except as to pricing, amortization and final maturity date, shall have (x) the same terms as the Initial Euro Term Loans and Initial Sterling Term Loans, as applicable, or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Other Term Loans shall be no earlier than the Initial Euro Term Facility Date or Initial Sterling Term Facility Maturity Date, as applicable, and (iii) the weighted average life to maturity of any Other Term Loans shall be no shorter than the remaining weighted average life to maturity of the Initial Euro Term Loans and the Initial Sterling Term Loans, as applicable. Each of the parties hereto hereby agrees that upon the effectiveness of any Incremental Assumption Agreement this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrower's consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, (x) the representations and warranties set forth in Article III shall be true and correct in all material respects as of such date, in each case, with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date (in which case such representations and warranties shall be true and correct in all material respects as of such earlier date), immediately after giving effect to such Borrowing and no Event of Default or Default shall have occurred and be continuing or would result therefrom (other than any Incremental Term Loan under the Term Facility to be made during the Certain Funds Period) or (y) if the proceeds of such Incremental Term Loans are being used to fund a Limited Condition Acquisition, and the Lenders providing such Incremental Term Loans so agree, the availability thereof shall be subject to customary "SunGard" conditionality, it being understood that in any event, no Specified Event of Default shall have occurred and be continuing or result from such Borrowing and the use of proceeds thereof, and in each case the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Borrower, and (ii) the Administrative Agent shall have received customary legal opinions, board resolutions and other customary closing certificates and documentation as required by the relevant Incremental Assumption Agreement and, to the extent required by the Administrative Agent, consistent with those delivered on the Closing Date under Article IV and such additional customary documents and filings (including amendments to the Mortgages and other Security Documents and title endorsement bringdowns) as the Administrative Agent may reasonably require to assure that the Incremental Term Loans are secured by the Collateral ratably with (or, to the extent agreed by the applicable Incremental Term Lenders in the applicable Incremental Assumption Agreement, junior to) the existing Loans.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all Initial Euro Term Loans or Initial Sterling Term Loans, when originally made, are included in each Borrowing of outstanding Initial Euro Term Loans or Initial Sterling Term Loans on a *pro rata* basis. The Borrower agrees that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, this Section 2.21 shall not become operative until after the Closing Date.

Holdings shall ensure that the terms of the Scheme Circular or as the case may be the Offering Circular are not inconsistent with, or contrary to, the terms of the Rule 2.7 Announcement in any respect materially adverse to the interests of the Lenders, unless the Joint Lead Arrangers have consented to the applicable change (such consent not to be unreasonably withheld, delayed or conditioned) or unless the applicable change is required by any applicable Law (including, without limitation, the Companies Act of 2006 or the Takeover Code), the Takeover Panel, any applicable stock exchange, any applicable government or other regulatory authority, or a court of competent jurisdiction (including, without limitation, the Court). Holdings will not amend or waive any material term of any Offer Document or, as the case may be, Scheme Document in a manner or to an extent that would be materially prejudicial to the interests of the Lenders under the Loan Documents, other than any amendment or waiver (i) made with the consent of Administrative Agent; (ii) required by the Takeover Panel, the Court, the Takeover Code or any other applicable law, regulation court or regulatory body; or (iii) where such waiver does not relate to a condition which the Acquisition SPV reasonably considers that it would be entitled, in accordance with Rule 13.5(a) of the Code, to invoke so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn..

(d) Other than as required by the Takeover Panel, the Takeover Code, the London Stock Exchange, Financial Conduct Authority or any other applicable law, regulation, court or regulatory body and to the extent practicable, Holdings and its subsidiaries shall not make any press release or other public statement in respect of the Acquisition (other than in the Rule 2.7 Announcement, the Scheme Circular or any Offer Document), without first obtaining the prior approval of Administrative Agent (such approval not to be unreasonably withheld or delayed).

(e) Holdings, upon the reasonable request of the Joint Lead Arrangers, deliver to the Administrative Agent (for further delivery to the Lenders) and the Joint Lead Arrangers updates as to the status and progress in respect of the Acquisition, including, if applicable details of the level of acceptances of the Offer, and will notify the Joint Lead Arrangers promptly following any Responsible Officer of the Borrower becoming aware of any reasonably likely failure to fully satisfy any condition of the Scheme or the Offer, as applicable, that would allow Acquisition SPV to not proceed with the Scheme or the Offer or the Scheme, as applicable, in each case, to the extent it is able to do so in compliance with applicable law (including, without limitation, the Companies Act of 2006 or the Takeover Code). Holdings and its subsidiaries shall, to the extent that they are able to do so in compliance with applicable law and confidentiality or other obligations to which they are subject, promptly supply to Administrative Agent (i) copies of all documents, certificates, notices or announcements received or issued by Holdings or any of its subsidiaries (or on their behalf) in relation to a Scheme or an Offer (as the case may be) to the extent material to the interests of the Lenders and (ii) any other information regarding the progress of an Offer or a Scheme (as the case may be), in each case as Administrative Agent may reasonably request.

(f) Holdings shall pay (or cause payment of) all amounts payable under the Acquisition Documents as and when they become due (except to the extent that any such amounts are being contested in good faith by Holdings or any of its subsidiaries and where adequate reserves are set aside for any such payment) with the time periods required by applicable law.

(g) Holdings shall not and shall procure that none of its subsidiaries, without the prior written consent of the Administrative Agent, finance the purchase of any Target Shares (whether pursuant to the Offer, or the Scheme, or otherwise) with any amounts other than (i) the proceeds of the Initial Euro Term Loans, the Initial Sterling Term Loans, the First Lien Bridge Facility (or any New First Lien Notes issued in lieu thereof) and the Second Lien Bridge Facility (or any New Second Lien Notes issued in lieu thereof) in each case with accordance with Section 5.08 of this Agreement and (ii) cash on balance sheet (for the avoidance of doubt, not generated from any debt financing or any issuance of equity, other than common equity with no debt-like features). Holdings and its subsidiaries shall not acquire any Target Shares in the market (outside of the Offer or Scheme) at a price higher than the price per Target Share paid or to be paid pursuant to the Offer or Scheme (as applicable).

(h) Where the Acquisition is to be undertaken by way of a Scheme but then changes to an Offer (or vice versa), Holdings shall promptly notify the Administrative Agent of such change. Following any change in the way in which the Acquisition is to be undertaken, as notified by Holdings under this clause (h), each reference to "Acquisition Documents" in this Agreement shall be construed accordingly.

(i) Where the Acquisition is to be undertaken by way of an Offer, Holdings shall not declare the Offer unconditional as to acceptances until the Minimum Acceptance Condition has been achieved.

(j) Holdings and its subsidiaries shall not take any action which would require Holdings or any of its Subsidiaries to make a mandatory offer for the Target Shares in accordance with Rule 9 of the Takeover Code.

The provisions of this Section 5.11 are for the benefit of the Lenders only and, notwithstanding anything herein to the contrary, the Required Lenders under the Term Facility may amend, waive or otherwise modify this Section 5.11 or the defined terms used solely for purposes of this Section 5.11 or waive any Default resulting from a breach of this Section 5.11 without the consent of any Lenders other than such Required Lenders.

- (c) shall use its best efforts to procure that, by no later than the expiry of the Certain Funds Period, the Memorandum and Articles of Association of the Target shall be amended so that Holdings shall have the right to acquire any Target Shares which are required to be issued by the Target pursuant to any rights of any person under any option scheme and evidence shall be provided to the Administrative Agent of such amendment.

SECTION 5.13. Collateral and Guarantee Requirement. The Borrower shall satisfy the elements of the Collateral and Guarantee Requirement required to be satisfied on the Effective Date (other than in the case of any security interest in the intended Collateral or any deliverable related to the perfection of security interests in the intended Collateral (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of stock certificates and the security agreement giving rise to the security interest therein) that is not provided on the Effective Date after the Borrower's use of commercially reasonable efforts to do so, which such security interest or deliverable shall be delivered within the time periods specified with respect thereto in Schedule 5.13, and the Administrative Agent shall have received a completed Perfection Certificate, dated the Effective Date and signed by a Responsible Officer of the Borrower, together with all attachments contemplated thereby.

then, and in every such event (other than an event with respect to the Borrower described in paragraph (h) or (i) above), and at any time thereafter during the continuance of such event, but in each case subject to Section 4.03, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments, and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event with respect to the Borrower described in paragraph (h) or (i) above, the Commitments shall automatically terminate, and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding.

The Agents

SECTION 8.01. Appointment.

(a) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby irrevocably designates and appoints the (A) Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as a Collateral Agent for such Lender and the other Secured Parties (including the Revolving Facility Secured Parties) under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (B) the Revolving Facility Collateral Agent as collateral agent for such lender for purposes of the Security Documents. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto and to enter into and take such action on its behalf under the provisions of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement, together with such other powers as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

(c) Each Lender (in such capacity and on behalf of itself and its Affiliates as potential counterparties to Swap Agreements) irrevocably authorizes each of the Administrative Agent and the Collateral Agent, at its option and in its discretion, (i) to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (A) upon termination of the Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (C) if approved, authorized or ratified in writing in accordance with Section 9.08 hereof, (ii) to release any Subsidiary Loan Party from its obligations under the Loan Documents if such person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and (iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i) and (j). Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Loan Documents.

(d) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, assignee, trustee, liquidator, examiner, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

SECTION 8.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. The Administrative Agent may also from time to time, when the Administrative Agent deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent. Should any instrument in writing from the Borrower or any other Loan Party be required by any Subagent so appointed by the Administrative Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. If any Subagent, or successor thereto, shall die, become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent until the appointment of a new Subagent. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects in accordance with the foregoing provisions of this Section 8.02 in the absence of the Administrative Agent's gross negligence or willful misconduct.

SECTION 8.03. Exculpatory Provisions. Neither any Agent or its Affiliates nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) the Administrative Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by the Borrower or a Lender. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan hereunder, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (including counsel to Holdings or the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

SECTION 8.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received written notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

SECTION 8.06. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

SECTION 8.07. Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Holdings or the Borrower and without limiting the obligation of Holdings or the Borrower to do so), in the amount of its *pro rata* share (based on its outstanding Loans), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent for such other Lender's ratable share of such amount. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

SECTION 8.08. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

SECTION 8.09. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor agent which shall (unless an Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed). After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 8.09 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

SECTION 8.10. Agents and Arrangers. None of the Joint Lead Arrangers, the Joint Additional Arrangers or the Co-Arrangers shall have any duties or responsibilities hereunder in its capacity as such.

SECTION 8.11. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

- (i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,
- (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,
- (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto). To the extent the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing is not reimbursed and indemnified by the Borrower, the Lenders severally agree to reimburse and indemnify the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, in proportion to their respective “pro rata shares” (determined as set forth below) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or such sub-agent) or such Related Party in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or such Related Party’s, as applicable, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). For purposes of this paragraph, a Lender’s “pro rata share” shall be determined based upon its share of the sum of, without duplication, outstanding Loans, in each case, at the time (or most recently outstanding and in effect).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that (A) the Borrower shall deliver paper copies of such documents to the Administrative Agent or any Lender that requests the Borrower to deliver such paper copies until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender, and (B) the Borrower shall notify the Administrative Agent and each Lender (by telecopier or electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Notwithstanding anything contained herein, in every instance the Borrower shall be required to provide paper copies of the certificates required by Section 5.04(c) to the Administrative Agent. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Borrower with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

SECTION 9.02. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not been terminated. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Sections 2.15, 2.17 and 9.05) shall survive the payment in full of the principal and interest hereunder, and the termination of the Commitments or this Agreement.

SECTION 9.03. Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent shall have been notified by each Lender (or otherwise received evidence satisfactory to the Administrative Agent) that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of Holdings, the Borrower, the Administrative Agent and each Lender and their respective permitted successors and assigns.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents.

(b) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an “Assignee”) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower; provided, that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than, with respect to the Initial Euro Term Loans, €1.0 million and, with respect to the Initial Sterling Term Loans, £1.0 million, unless each of the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Borrower shall be required if an Event of Default under Sections 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

- (B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);
- (C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms; and
- (D) the Assignee shall not be the Borrower or any of the Borrower's Affiliates or Subsidiaries.

Notwithstanding anything herein (including in clause (A) above) or in any other Loan Document to the contrary, no Lender shall affect any assignment with respect to the Initial Term Facilities or the Backstop Facilities during the Certain Funds Period (other than an assignment to Goldman Sachs International Bank, Goldman Sachs Lending Partners, Wells Fargo Securities International Limited, Wells Fargo Securities, LLC or to those banks, financial institutions or other institutional lenders that have been agreed by the Borrower and the Joint Lead Arrangers prior to the Effective Date) without the Borrower's prior written consent in the Borrower's sole discretion.

For the purposes of this Section 9.04, "Approved Fund" means any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to an Ineligible Institution without the prior written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b) (v).

(c) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to Section 9.04(a)(i) or clauses (i), (ii), (iii), (iv), (v) or (vi) of the first proviso to Section 9.08(b) and (2) directly affects such Participant and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to paragraph (c)(ii) of this Section 9.04, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided such Participant shall be subject to Section 2.18(c) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.17 to the extent such Participant fails to comply with Section 2.17(e) and (f) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent. Each of Holdings, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(g) If the Borrower wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrower), accompanied by payment of any accrued interest and fees thereon and any other amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) Notwithstanding the foregoing, no assignment may be made to an Ineligible Institution without the prior written consent of the Borrower.

SECTION 9.05.

Expenses; Indemnity.

(a) The Borrower agrees to pay (i) all reasonable out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent in connection with the preparation of this Agreement and the other Loan Documents, or by the Administrative Agent in connection with the syndication of the Commitments or the administration of this Agreement (including expenses incurred in connection with due diligence and initial and ongoing Collateral examination to the extent incurred with the reasonable prior approval of the Borrower and the reasonable fees, disbursements and charges for no more than one counsel in each jurisdiction where Collateral is located) or in connection with the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions hereby contemplated shall be consummated), including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and Allen & Overy LLP, special U.K. counsel for the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made hereunder, including the fees, charges and disbursements of counsel for the Administrative Agent (including any special and local counsel).

(b) The Borrower agrees to indemnify the Administrative Agent, the Agents, the Joint Lead Arrangers, Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers, each Lender, each of their respective Affiliates and each of their respective directors, trustees, officers, employees, agents, trustees and advisors (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document (including, without limitation, the Second Priority Intercreditor Agreement, the Senior Fixed Collateral Intercreditor Agreement and the Senior Lender Intercreditor Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans, or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by Holdings, the Borrower or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee (for purposes of this proviso only, each of the Administrative Agent, the Joint Lead Arrangers, the Joint Additional Arrangers, the Co-Arrangers or any Lender shall be treated as several and separate Indemnitees, but each of them together with its respective Related Parties, shall be treated as a single Indemnitee). Subject to and without limiting the generality of the foregoing sentence, the Borrower agrees to indemnify each Indemnitee against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel or consultant fees, charges and disbursements (limited to not more than one counsel, plus, if necessary, one local counsel per jurisdiction) (except the allocated costs of in-house counsel), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (A) any claim related in any way to Environmental Laws and Holdings, the Borrower or any of their Subsidiaries, or (B) any actual or alleged presence, Release or threatened Release of Hazardous Materials at, under, on or from any Real Property; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Funds, Holdings, the Borrower or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to Taxes.

(d) To the fullest extent permitted by applicable law, Holdings and the Borrower shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

SECTION 9.06. Right of Set-off. If an Event of Default shall have occurred and be continuing, subject to Section 4.03, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of Holdings, the Borrower or any Subsidiary against any of and all the obligations of Holdings or the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmaturred. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender may have.

SECTION 9.07. Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN LETTERS OF CREDIT AND AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 9.08. Waivers; Amendment.

(a) No failure or delay of the Administrative Agent or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by Holdings, the Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on Holdings, the Borrower or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower and the Required Lenders, and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each party thereto and the Administrative Agent (or, in the case of any Security Documents, the Collateral Agent if so provided therein) and consented to by the Required Lenders; provided, however, that no such agreement shall

- (i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan without the prior written consent of each Lender directly affected thereby,
- (ii) increase or extend the Commitment of any Lender or decrease any fees of any Lender without the prior written consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the aggregate Commitments shall not constitute an increase of the Commitments of any Lender),
- (iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any fees is due, without the prior written consent of each Lender adversely affected thereby,
- (iv) amend the provisions of Section 5.02 of the Collateral Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the prior written consent of each Lender adversely affected thereby,
- (v) amend or modify the provisions of this Section 9.08 or the definition of the term "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),
- (vi) release all or substantially all the Collateral or release any of Holdings, the Borrower or all or substantially all of the Subsidiary Loan Parties from their respective Guarantees under the Collateral Agreement, unless, in the case of a Subsidiary Loan Party, all or substantially all the Equity Interests of such Subsidiary Loan Party is sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender;
- (vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lender participating in another Facility, without the consent of the majority-in-interest of the Lenders participating in the adversely affected Facility (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any assignee of such Lender.

(c) Without the consent of any Joint Lead Arranger, Joint Additional Arranger, Co-Arranger or Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Notwithstanding the foregoing, (i) this Agreement and the other Loan Documents may be amended (or amended and restated) with written consent of the Administrative Agent and the Borrower in order to make modification contemplated by the terms of the Fee Letters and (ii) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary to integrate any Incremental Term Loan Commitments on substantially the same basis as the Loans.

SECTION 9.09. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender on subsequent payment dates to the extent not exceeding the legal limitation.

SECTION 9.10. Entire Agreement. This Agreement, the other Loan Documents and the agreements regarding certain fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents, except as set forth under Section 9.05(b).

SECTION 9.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

SECTION 9.12. Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9.13. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission (or other electronic transmission pursuant to procedures approved by the Administrative Agent) shall be as effective as delivery of a manually signed original.

SECTION 9.14. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 9.15. Jurisdiction; Consent to Service of Process.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof (collectively, “New York Courts”), in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any of the other Loan Documents in the courts of any jurisdiction, except that each of the Loan Parties agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Lenders who would be affected by any such action or proceeding have contacts with the State of New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Loan Party in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Loan Party from asserting or seeking the same in the New York Courts.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.16. Confidentiality. Each of the Lenders and each of the Agents agrees that it shall maintain in confidence any information relating to Holdings, the Borrower and any Subsidiary furnished to it by or on behalf of Holdings, the Borrower or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender or such Agent without violating this Section 9.16 or (c) was available to such Lender or such Agent from a third party having, to such person’s knowledge, no obligations of confidentiality to Holdings, the Borrower or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees and advisors with a need to know or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledge under Section 9.04(d) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16) and (F) to any direct or indirect contractual counterparty in Swap Agreements or such contractual counterparty’s professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16).

The Borrower, in respect of the Agents and the Lenders, and the Agents and the Lenders, in respect of the Borrower, the Target and their respective Subsidiaries and other Affiliates, may not issue any press release or make any public announcement which references the other relevant party in the context of the Acquisition except with the applicable party's prior written consent, such consent not to be unreasonably withheld or delayed and not to be required in the case of references required by the Takeover Rules or applicable laws or regulations in relation to the Acquisition or the rules of any securities exchange or regulatory authority (but the parties shall use all reasonable endeavors to consult with each other prior to making any such press release or public announcement).

SECTION 9.17. Platform; Borrower Materials. The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers, the Joint Additional Arrangers and the Co-Arrangers will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a "Public Lender"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers the Joint Additional Arrangers, the Co-Arrangers and the Lenders to treat such Borrower Materials as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws, (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent, the Joint Lead Arrangers the Joint Additional Arrangers and the Co-Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

SECTION 9.18. Release of Liens and Guarantees. In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise disposes of all or any portion of any of the Equity Interests or assets of any Subsidiary Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by Section 6.05, the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Holdings or the Borrower and at the Borrower's expense to release any Liens created by any Loan Document in respect of such Equity Interests or assets, and, in the case of a disposition of the Equity Interests of any Subsidiary Loan Party in a transaction permitted by Section 6.05 and as a result of which such Subsidiary Loan Party would cease to be a Subsidiary, terminate such Subsidiary Loan Party's obligations under its Guarantee. In addition, the Collateral Agent agrees to take such actions as are reasonably requested by Holdings or the Borrower and at the Borrower's expense to terminate the Liens and security interests created by the Loan Documents when all the Obligations (other than contingent indemnification Obligations) are paid in full and all Commitments are terminated. Any representation, warranty or covenant contained in any Loan Document relating to any such Equity Interests, asset or subsidiary of Holdings shall no longer be deemed to be made once such Equity Interests or asset is so conveyed, sold, leased, assigned, transferred or disposed of.

SECTION 9.19. PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act.

SECTION 9.20. Intercreditor Agreements and Collateral Agreement. Each Lender hereunder (a) consents to the priority and/or subordination of Liens provided for in the Second Priority Intercreditor Agreement, (b) consents to the priority and/or subordination of Liens provided for in the Senior Lender Intercreditor Agreement, (c) consents to the priority and/or subordination of Liens provided for in the Senior Fixed Collateral Intercreditor Agreement, (d) agrees that it will be bound by and will take no actions contrary to the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement or the Senior Fixed Collateral Intercreditor Agreement, (e) authorizes and instructs the Collateral Agent to enter into the Term Loan Joinder to Second Priority Intercreditor Agreement on behalf of itself and such Lender, (f) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the Term Loan Joinder to Senior Lender Intercreditor Agreement on behalf of itself and such Lender, (g) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the Term Loan Joinder to Senior Fixed Collateral Intercreditor Agreement and (h) consents to entering into the First Lien Guarantee and Collateral Agreement in the form of Exhibit E herein. The foregoing provisions are intended as an inducement to the Lenders to extend credit and such Lenders are intended third party beneficiaries of such provisions and the provisions of the Second Priority Intercreditor Agreement, the Senior Lender Intercreditor Agreement and the Senior Fixed Collateral Intercreditor Agreement.
