Innovation for the World

Infinity Quartz Range
Our CPI segment launched a range of premium jars that enable cosmetic and beauty products to create a strong on-shelf presence and brand image, while meeting consumer demands for more responsible packaging. The Infinity Quartz range can be specified in a choice of materials including post-consumer recycled (PCR) plastic, finishes, and decoration options; at the same time, the jars offer the benefits of being refillable or reusable.

Bhoomi Bottle
Partnered with Bhoomi to launch a 100% sugarcane-based bottle. The bottle offers a range of environmental benefits including a significant reduction of greenhouse gas emissions and reduced water use and the elimination of fossil fuel consumption.

ISCC Certifications
Ensuring the traceability of recycled and bio-based polymers through the supply chain.
